I moved up to the 2nd year, and had a class change.
I was nervous about who was going to sit next to me...

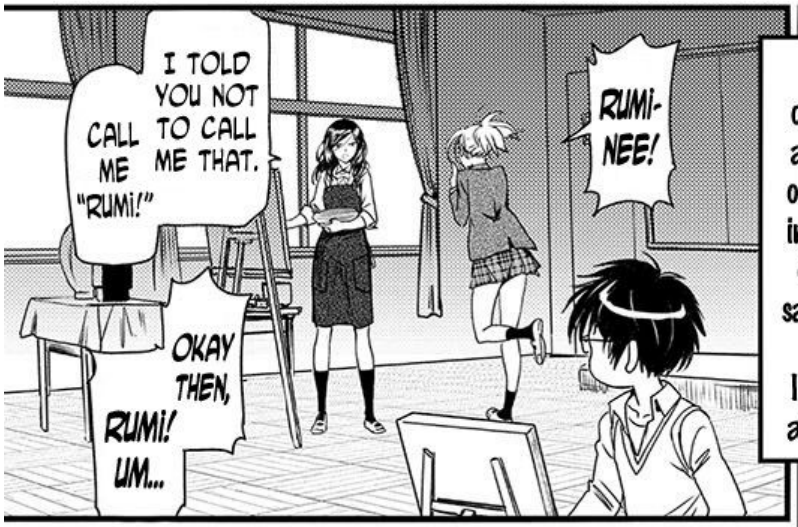
When Kanou-san came over...
Translator: N04H Editor: Herzer Commissioned by Alexey

Art club member
Her build's unlike that of most other girls in her grade...
Does she have European blood in her? Or is it Latino?
As you can see, Kanou-san is a... gyaru?
I guess she's not a gyaru... what's the word... "pretty"?
WHY ARE YOU STARING AT ME LIKE THAT?
WHAT?
HEH! UM, NOTHING! I JUST THOUGHT YOU LOOKED PRETTY...
THAT... NECK-LACE.
OH YEAH! IT'S NICE ISN'T IT? MY OLD MAN GAVE IT TO ME!
I-I MANAGED TO TALK MY WAY OUT OF IT. BUT "OLD MAN"?
IS THAT HER DAD OR DOES SHE DO COMPEN-SATED DATING?
NO... I WAS WONDERING IF YOU'D BE ALLOWED TO WEAR IT.
OH, YEAH! IT'LL GET CONFIS-CATED!!
THANKS, TANAKA! ♪
...That smile is just unfair.

ART ROOM
But to me, it still looked as if she wasn't blending in (it must be her build... yeah!) and remaining an individualist.
As well as quiet girls, without discriminating between them.
...Kanou-san had a straight forward personality, and she was hanging out with both true gyaru girls...



CALL ME "RUMI!"
I TOLD YOU NOT TO CALL ME THAT.
OKAY THEN, RUMI! UM...
RUMI-NEE!

And she would often come to the art room to hang out with the other individualist in the grade, Sugisato-san of the art club. This was how I knew about her, albeit only a little.
I don't know if that's the reason, as the saying goes, "Like attracts like"...

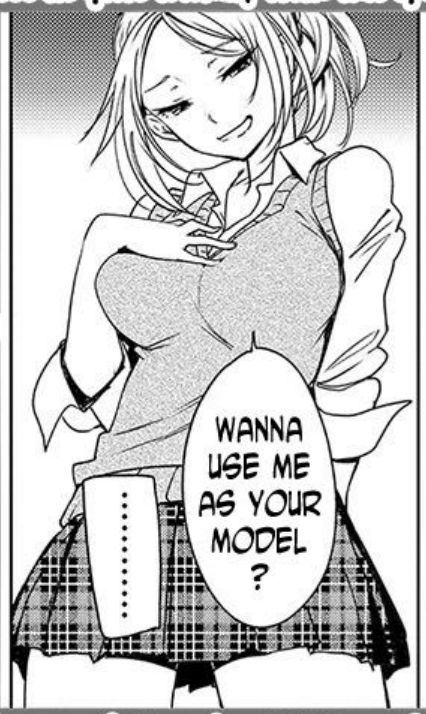
NO!
WHAT? I HAVEN'T SAID ANY-THING YET!
I SAID NO!
HEY! LISTEN TO ME!
WOW... THOSE TWO ARE PERFECT FOR A PICTURE.
...SO WELL-PROPOR-TIONED.

As an art club member, she was the tower of beauty that was worthy of praise!

