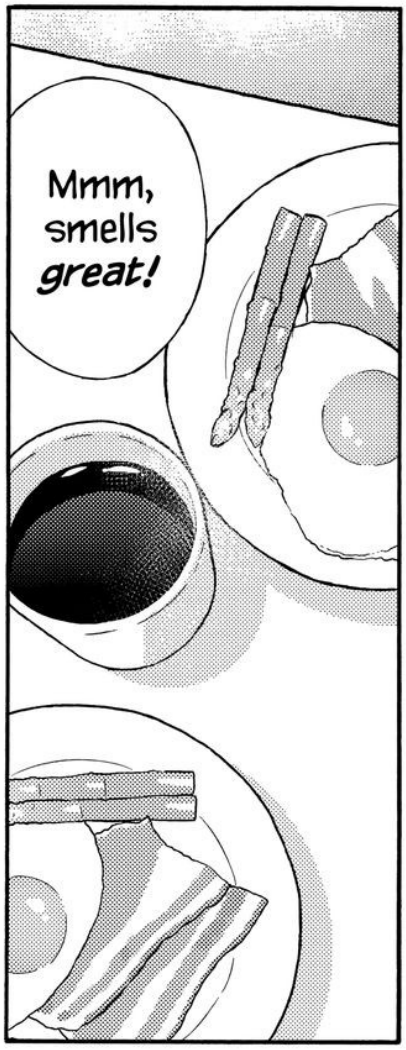
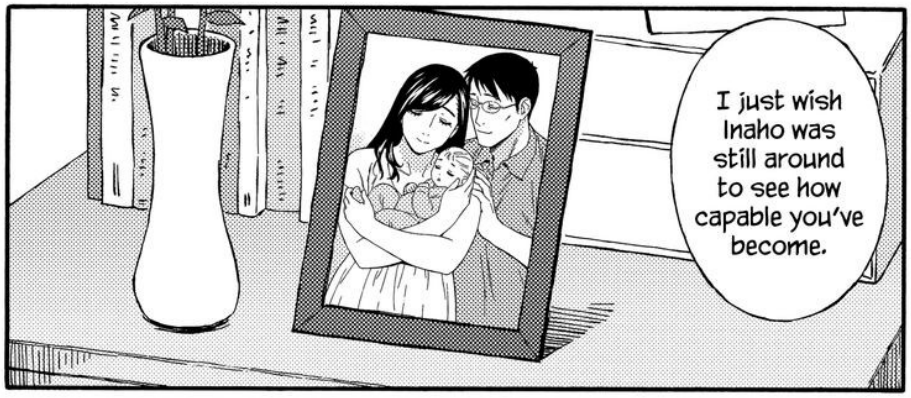
My Little
Brother's
Daughter

Dad!
Breakfast is almost ready,
can you set the table?
Uhuh.
Dad!!
Ah, right. Yeah.

He he.
You're going to make a good wife one day, Nanaho.



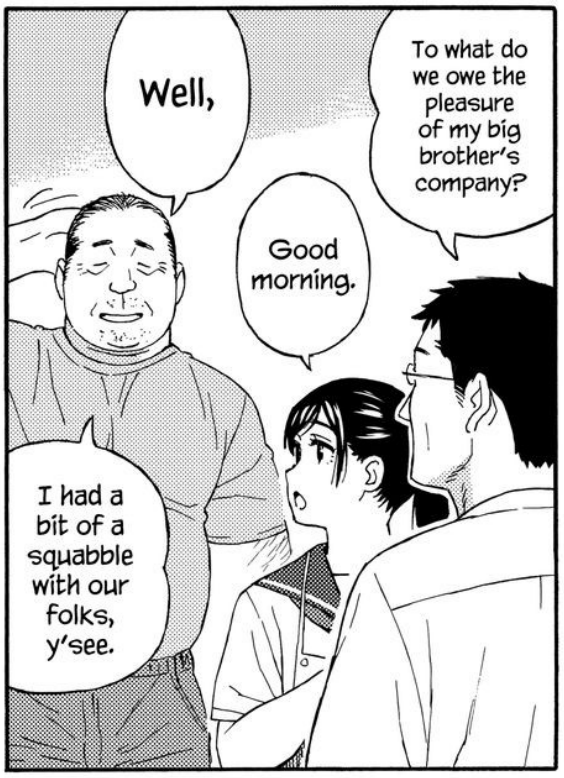
Mmm, smells *great!*



I just wish Inaho was still around to see how capable you've become.

