!!ケモノキャラクターによる性的表現・同性愛表現を含みます!!

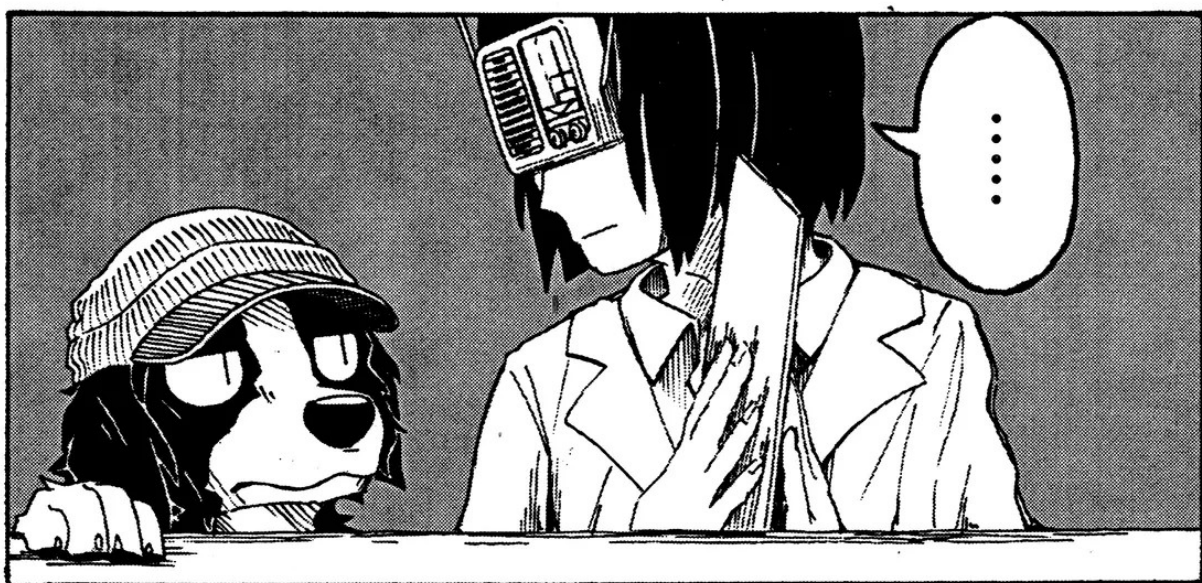

A black and white manga-style illustration. At the top center, a character's face is shown with a single large, detailed eye visible through a horizontal slit. The character has a wide, toothy grin showing sharp teeth and a tongue sticking out. They are wearing a textured knit cap and a headband. Below the face, there are several thick, dark, swirling shapes resembling tentacles or smoke. In the lower left, a small, pale, skull-like figure with large eyes looks up. To the right, a speech bubble contains the Japanese sound effect 'わんわんわんわん!!!'. The overall style is dramatic and intense.
