

Spread wider!
Grab your leg firmly
until the end of the
training. Clear?

Yes, Master!

Where is your
G spot? Report
when I touch it,
understood?

Ah~ Yes, yes,
Master!

Ah! You
have touched
my G spot,
Master!

Right here?

Ahh...

Very good. Your
precum keeps leaking.
It seems that you are
not lying. I thought for a
second that you would
mislead me.

Ah! Ah!
Slave shall
never tell lies
to Master!

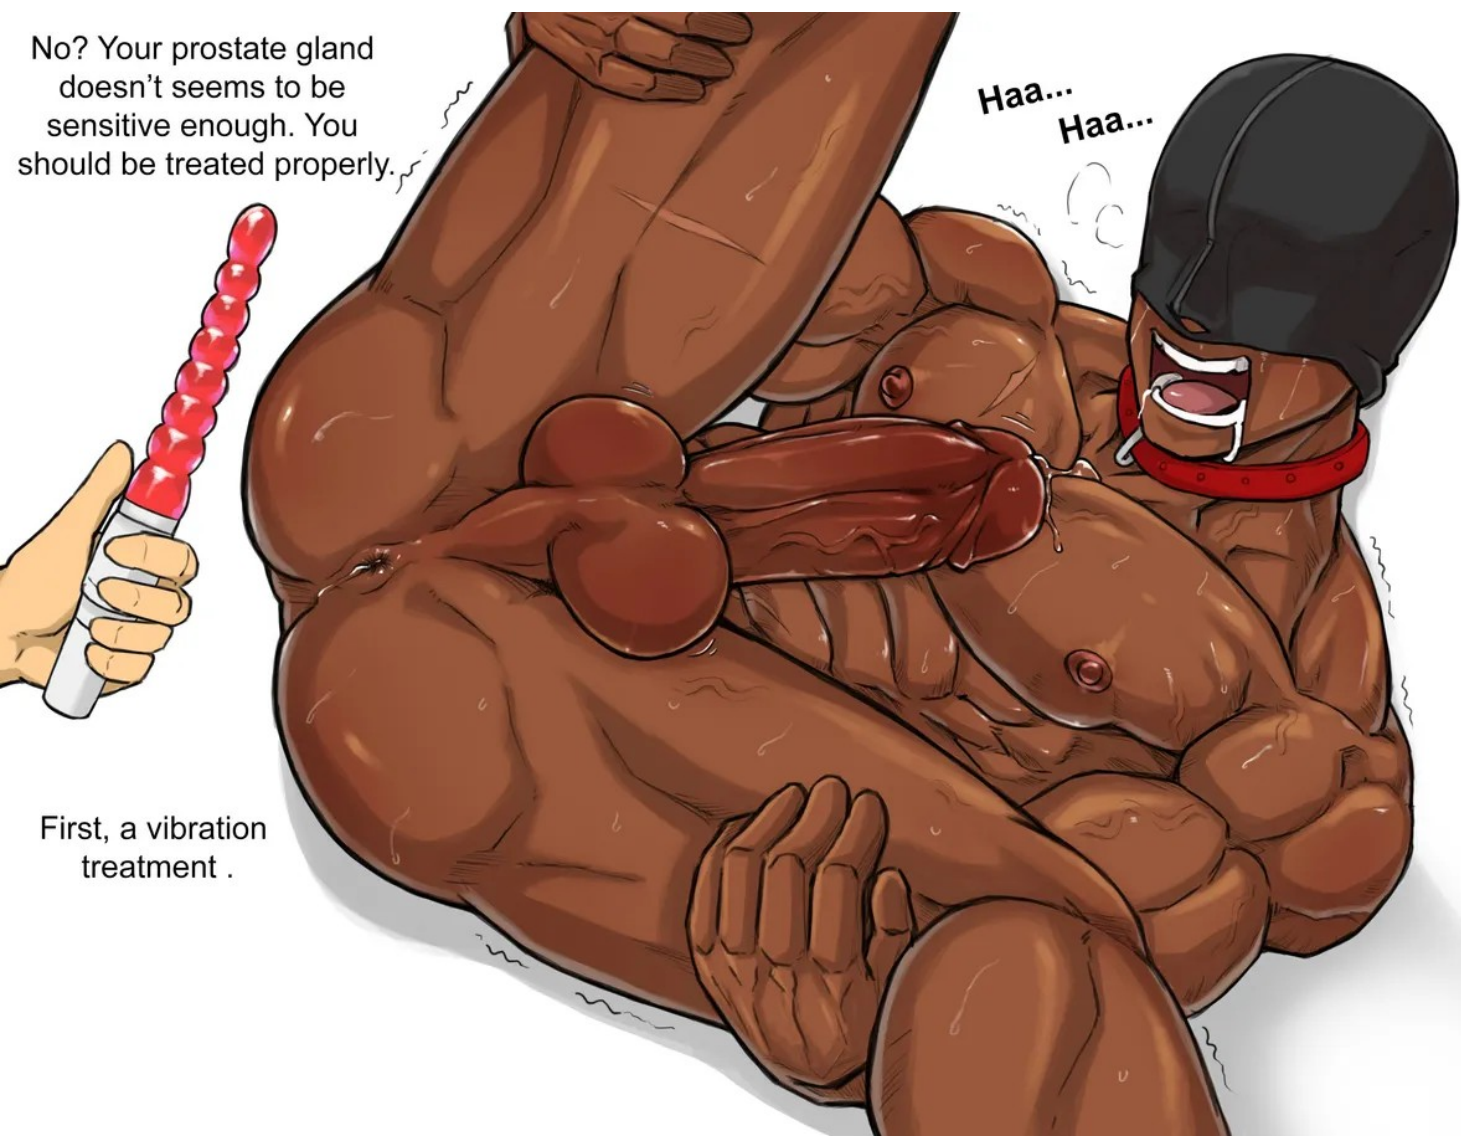

Really?
Good slave. Feel
good, don't you?
If I press here, its
make you wanna
cum, right?

Ha...Ha...
No, No, I don't
want to cum!

Haa...
Ahh...

No? Your prostate gland
doesn't seems to be
sensitive enough. You
should be treated properly.

First, a vibration
treatment .

How about
now? Do you feel
better? Feel like
cumming now?

Ah! Ha...
Still... still no,
Master!

Why would this happen? Perhaps your cock has been damaged because of the electric shock?

Ahhh...
Ahh...

Do you feel anything when I rub your glans?

Ohhhh! Ahhh!
Mas...Master...
Ha~Ar,ar~Ar~

I'm asking
you for an
answer.

Ahh~~
Haa...

Haa...

Ah! Ah!
This... no,
no!

Oh no, you can't
feel anything! Your nerves
must be damaged.
What should I do~?

I must give
you much more
stimulations
quickly!

Ga Ahhhh!

Ahhh~~

Ahhh~~

How about that?
Do you feel anything
now? Wanna
cum now?

Ahhh~~

Ahhhh~~
Master...