Ding Dong
Who could that be at this time of morning?
Hmm?

Oh please, dad! You're always saying that!
Ha ha.



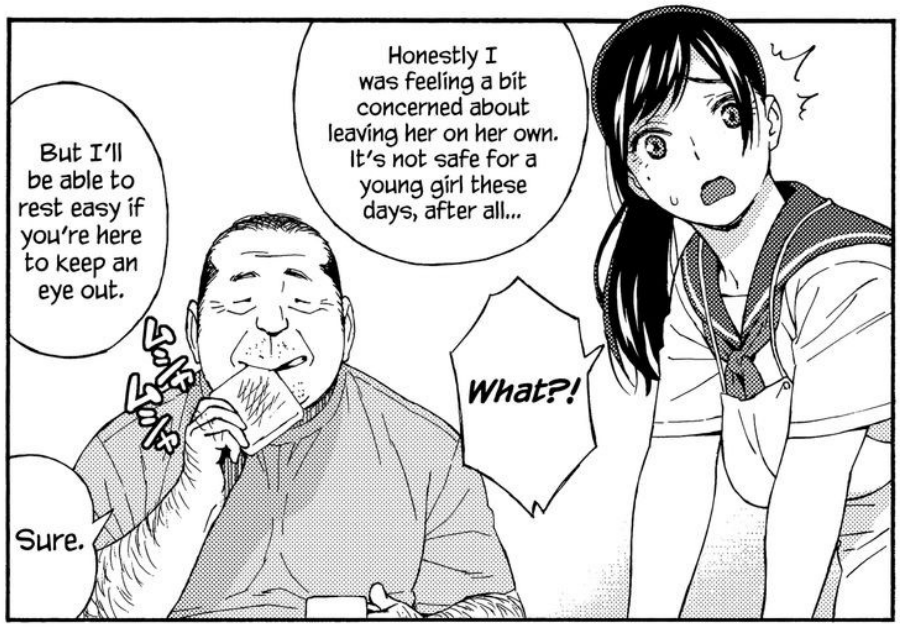
Well,
To what do we owe the pleasure of my big brother's company?
Good morning.
I had a bit of a squabble with our folks, y'see.

Morning Kenji.
Morning Nanaho.
Sorry to intrude on you so early.
Hope you don't mind.
ぴょこ

Yeah, yeah. I'll get around to it.
Anyways, I'm starving!
I can put in a good word for you somewhere.
Isn't it about time you started looking, though?
"Get a job, get a job!" They won't shut up, I tell ya.

Boy, when you don't see 'em every day
they sure do grow up fast!
You're more and more like Inaho every time I see you...
ゆさっ

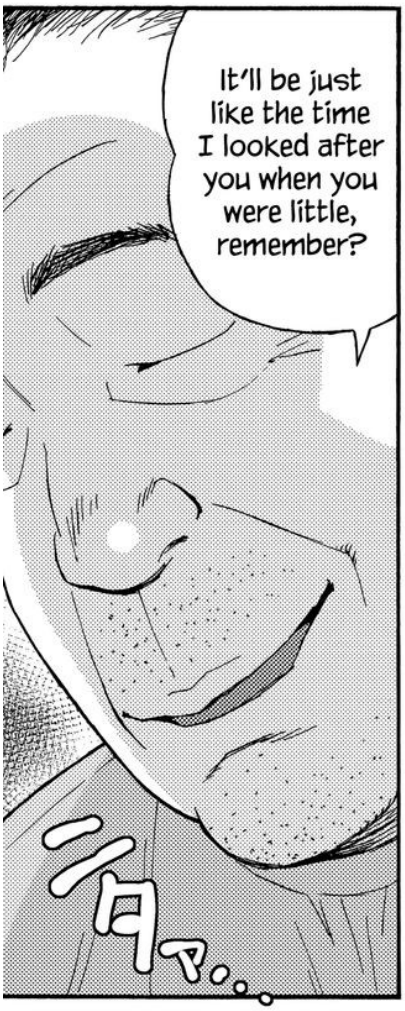
Can you make me some breakfast too, Nanaho?
ガタッ
Uh, sure.



