What's the matter, Yoshioka, couldn't you pair up? Well, I'm your teacher, so I'll pair you up.

Ah, Ms. Aikawa... Why don't you pair up with me?

Eh~ with Ichikawa...? Well, okay.

I really can't do it! I can't pair up with that guy!

Kimura, let's pair up!

You guys, make a male-female pair!

the experience of sex has been introduced as a compulsory class for upper school children.

A world where, as a result of the extreme decline in birthrates,

Like this...?

Come on, Yoshioka, let's get started. Roll up your clothes and give me a boner.

And open your legs... Yeah.

Well, then... I'm gonna put my dick in you.

Okay, you're all paired up.

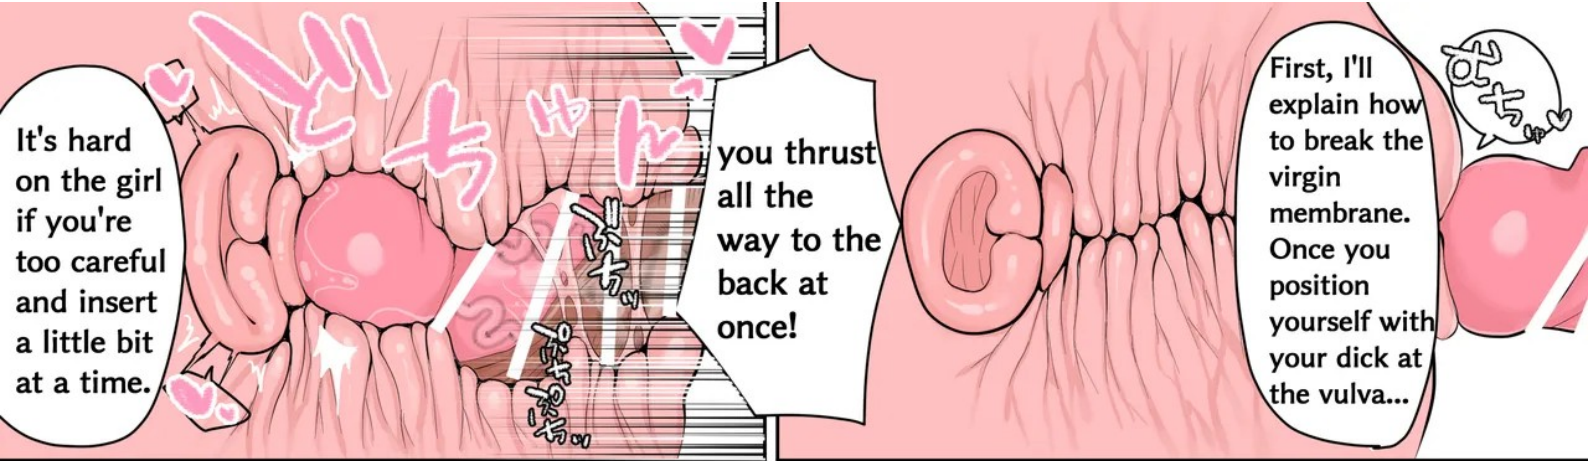

First, me and Yoshioka will set an example for you.

Well, then, today I'm going to teach you some real-life sex skills.

Yuri Yoshioka... She is inconspicuous in class and has few friends, but if you look closely, she is one of the most beautiful girls in school.

I've been trying to prevent other teachers from doing sexual things to her since she entered the school, but this day has finally come... I can't wait to put my dick in her cunt♥