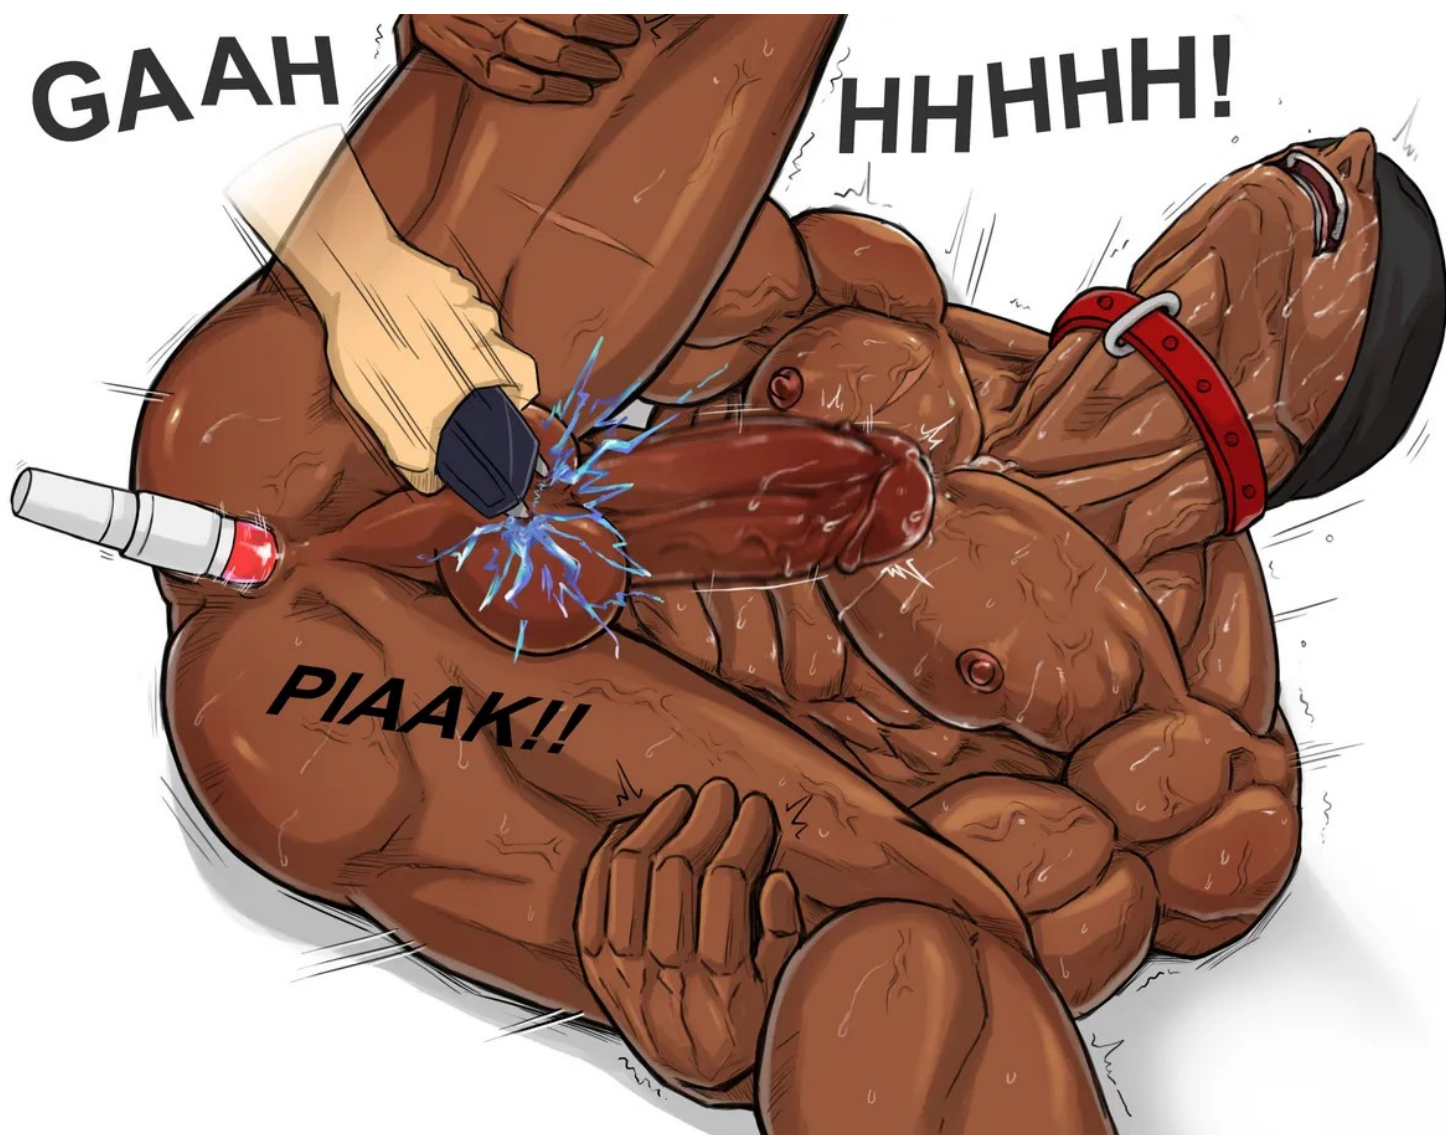

Master, please...
Ah! Do-don't...
stop... it...