But I'll be able to rest easy if you're here to keep an eye out.
Honestly I was feeling a bit concerned about leaving her on her own. It's not safe for a young girl these days, after all...
What?!
Sure.

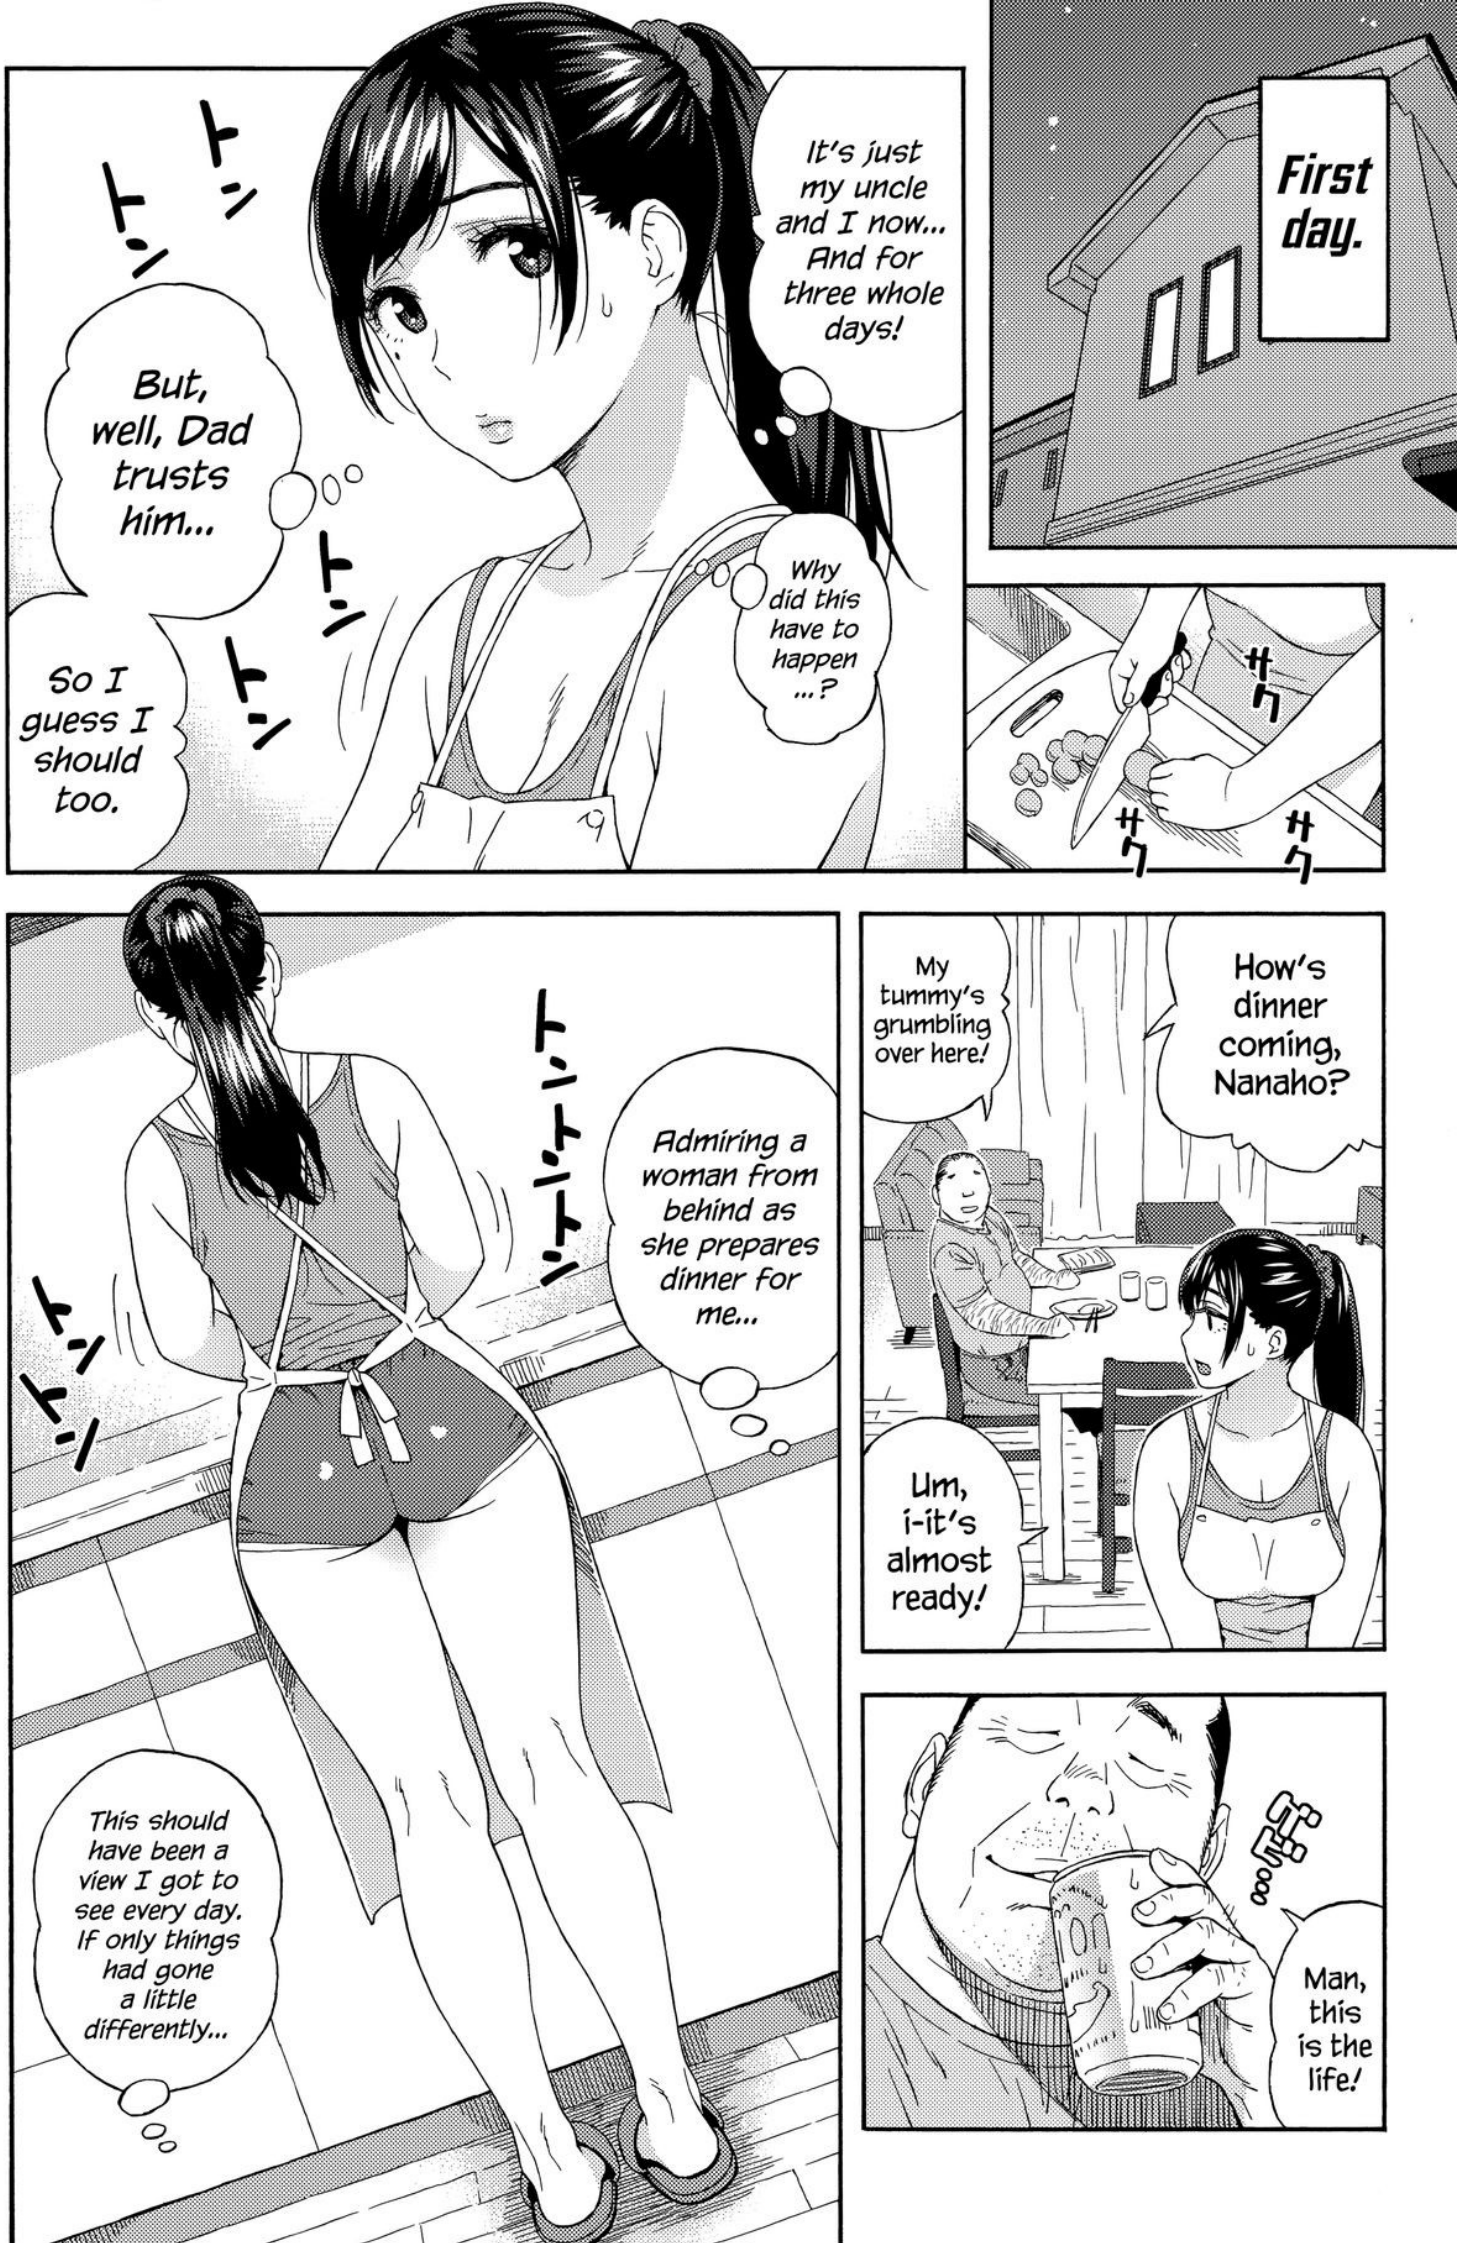
Actually, this is perfect. I have to make a business trip tomorrow for a few days...
Could you keep Nanaho company looking after the house while I'm gone?

