"You bastard... You've got some nerve doing this to me."

"You think just because you tied me up, you can crush me under your heel?"

"Laugh all you want... I'm not the kind of woman who lets anyone mess with my body and walks away free."

"Just wait till I get out of these ropes... I'll make sure you remember for the rest of your life not to mess with Zhu Yuan."

"Don't think my silence means fear... I'm just saving my strength to knock you out in one hit."

"Hnnn! Mmmmf!"
"Nghh! Mmphhh!"
"Uhhmm! Mphh!"

"Look at you now... just a pathetic little doll squirming in ropes."

"I thought you'd be tougher than this, Zhu Yuan... or was all that bravado just for show?"

"Where's that commanding voice of yours? Oh right... it's trapped under that tape. Hahaha!"

"You're about to learn the hard way—confidence means nothing when you're in the wrong place at the wrong time."

"Let's just hope someone remembers you by your ass... because no one's ever going to see your face again."

in negotiations, huh?"

"But right now, it's just
a display piece writhing
in rope. Hahaha!"

"Then again... something
that stands out this
much, it's no surprise

"I just wanted to... run a little test."

"Hmph... softer than I expected. No wonder everyone remembers you just from the back."

"Why are you squirming? It's just a little field inspection, that's all."

"Judging from your reaction... you do know this part of you stands out too much, don't you?"

"Save it for the stage if you want, but right now this belongs to me to explore. Got it?"
