サキュバスステイドライフ 2
Succubus Stayed Life

■Summary of the previous installment

At a glance, Matsukawa-kun's classmate Sakuramachi-san seemed like your average girl, but in actuality she turned out to be a present-day succubus that feeds on a male's vitality and has sexual intercourse for nourishment! Having unfortunately been taken a liking to, the weak and easily manipulated Matsukawa began living together alone with her.

松河春雪Matsukawa Haruyuki

He didn't really have any kind of big appearance-changing high school debut worth mentioning, doesn't have all that many friends, and is somewhat of a nerd. He's having his sexual ability and vitality reinforced.

桜待冬子Sakuramachi Touko

A silent, bespectacled girl with very few friends. She's rather tall, has pretty big breasts and loves sex. Has just a few nerdy hobbies.

黄泉沢月季乃Yomisawa Tsukino

Lives in the same school district as Matsukawa and went to the same elementary and middle school as him. She is the only other person from their previous schools to attend the same high school.
An outdoorsy type of girl with rather large breasts.

THREE WHOLE WEEKS HAVE ALREADY PASSED SINCE MY SEX-FILLED LIFE LIVING WITH SAKURAMACHI-SAN BEGAN.
IT'S NOW JUNE.

IT WAS SORT OF LIKE HOW YOU'D FEEL RUNNING INTO SOMEONE RIGHT AFTER EXITING A LOVE HOTEL.
THIS WAS JUST AFTER MEALTIME TOO, MAKING THE FEELING OF IMMORALITY ALL THE MORE PROMINENT.

WE KIND OF JUST FROZE UP AND STOOD THERE AWKWARDLY...

YOU SURE DIDN'T HOLD ANY-THING BACK WHEN YOU CAME...
LOOKS LIKE WE CAN'T STAY JUST FRIENDS ANY LONGER.

SAKURAMACHI-SAN IS WHAT YOU'D CALL A "NERDY GIRL".
JUST A LITTLE BIT.
AND HAS STARTED COSPLAYING WITH HER FRIENDS, APPARENTLY.
IT'S A LITTLE TIGHT.
I FALL UNDER THAT SORT OF CATEGORY TOO, SO WE OFTEN END UP READING MANGA AND WATCHING ANIME TOGETHER.
WHO'S ARCHER'S TRUE IDENTITY?
SORRY.
BE QUIET.
IT'S PRETTY WELL-MADE, HUH? I HAD A FRIEND OF MINE MAKE IT.
SO... YOU DO HAVE FRIENDS.
DON'T MAKE ME RIP YOUR TESTICLES OFF.
LATELY, SHE'S BEEN MAKING PLANS TO PARTICIPATE IN SOME KIND OF DOUJIN EVENT...
ANYWAY, HOW'S THIS OUTFIT?
YEAH, IT LOOKS GREAT.
HOW DO I PUT THIS... YOU LOOK THE REAL DEAL.

I'LL USE THIS PLACE YOU LOVE SO MUCH TO RELIEVE YOU.
!!
...YES.
I DO...
FUFU~ GOOD BOY.
DON'T YOU WANT TO HAVE SEX WITH ME IN THIS OUTFIT...
UNTIL THE POINT THAT YOU'RE WRUNG ENTIRELY DRY OF SEMEN?
IN THAT CASE, TO GET STARTED...
FUFU... THE ENTIRE THING WENT IN, RIGHT UP TO THE BASE.
JUST PRESSING AGAINST THEM IS ENOUGH FOR HER SKIN TO STICK AND FOR ME TO BE DRAGGED RIGHT INTO HER CLEAVAGE...
Uh...
UUGH... THEY'RE SO SOFT, AND YET...
SMACK

Ah!
IT'S HARD AND SWELLING UP SO MUCH.

I'LL... BE FINE... IT DOESN'T LOOK LIKE... IT'LL BE CALMING DOWN ANYTIME SOON...
MY. HOW RELIABLE.

I-WOULD DESPERATELY FIGHT BACK MY URGE TO EJACULATE!..
I'M... CUMM
AND THEN PRESS MY HIPS INTO HER WITH AS MUCH FORCE AS I COULD MUSTER, POURING EVERYTHING I HAD INTO HER.
I'VE FUCKED HER RAW AND CUM INSIDE HER OVER AND OVER, MORE TIMES THAN THE NUMBER OF DAYS THAT HAVE PASSED SINCE WE'VE MET...
SPLURT
AMAZING... YOU'RE POURING SO MUCH INSIDE ME.
YOU SURE HAVE BEEN RATHER AGGRESSIVE TODAY.
BUT WHEN IT'S ALL SAID AND DONE, REGARDLESS OF HOW MUCH MY VITALITY HAS INCREASED...
S-STOP. I JUST CAME, SO...
DON'T PULL OUT. COME ON, TRY A BIT MORE.
AH! IT GOT HARD AGAIN.

