Are you haveing trouble sleeping?
I do not think so.
You seem to be having trouble getting up on time lately?
So?
I've been asking about how you've been doing lately
According to my older sister sara
You've seemed distracted at school as well
Let me look at your face.
It seems a bit flushed again today.
Hmm?
!
You don't have a fever though.?
AHH!
It's okay Im fine!!

It looks like Kanchan
I'm leav-ing
Oh

Ah! Its Sara Shirasaka

Mother -sama...
Well
It seems to be stronger than yesterday

Oops
I'm sorry I will I'm in a rush!!

It's awes-ome
What Happened?
Hmm

Tatada Sensei
Tatsu-ki-kun...
w... wow?
What's going on ...
Sen-sei Ahh!
Is this ... a dream?
I mean finding something like this ...

It's because of you
WA Mura-saki Eri-san
Whats Happ-ing
Why is it my fault !?
Are you okay Kanon-kun?
Whats Happening is not a dream, its reality.
This is due to your special blood line
Its because you are a DEMON PRINCE
Huh?

You have have dirty nightmares at night
How do I know?
..wha
You have erections that wont go down even if you ejaculate
... Hai
What are you saying all of a sud-den
Kanon-kun You were masturbating a little while ago
It's manifest-ation of your magic
The sent that that can affect people's sexual impulses is a manifestion of that power
You have the blood of the demon King

Your mother is Princess Seri, the daughter of glorious demon king
You are a child of evil born between a human man and a demonic woman
This size...
It has been a long way since I've been with a demon
I'll pulled it out for the time being
This could cause a major panic at the school
N ku!
Mura-saki Ahh!

ジューズ♡
んぐッ
!
あぐッ♡
あぐッ♡
あぐッ♡

This is wrong ...Ahh

Doing it like this should be more pleasent than doining it alone
This should be be okay for now

She can provide futher information
dont worry

This has to be a dream
It cant be real
This is impo-ssible
they wont remember
It should be fine to leave them like this

The time has come.
What I promised It can not be helped.

So...

Promise?

This was the promise made by your dad and your grandfather, the demon king

But if you develop magic, you will be raised as an heir to the demon king
that's the fate of a child born between a man and a demon
To raise you human without fami-liarity with the demon world

Elder sister...
Yes
You are a demon child.
And the Demon kings heir.
Wow, really
Good? Kanchan
As it is now the power that awakening in you will soon become overwhelming
And because you've become the heir, its necessary to master your powers to the level of a Demon Prince
Also the Demon children who try to flee are erased mercilessly by the angels

Any Angel could find you

Well, what should I do...

Angels are constantly monitoring demon affairs their eyes are everywhere

Right now you are in a dangerous state you have a mighty power but don't have the skill to deal with the heavenly host

ちょっ！

Until then I will prohibit masturbation until after school tomorrow

Well,

I will explain that later.

n..

no.

Fu hmm

I see ♡

I'm sorry

Kaname

Why are we in the library?
You still do not believe in your power. Do you?
Yes A little
Can I help you?
Oh Mano sensei

Don't worry.
Hey there!
Now Lets take a look at how much power you have...
ハッ
ガガガ
ずるっ
Relax

In such place ...
It's okay it's okay. Leave your body to me
Fu Fu
Don't think
Here
Let me pull it out.
Looks like you kept your promise
Good boy
Being a Demon Prince is serious business

Ahh
Uhh-hhoo..
So this is a Demon Prince
Fu fu
You accum-ulated this much

What this scent ?
?
ガタ…
バサッ
御堂さん!?
佐藤くん
ちっ
ちがうの
体がかってに…
ダメ…
紺野くん
止められないんだもの…
This is ... a joke right?

A joke Kanchan?
...ahh!?
Whats goning on...?
Cos-play?
with this You see?
This is your power
But still
This is our true Form
Unfortunately for Kanchan it is still impossible to have other forms.

Look
Look how greedy to be interconnected they are
Only those with the blood of the demon king possess the DEMON SCENT, with the power to inflame sexual instincts
Its effects are intense regardless of intention, and no one can resist
The demon who dominates Through lust KING ATHEED
肉欲を支配する魔王「アシュメデ王」
Our family that inherits the blood has a special constitution
その血を継ぐ私達一族が持つ独特の体質よ

Ahh
You can meet when you grow up
We shouldn't be doing this in public
Your Grand-Father
Wait this is to fast
Oh
For demons doing things like this neccesary
Beside you shouldn't be thinking of yourself as human anymore ♡
The larger the scale and quality of humanity the better

The magical nature of a demons erection means it cannot be relieved just through masterbation
そこはわかってるわね
ぅ…ぅん
だから私達艶魔は人間と交わり溜まった余剰分の魔力を放出しっつ
When we join with humans we generate demonic power
相手の体液を通じて精力を取り込むことで消費分を補うと同時に魔力の暴発を防いでいるの
absorption
吸収
放出
Maybe we shou-dn't worry about that right now
Just give pleasure and make a perfect fit
The bodily fluids reale-sed should have have flooded this place with demonic power

You should tell me before cumming so suddenly
Humans are delicious, are not they
Of course it is OK even if its two demons together
Now its time to join with me and Murasaki
I will do my best ♡
As a demon you must abandon your human morality
Ama-zing!
I can't do that.
Hey Hey
Me
Tou-ch

I guess it can not be helped.
Well then maybe like this.
ぷるんっ
I wonder ♡
MUM!?

Well, Either way we need to achive fulfillment
Today is special ♡
What does that mean?
After all the partner is important
Don't worry your completion will prevent pregnacy
To learn how to master demonic power, you must also master sexual intimacy
Your mothers form
That's it. ♡
Sakuragi Seri yeild to it

Yo-u're smaller then Im used to
Its still a tough customer though
It's harder than before
I wonder if Kanchan is useing pencil?

Oh
In fact its quite aggre-ssive even from the bottom, isn't it.

んっ!?

なんだか自分の身体じゃなくなっていくみたい…

AHH
No way
Can you do it?
Fu Fu
You came

Only with Mother ...Unfair
I'm also teac-hing
Its been a long since I've been with a demon, I went crazy.
Well

OK
I'll help
Its piercing me ♡
All these people - drowelled with lust, and covered in sweet
そのうえしょっぱなからこれだけの人数を狂わせるなんて…
Can you feel his power Murasaki Eri

The child of the demon king
Tempering his power
I'm looking forward to it. ♡
OK from now on
you must finish at least 10 times a day with various targets
So don't throw it away uselessy any more
Its not a simple thing to become a powerful demon
Too much... I can't
Not like that ...

Prepare yourself, Kanchan ♡

Rem-ember, from now on we will be prac-ticing everyday

Training demonic powers requires vigorous efforts, lets up our skills together.
