
LOST FRIEND
ロストフレンド

In truth... the day started out just like any other.
Just a normal, ordinary morning.

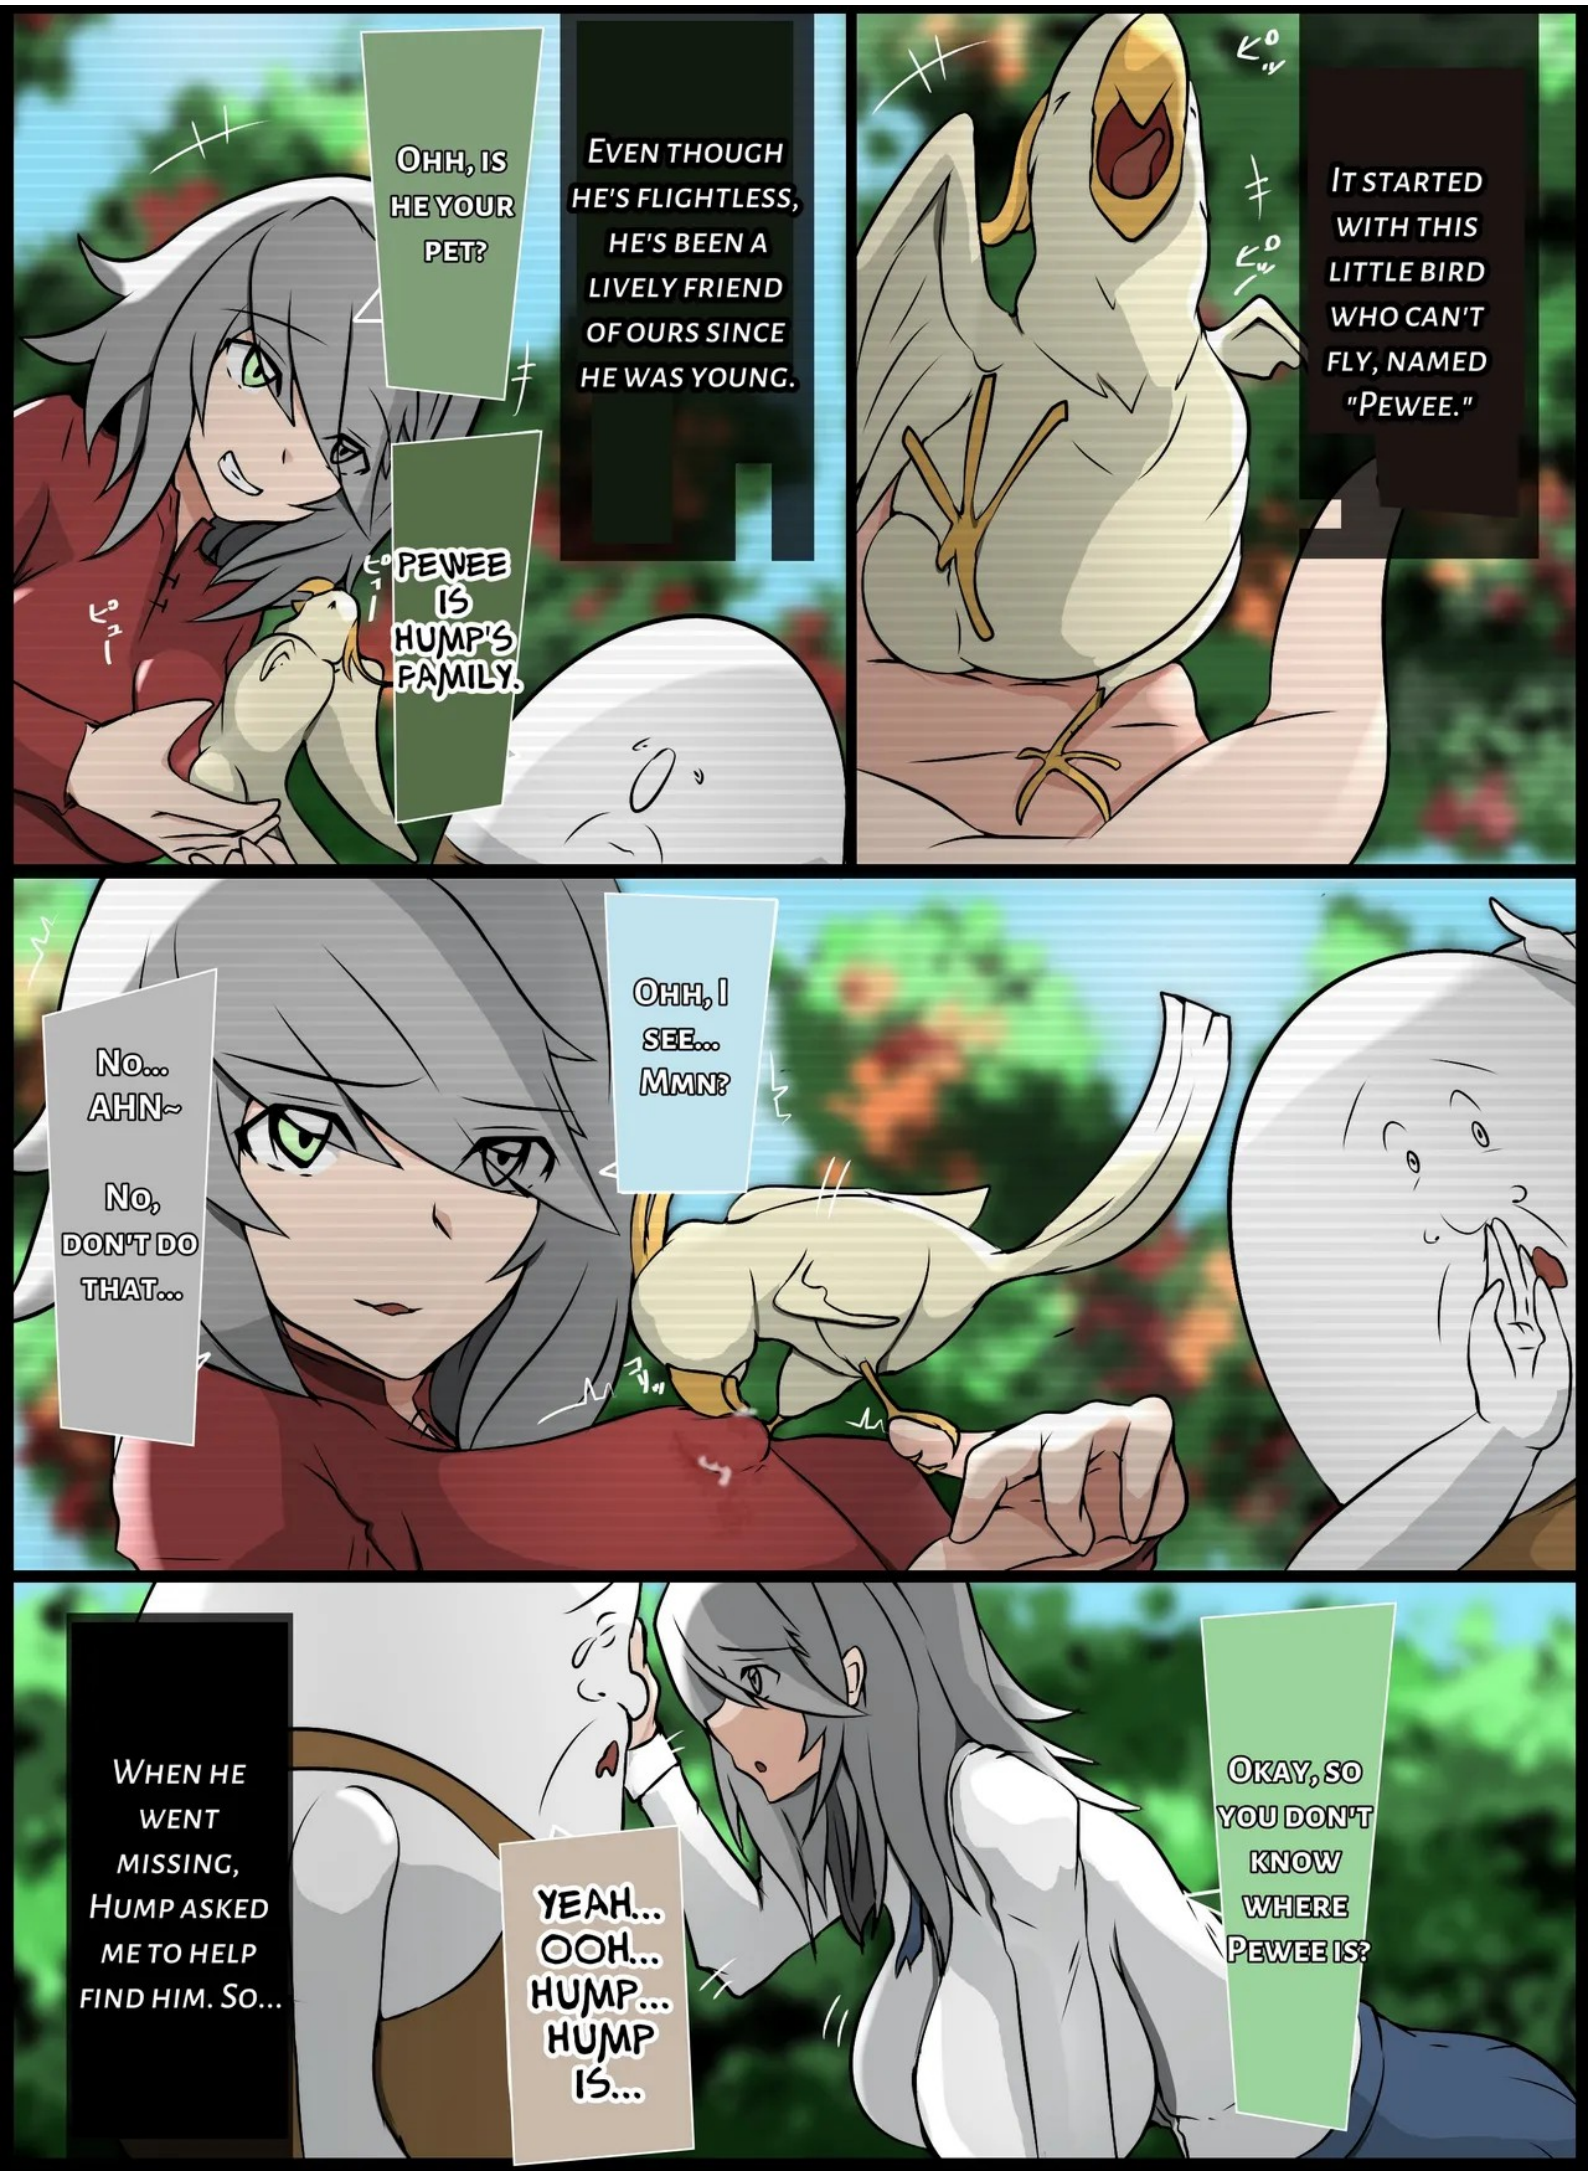

I wonder what I should do today...
I didn't have too much going on...
Okay, okay, I'll buy some.
Thank you...
Cute and pretty as ever, I see!
Oh! Zera-chan! Mornin'!
Ah... aha-ha...
As long as that's true, every-thing's hunky-dory!

sigh
I really need to get better at handling pushy people.
I ended up getting some... He was nice, but...
And I was just taking it easy...
I'm not giving you more than I already have today.
Ah...! Hey, are you gonna be pushy too?
...doing.
Huh?
What the heck are you...
Huh...! Wha-!? What is it!?
It really did start off as a totally normal day...

And it was sure to continue to be a wonderful, normal day...
Uh... what's up, Hump?
Z-zera-chan... ummm... hump... ummm...
Hey, what's wrong? Why are you crying?
Well, um... umm...
It's alright, just calm down...
There's no rush... okay?
or so I thought...

But the
day
that
sad face
came to
greet
me...

Sorry...
Hump!
Hump, stop it!
Ahn!
No!
Ah!
No, not there!
Not there!
So sorry...
Ahn!
...On that day, we had sex.
ズズズー