I'll be back in around three days.
Sound okay?
I'll be fine on my—
Just leave it to me!



It'll be just like the time I looked after you when you were little, remember?
ニタァ...

You won't have a thing to worry about with me around!
むぎゅ
ムクムクッ
But...
むぎゅ



First day.
It's just my uncle and I now... And for three whole days!
Why did this have to happen ...?
But, well, Dad trusts him...
So I guess I should too.

It's not just Inaho, either...
He's a section head at his company...

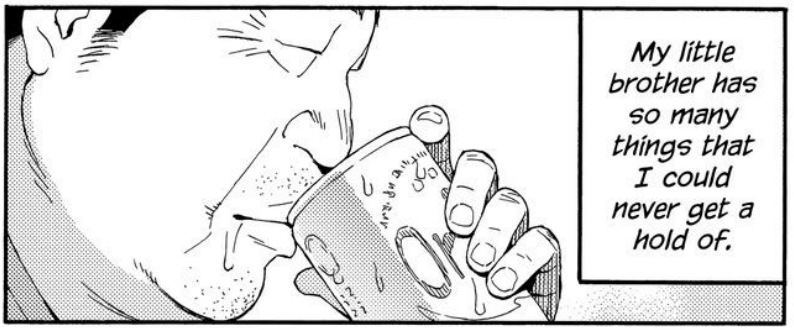
He has a beautiful daughter...



My little brother has so many things that I could never get a hold of.

Nanaho~ how's about you marry your uncle, hey?

You're drop dead gorgeous,
you're handy in the kitchen...
You're everything I could ever ask for in a wife!

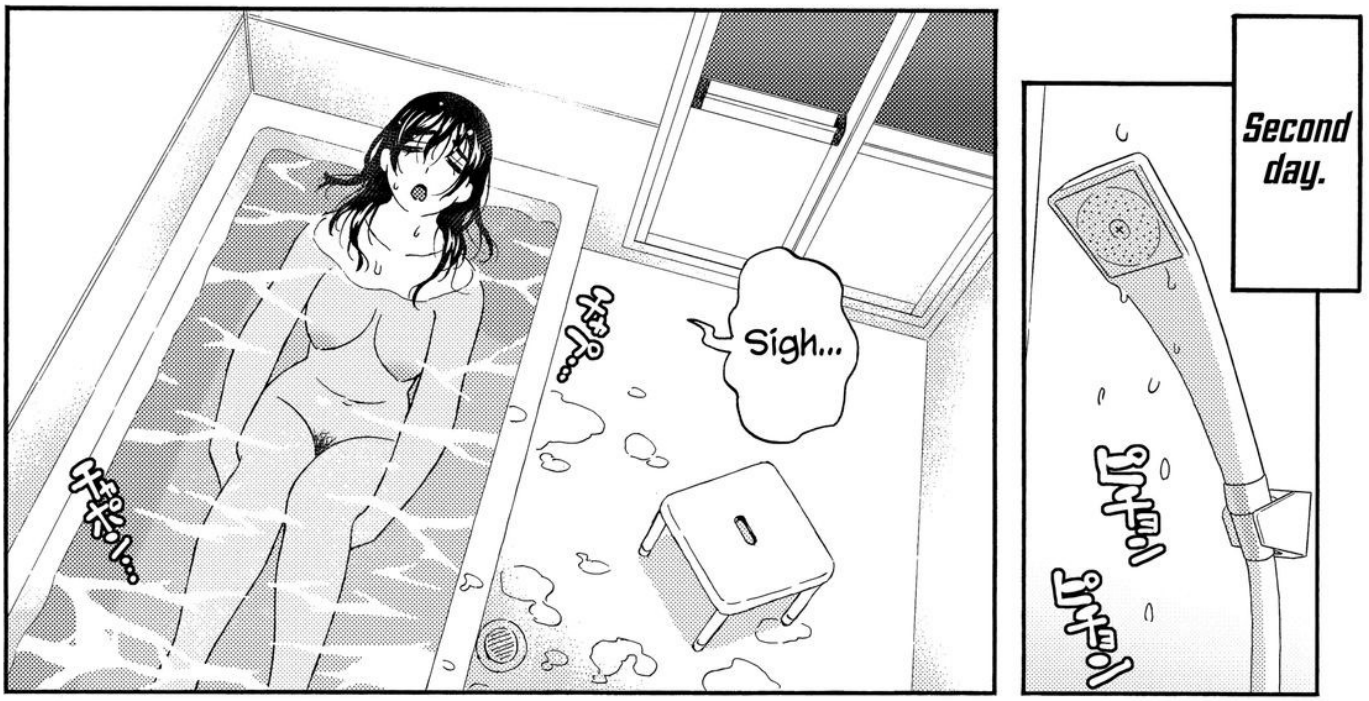
Dad!
Calm down, I was just teasing!
Just sit down and wait at the table!
Don't do that when I'm holding a blade!



Second day.

I remember when you were younger...

we had a bath together a few times and I helped you wash yourself.