Haa Ahh~~

AHHHHH!
AHHH!

I'm going to cum!
I'm cumming!

Since I worry that your
cock would be damaged
by electric shock again,
I'm shocking your
balls instead~

Let's take a look
at your cock now.

Oh~ Your glans
is hard and juicy.
This hardness can
only be achieved
through continual
tolerance training.
I like this touch
a lot. He, he~

Ah~Ah~
Master! Please...
not now...
Ah...

Ha? Pardon?
Say that again
clearly.

Ahhh~ My glans is
still very sensitive,
still, still cannot...
Ahh~ I may...I may...

Very sensitive?
Nice! This means your
cock is not damaged
by the electric shock.

Your reply makes
me want to rub
your glans even
more. Like this!
Hahaha~

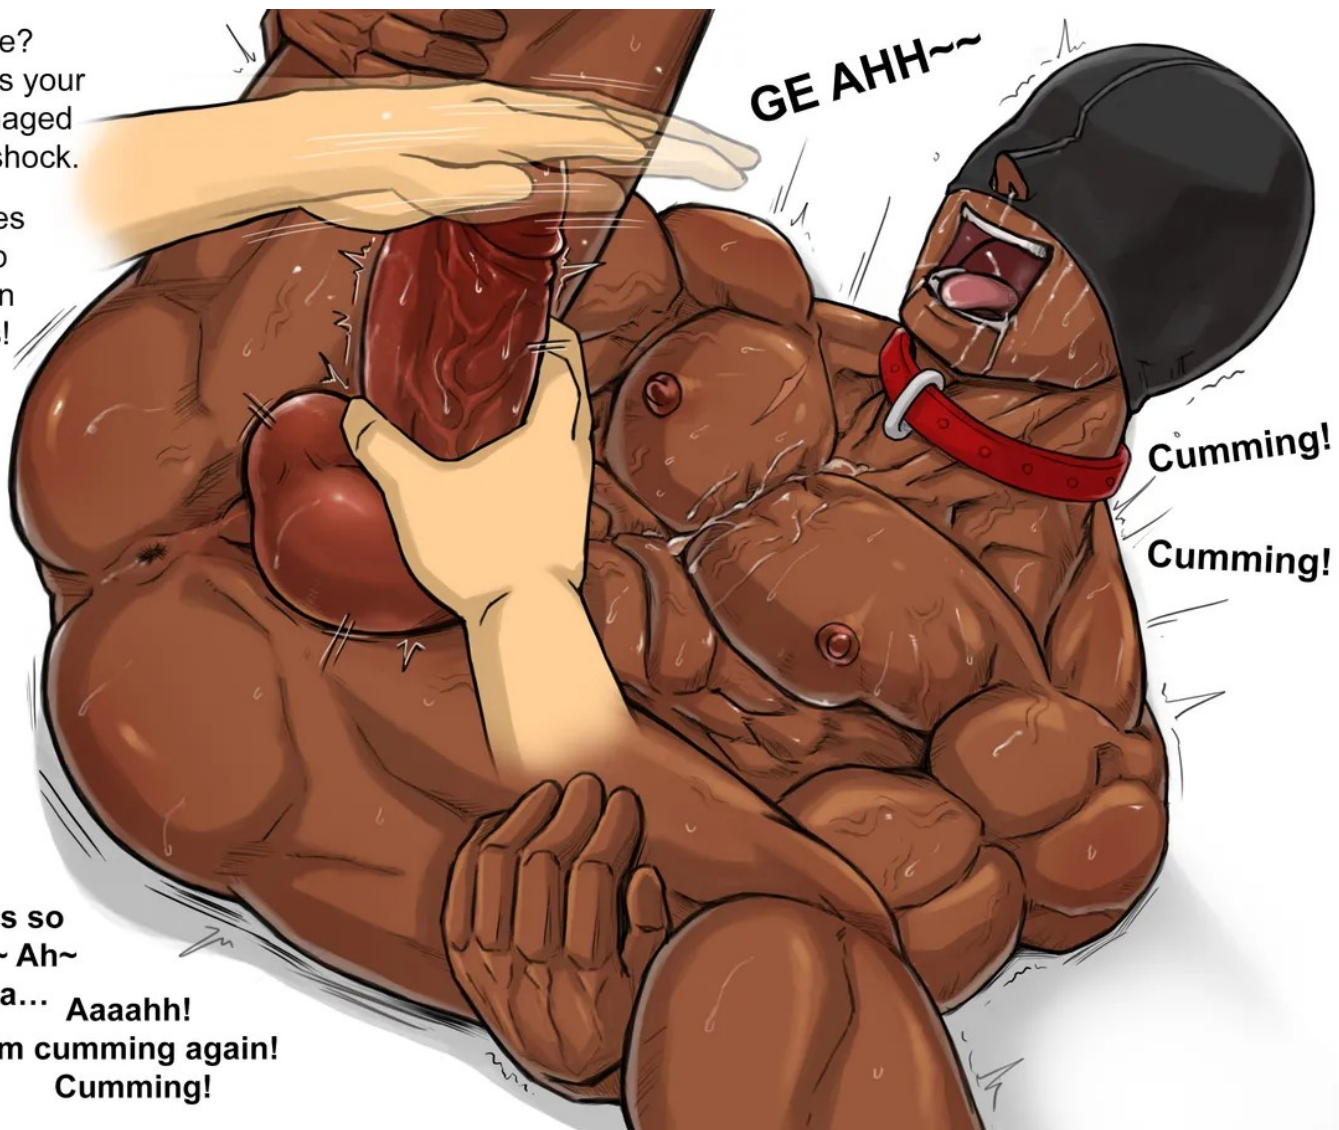

Ahh! Ahhh!
No...! I can't...
Ha... Ah...

Come on,
come on~
How sensitive
are you now?
Do you like to
cum now~?

This, this is so
good... Ah~ Ah~

I'm gonna... Aaaahh!

I'm cumming again!
Cumming!

GE AHH~~

Cumming!

Cumming!

Hahaha.
Cumming so
quickly? You are
really, really bad.

Rubbish.
The only special