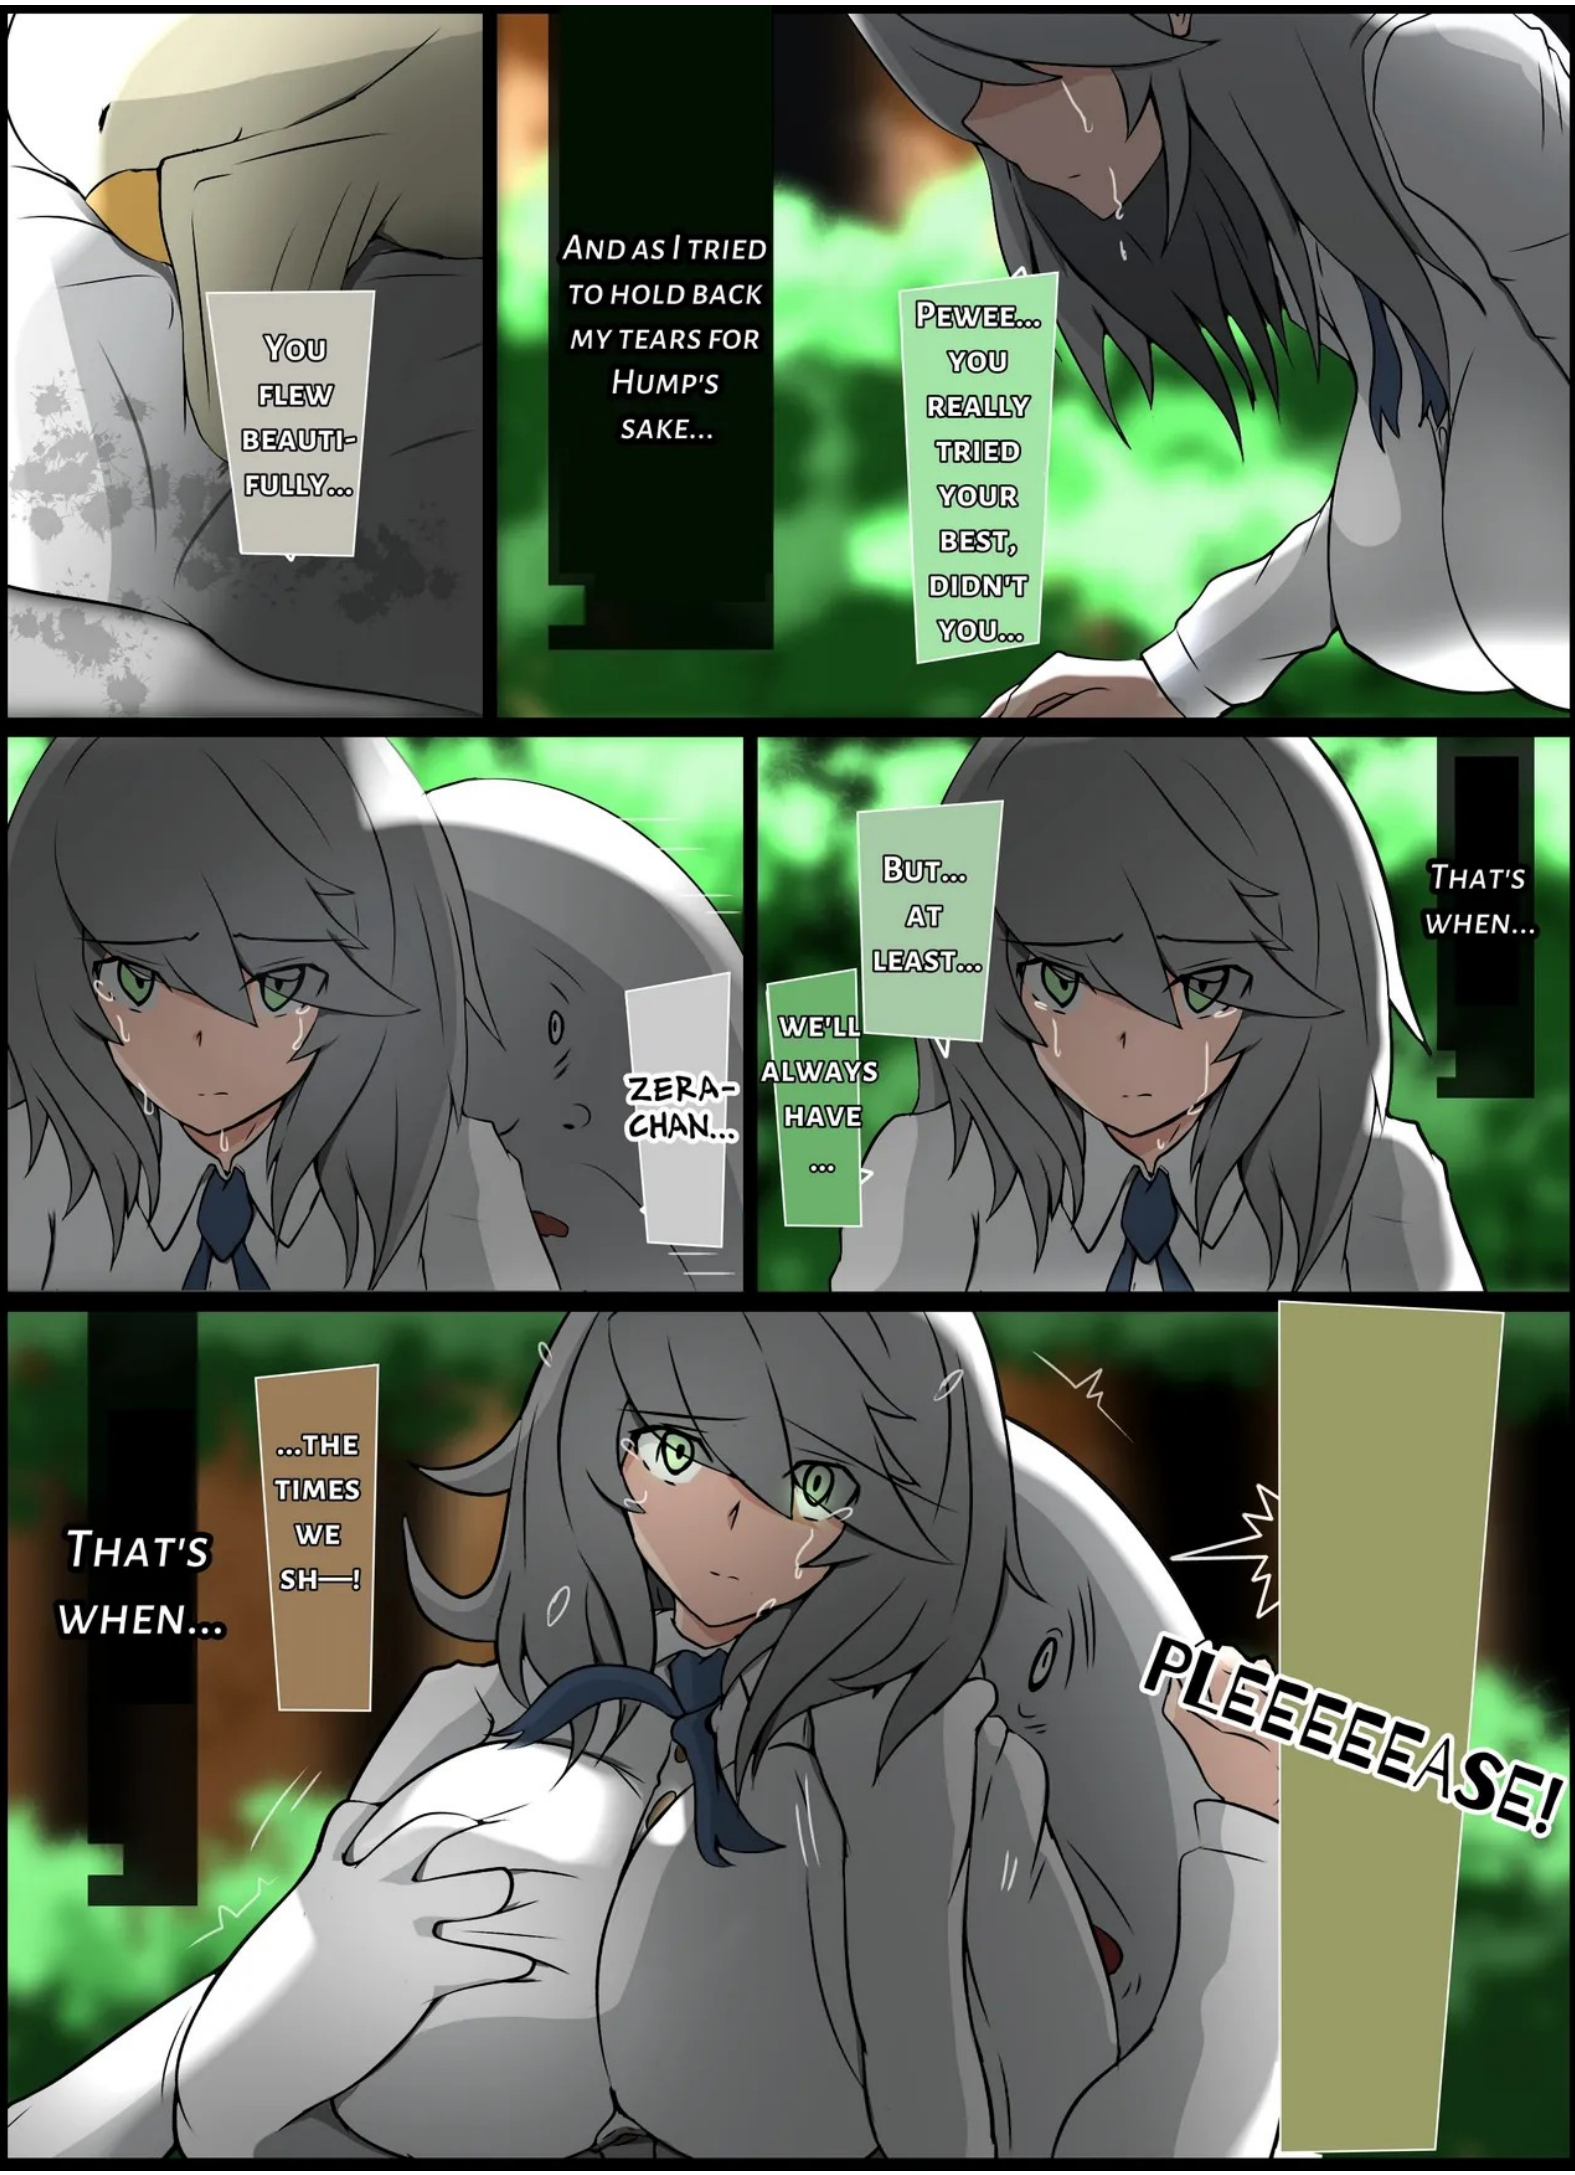

Ohh, is he your pet?
Even though he's flightless, he's been a lively friend of ours since he was young.
Pewee is Hump's family.
It started with this little bird who can't fly, named "Pewee."
Ohh, I see... Mmn?
No... AHN~
No, don't do that...
When he went missing, Hump asked me to help find him. So...
Yeah... Ooh... Hump... Hump is...
Okay, so you don't know where Pewee is?

Hey, stop crying... you're like... grown, right? Probably older than my dad...
To comfort the crying Hump...
Come on, let's get searching!
Anyway, it's gonna be okay! We'll find Pewee.

