

Slave07, we shall proceed with the 10 Cumming Challenge again today. I look forward to your success this time around.

Take this chance
to cum as much as
you want while your
cock is free from
the cage.

Come on boy.
Show me how much
you can cum on
your first round.

Hehe! That was quick. Seems like that cock cage restrained you way too long.

Second round. It should be easy for you to cum again, since you've already gone through a lot of milking training.

Very good. Still
thick and plenty
like your first
ejaculation.

Now, now.
Can you cum while
you undergo a
glans massage?
Hehe.

Mmh!

Mmh!

Mmmh!

Well done.
Keep on cumming.
Don't stop.

Let's not forget
about your nipples.
They must be
sensitive right
now.

This is
your fourth
time to cum.
Not bad.

Guu!

Hey, hey!
What's with all this
struggling?! Are you
not able to take another
glans massage?
I won't stop until
you cum.

Gggh!

Guh!

Mmm...

Good boy, you
finally cum again.
This counts as
your fifth time.

Hgggh...

Hgggh...

How do the pads feel? You better be prepared to cum another five times.

Good. This is
your sixth load.
Four to go.
You can do it,
Slave07.

Gggh!

Ghhh!

Slave 07, your
dick went soft
after your
seventh load.

Are you still
incapable of
completing this
challenge? Shall
we stop here,
Slave07?

Haa... haa...
no sir! Slave07
can still cum,
sir. Please let
Slave07 finish the
challenge, sir.

That's the spirit,
Slave07. I shall
use the pump to
make your cock
erect again.

Ha...ha...
thank you,
sir.

Hold on, just a few more presses. Gotta make sure your cock is rock hard.

Guuh...

Feeling better now after pumping, Slave07?

Ahh...
Ye- yes sir.

Very good.
Now I want your eighth load of cum.
I want it thick and creamy, you hear me?

Ye...yes sir. Slave07 will work hard.

Haa...

Haa...

AHHH!
I cumming! Sir,
I cumming!

Thank you,
sir. Haa...
haa...

Very good,
thick and creamy like
I wanted. You got great balls
that produce the hot and
thick cum I like. And that's
why I love you,
Slave07.

But your load is
getting lesser and lesser.
Your balls need to work
harder to produce
more cum.

Yes sir.

Come on, Slave07. Give me more. You are very close to succeeding now.

Here, let me give a nice massage to your balls. I know you're still storing some cum inside. Shoot it out.

Aghh...
Haaa...

Haa...ha...
sir...sir...

GAAAA!

Ahhh! I'm cumming!
I cumming sir...
I cum...

Yes! Very good,
Slave07! Just one
more and you're
done.

Ye...yes sir...
one more...
I can do it...

Hehe! Let's
commemorate this
moment by using the
clamp to force out all
your remaining cum.
You like that,
Slave07?

...Haa...
Ha...

Answer me,
Slave07!

Haa... haa...
yes sir... please use
the ball clamp to
Slave07's balls,
sir...

Ahhh!
Aaa... Ahhh!

Want to shoot
every last bit of
your cum,
Slave07?

Ahhh!

Haa
Haa

Heh! Are you
excited for your
final load,
Slave07?

Ahh! Ha... haa!
Yes sir! Please
empty...GAA!
My balls...sir!

GAA!!!
Y...es sir!

Hehe, you really
are a good slave. I am
gonna tighten the
clamp even more.
Hold on...

AHH!
AHHH!

AHHHHH!
GAAHH!
AAHH!
I cumming sir!
I cum!

YES! YES!
Keep cumming!
Don't stop! Give me
all your cum.

AHH!AH!
Cumming...
For sir!

AHHH!

AHHH!

Yes! Cum for me,
Slave 07! You are my
best cum cow! Shoot out
all your man juice for
me! Hahaha!

All that thick and rich man juice over your muscular body. Excellent performance, Slave07.

Very well, I will let you rest for 3 days. For your reward, I will allow you to be free from the cock cage for a month.

Haa... Haa...

Haa... haaa... thank you sir... Slave07 is happy that Slave07's cock and balls performed well, sir...

Thank you, sir...

Hehe! Thanks to the training I gave you every day, you finally overcame this challenge.

But of course, you still can't cum without my permission. You know it well now, don't you?

Yes sir... it's all thanks to sir that Slave07 can produce this much cum, sir...

Yes sir... Slave07's cock and balls only exist for sir... Slave07 can only cum for sir...

Very good, now get some rest. I will clean you up later.

Yes sir... Thank you, sir...
