

彼は海外のファンで
ホセ・デ・ヘスス
という名前でした

ホセはとても上手な日本語で
私の漫画がどんなに素晴らしい
かを熱く語ってくれました
私と話すためだけに日本語学校
に通ったんだとか…

仕事場と飼い猫の写真を
見せると、ホセはとても
うっとりした様子で
「ぜひ猫を見せに家に行
かせてほしい」と頼んで
きました

いっぱい褒めて
くれたからかも

彼に不思議な魅力
を感じたからかも
しれません

普段なら絶対OK
しないのに、この
時は何故か断れま
せませんでした

でも、部屋のドアを越えた瞬間から、私が彼に身を委ねたのは事実です

単に落ち込んでたからかもしれません

そしてそれは人生で一番刺激的で幸せな時間でした♡

普通の漫画でコレなので、もしHな漫画を描いていたらと思うと...恐ろしいです
でも、必死に腰を振る彼は、結構かわいいです♡

その後、ホセと私は同居を始めました
彼の存在は新しい発想を沢山与えてくれました

でも、彼は私が漫画を描いているのを見ると興奮するらしく、仕事中繋がりがばなしなのは少し困ります

またさらにその後、私は新連載を始めることができました
掲載された雑誌が出版された日ホセは私の漫画を何度も読み返しながら、朝まで私を離さなかったのを覚えています…

そして、単行本が出版された日彼はすぐ入手して見せてきました
それが何を意味するかはもう身体が理解していました

そして現在…

See you again someday.

Yes, thank you very much.

With that, we will conclude our meeting.

