Now, give him a farewell.
Go on-squeal, pig.

This girl has now been blessed with a new form...
Our loyal pet has finally been born.

We thank you for taking such good care of her
...until now

Snort like the pig you've become.
From this moment on, you're ours. Obey.
Even if your man is a lowly human.
As our pet, you'll show proper respect.

Come on, he looked after you, didn't he?
At least say goodbye.

Pigs are supposed to be pretty smart ,aren't they?

Grrrr...

Hey, pig do you understand what we say?

Plop...

Are you not that smart or something?

Crack!

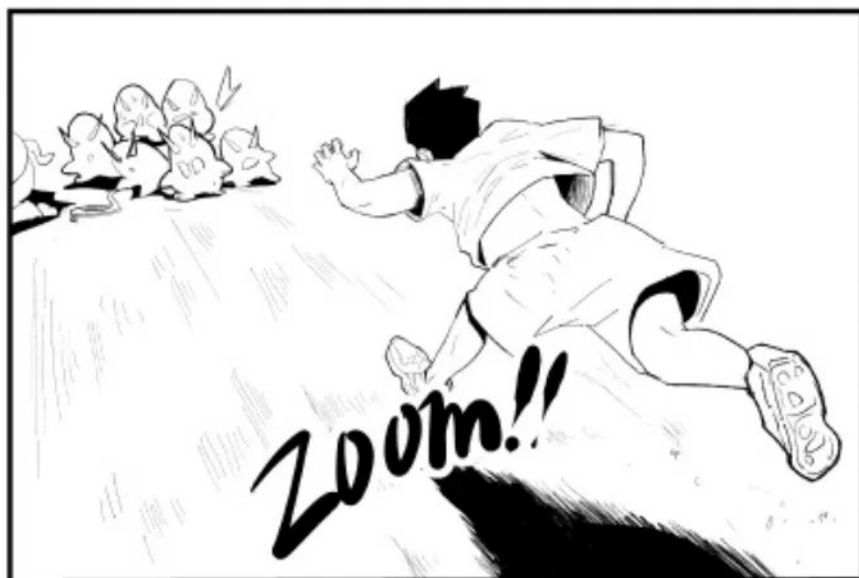

Shuff...

Whap!

If you are not gonna squeal , then move it already! Look at that pathetic body of yours!

**GYAHAHAHA !
Shut up with all
that squealing!**

**Just give it up
and act like
the pig you are!**

Grab!

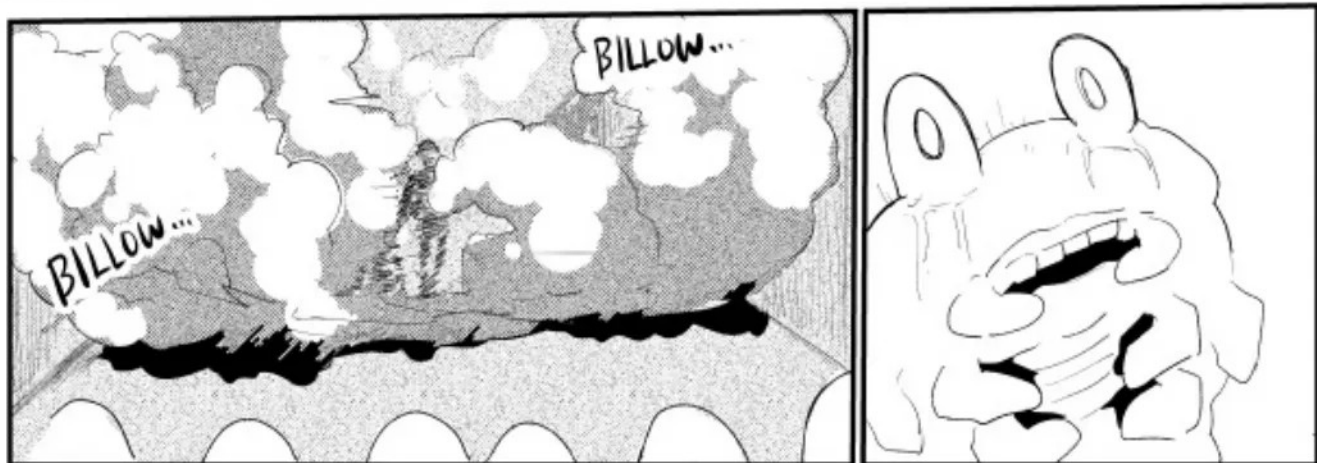

GROOOOM...

-this must be it.*

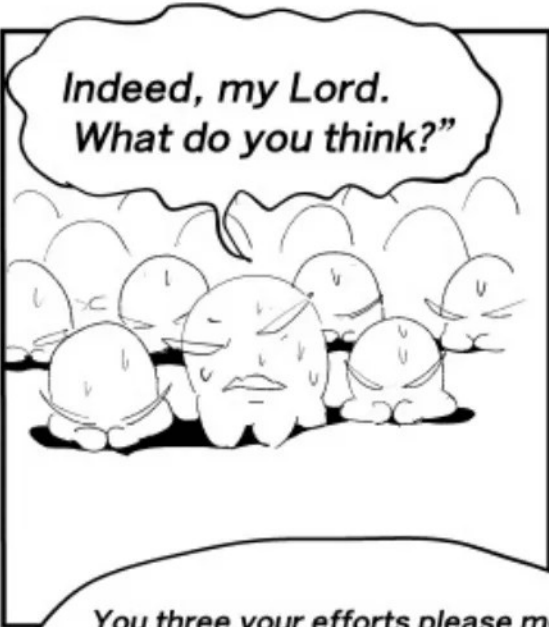

She shall become one of us. Fully.

Hm... I see.

Indeed, my Lord. What do you think?"

You three your efforts please me. I hereby promote you from Staff Sergeants to Lieutenants. You shall receive your horns.

W-wait... Wait, wait WAIT! No way...! I can't believe this!

Hah-hah-hah! We are honored! Overjoyed, your Majesty!

T-this is ... a joke, right?
