Damn it!

I won the duel

so you have to stick to your promise!

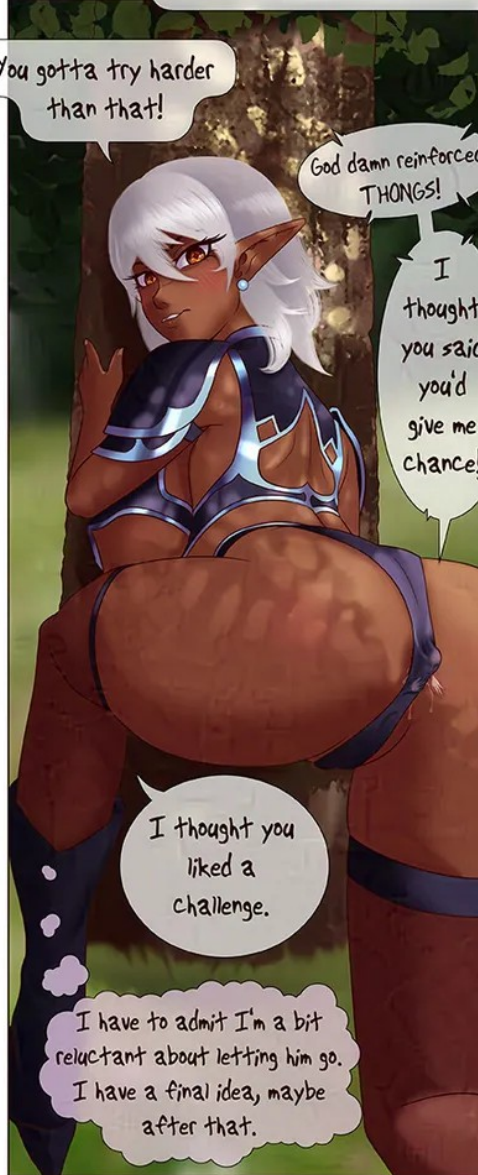

Hey Micranda! Have you seen that guy that was here yesterday?

Ehm, nah... I haven't seen him.

Are you okay? You're kinda fidgety, and flustered.

The others are very persistent about this Human... Maybe I should give him a chance.

You gotta try harder than that!

God damn reinforced THONGS!

I thought you said you'd give me chance!

I thought you liked a challenge.

I have to admit I'm a bit reluctant about letting him go. I have a final idea, maybe after that.

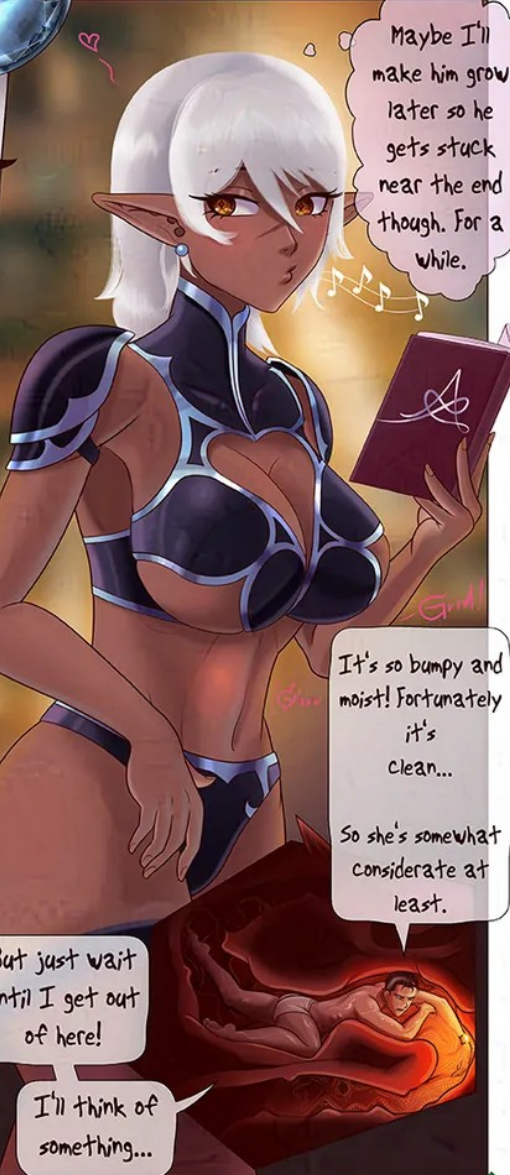

That's unfair! You know how long I'll have to travel to get out ...?

Gulp

You'll be fine.

