are we really going to dance dressed like this...?
U-uhm,
In a high class hotel for the top executives of the major firm XXX, inc.
もじ...
They're nice out-fits, right?
We made them so you could use them for today's secret live show.
Ma-hiro
Shun,
Yuu,
.....
Go ahead and have a sip of these and relax your-selves.
コト...
What's this? Looks like you're all a bit ner-vous.

We're the idol unit "Unison Yell."

To be frank, we're an under-ground idol group.

However, for some reason the huge XXX group began sponsoring us recently, and because of that,

bit by bit, we've been able to move out of the shadows and into the spotlight.

Mahiro age: 14

Shun age: 14

Yuu age: 14

The sponsorship condition was periodic "entertainment."

Make sure you call us "Papa."

Huh?

N-now we'll begin our live for all of the XXX Gentlemen...

This is the first time we'll be meeting face-to-face, so we're sort of nervous.

We never imagined we'd all have to wear this emba-rrassing outfit...

But they've suppor-ted us so much thus far, so we can't go against them.

Hey, come on now.

ソワ…
Call us "Papa."

Every time we move, our embarrassing parts are totally visible.
They're looking at our butts and penises, as if tasting them.
What exactly is behind these disturbing glares?

Not being content with just that, they also made us dance in front of a video of our own live concert.

Oh yeah, wasn't it rumored that the huge XXX group was sponsoring them, too?
Pfff, that has nothing to do with it.
It's so awesome that they're finally being covered by all kinds of media!
And they're all so cute~
Their major debut wasn't even that long ago, either.
