Sounds like you're
having a lot of fun.

Sorry to interrupt
your fun...

But I'm sorry
to interrupt you.

Two Ciel-senpai...?

？ 何？

Why are you...

何？

It's not supposed
to exist in a place
like this... !

Why are you guys...
why?!

Just enjoy
the situation.

That's so,
isn't it,

Therefore,

This is what is called
a convenient dream

Now let's leave the
hard stuff behind,

With all my might,
I was blown away♡

Please ejaculate♡

Hmm.
Good, don't
hold back♡

senpai...

That feels good...

Ah♡

I'm gonna cum
so fast!

Ha, senpai!
The tightness...
It's amazing!

Sorry.

I'm coming
all the time♡

Good♡
I feel good too♡

Ah, ah♡

No,
then it's
my turn♡

Good...
now this time.

Hmmm,
easy to understand.

You make me jumpy
and want to fuck
this body...

I see,

I want you to
like this body...

Is this what
I am accepting now

It's quite heinous...

I forgive you.

It's not like you're
going to wake up
from this dream,

You can do as much
as you want, can't you?

I haven't
come yet...

What... ?

Oh,um...

If you want it,
move your hips
more firmly... !

Ha...
ha♡

What is it?

This is what you really
think you're doing?
