So! This was the last boss. are you playing any other game soon?

Kittensaur, your a good raider, but you are anoying AF. We are choosing chill and fun gameplay lately.

Skill Issue.

Be an adult...

Make me!

PATREON

A man with a goatee and headphones, looking frustrated. He is wearing a black hoodie and has a determined, slightly angry expression. The background is a dimly lit room with a window showing some papers.

LISTEN! You dont need to be a pain in the ass to take all the attention in here.

Yes Daddy...

Fuck i hate her so bad

Hey Matt, arent we moving to eternal quester next month? We could use some extra people!

Downloading!

Fuck you Tom...

PATREON

Hey crippled
nerds!

You always play the same damn
character?

I think its sexy! Men
cant understand it.

Yeah... sure....

A character with long, flowing pink hair and pink cat ears. She is wearing a silver and blue armored outfit with a white bikini top. She is holding a glowing pink orb in her right hand. The background is dark with some foliage.

And for your information, this has
cat ears!

PATREON
/instableunicorn

Stop it, Kitten. You are clearly not
a fucking girl. Stop pretending
that "UwU" bullshit.

RUDE

Lets kill some stuff, and stop this.

6 months later

PATREON
/instableunicorn

Another raid smurfed!

How is it that the better gear you get your character looks more naked you are?

Thats Victoria's secret

HaHa... Smart ass. I admit that i hated you during the first months, but this was fun. Thank you for joining.

PATREON
/instableunicorn

Are you dying?

Lol! why?

Thats the first nice thing
you told me in a year!

Nothing personal. I just hate
the way you are catfishing the
guys to get favours and items.

Im ok trating you like a girl,
dont get me wrong, but im good
at reading people.

PATREON
/instableunicorn

Kittensaur left the chat.

Kittensaur left the group.

PATREON

WALDIE

What the hell just happened? You are making a scene about this. Stop this nonsense.

I dont need to prove anything to ANYONE! You are crap and i hope that you rot alone!

CHILL! I didnt meant to hurt your feelings. I just happen to know that you are catfishing. You are not fooling me.

FUCK YOU, Matt. Fucking fuck you. I was not doing harm to anyone. I just cant go back now that all them know.

Look, We dont need to tell anyone. I dont give a fuck about it, but dont troll my mates.

Days later

PATREON
/instableunicorn

Joining chat

We dont need him.

Matt is the founder and GM. I see no problem with that.

He is SO toxic. You could do it much better, Tom.

Fuck that guy. Im following Kitten. He was really abusing her just to fuck her.

DUDE! You know him for ten years. He would never do a thing like that!

Ty for trusting me Will. You are such a sweetheart

PATREON
/instableunicorn

I just joined Discord while you were spreading shit about me. What is this all about?

It's rude to stalk other people's conversations. That's a lack of any kind of manners!

Don't flip it over. I want an answer NOW or I will share our previous conversations with the guys.

NO, PLEASE! I have a crush with Will and I'm not ready to tell him about this!

I'm tired of your twisted games. Want to buy my silence? Send me a real picture of yourself or I will tell the guys.

FUCK YOU MATT.

Counting down 1 minute to make the copy-paste.

YOU ARE AN ABUSER! I WILL TELL EVERYONE THAT YOU SENT ME DICK PICS, AND THEN, AND THEN

30 seconds.

FUCK YOU MATT. I HATE YOU!

Now you are going to behave. Tell them about your lies or they will have our chat and your pics.

AND WHAT IM SUPPOSED TO TELL THEM? OMFG!! YOU RUINED ONE YEAR OF MY LIFE!!!

Easy. Tell them that you where mad cause i rejected you. They all know that you flirted with me all this time.

... how can you be this chill? like... all the time?

I told you i didnt care about your looks. I still dont care. I just want you to undo the mess that you where making around here.

Ok... ok... i will text them now and then im removing all my chars from this game.

I didnt told you to leave the fucking game. Just be a good girl and stop doing mental shit. Oh! and for your health, hit the fucking gym.

PATREON
/instableunicorn

I explained another lie to all the guys in the guild... but at least cleaned Matt's name.

They allowed me to stay with them and somehow we ended being really good friends over time.

Matt happened to also be into fitness. Even after treating him badly he helped me as a coach. I was deeply depressed and in negation about my real self. That's why I was permanently being my alter ego.

Started doing diet and exercise. I also started to work with my psychologist, but everything was really hard and complicated.

Are you wearing what i have sent you?

Yes coach.

PATREON
/instableunicorn

Nice. You where wasting too much energy wanking all day.

This is kinda weird...

It was a slow process

PATREON
/instableunicorn

How are you feeling?

Do i really have to show the cage?