THERE'S SIMPLY NO WINNING AGAINST THE VAGINA OF THIS SUCCUBUS SINCE IT EXISTS SOLELY TO WRING OUT SEMEN.

...FUFU... YOU'RE LIKE A VESSEL WHOSE ONLY PURPOSE IS TO SHOOT OUT SPERM.

IT SUITS YOU, MATSU-KAWA-KUN.

I'LL MAKE SURE YOU FEEL GOOD WHILE I HELP MYSELF AND WRING EVERYTHING OUT OF YOU.

GUESS THERE'S NO HELPING IT. IT'S TIME FOR US TO SWITCH WHO'S ON TOP.

Uuh...

THE INCREASING AMOUNT OF TIMES I'M WRUNG FOR MY SPERM IS THE ONLY THING THAT'S CHANGED...

IT'S... HITTING SO DEEP!

IT'S FINE... YOU DON'T HAVE TO DO ANYTHING. JUST CUM AND NOTHING ELSE.

DON'T HOLD BACK... CUM LOTS...

TOMORROW IS SATURDAY. ON THE DAYS PRECEEDING A BREAK...

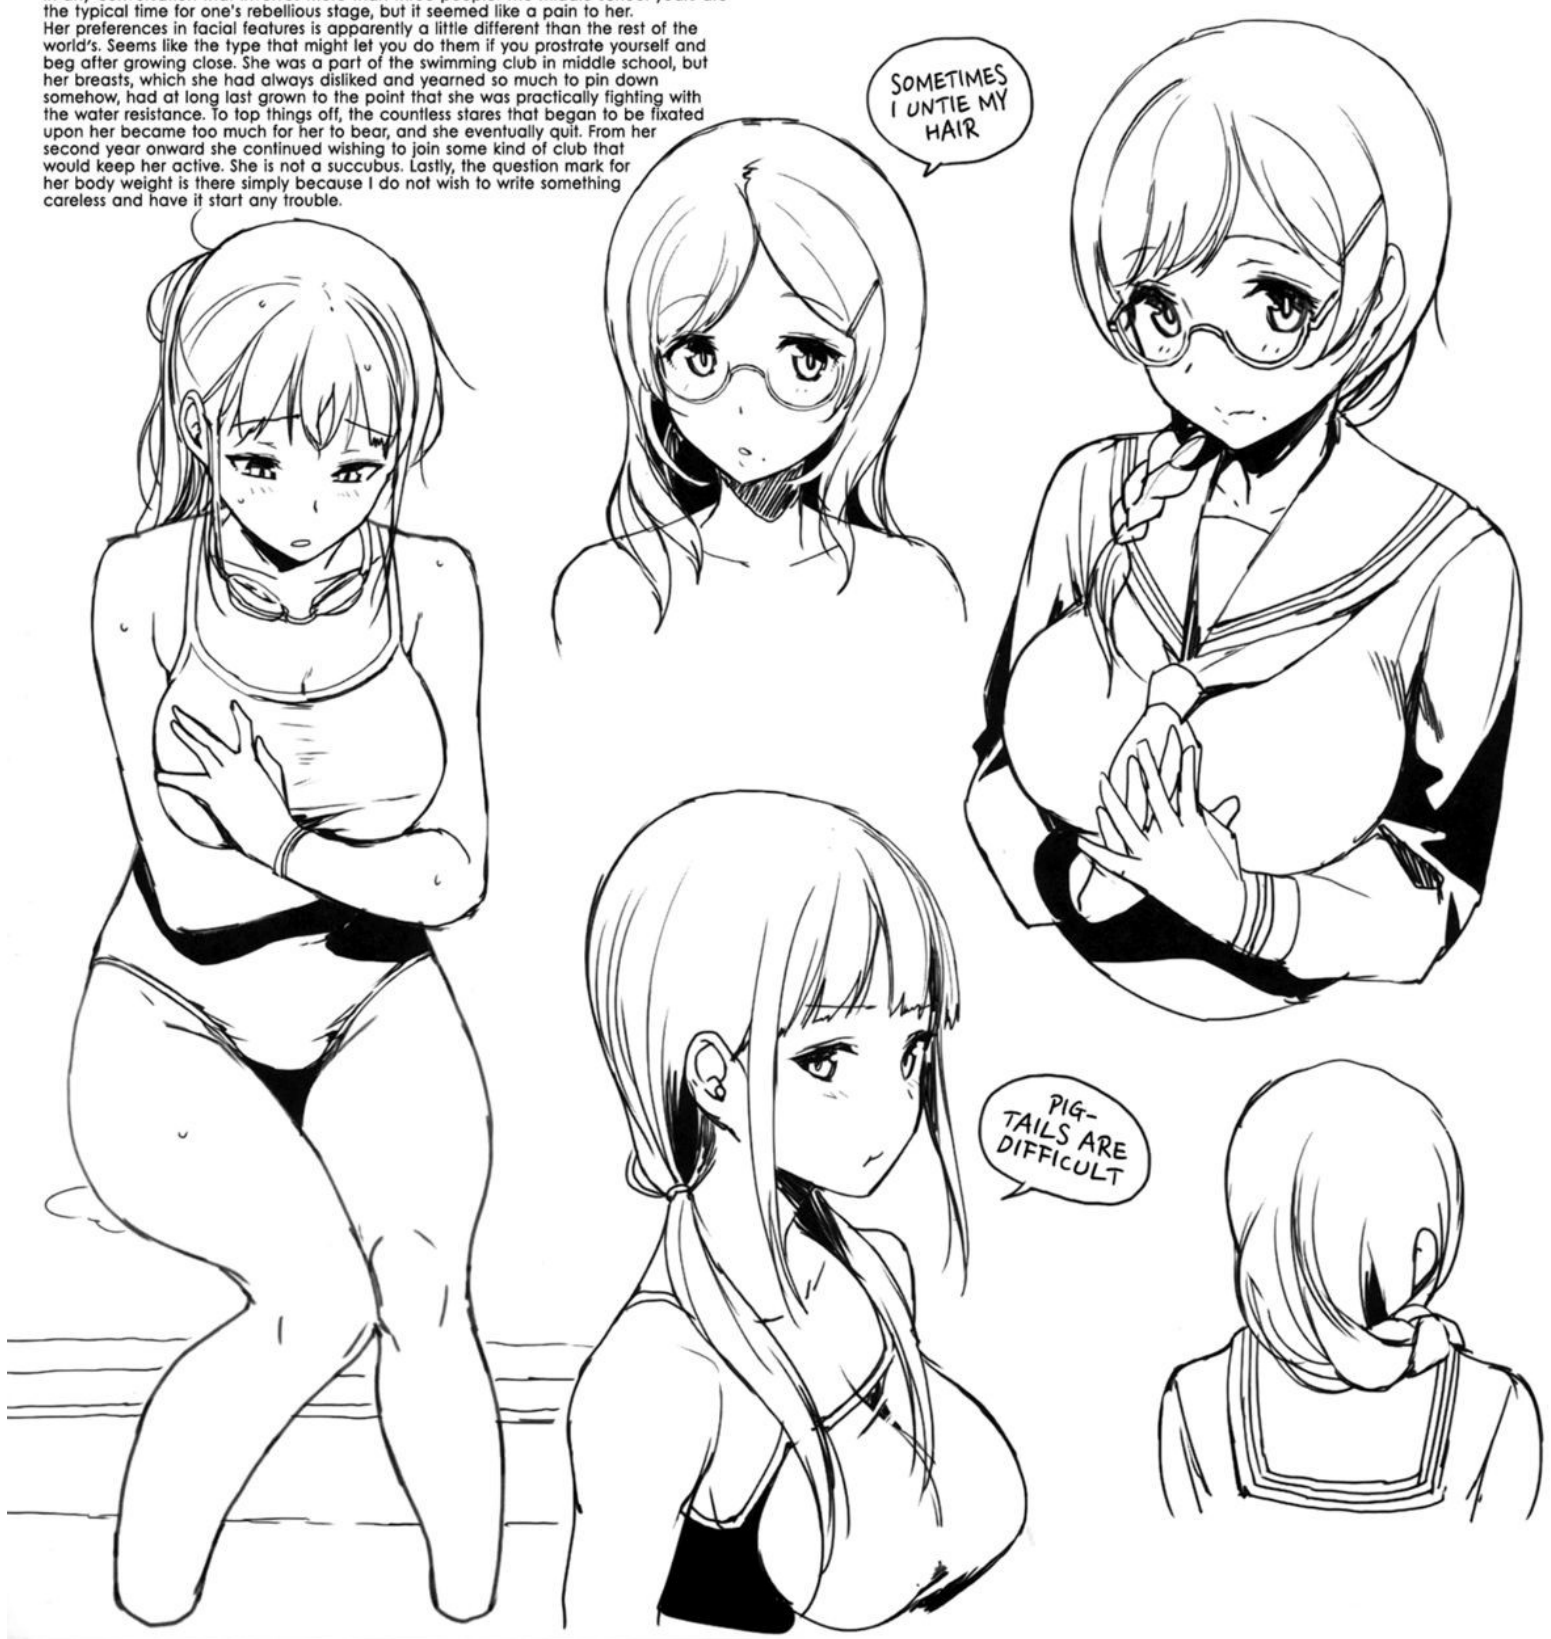
To be continued

Yomisawa Tsukino (16) 158cm/??kg

She is related to Matsukawa in that they went to the same pre, elementary, middle and now high schools together. Doesn't yet know what she plans to do for college. Around their third year of middle school they had pretty much drifted apart, but since they were the only two from their middle school to attend their current high school due to the inconvenient commute, it was inevitable that they would reconcile(?). She appears to be very lively but is actually the type that's only boastful at home and is very meek and reserved otherwise. Consequently, she can only have a proactive conversation with someone after growing very close to them. She goes completely silent in any conversation that involves more than three people. The middle school years are the typical time for one's rebellious stage, but it seemed like a pain to her. Her preferences in facial features is apparently a little different than the rest of the world's. Seems like the type that might let you do them if you prostrate yourself and beg after growing close. She was a part of the swimming club in middle school, but her breasts, which she had always disliked and yearned so much to pin down somehow, had at long last grown to the point that she was practically fighting with the water resistance. To top things off, the countless stares that began to be fixated upon her became too