Let's see... we're supposed to provide our bodies, or rather our wombs, to the business-men we deal with... I think.
...Huh?
The Business Section's principle?
That's right, and this primer is meant to give you some practical experience. The bottom line is that I'm going to use you.
What?
Does that mean you're going to come inside us without protection?
Huh? Well, yeah.
