You've gotten all wet already. Come on, put some heart into it! You're 'sposed to be our teacher here, ain'tcha?

GAAAH!

The fuck you sayin'? We're just gettin' started!

P-please... stop...!

But you know, right? You got a black belt after all.

What are you gonna do about my raging hard-on?
Look, it's about to burst!
Hee!
Teach us proper-like, Rinko,
or else we gotta repeat the year.
Don't say you want to keep this going for another year?
I'll...
I'll let you pass the grade, so please...!
Aw c'mon, teachers don't talk like that. And besides...
If you don't want to, I'll just practice my pinning skills by myself!
No, stop! Today's not a safe day!
As if I give a fuck!
ZOOOOOO!
All your fault for being so weak!

Ehehe, thought so! Now, start teaching me pinning!

MMBH!

MMMMH!

MMGH!

If you hate it so much, why don'tcha show off your judo techs to break free?

What's that smirk on yer face for, Takasu?

Huh?

Well, you know...

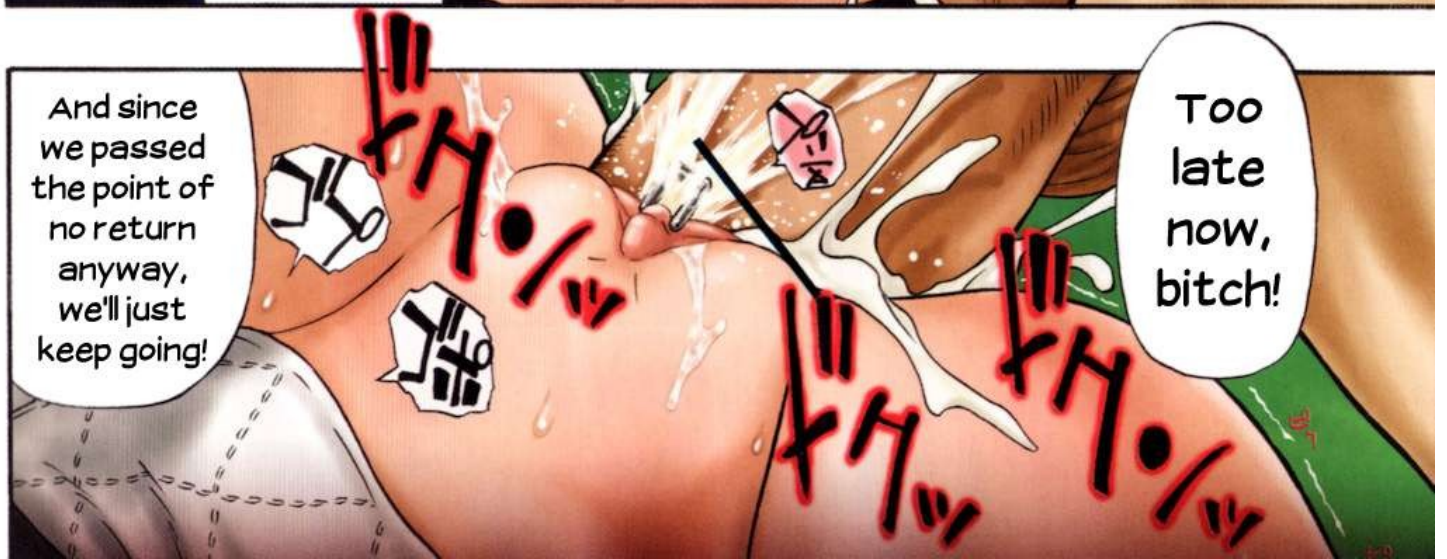
If you don't show us what a black belt can do, we'll gangrape you silly!

I'm gonna cum already! I'm quick on the trigger...

NUUUUU!

Please, stop! Not inside me!
Hehehe, just look at her! She looks like she's about to die!
...
I get a kick out of seeing a frightened woman's face.

AHH... AAH!
We'll keep going until you do what we tell you to!
Hehehe, shut the fuck up and take my cum!



And since we passed the point of no return anyway, we'll just keep going!
Too late now, bitch!

HUAH!
Tough guy. Can't do shit without your lackeys.
All right... I'll take you on, one on one.
Aw, stop preaching, newbie.
Don't think you can always have it your way, Takasu.
What are you, stupid? One wrong move and I'll hand your ass to you on a platter.
You got a black belt in judo, right?
If you want me to humiliate you in front of all your henchmen, be my guest.

What now, black belt?
What was that again about showing me who's boss?

Find you can't move?
What's the use for judo in a situation like this, huh?
Mmgh!
You sportsmen are a peculiar bunch.
You always assume your opponent is just some kind of sissy cunt.

We all just look like sandbags to you, don't we?
But now I'll show YOU what pain is.
Hee!

Make up your mind...

or say goodbye to your ear!

Zooooooop!