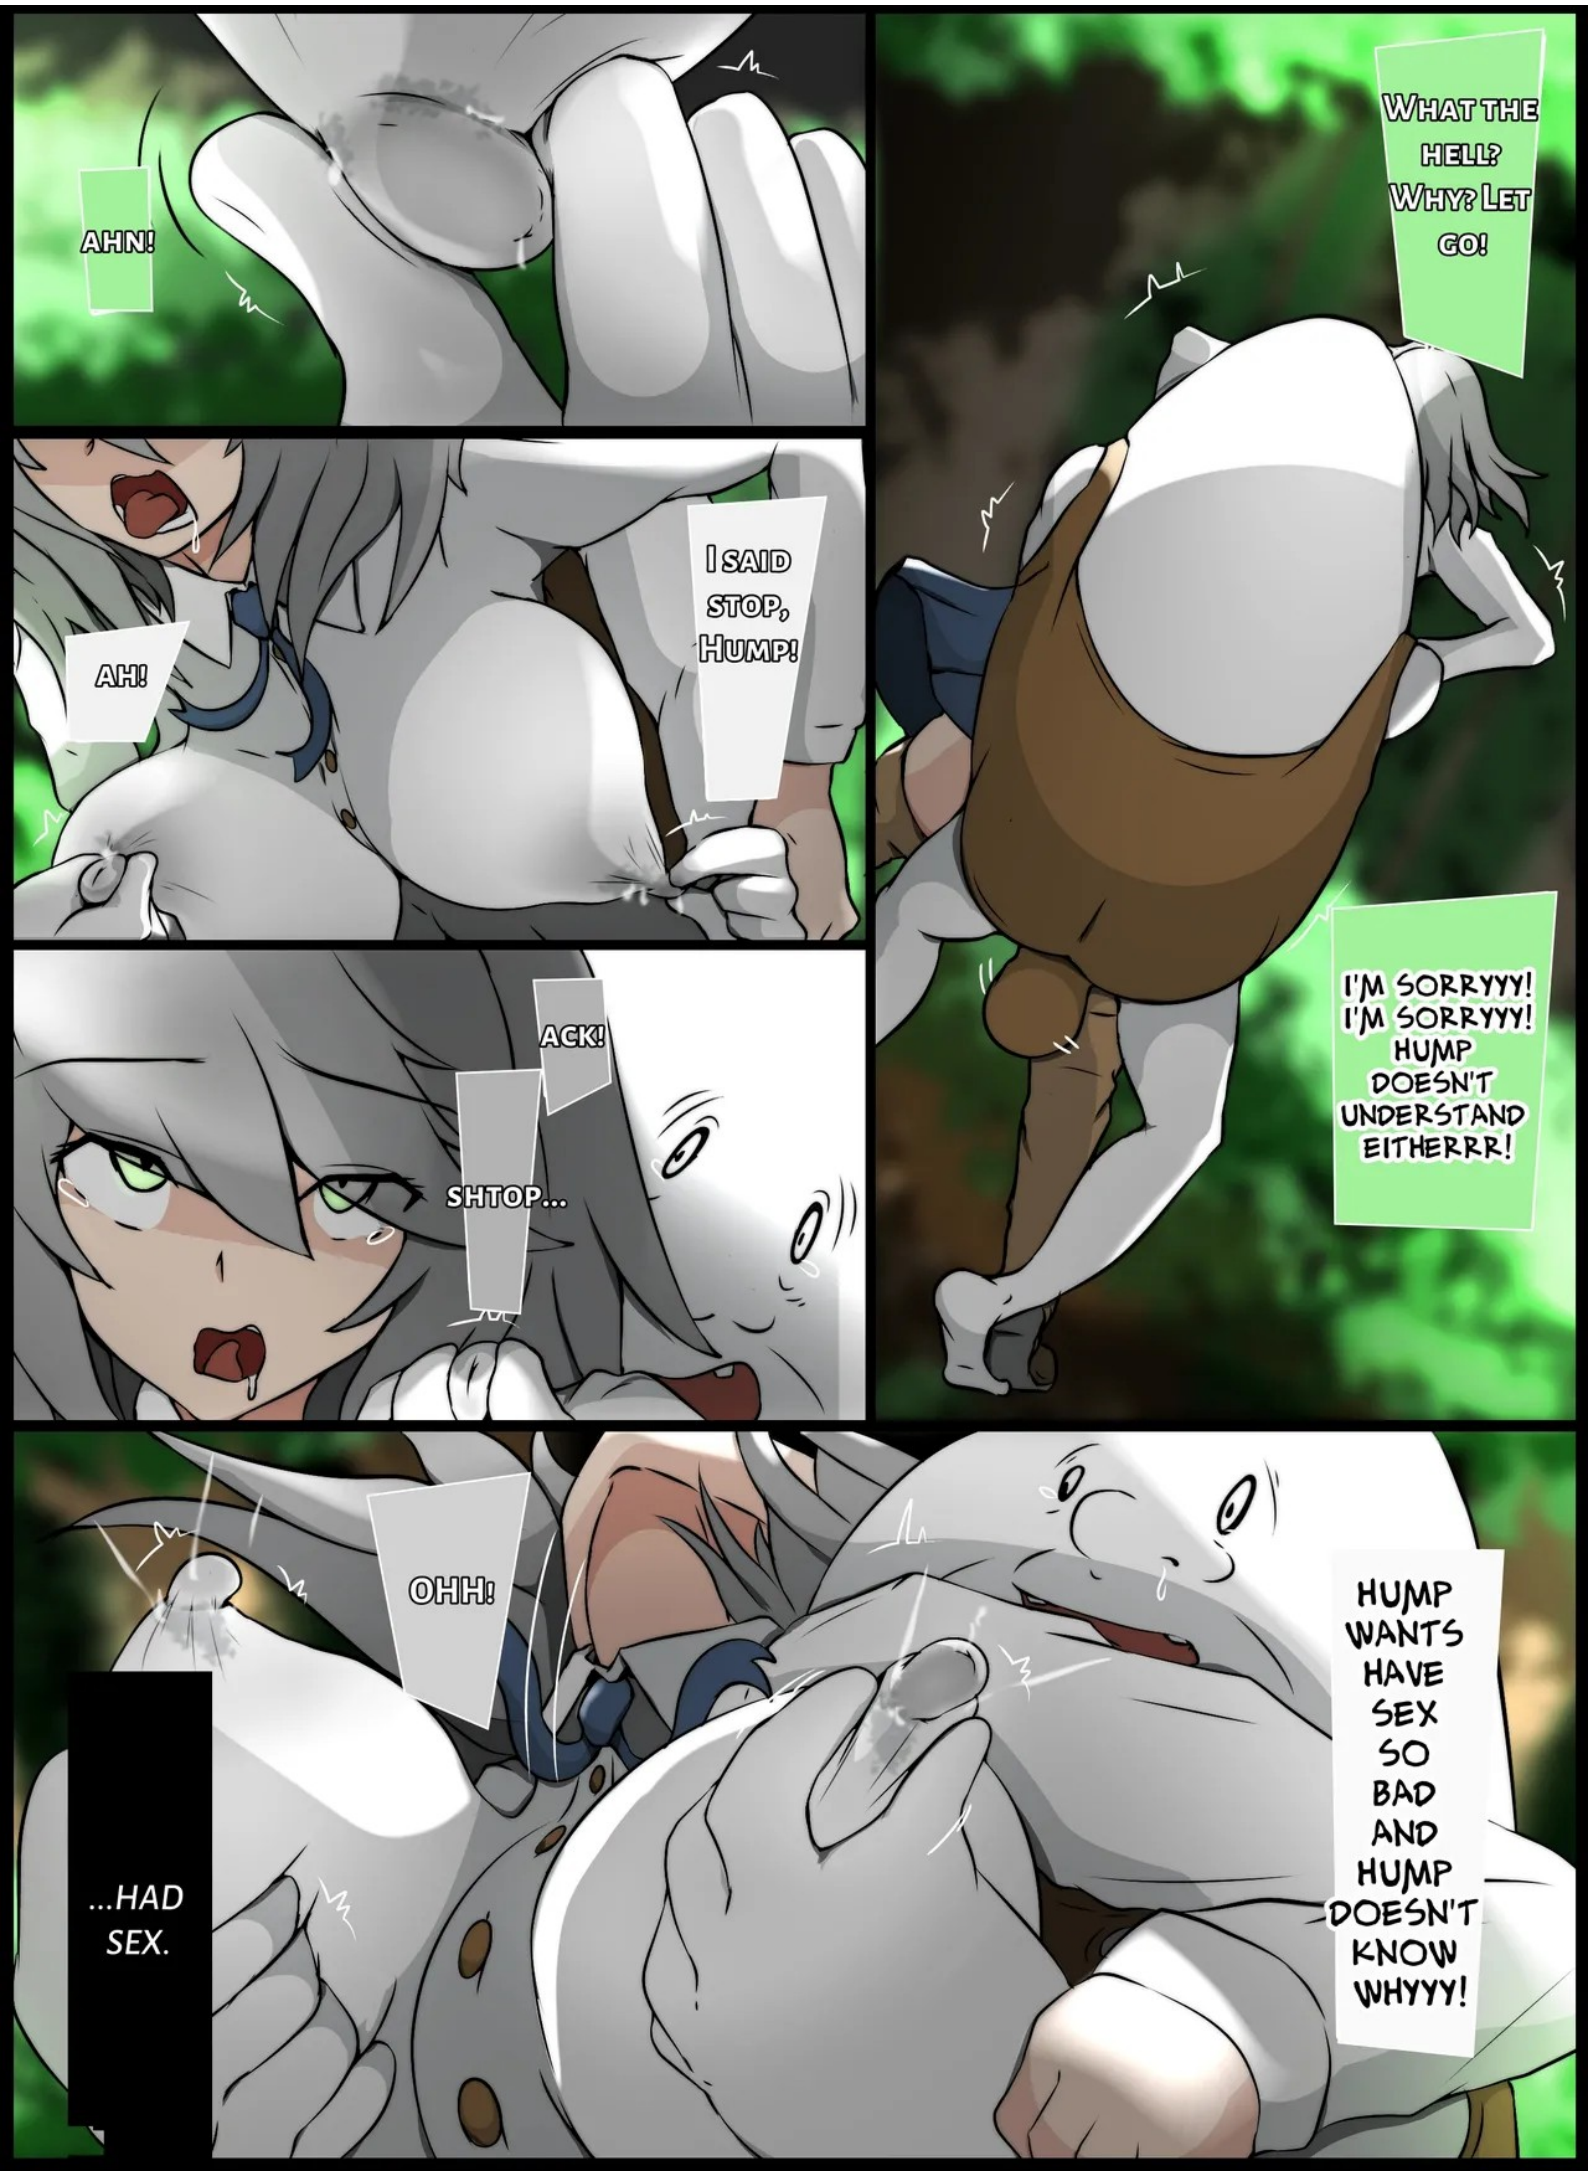

Pewee~!
Come on home!
Pewee~! Please, please come out!
We called out Pewee's name...
We checked places Pewee was likely to go...
Don't cry, Hump... Here, let's split up!
Oooh... Zera-chan... Pewee... Pewee isn't heeeeere!
Of course... up in a tree!
...!
Jeez, where did that bird go?
Hump! I found him, he's over here!
...Ah, there!
Don't tell me that's Pewee's ...