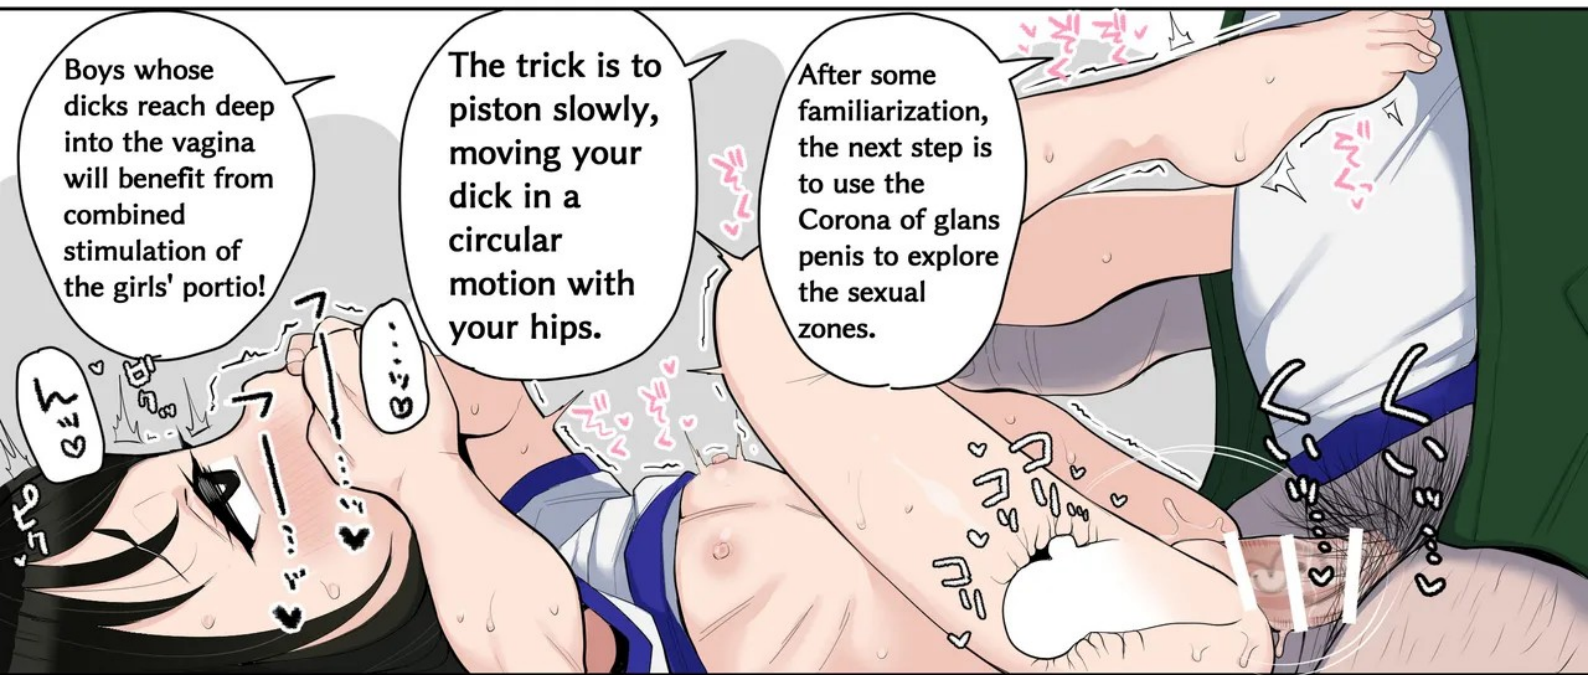

Yes, sir!

It's hard on the girl if you're too careful and insert a little bit at a time.

you thrust all the way to the back at once!