Noooo! You can't be serious! Stop! It's gonna come off!
If you don't like having your ear ripped off for no good reason, you better show me your judo skills.
That's not what I came here for, so I'm not satisfied with that!
Stop! Stop it! You're gonna tear it off! I give up, I give up!

She gets all fidgety if you move your hand anywhere near her head.
MHeee
MMMH!

Because we've kept raping her while pulling her ear!
So... that'll leave a trauma, innit!
Now, don't you defile this holy dojo!

You call this pinning, Rinko?
We're in class, so you better start teaching or else!
Yes, I will! But stop it with my ear!
N-Noo! Forgive me!

Isn't she just hugging him?!
Huh? That's all?
I totally have no idea what's the point of this shit.
Hahaha, look at her go at it with a dick stuck up her cunt!
Ahaha! It has "rape me" written all over it, what gives?

Uhm... y-you...

Just... bring... all his limbs... to the floor!

Tell me, how'd you deal with two opponents at the same time?

Y-you can't do that!

Let's plug up yer ass, too!

Well, you're just asking to be creampied all over the place!

HIGYAAAAAH!

AAAH!

AH! AAH!

Judo can't deal with this, innit!

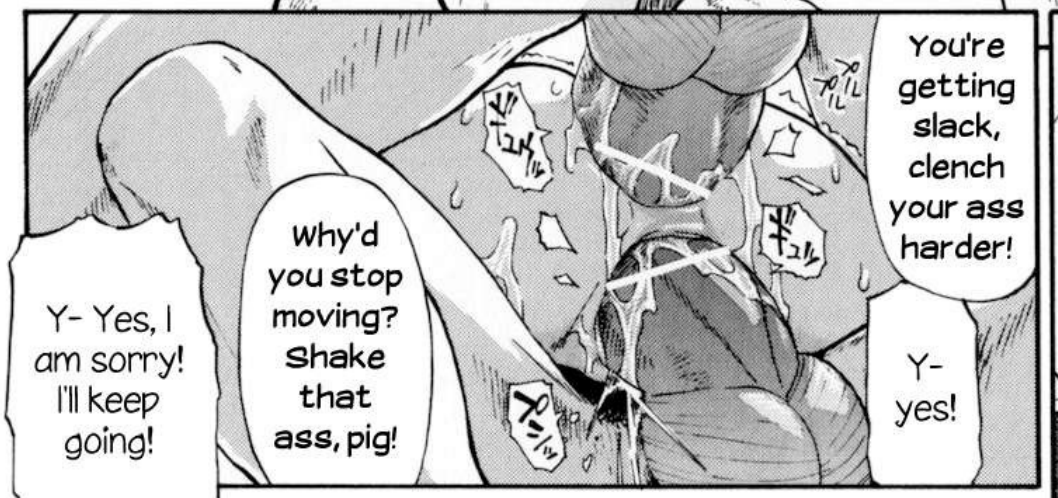
AHEE!

N- no! I c- can't... teach you... t- that...!

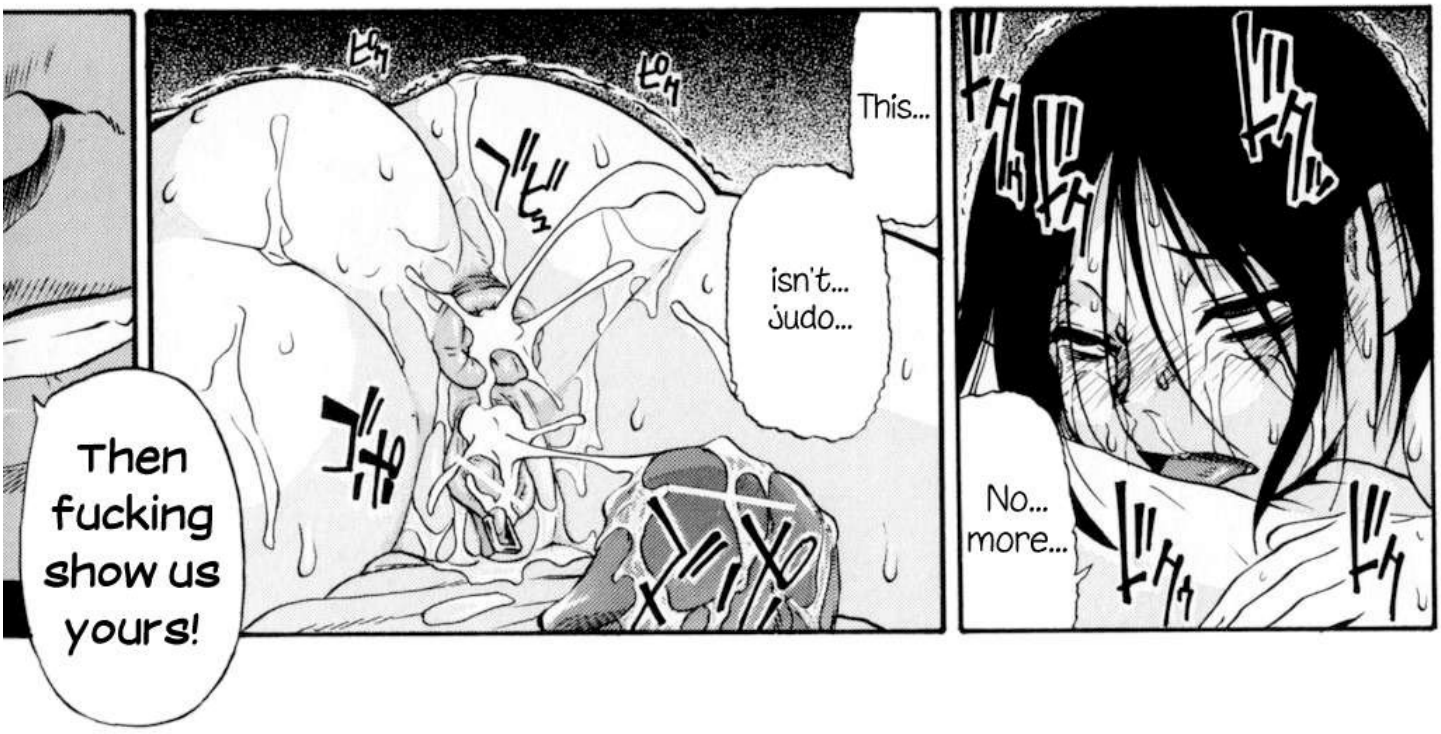
AH! HEEE!