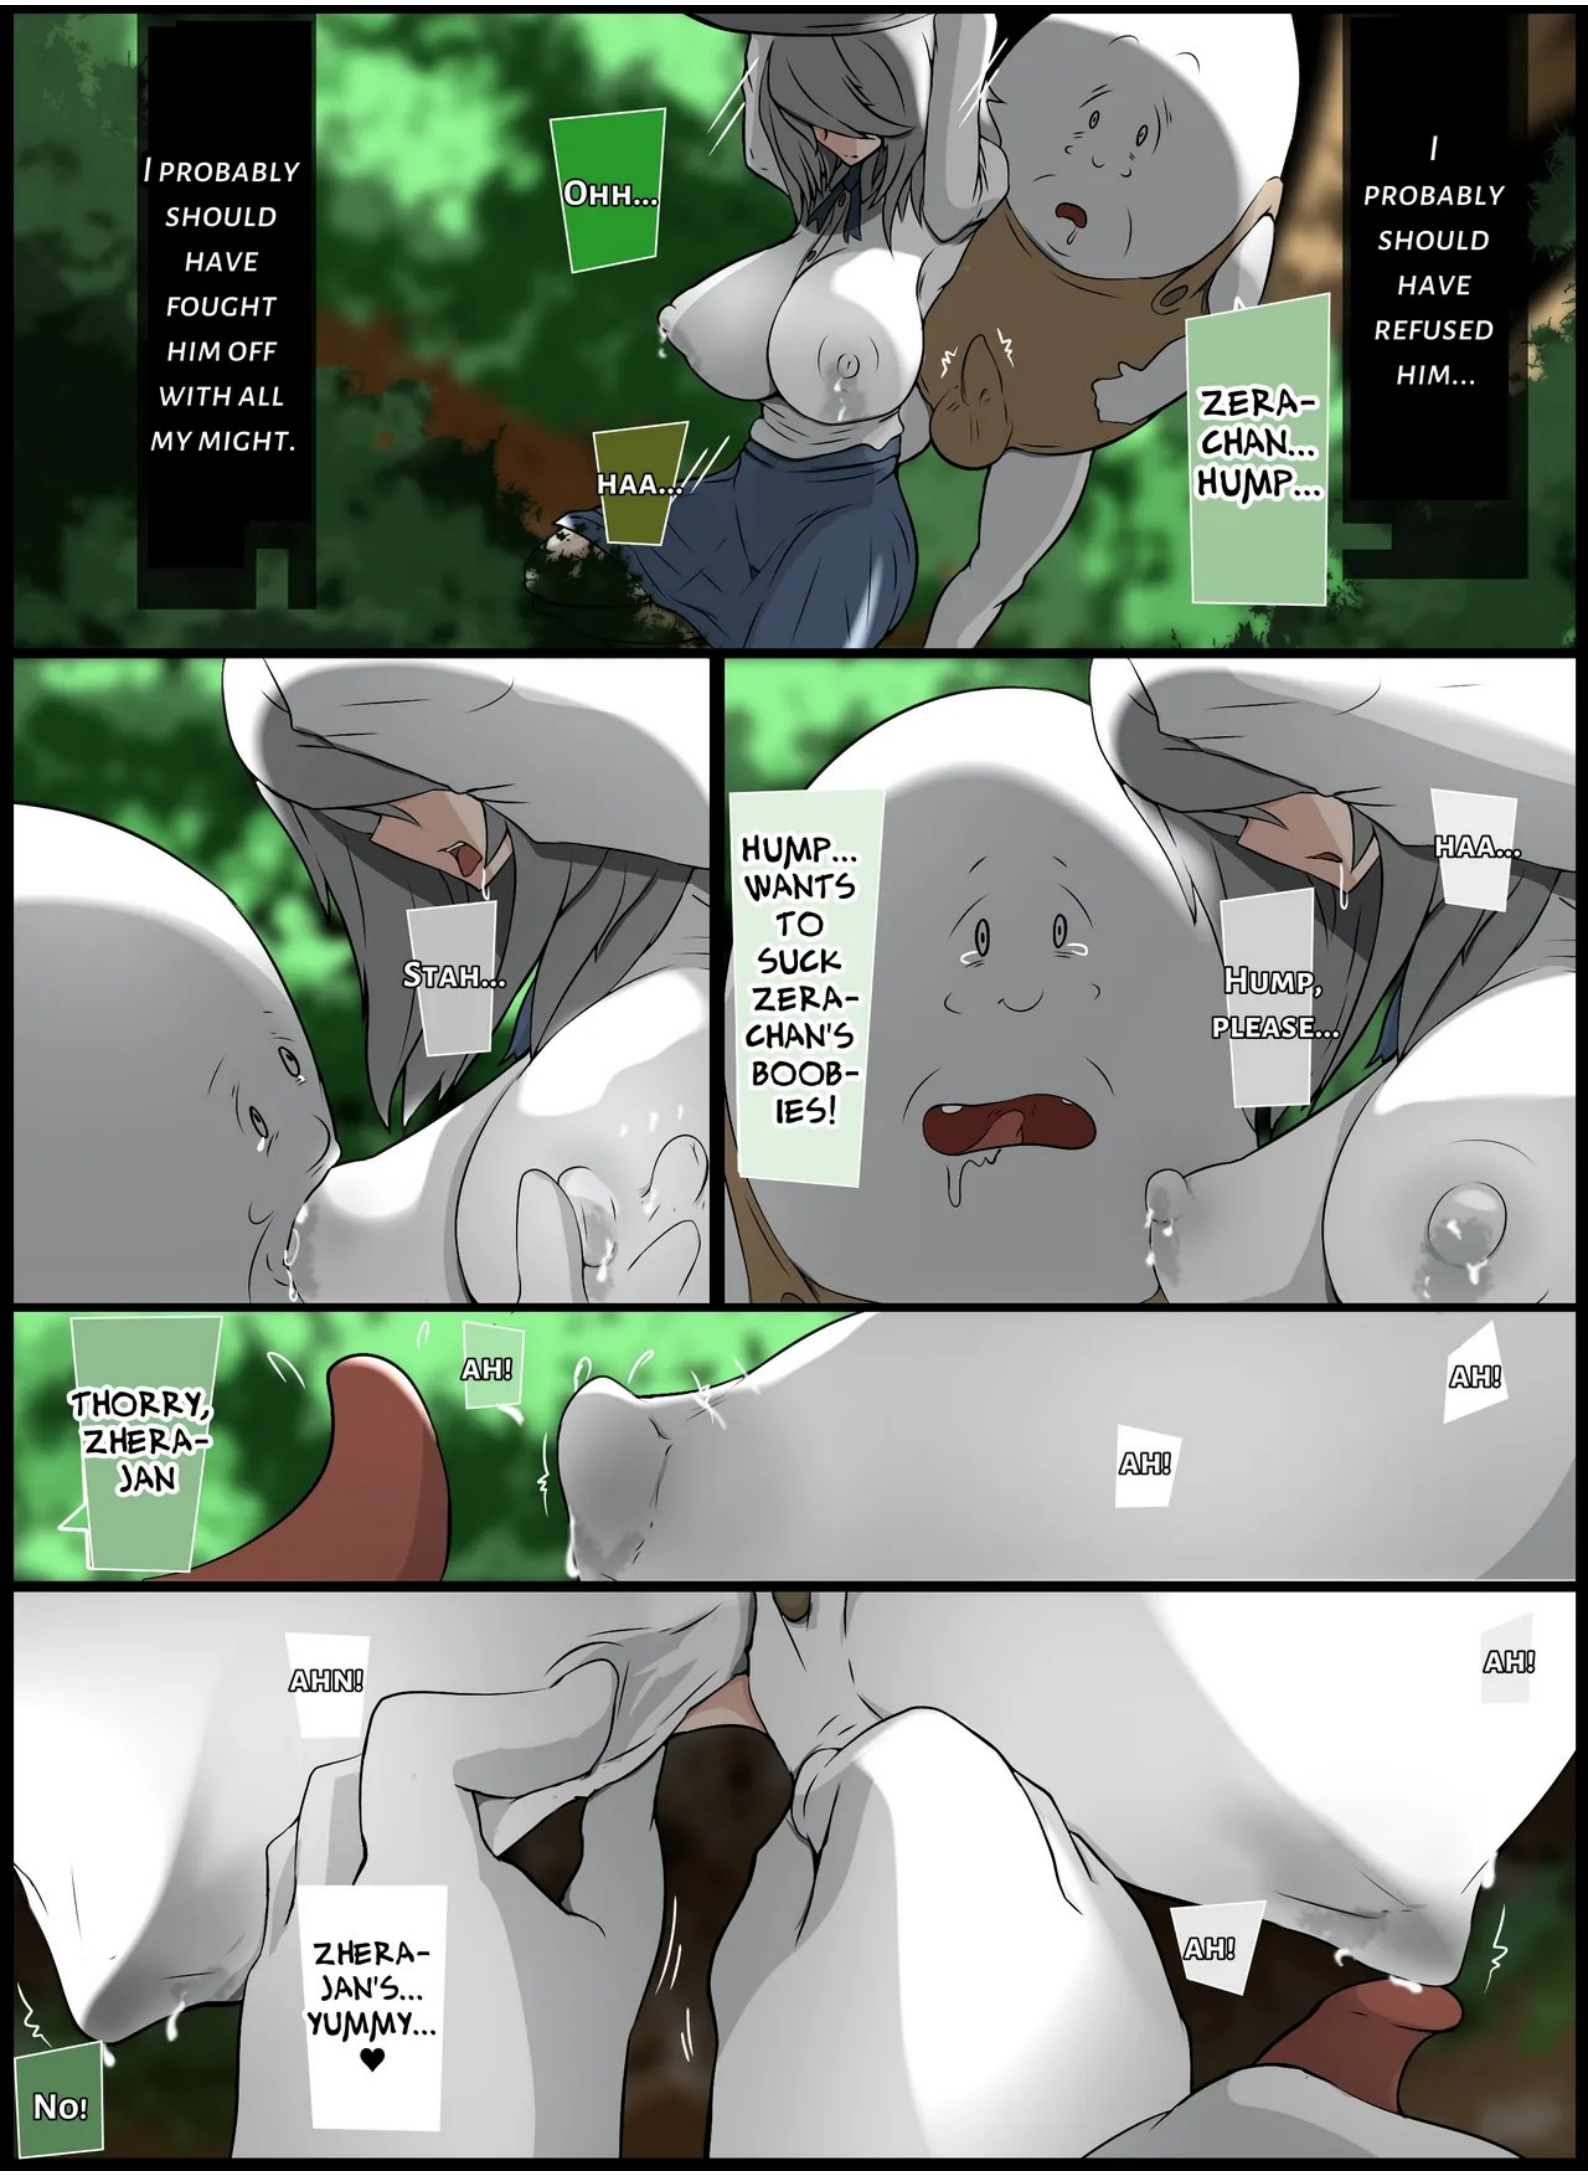

He'd peered out through a carelessly cracked window...
But... that bird...
And seen the sky he longed for.
He thought surely he'd be able to fly...
To the place he was always meant to be...

