It's a lot of work, but I have to live up to my mom and dad's expectations.

and after school, I continued to do ballet, piano, English conversation...

I studied hard to keep getting good scores on tests,

It takes me two hours to get to school each way by train. I leave home at 5:30 every morning.

So, I'm going to relieve my accumulated stress by fishing for the dicks of bottom-feeding pedophiles....

Hey... hey. Are you filming this?

Oh, don't worry. It's for your own enjoyment later.

Come on, you too, give the peace sign!

Today, I'm going to have sex with the virgin fat dick of a self-proclaimed singer convenience store worker (37) whom I caught on a matching app!

...but sometime s you need to let off steam.

Oh,
Marika!
I'm about
to
ejaculate
...

...You
really
haven't
had your
period
yet, have
you?

Your
penis
is hard
and
nice,
too.

Uh-
huh.
Good
for
you.

Oh my god!
A real 1● year
old's raw
vagina! It feels
so good I'm
going crazy!

And today
is the
easiest day
to get
pregnant.

But what
does it
matter?

Let's get
comfortable
together.

Oh...
That's
a lie.

!?

It feels so good to have plenty of irresponsible vaginal ejaculation on an ■■■■■ school student who can get pregnant, doesn't it?

Oh, no! You're going to pull it out?

No, no! Please, get out of the way, Marika!

I'm seriously going to ejaculate..! Oh my god ...

Let's squirt the bottom pedophile sperm.

Come on, come on. Don't hold back.

Aah! That feels so good!

I'm coming!

You
"peeing"
ejaculated
vaginally.

Oh
...

Or
rather
you,
you
hoard
too
much
semen.

Look...
Semen
as thick
as jelly
is
overflow
ing.

If you don't
want to get
me
pregnant,
you'd better
suck it out
fast.

...I wonder
what my
mom and
dad would
say to me if
I told them
I was
pregnant
with this
bottom-
feeding
pedophile
's child...