thing you have
is your big cock.

Ha...Ha...
Yes...Sorry...
Master. Ha...

Don't think this
is the end. It is
just the first round
of our anal training

Oh well,
just feel it with
your butthole.

AHHH!
AH!

AHH! AH! AHH!
Master!
This is too intense!
Oh! Oooh!

Who cares?
Use your gorgeous
muscles to resist
that, beefcake~

Ah! Wha... what
is this? Ahh!

It's a new glove
that will make you
feel awesome.
The texture is
great, right?

Ahhh! Ahh!
Th... this is great.
No, no, I can't,
I will...

HAAA!

AHHH!

AHH! AHHH!
So good! So nice!
Haa Ahhh!

AHHHHH!

WaaAhh!
Ahhh! I can't do
this master!
Feels awesome.
So great.

Haa Ahh!
Rub my glans!
I want to cum!
Let me cum...!

HAA AH!

HAA!

Uhh... Uhh...

Haa ahh...

I, I want to cum.
I want...

Let me
cum...

Haa...

Haa...

Come on,
say it again?
What do you
want?

AHHHHH!
I'm sorry, master!
I'm sorry, master!

AHH!!

Sorry!!
Sorry,
master!

That's not
what you said
just now.

AHHHHH!
I'm wrong master!
I'm won't say it
anymore! Won't say
wanna cum!

