A full-page illustration of a young woman with fox-like features. She has large, pointed orange ears, short reddish-brown hair with bangs, and bright blue eyes. She is blushing and has a playful, slightly mischievous expression. She is wearing a white, open robe or kimono that reveals her very large, prominent breasts. Her hands are holding the edges of the white fabric. The background is a soft, warm gradient of yellow and orange, suggesting a sunset or sunrise. The overall style is typical of anime art, with detailed shading and vibrant colors.
