Okay, get in the car.

Wanna play with us?

Oh, it's as cute as I expected ♡

Hey, you.!

???

Let's be quiet for a minute.

Help m...

Hey, don't fight it.

All right. Get the car.

Let's see...  
Tsukumo-  
chan,  
right?

Okay...  
Masturbat-  
orium  
complete.

Ahhh.  
This is the  
most  
exciting  
moment  
for me♥

That's  
right.

From now on,  
I'm going to  
plow your  
little cunt  
with my adult  
dick

and inject a  
lot of semen  
into it♥

んー!!

んー!!

んー!!

I'm sorry about that. I'm gonna ejaculate now.

I agree with you, but please don't fuck the kid hard from the start and break her right away like you did the other day, okay? haven't had sex with her yet.

Kid pussy definitely exists to get dicks in and out ♡

Oh, my gosh ♡ This elasticity and body heat! I can't get enough of it ♡

Ohhh ... I'm so excited ... ♡

Oh... ♡ oh...

Okay, but if you're going to do it raw, make sure your dick wash up afterwards, okay?

Oops ♥ found another masturbator in such a place!  
Can I have her anal virgin?

heave-  
ho!

Hmmm...  
It's too  
small...

I can  
ejaculate  
endlessly  
like this ♥

The gap  
between the  
tight entrance  
and the soft  
and fluffy  
depths of the  
back.

Ohhh...  
I love  
girl  
anal... ♥

Ahhh...  
I'm  
gonna  
come.  
Oh, her  
cunt  
tightens up  
in tandem ♥

Huu...  
That felt good ♡

We'll do it  
again after  
we smoke  
a cigarette.

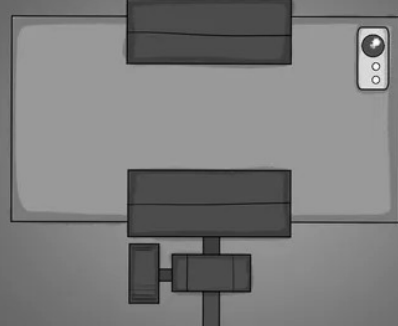

Ohhh  
... ♡

Oh,  
my  
God!

You need  
to tighten  
your  
asshole  
more when  
we  
ejaculate.

Hey!

Hey,  
Peace Tsukumo  
sign, -chan.  
please.

Let's take  
one last  
souvenir  
photo.

Hmmm...  
I can't  
ejaculate  
anymore.