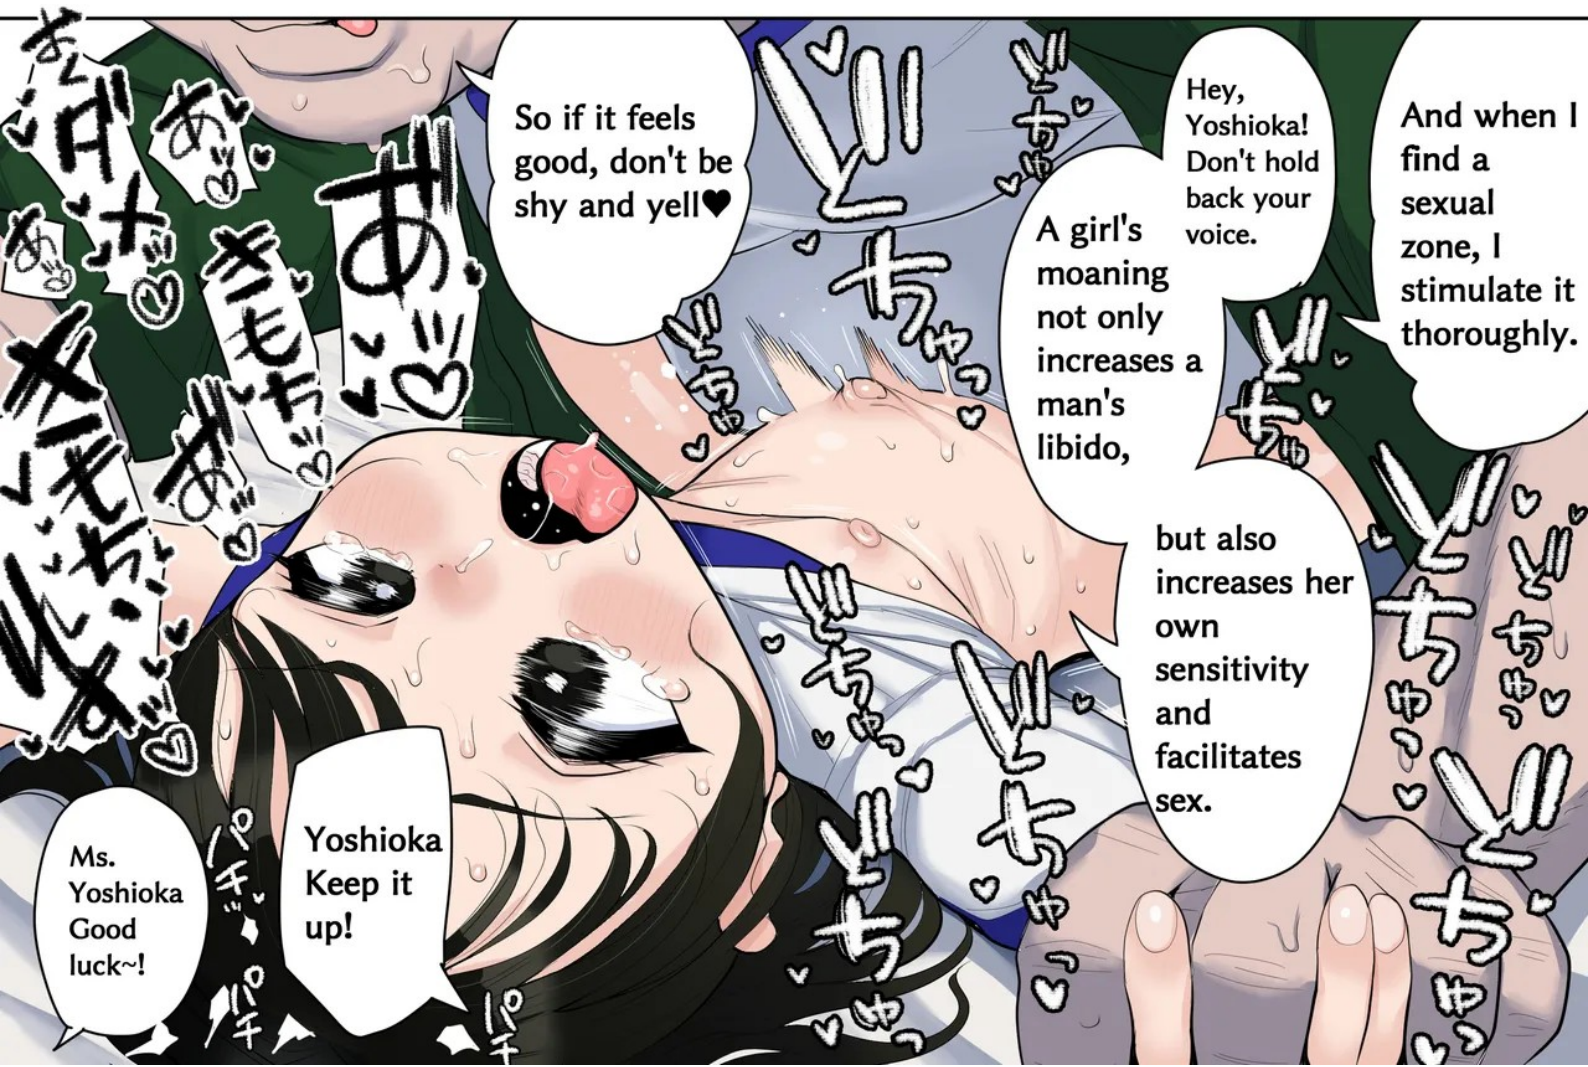

First, I'll explain how to break the virgin membrane. Once you position yourself with your dick at the vulva...

Boys whose dicks reach deep into the vagina will benefit from combined stimulation of the girls' portio!

The trick is to piston slowly, moving your dick in a circular motion with your hips.

After some familiarization, the next step is to use the Corona of glans penis to explore the sexual zones.

So if it feels good, don't be shy and yell ♡

Hey, Yoshioka! Don't hold back your voice.

And when I find a sexual zone, I stimulate it thoroughly.

A girl's moaning not only increases a man's libido,

but also increases her own sensitivity and facilitates sex.

Ms. Yoshioka Good luck~!

Yoshioka Keep it up!

Oh, I see. Then it's time for me to...

Ideally, men and women climax at the same time to increase the probability of fertilization. So, Yoshioka, say "I'm cumming" when you're cumming... ♡

Multiple instances of stylized sound effects and character names like "Yoshioka" and "Gyuu" are scattered across the character's face and hair.

I'm gonna climax ♡

Oh... This vagina is undulating ... ♡

When being ejaculated on, girls should tighten their vaginas and squeeze out as many drops of semen as possible.

This will be on the exam at a later date, so keep it in mind.

It's tightening up very well. Yoshioka ... ♡

You should all take a lesson from Yoshioka.

Multiple instances of stylized sound effects and character names like "Yoshioka" and "Gyuu" are scattered across the character's body and the anatomical details.

It is customary for pairs who have completed their first experience to take a commemorative photo.

It's going to be in the graduation album, so let's look at the camera and take a picture.

Here, Yoshioka, look forward. Let's do a peace sign for the camera.

I didn't know Yoshioka was that erotic...

Ms. Yoshioka, are you conscious? I wonder if sex feels that good...

Oh my God... my cunt is getting so wet... ♡

Oh, yeah! The pair that gets pregnant through this experience will get the highest grade in all subjects unconditionally, so you guys should get into it!

All right, then, let's start with the pairs that are ready to have sex! Yoshioka should rest in the infirmary with me ♡

Hey boys! Calm down.

Then I'm going to ejaculate a hundred million times in my ministry.

Really!? I'm gonna ejaculate a hundred times!
