SUMMARY OF THE PREVIOUS PART

【FOX MANIAX3】

Three foxes who spend their daily life doing lovey-dovey bondage, were repairing their sex toys and costumes till their master comes back. While they were talking, they wondered what they could do if their master could clone himself, started fantasizing about getting gang-raped and talked for about an hour about what kind of play they would like to do.

This time, even though they had stopped being delusional, Haru and Aki, the adult-duo continue wondering about hypothetical plays because their master hasn't come back yet.

The past series in which these characters and timeline are connected to, are registered in the online shop.

(young) HARU

ENERGETIC AND AGGRESSIVE MASOCHIST. LATELY IT SEEMS THAT SHE'S BEEN LOOKING OVER LOVE HOTELS EQUIPPED WITH SM EQUIPMENT. SHE CLAIMS THAT SHE INHERITED HER MASOCHISM FROM HER PARENTS.

(young) Aki

IF WE HAVE TO CATEGORIZE HER, SHE'S A SHY MASOCHIST. LATELY SHE'S BEEN IN A PHASE WHERE SHE LOVES BEING IN PAIN. SHE HAS A HABIT OF WETTING HERSELF WHENEVER SHE FEELS GOOD, WHICH SHE CAN'T FIX.

Natsu

HARU'S YOUNGER SISTER, THIS TIME SHE BARELY HAS SCREEN TIME. SHE WAS INTRODUCED IN PART 2 WITH AN AGGRESSIVE ATTITUDE LIKE THAT ONE OF HER SISTER'S.

Master

THEIR MASTER. IN AN SM PLAY HIS ROLE IS CLEARLY DEFINED, BUT OTHER THAN THAT THERE'S NO LIMIT TO WHO CAN BE ON TOP OR BOTTOM.

Characters

ぼろり…
IS THAT POSITIVE OR NEGATIVE?
IF WE THINK OF THIS AS A PART OF A NEGLECT PLAY WE'LL BE FINE.

KOYAN

SHE WAS EVEN IN HIGH SPIRITS WHEN WE WERE FANTASIZING EARLIER, SHE'S TOTALLY A FULL-FLEDGED MASOCHIST.

OHO?

WHEN I SEE NA-CHAN, SOMETIMES I GET EXTREMELY JEALOUS OF HER.

IF I WAS THE SAME AS NA-CHAN WHEN I MET MASTER...
IF WE HAD MET MASTER EARLIER WE COULD HAVE STAYED AT HIS HOME DURING THE SUMMER HOLIDAYS.
ME TOO! I'M SO JEALOUS OF HER!
Right...?
DING DOOONG
WANNA DRINK ANYTHING?

ガバッ

Last time I had no plan about the production process so the pages kept increasing steadily. I thought that I wouldn't manage to draw it in time so I decided to split it into 2 books, then I managed to split the manuscript and somehow published it as one story.

This time I used the leftover storyboard as a base but I thought that I would like my manga to have about 16 pages. The result of re-editing the only 8-paged storyboard ended up exceeding the 16 pages I had in mind so I had to progress without a plan again.