As long as you wear it im coaching you free. Be nice.

Yes coach...

Training during day
and gaming during
night. That was a hap-
py time.

PATREON
/instableunicorn

Then the pandemic
came. And we where
locked down in our
homes.

Matt... I mean, coach... i cant stand it anymore. We are loked down and im horny all day... I cant train or do anything.

Yeah, i guess we are all like that right now HaHaHa. I thought that since they gave you your HRT your livido dropped to zero

Its not exactly like that... Now is more in my head, but from time to time i get like this... heat... Forget it... Cya!

So you are now literally a kitten in heat!? How ironic hahahaha. What a time to be alive.

You are being a huge yerk.

Im sorry... i guess i got carryed by the troll inside me. What do you want from me?

Nothing, forget it.

Such a naughty little girl. Let me see the progress.

Prommise me that you wont laught at me

Why would i do that? i never laughted at your looks, Kitten.

Ok... Im just super insecure. I got bored and i was trying some makeup and some clothing...

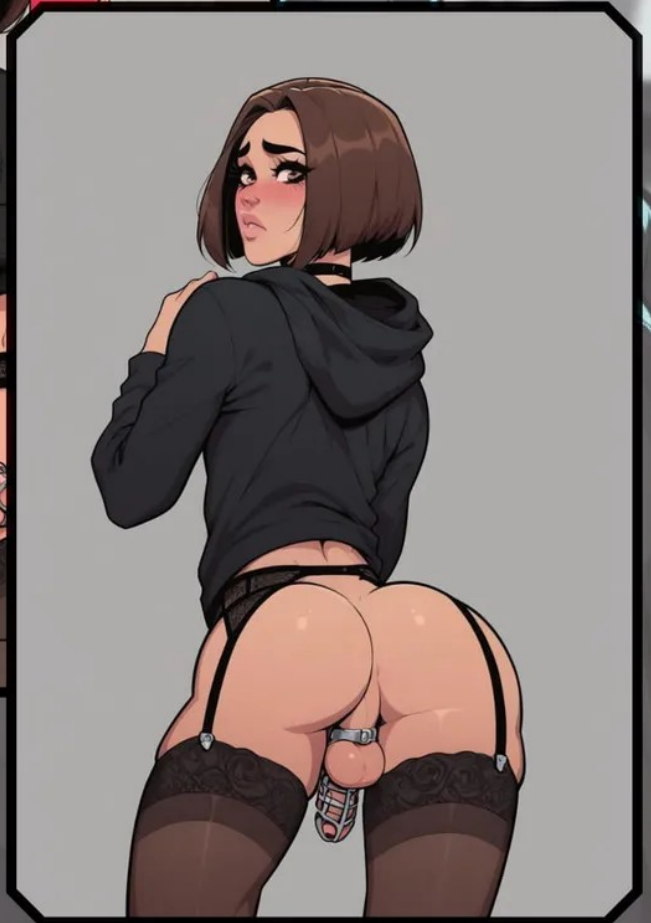

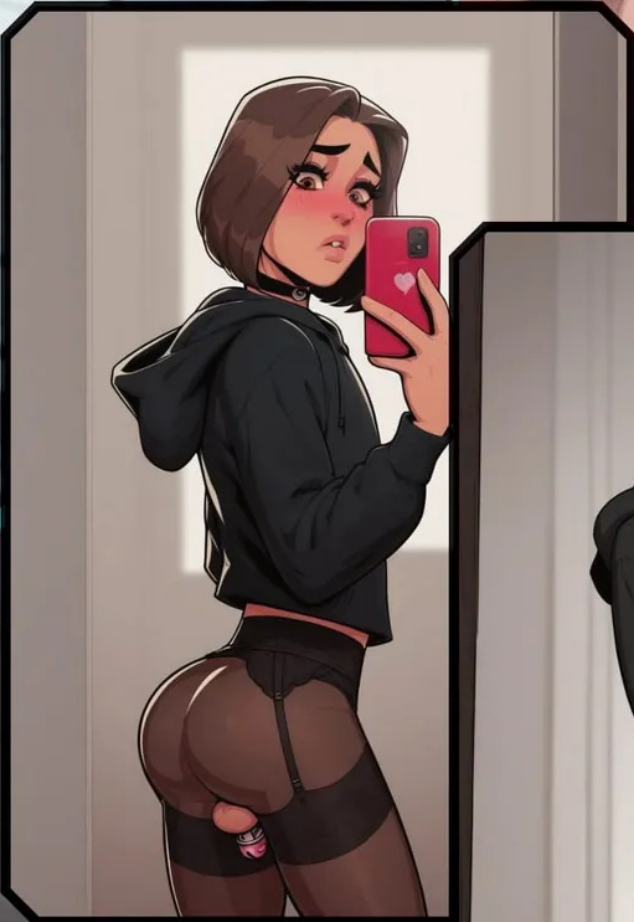

Cmon! Dont tease me!