much for her to bear, and she eventually quit. From her second year onward she continued wishing to join some kind of club that would keep her active. She is not a succubus. Lastly, the question mark for her body weight is there simply because I do not wish to write something careless and have it start any trouble.

Glasses #2(?)

For a while I sat there thinking, "Hmm, will a second glasses character really work balance-wise?", but then figured, "To hell with it, I can just add more characters later if need be~" Oh, and it goes without saying that I am entirely bereft of the sense of balance necessary to realize that, since there are so many black haired characters, maybe just one should have a different hair color. I want to draw what I enjoy and nothing more. I wonder if those feelings of mine are showing through? I humbly apologize for these two not having sex scenes. I'll draw them next time. Everything has an order to it.



Just so there is one, I've drawn a physical comparison thing here. Let's set aside the fact that I'm not sure if I'll be able to accurately represent this in the main story, though. ^^; I originally thought about having one of them have small breasts, but then thought "pushing yourself isn't healthy at all" and made them all have big breasts. I made one of them just a tad bigger than the others. I think that one of the main benefits of having multiple characters is that even if I get a little adventurous with each of their designs, someone could still be attracted to one. Personally, I don't think I'm being very adventurous at all, though! I'll try my best to ensure you're able to accept all of them.

Nice to meet you, or otherwise hello again. This is Sasamori.
Thank you for reading again(?) this time.

This is the first sequel I've drawn in quite some time, and, as you may have guessed, it isn't over yet. Setting aside whether or not I'll be releasing part 3 at the next event, I'm pondering many things to put into the sequel so I'll release it eventually. I had planned to fill part 2 with so many sex scenes of the other characters that you'd