Want me to scrub you down for old times' sake?

D-don't be stupid, just get out already!

Hurry up! Out!

Yeah, yeah, I'll excuse myself.

Okay?

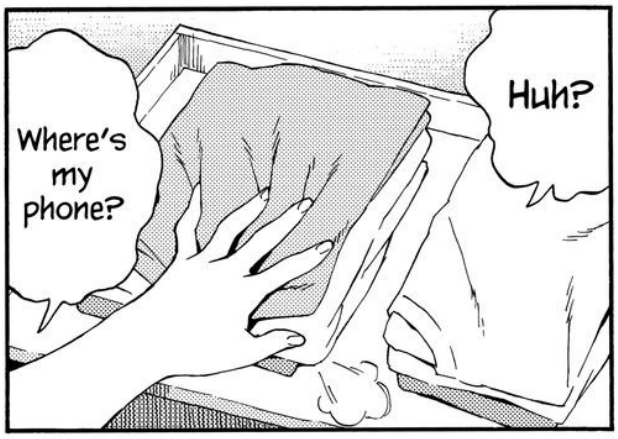
Take your time!

W-w-w-w-

What was that?!

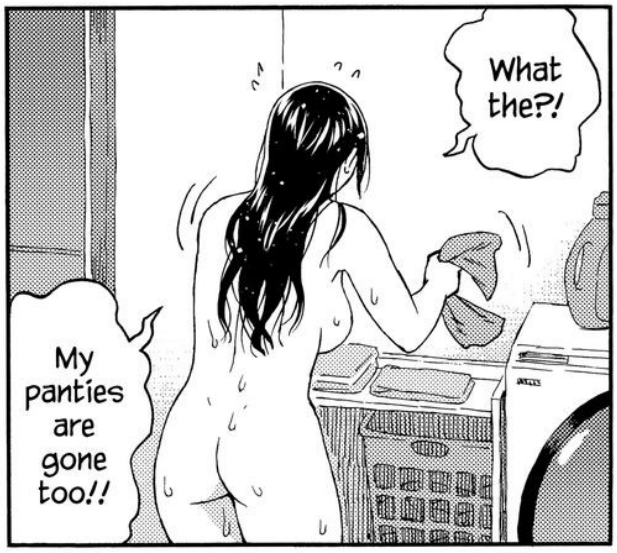
It was mov-ing!

Why did it get bigger?!



Huh?
Where's my phone?

I'm sure I put it right here!
Huh?



What the?!
My panties are gone too!!

I'm calling dad right now!

No! Not today! Definitely not today!
I can't let my friends anywhere near my house long as **he's** there!!

Want me to go over to yours and give it a ring?
It *should* be inside the house *somewhere*...
Well...
You don't have any idea where it might be?

Don't be silly!
Of course not!
Uh, okay ...

Oh? What's got you so flustered?
Are you, perhaps, **hiding** something from us?
Is it a man?
Your boy-friend?

I don't really want to go back home, but, well, it's just one more night. And then dad will be home tomorrow...
I don't have a boyfriend!!
Go get 'im!
See you!

It's almost over...
I'm home...
I just need to endure the rest of today...
Oh.
I wonder if he's gone out somewhere?
Yuck! Is this a porno?
He's just left it paused like this...
What is he thinking, watching this in someone else's house?

Can you tell me what's making that noise?

Ughh! What is this? This is nothing like when I touch myself at all!!
You like that? Is that nicer than when you finger yourself?
Hnn!
Nuh! Not at all!
Hff

See? Slow and steady.

Uhhh!

Hnn

Y'see, girls *enjoy it* more when you slide your finger in gradually. Thoroughly.

Ah!

Hn!

Ahh!

Hnn!

Nanaho, can you see how your pussy is sucking on my finger and won't let go?

That way the cunt itself starts greedily clamping down on your finger.

■Afterword ■

Thanks for reading!
I thought I had time to spare when I started working on this,
but it ate up a lot more than I expected.
Halfway through I scrapped the draft that I was working on
and completely started over.
But, well, thanks to that I managed to draw what I really wanted to,
so everything worked out in the end.
I hope you enjoyed it.