I did prepare. He won't get hurt, nor trapped in my stomach.

Maybe I'll make him grow later so he gets stuck near the end though. For a while.

It's so bumpy and moist! Fortunately it's clean...

So she's somewhat considerate at least.

But just wait until I get out of here!

I'll think of something...

WITH NO CARE IN THE WORLD,
AND EVEN A HINT OF GLEE,
YOU DECIDED TO NOT,
FREE LITTLE OL ME.

BUT TABLES
HAVE TURNED,
YOU HALFWITTED SLUT,
NOW YOU'LL BE
TRAPPED...

...INSIDE OF MY BIG
SMELLY BUTT!

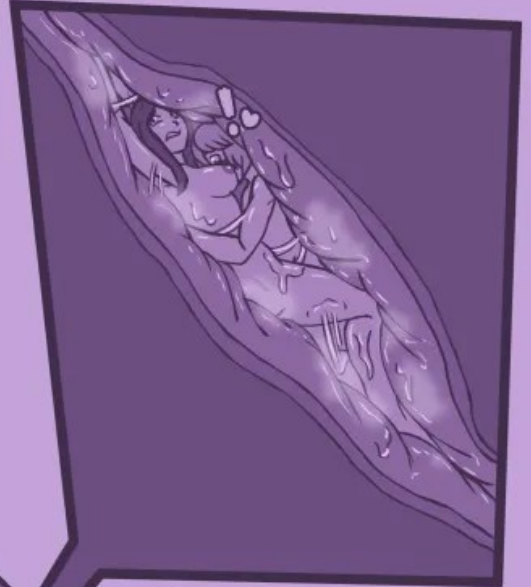

THUMP!