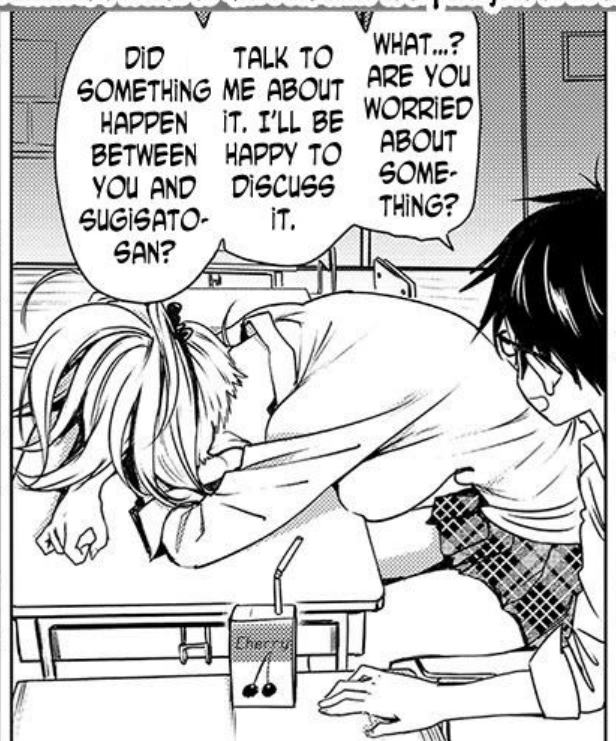
I gave up hope of seeing her as someone of the opposite sex ages ago...

And that was probably why I was able to interact with her without being hesitant like the other boys.

By the summer, I had become quite friendly with this special creature.



This person fundamentally lives in a different world to me. I consider it a perk just to be able to interact with her.

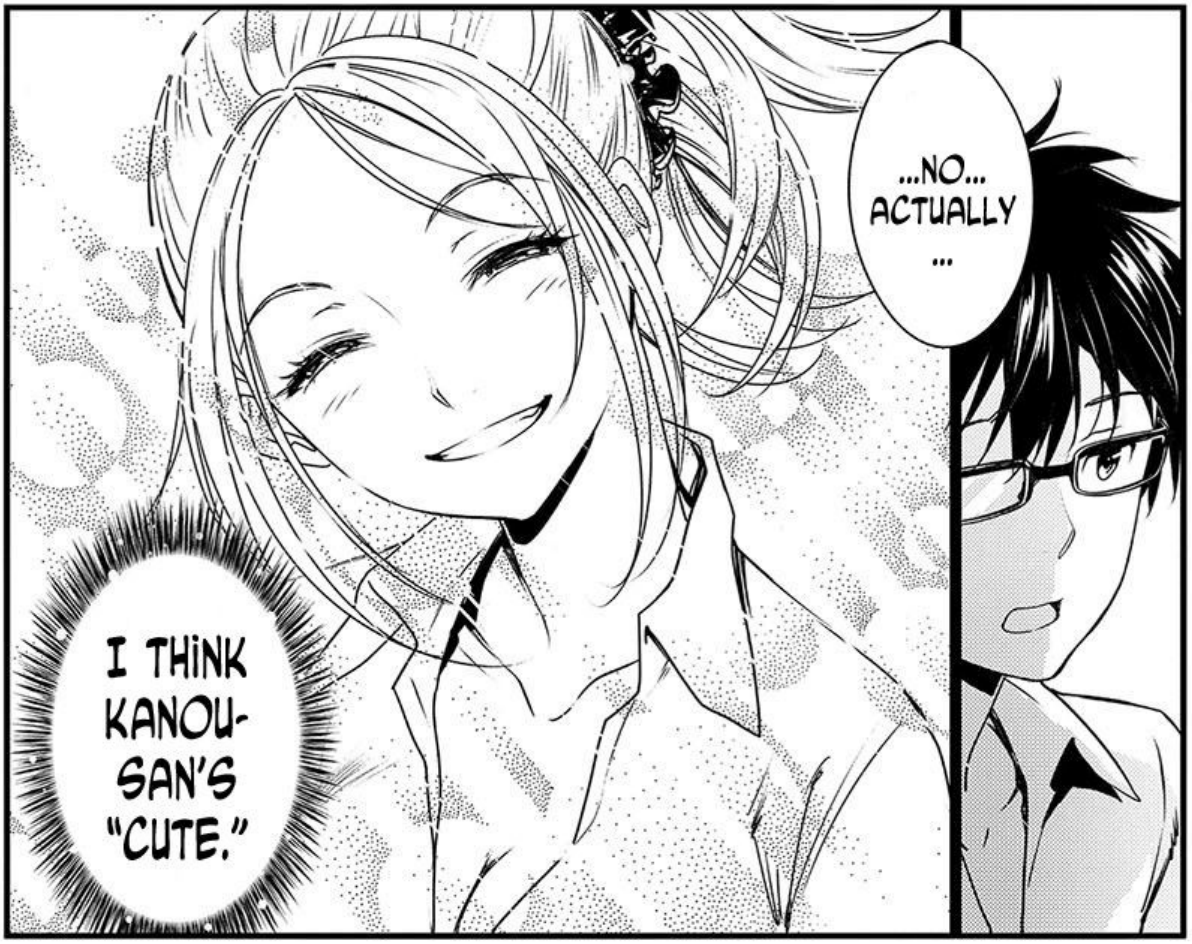


TANAKA... YOU'RE AWESOME! AREN'T YOU SCARED OF KANOU?

SHUT UP!
GO AND BUY ME ANOTHER ONE FROM THE SCHOOL STORE RIGHT NOW!

AH HHH !!
MY CHERRY JUICE!
STOP BEING IMPERTINENT, TANAKA !!

WHAT ...?



I THINK KANOU-SAN'S "CUTE."
...NO... ACTUALLY ...