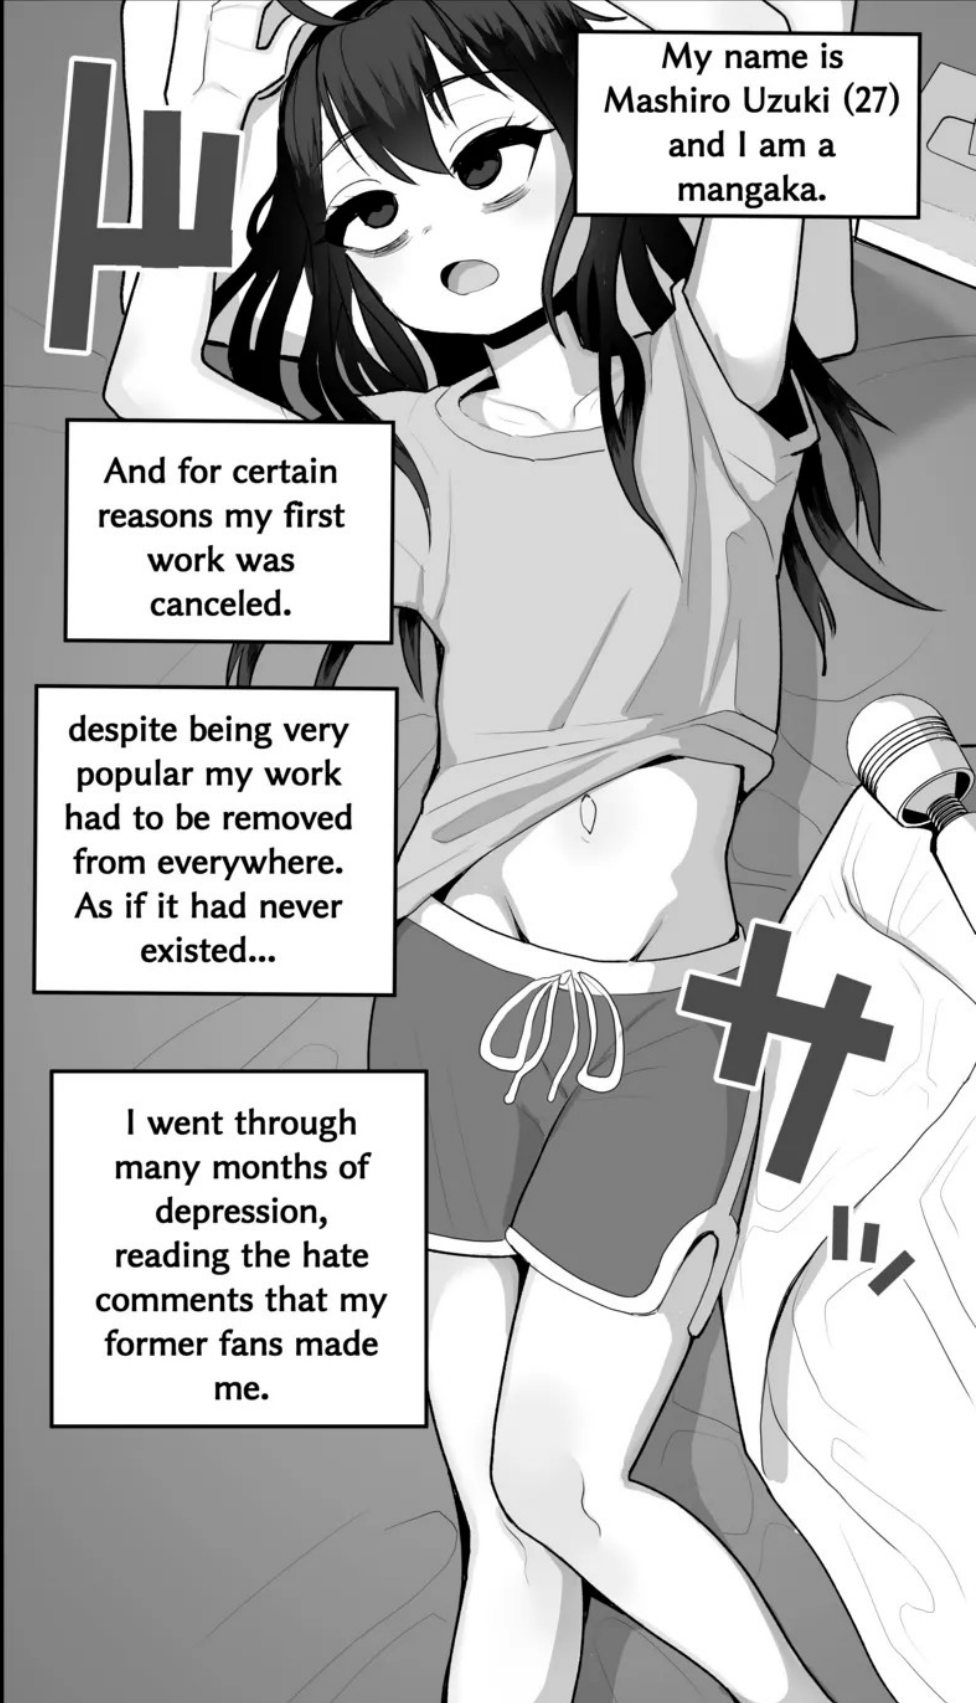

I was in a spiral of self-destruction that I couldn't get out of.

Cheer up! Don't let yourself be defeated by stupid comments! Your art is beautiful!

Until I met him.

My name is Mashiro Uzuki (27) and I am a mangaka.

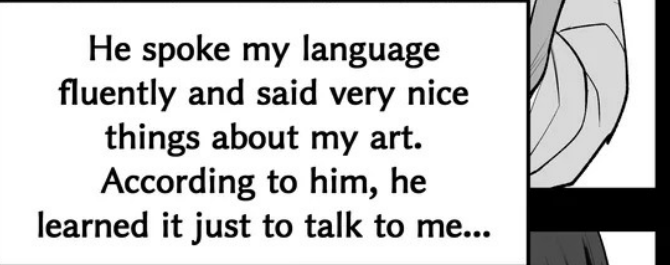

And for certain reasons my first work was canceled.

despite being very popular my work had to be removed from everywhere. As if it had never existed...

I went through many months of depression, reading the hate comments that my former fans made me.