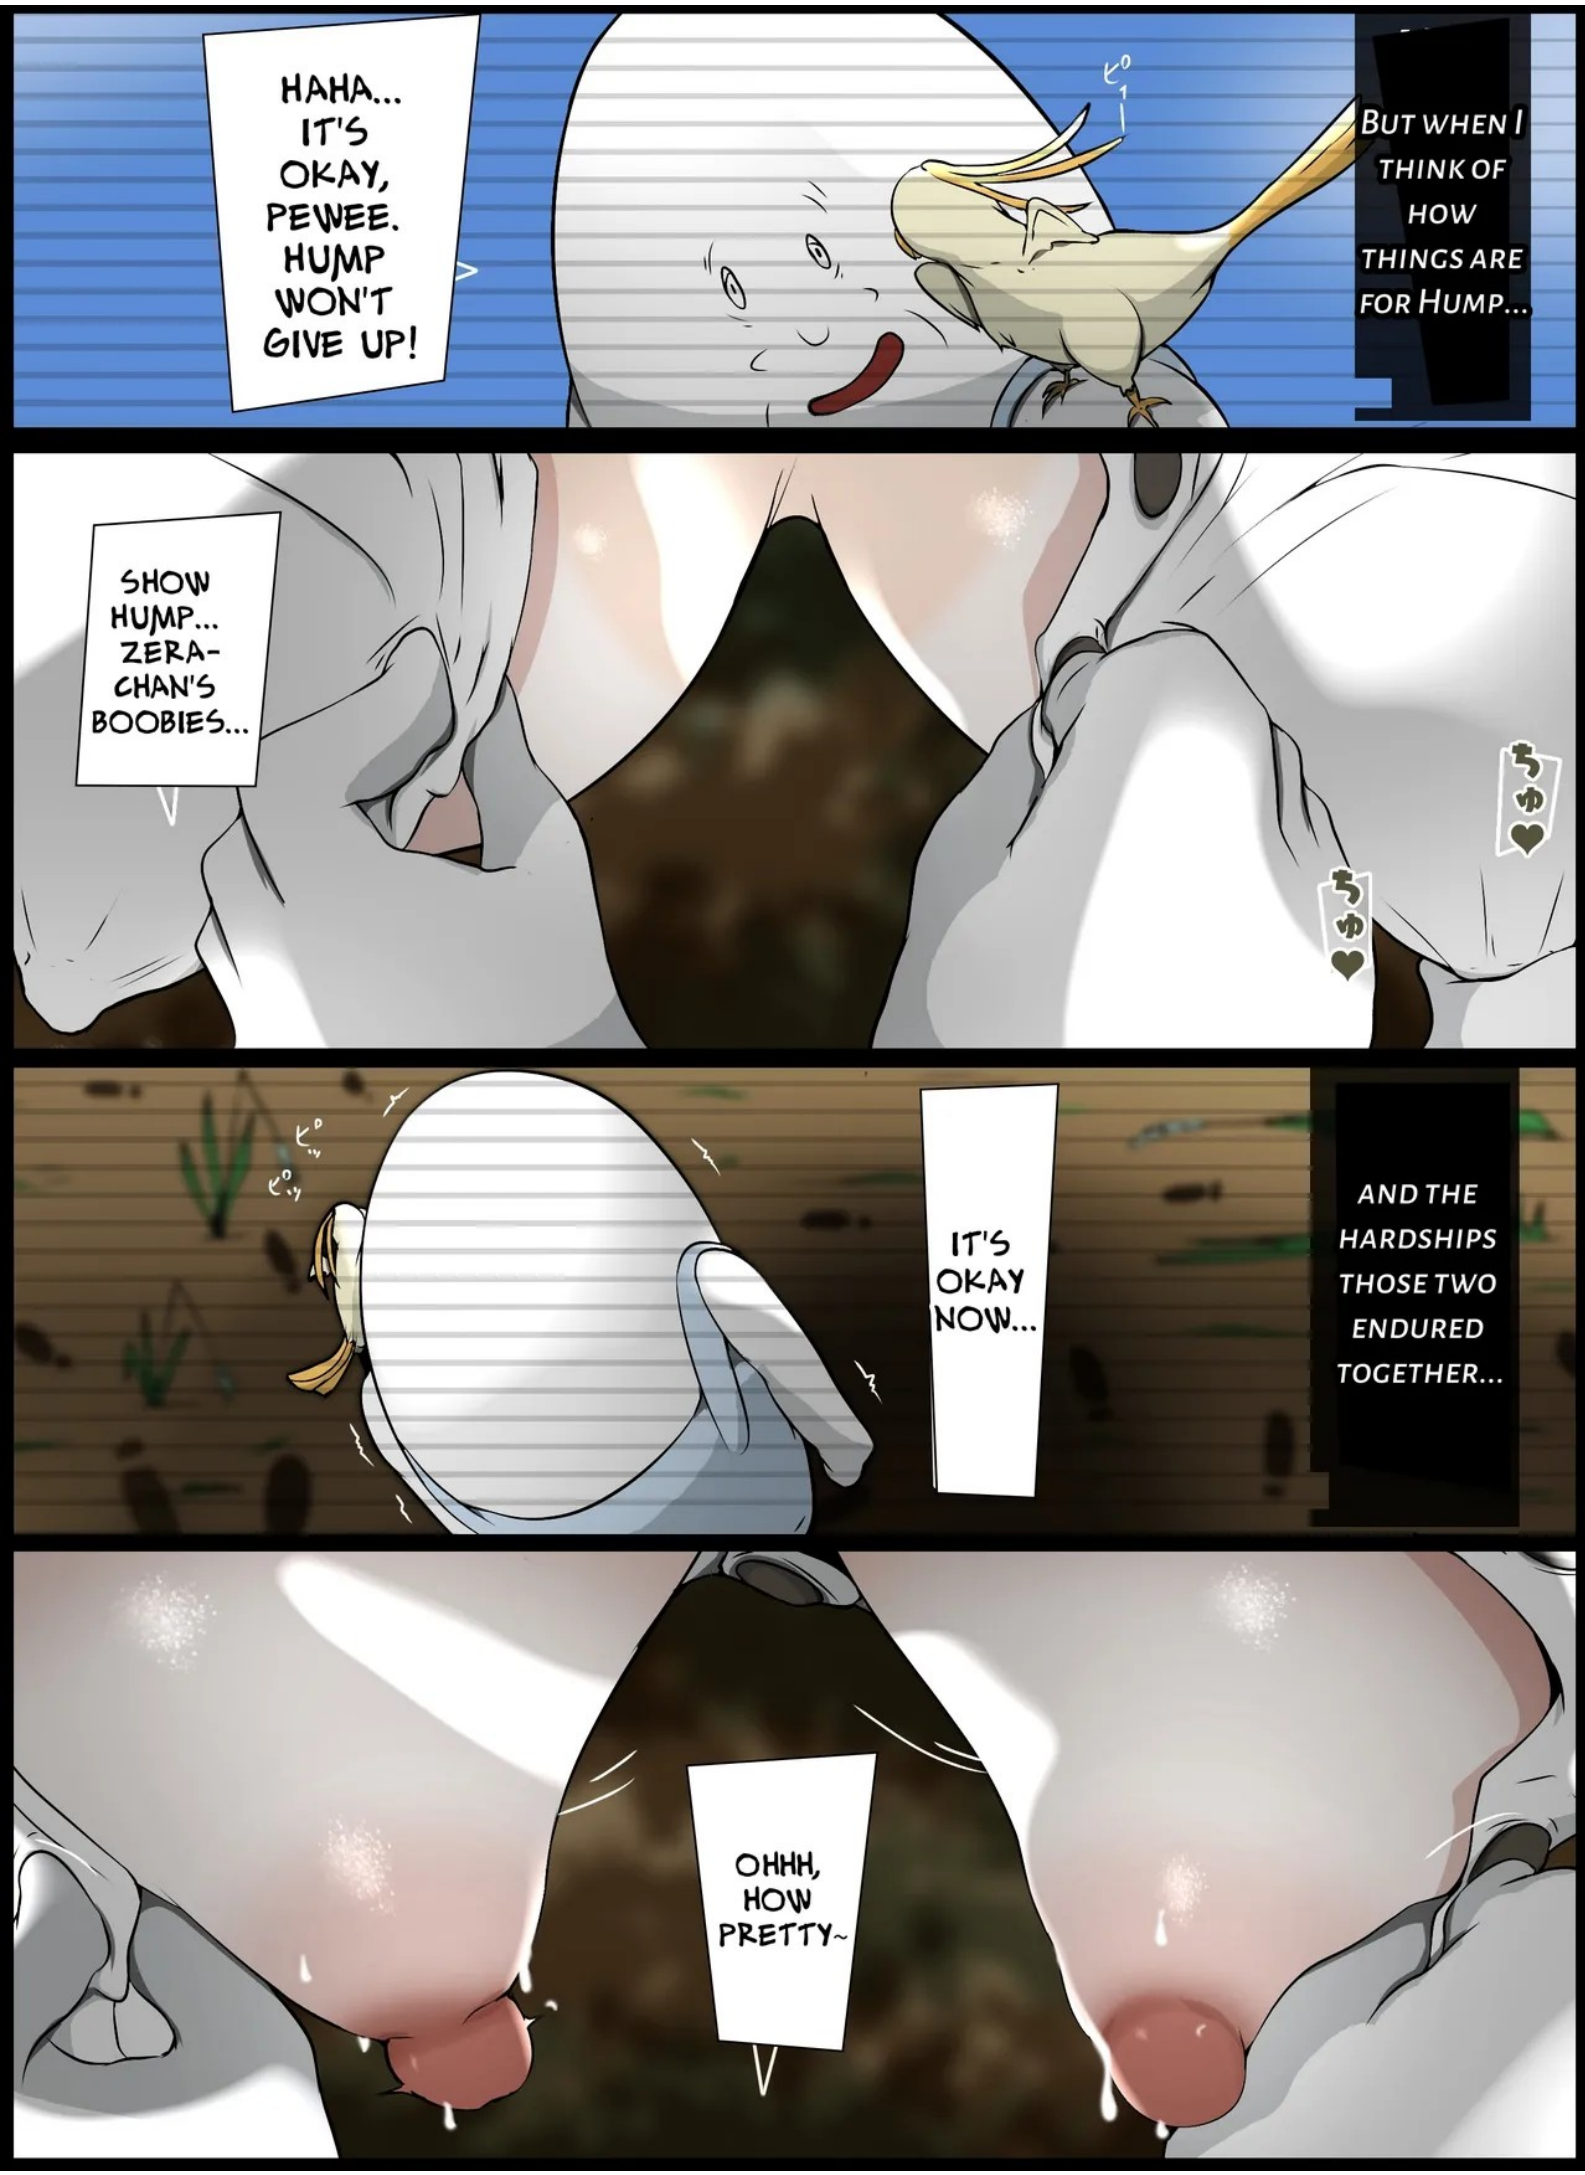

And he set off on a journey... to a place we couldn't follow.
For this to be how it ends for him...
Peewee... why...?
Oooh, whyy?
I really don't have the words.
Don't leave Hump behind!
Hump...?

You flew beauti-fully...
And as I tried to hold back my tears for Hump's sake...
Pewee... you really tried your best, didn't you...
Zera-chan...
But... at least...
we'll always have ...
That's when...
That's when...
...the times we sh—!

Since that day, this has been my new normal.
I told you today is the day!
HUMP! Where the hell are you?

You're the one who wanted a kid, so don't make me do this alone!
You're late, idiot!

And once again, I welcome another ordinary morning.