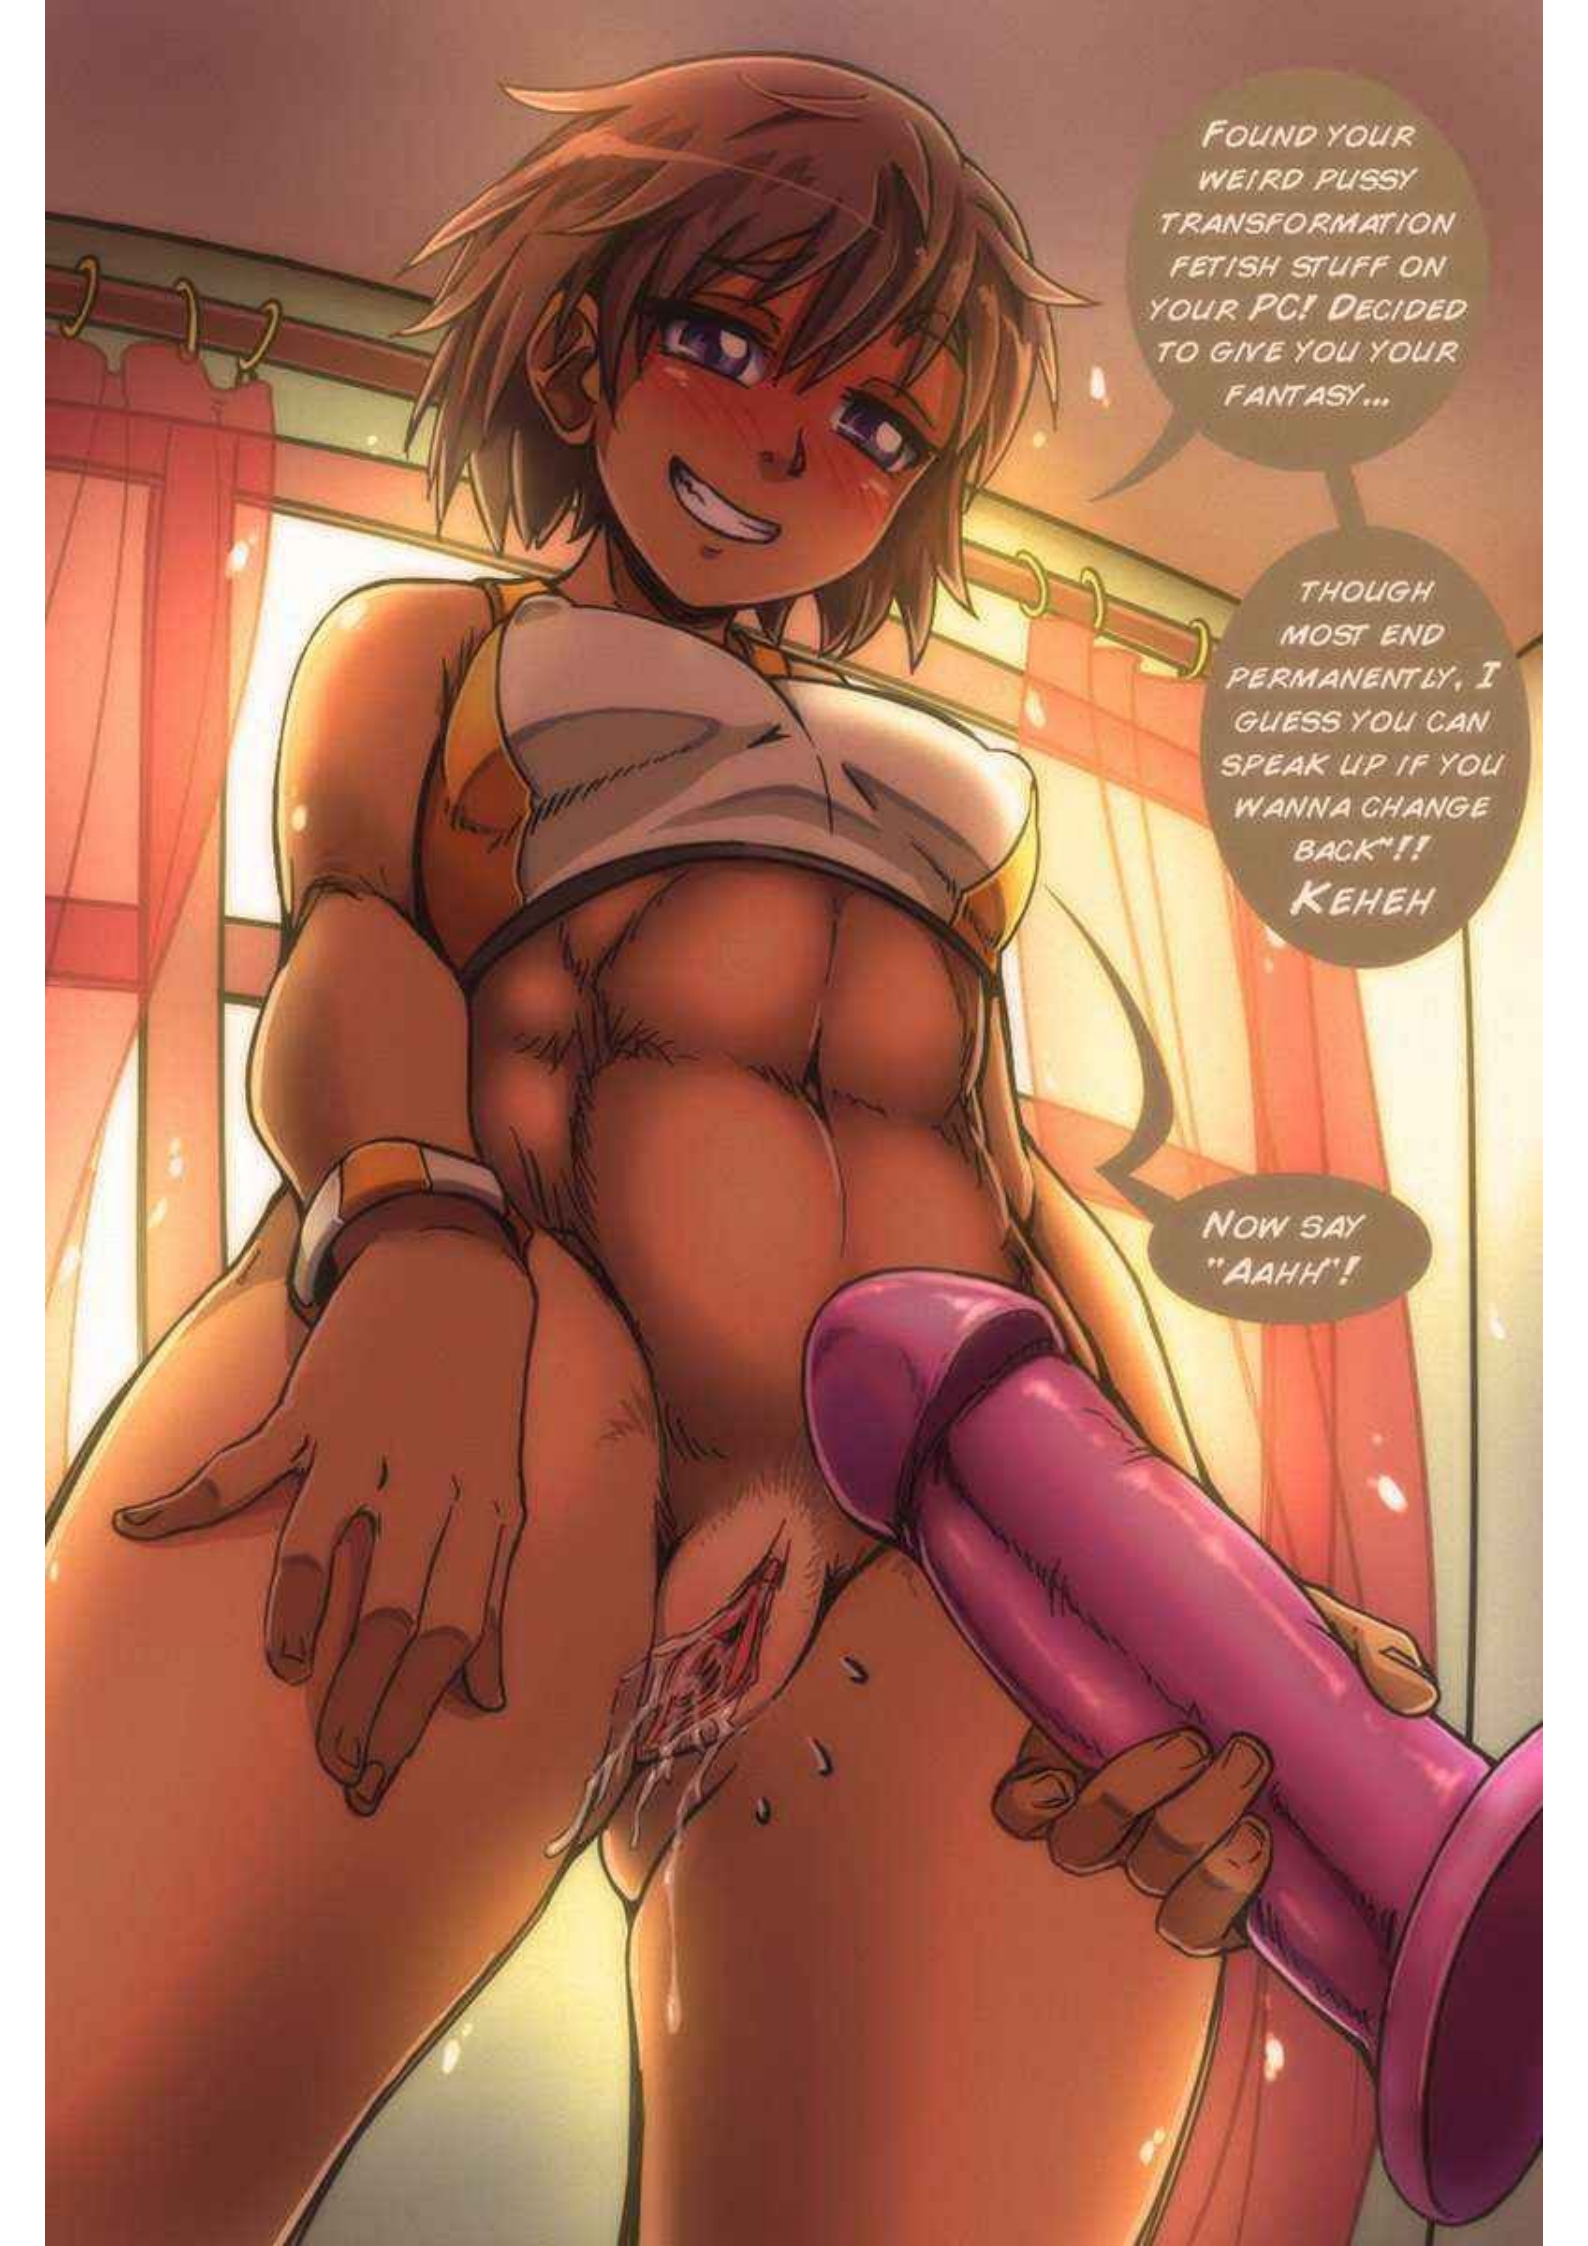

A woman with blonde hair, wearing a dark winter coat with a fur collar, is shown from the back, looking over her right shoulder. She has a slight smile. Three small hearts float around her head. A speech bubble is positioned above her head.