grow sick of them, but since part 1 was kind of hard to digest on its own, Part 2 ended up as more of a supplement for it. When I compile everything I'd like to draw and try to include it all, the number of pages never seems to be enough... Like, I think I'll probably have to make a 50 page doujin or something because I won't be able to draw all the content otherwise. Using up an entire month like I did for this one work would be the height of impossibility, though...

I've been somewhat troubled, wondering if it was okay to release in such small portions like this, but then I thought just maybe the people who took a liking to part one would be okay with it... I'm not particularly skilled at working while thinking up things that will definitely be a hit, but fortunately I don't believe my own tastes to be very niche and would like to continue making things that don't betray those that have taken a liking to what I do. I had lots of fun drawing. It's just getting started so I'd like to expand a lot more on.

Lastly, regarding my schedule from now on...
I've started drawing illustrations here and there again.
I certainly feel bad for anyone going, "I'm not interested in anything not 18+ though~" upon hearing this, but I find doing them fun and so I'll be taking them as they come!
I'll try my best for my manga too. The amount of days it takes for illustrations doesn't even compare to manga, so my manga production rate probably won't change at all anyway...
The amount of things I really want to draw just keeps increasing and it's hard to catch up, so I would love to split the labor with someone... But I doubt I can since if were able to work well with others, I'd be a company employee somewhere or something else by now.
Oh, but there is something I'm doing with some other people. It'll be great when we're able to put it out.

Eeh... Sorry about how this turned out to mainly just be me grumbling.
Anyway, that's how things are, and though there's less than half of 2015 left,
if you happen to catch sight of me again then please do call out to me...

Well then, best regards.