Too bad? You tend to answer faster...

Looking smoking hot! You should take some more pics!

PATREON
/instableunicorn

Fuck... i bet i went too
far again...

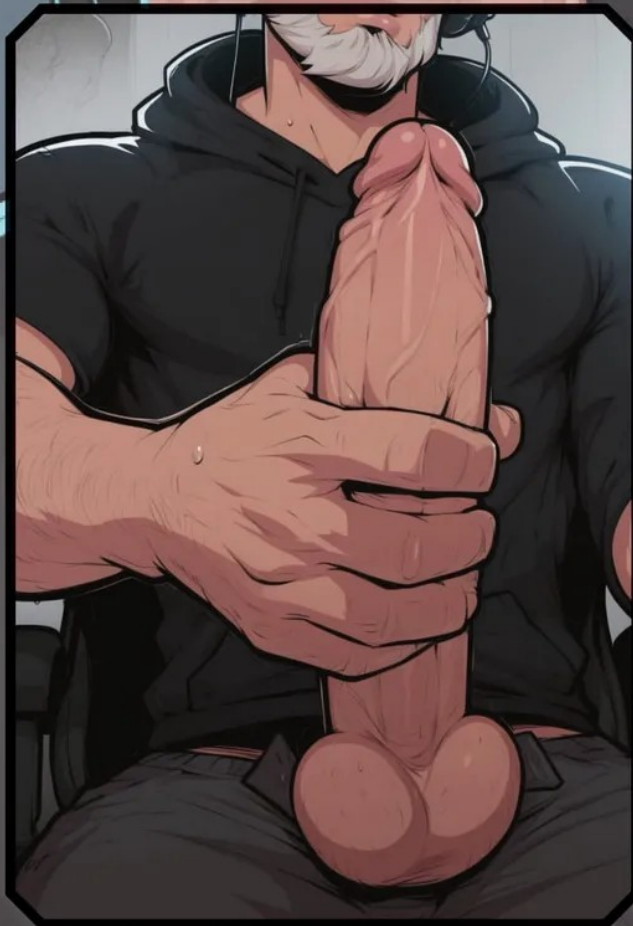

I'm sorry... i got a bit carried...

Dont worry... we are all alone and horny. You look gorgeous Btw.

Yeah, i dont trust you. You are way too nice, you would say anything to end up in good terms.

Does this look more honest to you?

PATREON
/instableunicorn

Fuck, i went
too far

?

Wow! I gave him that bonner?

PATREON
/instableunicorn

Is that a cock? I have never seen one.

Welll thats the good old Kittensaur that we all love and hate at the same time. i see that you are starting to feel confident.

You said that you love me. Now you cant take it back! I kinda like you too, but that cocks is kinda small.

You told me that you never had anything in your hole. My meat might break you in two. So you better train that hole.

Oh! Poor little me! Can you coach me into training my hole? i bet that you have tons of experience training your holes!

Get lube and your toy.

Or else...

30 seconds.

Yes, coach.

PATREON
/instableunicorn

Yes, coach.

PATREON
/instableunicorn

This is feeling too good...

PATREON
/instableunicorn

Im like... drunk...

Dont you dare to stop.

PATREON
/instableunicorn

It usually doesnt go inside this easy...

Thats because my cock made that pussy of yours eager, and now it needs to a real man inside that asspussy of yours.

My body is feeling really funny and strange. I feel like im going to pee myself.

Dont you dare to stop.

But i will...

KEEP FUCKING THAT PUSSY AS IF MY COCK WAS PUSHING AND RESHAPING YOUR INSIDES; KITTEN

It feels like im cumming from my ass!

Thats the only way you are cumming from now on.

PATREON
/instableunicorn

Keep going, Kitten.

PATREON
/instableunicorn

Such a good girl.

You are going to become addicted to
my cock.

Cum again for daddy.

You are a natural.

You where never a man

PATREON
/instableunicorn

Born to be my cocksleeve

You will only be thinking about
draining my balls from now on

such a brainless fucktoy

You are mine

PATREON
/instableunicorn

Let my cock take away any left-overs of that pathetic masculine personality.

Daddy has made you a new personality that suits you better.

You are going to be my toy during all this lockdown.

PATREON
/instableunicorn

Who is late this time?

Guess? Your girlfriend.

Dude! Move on! You are going to be jaleous forever?

Hey nerds!

Sorry im late, i was testing
the new headset that Daddy