Damn, you're so fucking useless. How about we teach YOU something now?
Hee!
Hahaha, gotta be another of them judo techniques of hers!
She's really clenching hard this time.
No wonder she can't teach us that!
That's what cum dumps do, get it?
Ye-yeah!
All you gotta do is shake your ass to make us cum.
Stop! You're gonna rip my ear off! Don't!

HEE...
AH... NGH!
NGOOH!
HEEE!
NGH... NH!
HEHEE!



Shit, can't shake yer ass nor tighten up yer pussy any decent, must be skank judo!
Shut the fuck up!
NHAAA! You're cumming inside me again!



This...
isn't... judo...
Then fucking show us yours!
No... more...

Hee!
Show me what a black belt is capable of,
Or else I'll tear your fucking ear clean off your face!
Care to fight me again?
Are you still not getting it?
Ah...

I can't... fight you any-more!
Eh... hehehe!
No need to... Rinko's judo... is just cum dump judo!
Someone get a bucket and a mop,
because this could turn out UGLY.
Mkay!

So pleashe... don' hurd me anymore!
I can't... do anything else... but... stroke your big cock, Master Takasu!
T- take your pick, master takasu!
Please fuck which-ever hole you like!
Kehehe... spread your legs, slut teacher.
...yesh!
NHOOOO! HEE... NHAA!

NHAA!
AAUH!
What happened to your skank judo, cunt? Bust out some techs.
Ye-yesh!
NNGUUH! Th- this is... the pussy clench!
Hehehe...
Ehehe... next is...
Not bad, keep going.
Uhm... AH!
AHEE! Uhm... uh... AH!

The hips of a black belt are really something else.
She's on a roll!
Uhm, th- this... is the hip wheel!
Hahaha, that ugly look on your face is priceless, slut teacher.
Ehe!
Ahppp!
You should enter the Olympics with this kind of Judo!
You shake your hips, left and right, and... uhm...
The one that beats the crap outta the others?
Tell me, who's that there?
Which one?
Aauh!
Hmm?

Why didn't you tell me that?
We knew that if we did, you'd get involved in all this.
That's Reina, second year.
We simply couldn't ignore her any longer, but she's kicking the crap out of our men...
She was raped as a kid and has hated men ever since. She's also a dyke.

GEHEE!
HEEEEEEE!
...
And if you got under her wheels, it would damage your reputation. So that's why...
Takasu?

Kehehe... I'll take care of her.
AAH...
GAH...
you're getting... bigger... ins-
AH!
you're being... too rough!
Master... takasu...!
My womb...!
My womb... you're crushing my womb!
you're cru-

Gyaheeee!

Nuuu... my wooomb!

I think you once told me you don't want kids.

Hoah! Aah!

I feel generous today, so I'll grant you that wish.

Ogyaaaah!

Stop, stop! I'm dying!

I'll crush your womb so you'll never be able to have kids!

You're of no use to me anymore.
OWAH... AH!
KAFF! KAH!
I've found a new toy.
OGEEEH...
So I'll finish you off right here!

She may seem different from a pig like her, but she'll turn out just the same.
Reina, huh... I'll sack her tonight.
Don't worry, I know how to deal with a cunt like her.
B-but...

Remember why we always act in a group?
So you mean...
If she can't get a clear shot at me, she can't do shit.

Because we're powerless on our own. We gang up on people to have it our way.
And I'll take my sweet time with HER.