You are really a
useless muscle slave.
Completely controlled by
the desire of cumming.
Can't do anything without
master's guide.

I'm sorry,
master.
Sorry...

I was planning
to try a few more
thicker toys with
your anus. Who
knows that you are
such rubbish. Let's
just fuck you
instead.

I'm sorry master,
slave is useless.
Master, please
fuck my anus.

Haa...

Haa...

I will make
this clear first.
I won't use the
taser cause I
don't want to get
shocked too.

But still
no cumming.
You need to
endure with your
strong will.

Yes sir.

Hehe,
your butt hole is
expanding fine.
It will be easy to
enter into you.

Ahh, so good.
Hey, squeeze
your ass tighter.

Ahhh ahh...
Alright,
master...

Fuck! Your
cock is really huge,
almost reaching
your mouth.

.....
Aha, I have
an idea!

You, I want you
to suck your own
dick. Put it in
your mouth.

Y- yes sir.

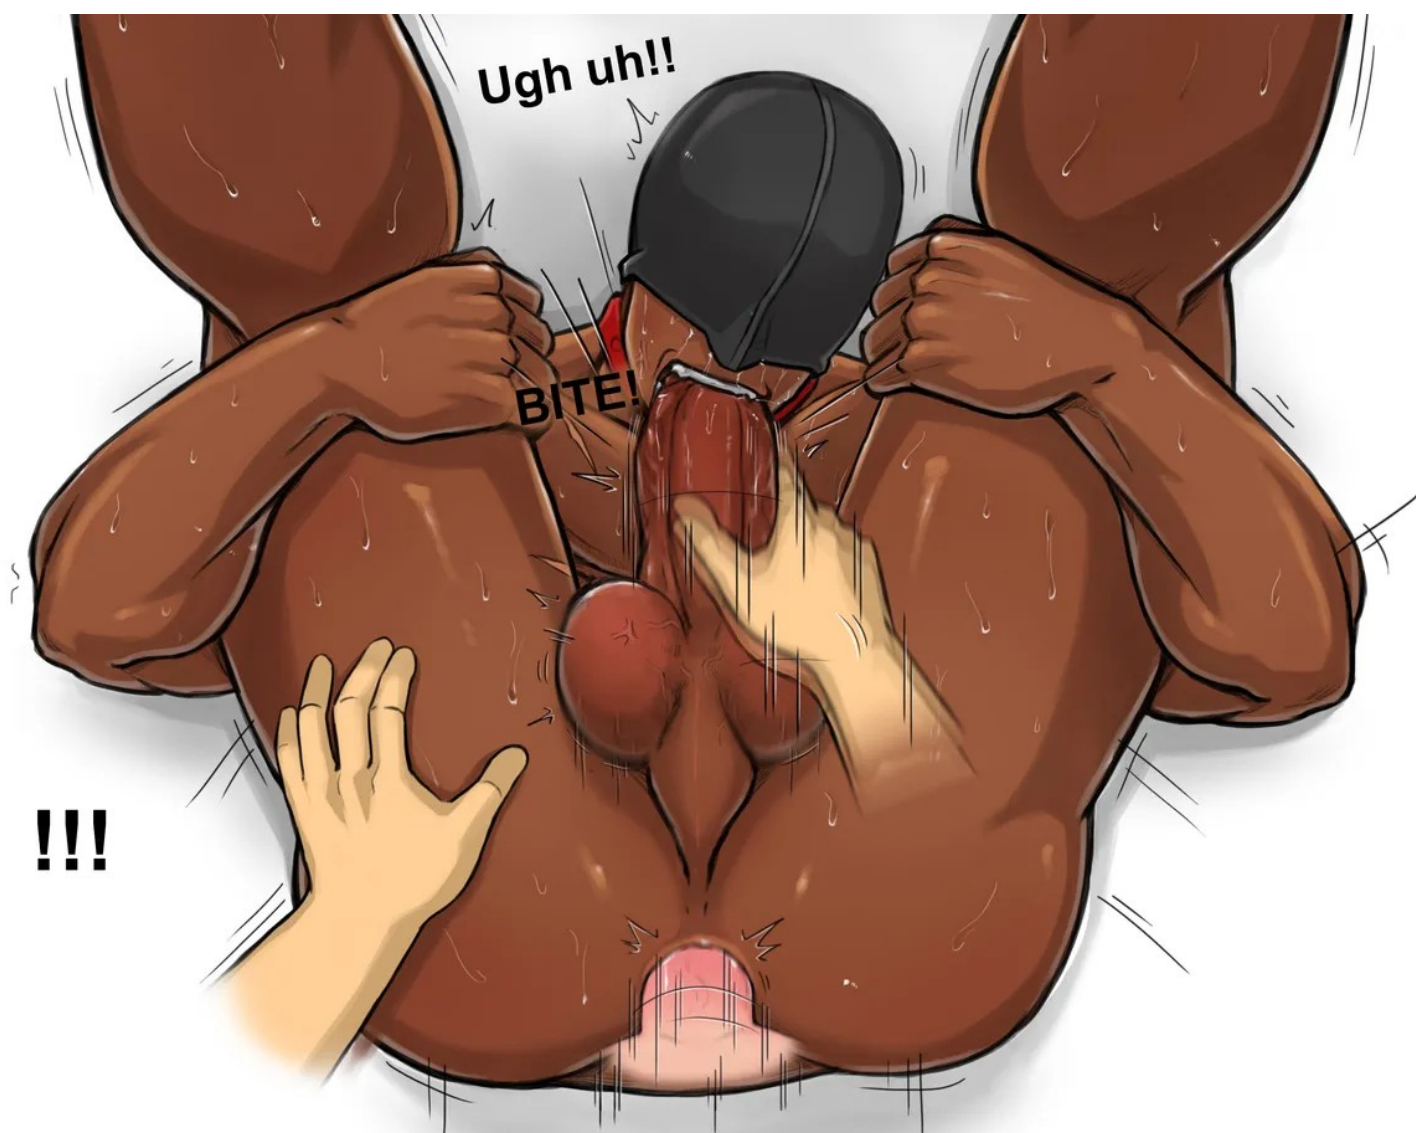

Ahh ohh~
Feel so good.
I'm almost
there.

Your balls are
twitching now.
Haha, are you
gonna cum?

I will seriously
punish you if
you cum. Am I
clear? Hahaha!

You, you
bite your dick
to supress your
urge to cum!
Fuck! Where
do you get
this idea!

Where is your
dignity as a man?!
Ah! Fuck! You are
