A black and white manga-style illustration of a woman with long dark hair tied in a ponytail, seen from behind. She is wearing a white towel or robe. She is being washed with a showerhead, and water is spraying over her back and shoulders. The background shows a bathroom setting with a window and some fixtures.

Huh?

Um...Fujino?

No, it's okay.
It's just the right
amount of force and...

Are you feeling strong
or sore anywhere?

A close-up illustration of a hand washing a crotch. The hand is shown from the side, with fingers spread, and water is being sprayed onto the area. The background is dark and textured.

Ahhh...
quickly calm down!

I see!
Then that's good!

It feels so good

My crotch!!

No, no~...
it's more
like a perk...

Oh, but I am sorry.
You took the trouble
to wash it for me...

Huh, nice hot water.

Yes...but then it would be quite pricey.

What!?
A room with an open-air bath?

I knew I had to pay...

No, it's okay!
This is my gift to you.

I worked a lot of short term jobs just to look good...and it was hard

Don't worry about it, just look forward to it!

Yeah, you can relax in the room bath without worrying about the surroundings, right?

Well, yeah...

The moment I was glad to have worked so hard!!

Big breasts float in hot water.

If you can't stand it...
Why don't we do it here?

Always these breasts and soft skin...me!
(In this situation, there is no way the erection will subside!)

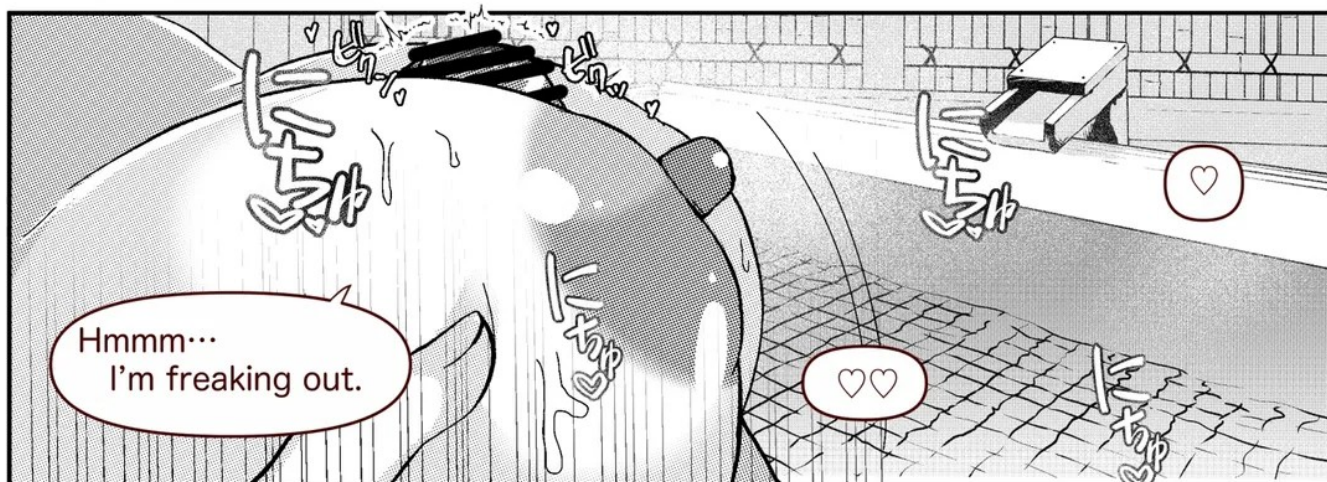

Me too

What!?

I've been all chesty since a minute ago...

If there's anything I can do...if there's anything I can do for you...

What a surprise, I'm sure they worked very hard for today...

Hmmm...
I'm freaking out.

What do you
think?

Do my boobs
feel good?

Good.
Then I'll try harder♡

Yeah,
it feels great...

Huh?

Wow, that's...
boobs and tongue,
both are had.

Yes, well...

Oh...!?

Hmmm♡
