What was I even thinking!
Ha!
I was turned on by this fantasy of mine...
Somehow...
Ah ha ha Look at the pose she's making, how funny!
How can she stand to live in such a small, dirty place like this
I can never live like that.
But...
What if it's me who's in the cage...
But the smell! Is this even cleaned up properly?
You dirty things should be treated!
A female breeding farm somewhere out there
Oh, is it?
Wow.. Is this Otou-sama's farm? It's my first time to be here.

Such an incredible feeling, it feels so good...
Ah, I wonder how these female cattles take a dump
Ash.. It's coming out!