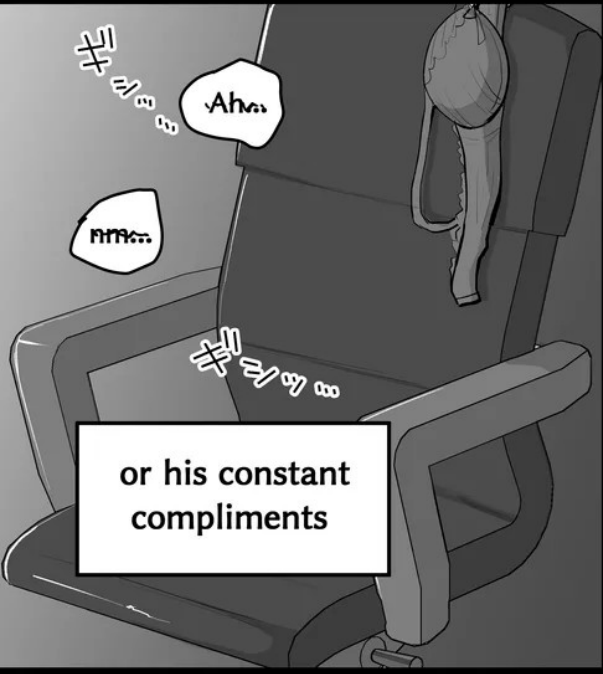

His name was Jose de Jesus and he was a fan of mine from Extrangero

He spoke my language fluently and said very nice things about my art. According to him, he learned it just to talk to me...

He went crazy when I showed him photos of my cat and my work studio. He asked me in a very euphoric way to take him to see him.

or his constant compliments

maybe it was his charisma

I don't know why but I couldn't refuse his request.

I think my art stimulates his libido. I don't want to imagine how it would if I drew hentai. But it's really cute♥

Eventually Jose moved into my apartment. He's a big help to me.

But he gets really horny when he sees me drawing. I can't get him off.

Please, stop for a moment♥

I'm cumming♥
I'm cumming♥♥♥

a couple of months ago I was hired again to draw a new manga! I remember that day Jose didn't stop fucking me while he was reading my manga.

te amo (I love you)

te amo, Mashiro. (I love you, Mashiro.)

te amo (I love you)

and when the first volume of my manga was published. he was the first to buy it and show it. I already knew what that meant.

And now...

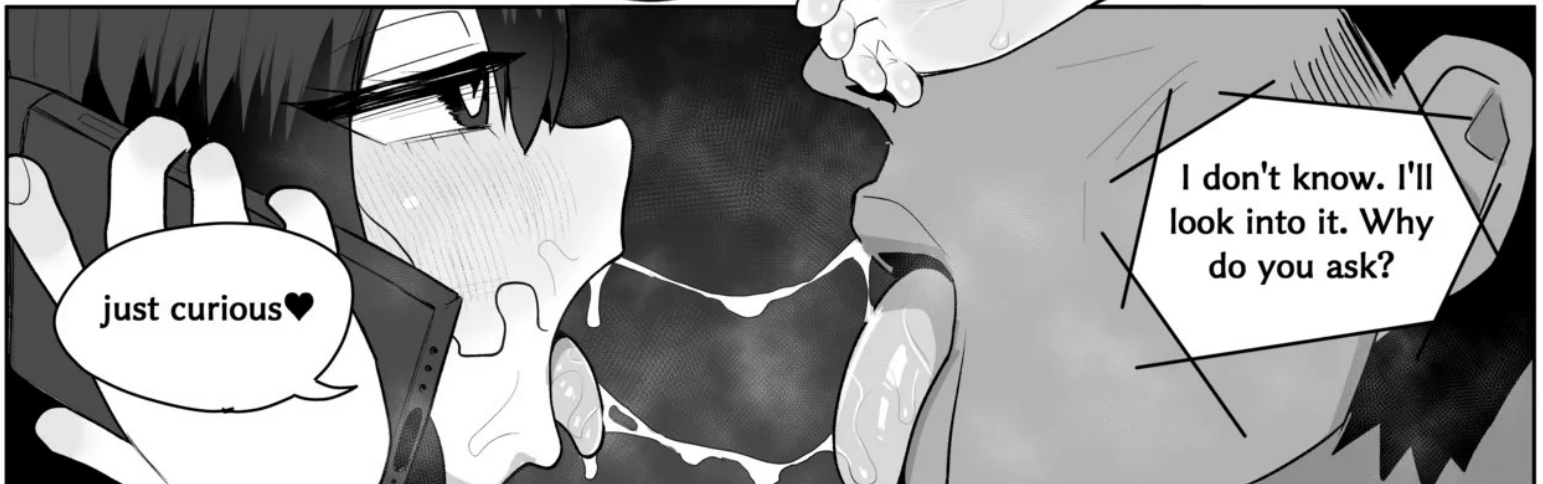

Hello, editor san

many congratulations Uzuki sensei! your work is a complete success! More emergency reprints have already been ordered to cover the demand!

thank you very much for all your support editor san.

excuse me. editor san. it won't happen again! Changing the subject. Does the magazine have maternity leave?

but even so I can't allow you not to deliver your work, you are 1 week late.

just curious ♡

I don't know. I'll look into it. Why do you ask?
