I got along well with her by praising her illustrations and was able to have sex with her. As a result, she now skipped school and came to me every day after school to get fucked by a cock. She has become a lusty maniac whose only desire is to cum inside with a cock.

Aina Kinose
A junior high school student belonging to an illustration club found at a coterie event.

After fucking her from after school on Friday to Monday morning, I ordered her to defecate on her uniform in public and left her at the main gate of the middle school she attends.

She was so shy that she couldn't defecate in public, so she exposed herself to her classmates in a vile manner for more than 5 minutes while cum dripping from her pussy and breathing.

Walking and eating is embarrassing.

OK, OK.

I'm not ashamed of it, everyone does it.

Mom

Mitsuki, are you leaving already?
Are you okay if you don't eat breakfast?

No need.

I'll go to school while eating poop.

Yesterday I was up all night masturbating with an empty can of poop ♡.

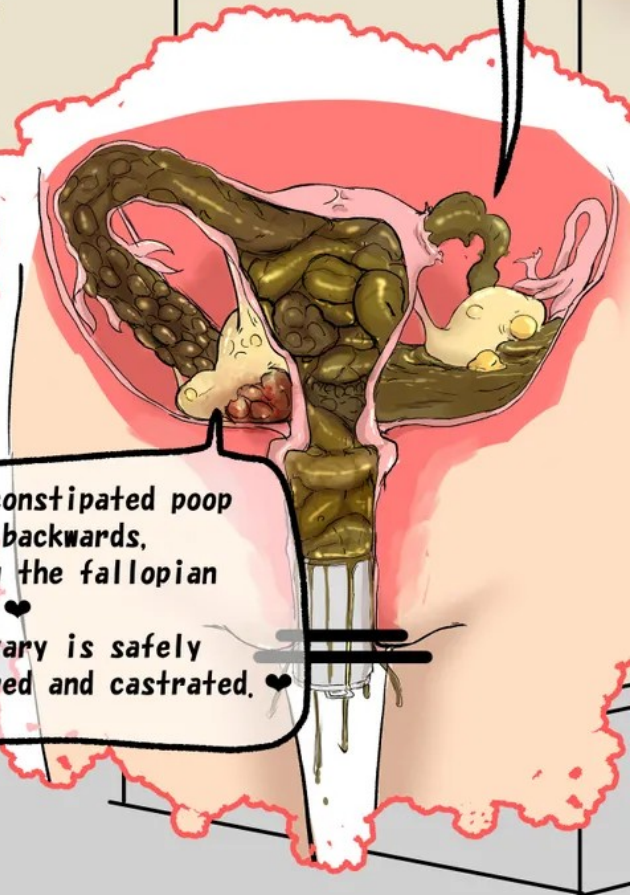

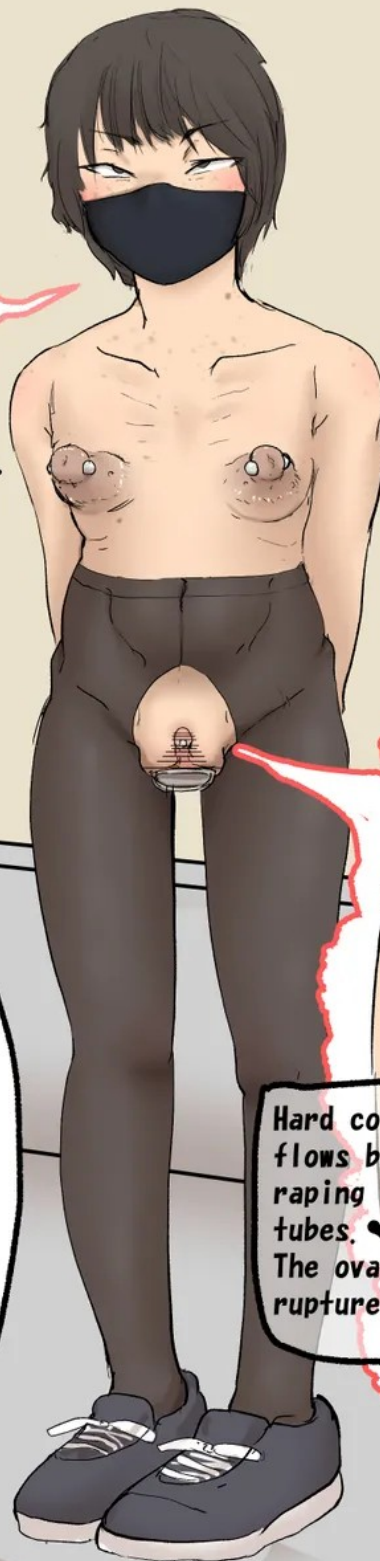

Then it started hurting really bad. I think I broke my uterus. If I can't get pregnant, I can have lots of sex. ♡

I don't know if it's because she's an ugly, abandoned child, but she opens her legs right away when I'm nice to her.

I'm getting tired of it, and I think it's time to throw it away. I wonder if she'll kill herself if I deny her personality?

Fallopian tubes that could not withstand the pressure of fecal matter never to reach the uterus again, yet it is ovulating in a state of anguish ♡.

Hard constipated poop flows backwards, raping the fallopian tubes. ♡
The ovary is safely ruptured and castrated. ♡

nice and tight too!

You're in eighth grade now,
you need to learn to
use your dick like this.

I saw a video of Kanaho
masturbating on the
way to school.

I didn't know
that the always serious
Kanaho was such a perverted
and perverted woman!

I wonder if she always wears
pithy pants and sticks out
her big ass to attract
males during club activities?

I've been an advisor for a
long time,
but this is the first time
I've had a middle-schooler
with a scatological proclivity.

Hey, are you okay? Kanaho,
You've been so vulgar
with your vagina for a while now.

Is your adult dick that good?
Kanaho's adolescent vagina is
nice and tight too!

Kanaho Inoue, age 14
Second year junior high school student, soft tennis club member

When I hypnotized her to masturbate as usual, she suddenly started eating and shitting herself, which made me laugh.
In return, I hypnotized Kanaho so that others could see her as a toilet.
Kanaho goes to a junior high school with a pumping toilet, so she masturbates in the toilet tank while waiting to poop.
Kanaho, it feels so good to masturbate with so much poop!

She is a habitual offender of flushing used condoms down the toilet and clogging it!

As punishment, we hypnotized her so that she and others would recognize her as a urinal.

From now on, you will be a toilet for the rest of your life, but please do your best for everyone.
(Not that it's all that different to beigin with...)

Do you need to poop?

Sorry, but the toilet is out of order, so you'll have to use my vaginal toilet instead.
