Heeh~
Even though you are just little runts, you are playing soldiers like grown-ups~
Alright, I'll be your enemy then.
grind, grind~
C'Mon, what's wrong?
Try attacking me~

① HMM~ so this is the little people's town, huh~ It's smaller than I thought... or maybe I've just gotten too big? Everything is so tiny it looks like trash, makes me want to mess with them.
ろくすん

② So small! To think I can hold it between my fingers...
With buildings this flimsy, there's nothing they could do if a giant like me decided to attack.
Pfft , Poor things~

③Aah~, your little buildings are just too weak...
This one got torn to pieces just by my fingers.
Does it frustrate you to see it break so easily?
Or maybe you're actually happy to be sitting on Onee-san's boobs instead?

④ Ah... they're...
being squished...
by my chest...
They are just
tinies, and yet,
to make me feel
like this!
How insolent!
You little...!
Get crushed!

へぇ～、
小人のくせに一丁前に
戦争ごっこなんてやってるんだ～
それじゃ、今から私が敵ね。
ぐりぐり～
ほらほら、どうしたっ。
攻撃してみなよ～

①

ふ〜ん、これが小人の街ね〜

思ったより小さい…というか、私が大きくなりすぎたのかな？

ちまちましててゴミみたい、イジめたくなっちゃうわね

ろくすん

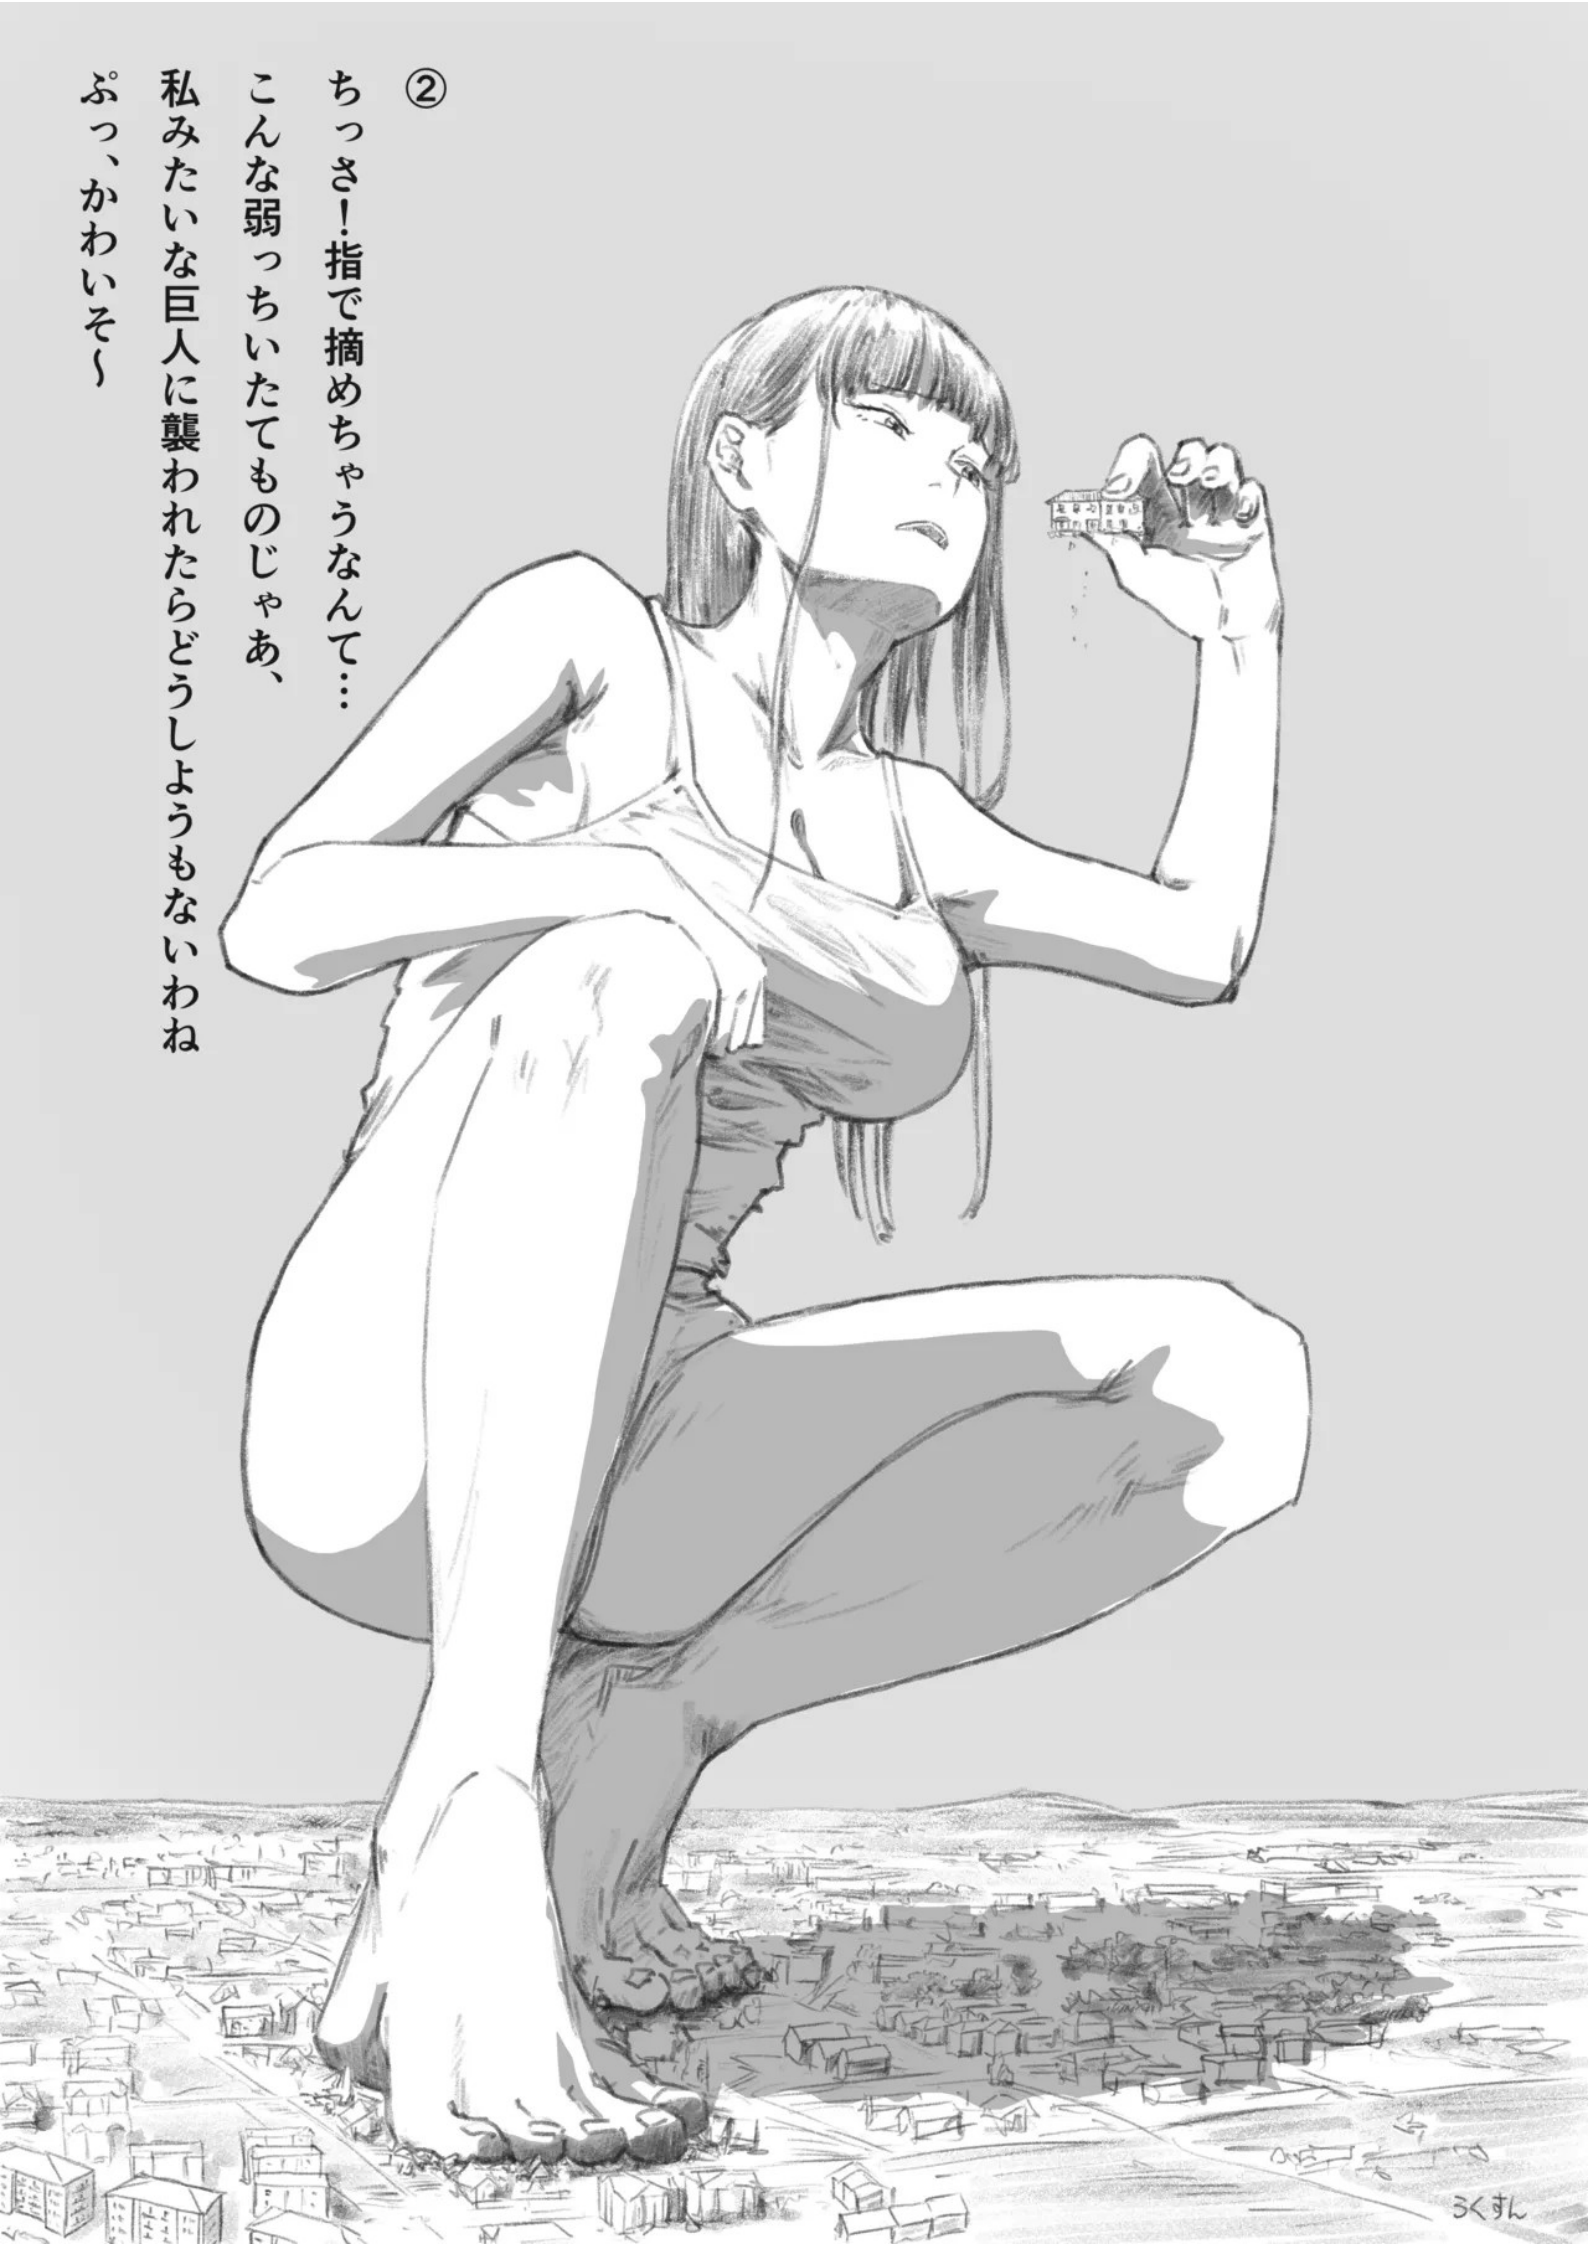
②

ちっさ！指で摘めちゃうなんて…

こんな弱っちいたてものじゃあ、

