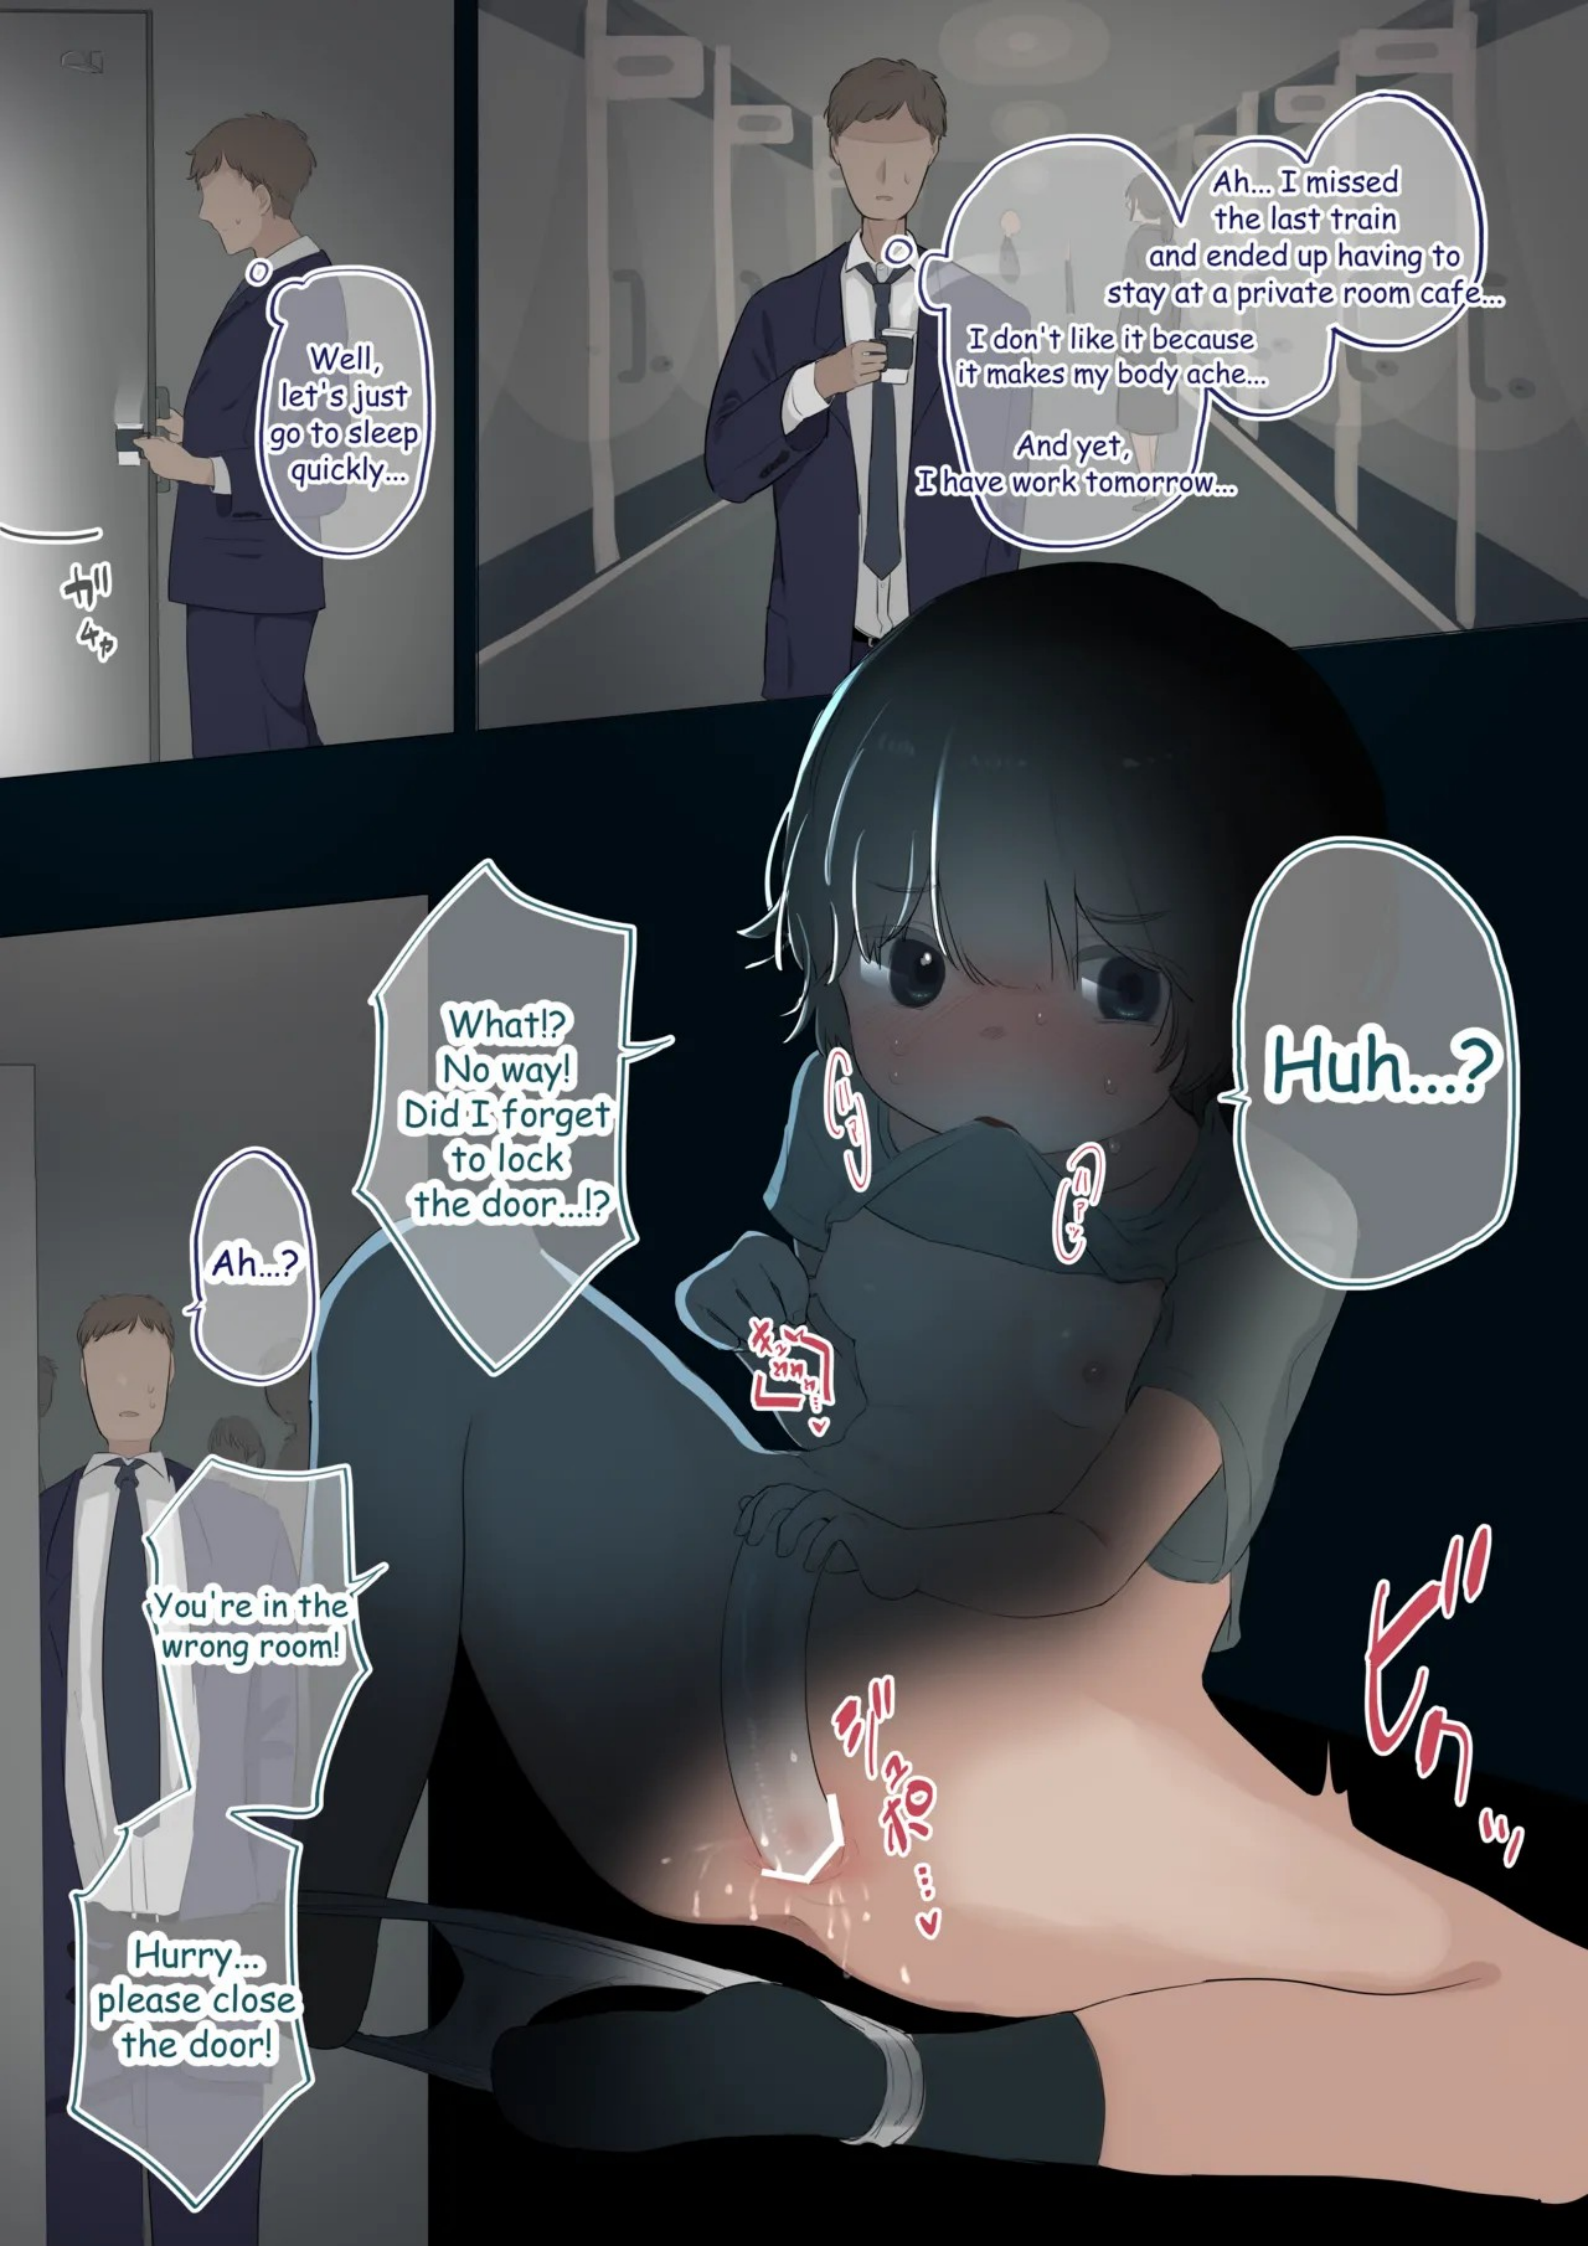
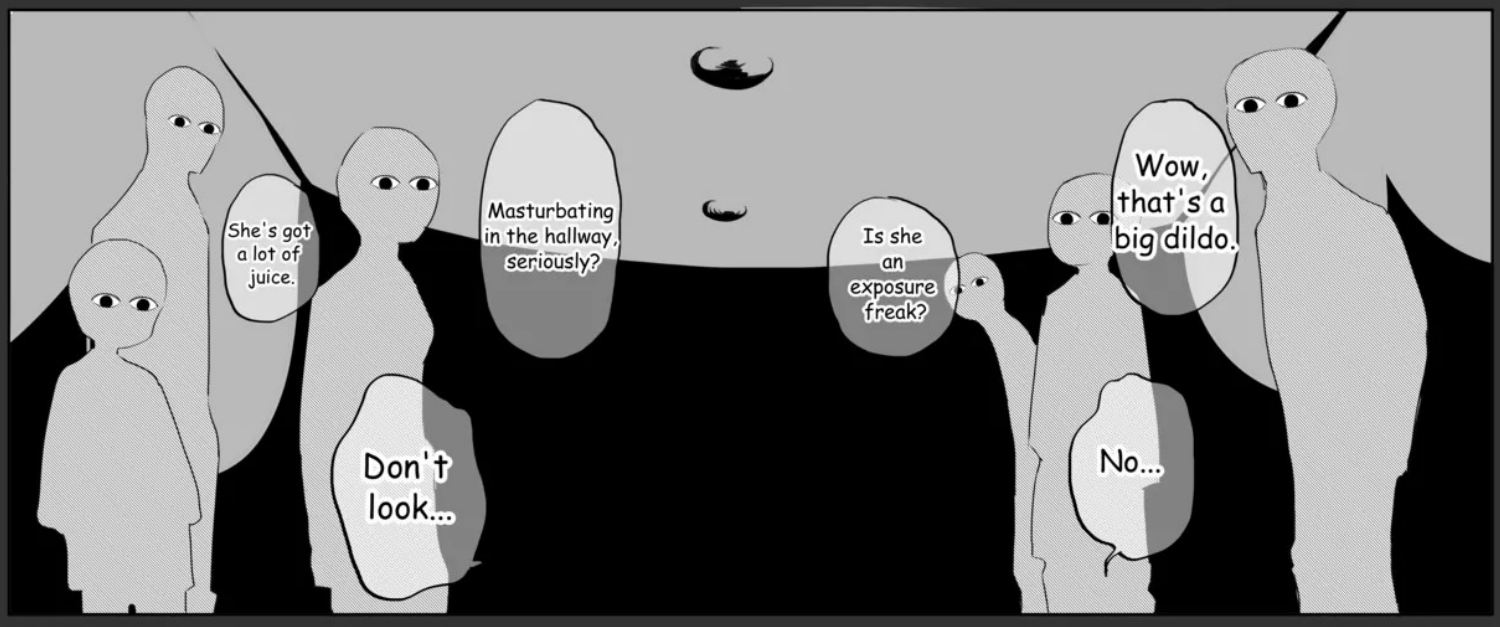
The following is in English.



Ah... I missed the last train and ended up having to stay at a private room cafe...
I don't like it because it makes my body ache...
And yet, I have work tomorrow...
Well, let's just go to sleep quickly...
ガチャ
Huh...?
What!? No way! Did I forget to lock the door...!?
Ah...?
You're in the wrong room!
Hurry... please close the door!
ビクン
ジュポ...♡

Oh, no...
What happened?
The door is fully open...
Wow, a girl is masturbating!
Please, close it!
Uh... I'm sorry...!
At least close the door..!
Oh!
Wow
She's in full view.
No way...
Ah...
wait..!
Oh man... I was about to cum...!



She's got a lot of juice.
Masturbating in the hallway, seriously?
Is she an exposure freak?
Wow, that's a big dildo.
Don't look...
No...

She's squirting.
Her expression is funny.
I'm screwed...
Don't look at it..!
I took it.
In front of such a large crowd...!