really..... suitable
to be a slave.
Ahhhh!

Ahh, great!

Ha... ha...
So fucking
good. The
best moment
for a man is
the time when
he cums.
Am I right,
Frogman?

Oh yeah, I'm
forgot you haven't
came for long time
already. Too bad,
can only see me
cumming while
yourself can't.
Hahaha.

Ha... Ha... Uuh...

Don't worry, only
20 days left. After
that I will let you
cum all you want.
Now get up.

Alright, lets
cage your dick.
Insert this rod
back inside.

ha...

Yes sir.

ha...

Hurry up.
Always so slow
when you put it.

I'm sorry, master.
Slave's dick is still
very sensitive...
Please give me
some time.

Hands off and
give me the rod.

If I said faster,
I really mean...

... faster!

АHHHHHHH!

What!?
Pretending?!
Did you cum
out?

Kneel properly
and hands behind
your head. Let
me check.

ha...

ha...

Not bad,
you actually
didn't cum.

Told you,
just one push
and it is in.

Ah...

Ah...

Yes,
master!

Alright, done.
Frogman slave,
attention!

Ah...

Ah...

Today's mission
has now ended.
The ban for your
cumming requests
is now lifted

Rest
15 minute
then do
weight training.
Don't waste the
testosterone
stored in your
balls now.

Yes sir!
Thanks
for the
training
today,
master!