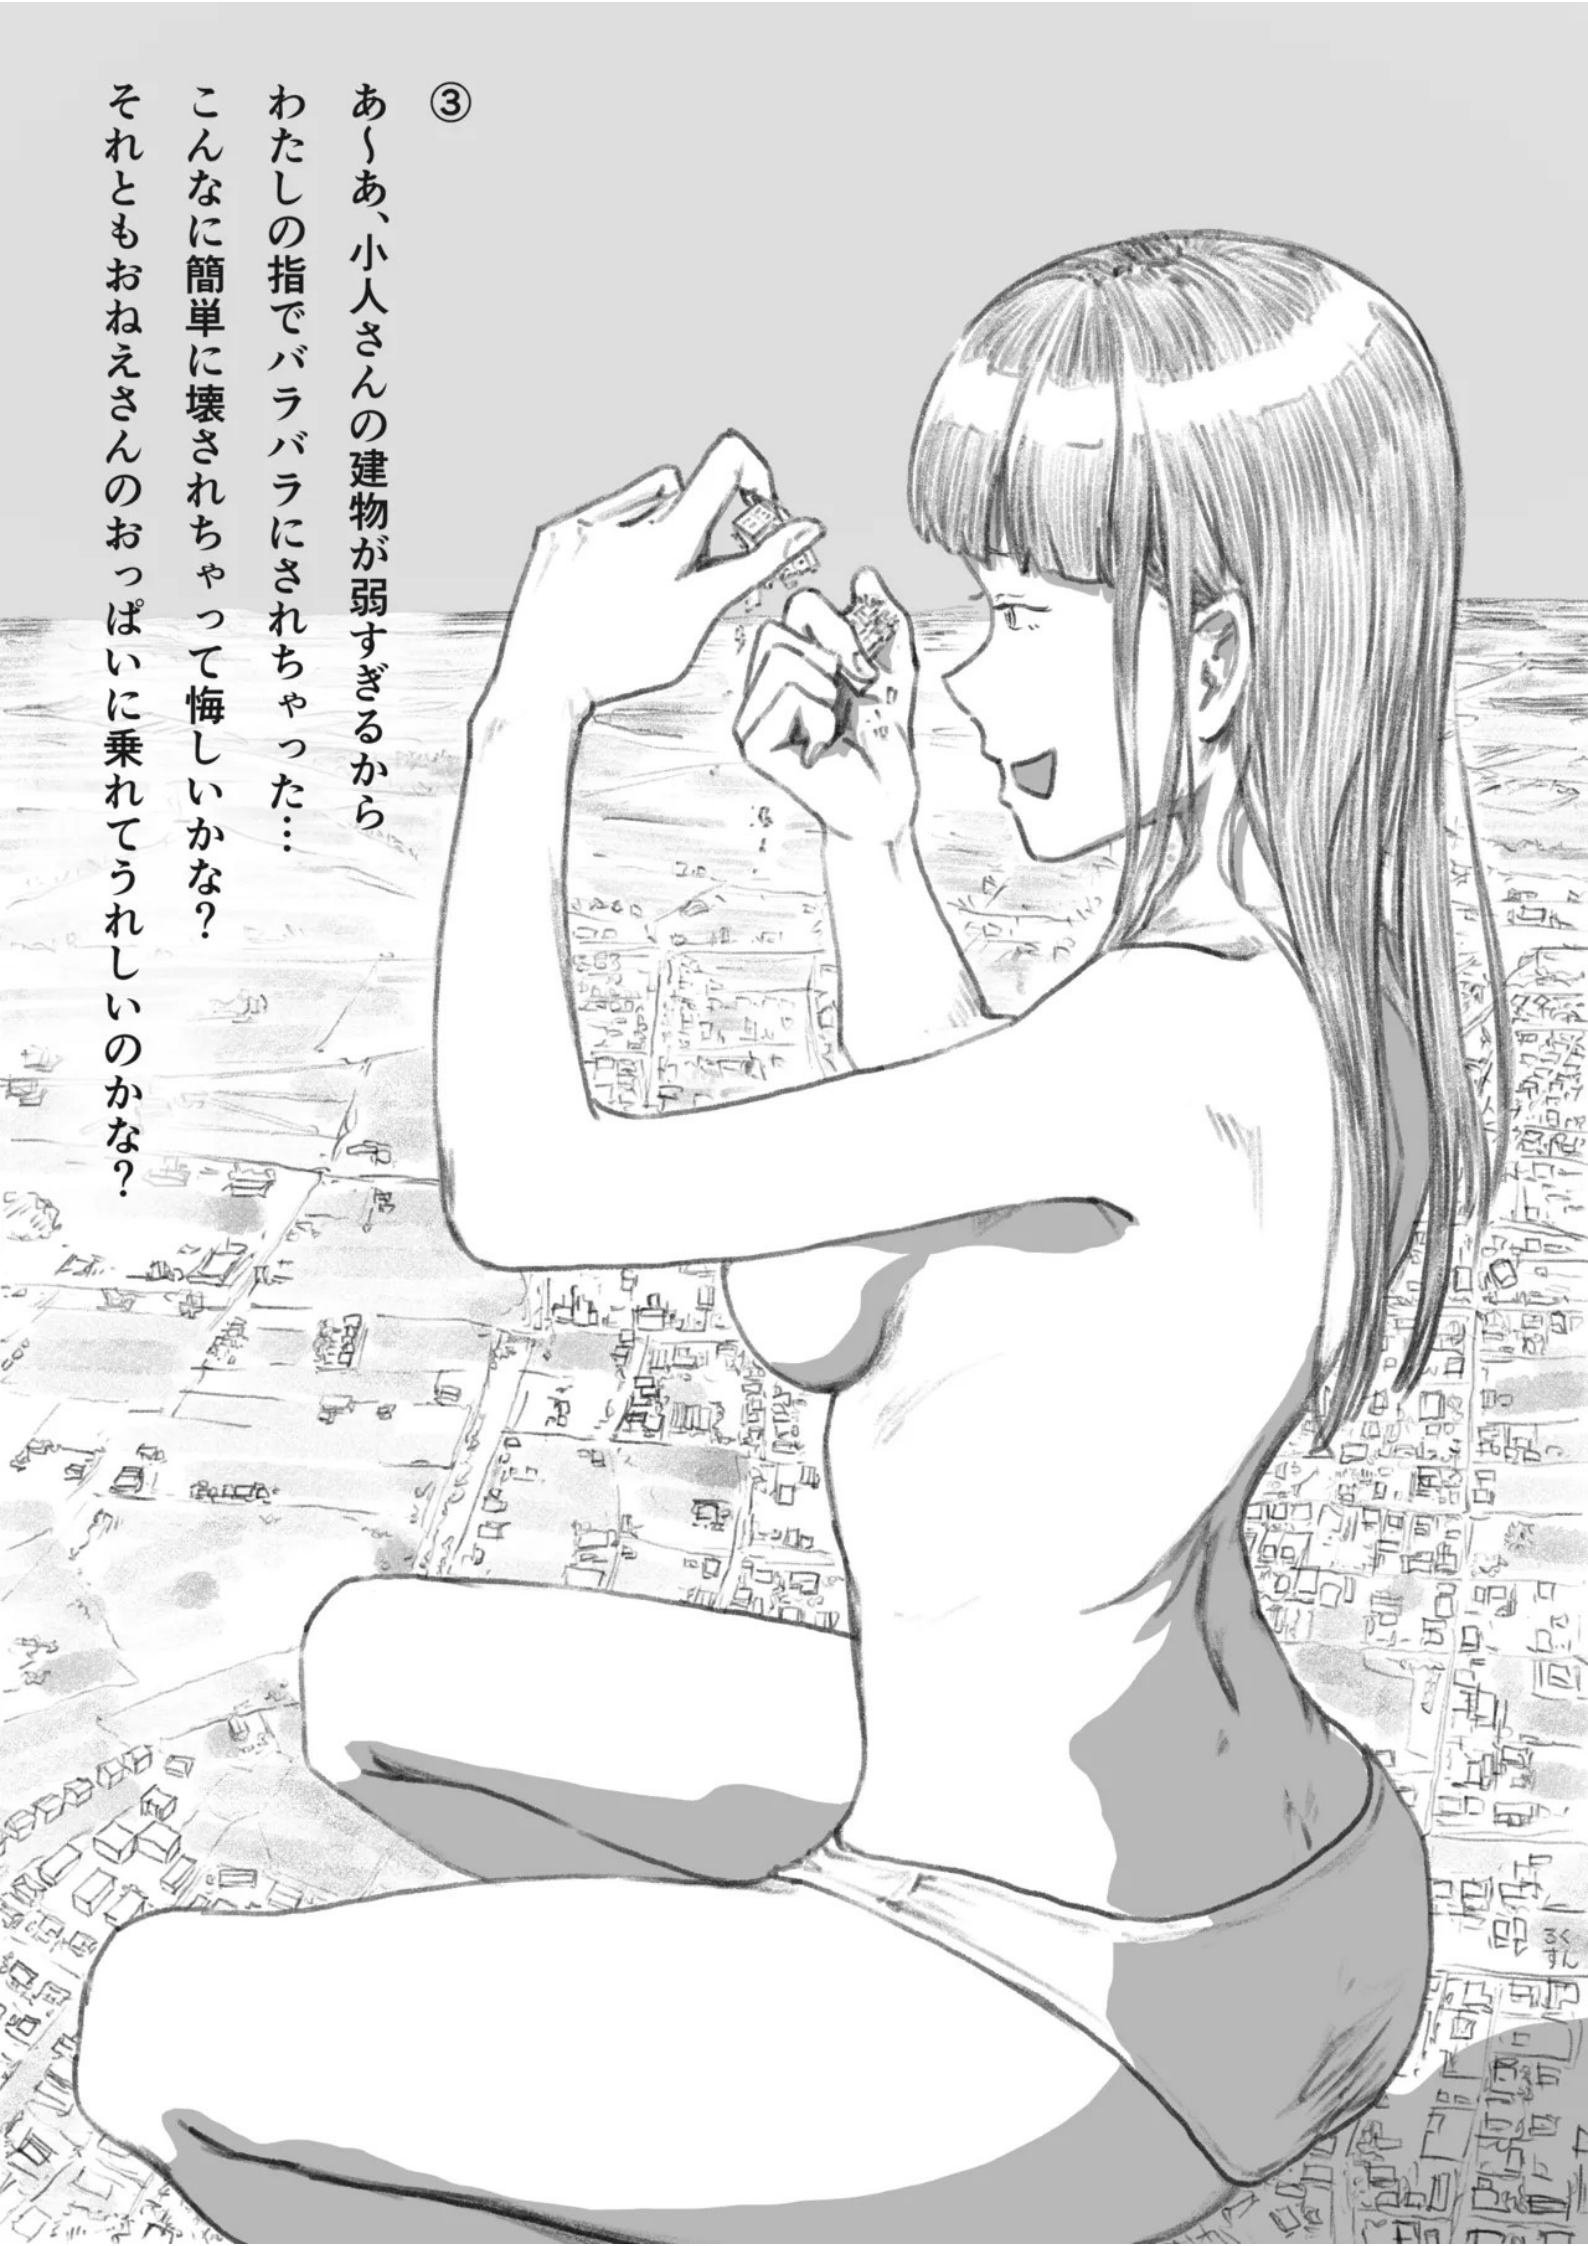
私みたいな巨人に襲われたらどうしようもないわね

ぷっ、かわいそ～



③

あ〜あ、小人さんの建物が弱すぎるから
わたしの指でバラバラにされちゃった…
こんなに簡単に壊されちゃって悔しいかな？
それともおねえさんのおっぱいに乗れてうれしいのかな？



④

あっ、小人がっ、胸でっ、潰れるっ、

小人のくせにっ、感じさせるなんてっ！

生意気なのよっ！

このっ！潰れなさい
