Don't waste your breath, move.  
This is your punishment.

How much do you love me  
to prank me when I am sleeping?

Hey, you know, I...  
Actually, I was dreaming

And I probably got a hard-on  
while I was sleeping.

I woke up and you were right in front of me and I was... well... happy...

Haru...love...love you!  
I want to hug you all the time!  
We've been so busy with  
part-time jobs and club activities  
lately that we haven't spent  
much time together at all...

SPLURT

Oh, I adore you.  
No, no, no, I'm gonna cum.  
Oh, I'm gonna cum... ahh...

Sorry, I think I cum a lot...  
Go take a shower.

Oh no, I won't go until  
I've absorbed all of your semen!

Don't be stupid.  
What if I get a stomach bug  
and can't play tomorrow?

Hmm...  
Okay, just a little more...

A comic panel showing two muscular men in a messy room. One man with spiky green hair is leaning over the other man with black hair. They are both shirtless. The room has a white bedsheet, a white pillow, and several crumpled white tissues on the bed. A black bag and a yellow bag are on the floor to the right. The man with green hair is speaking.

Hey, listen...  
One more time... no?  
I can't get that hot one to stop...

...not NO.

But I have to do  
my assignment:

..... I'll help you out.
