AND LOOK, THOSE BUILDINGS OVER THERE BEYOND THE FENCE

a virus  
appeared  
that only  
affected the  
Y-chromosome.

In the 21st  
century,

EVES...

Medical  
research found  
no solution, and  
in 2122 AD, men  
went extinct.

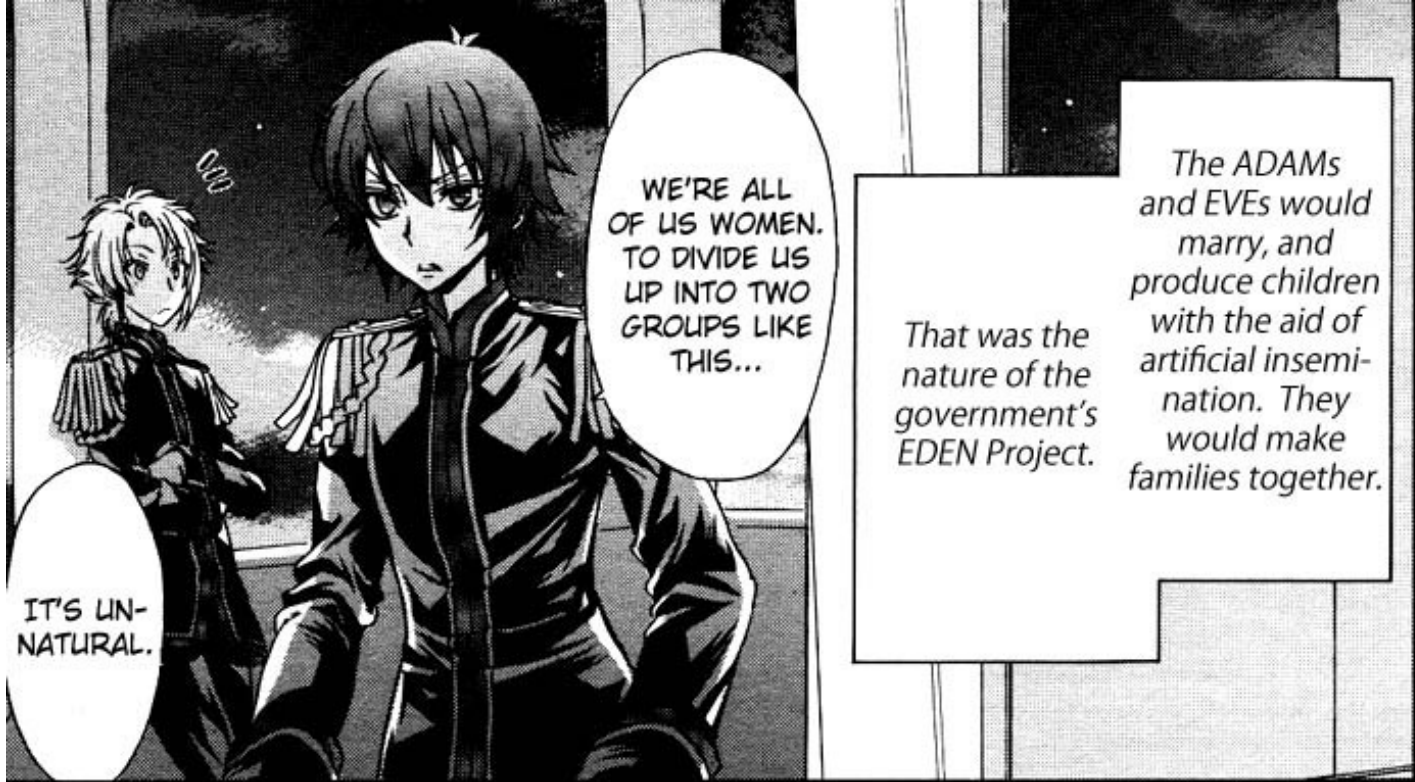

After that, no  
more boys were  
born, and the  
number of males  
steadily decreased.

The ADAMs  
would work,  
fight in the  
military, and  
run the govern-  
ment.

It was decreed  
that in order to  
preserve human  
society, the survivors  
would be divided  
into two groups.

The EVES  
would raise  
children and  
take care of  
the home.

IT'S UN-NATURAL.

WE'RE ALL OF US WOMEN. TO DIVIDE US UP INTO TWO GROUPS LIKE THIS...

That was the nature of the government's EDEN Project.

The ADAMs and EVEs would marry, and produce children with the aid of artificial insemination. They would make families together.

BE-SIDES ...

DON'T WE NEED TO HAVE SOME DEGREE OF DIVISION IN ROLES? YOU KNOW, BECAUSE ONLY WOMEN ARE LEFT.

AND IF EVERYONE WENT TO WORK, THERE WOULDN'T BE ANYONE TO RAISE CHILDREN.

BUT YOU KNOW... IF EVERYONE BECAME HOME-MAKERS AND DIDN'T GO TO WORK, SOCIETY WOULDN'T BE ABLE TO GO ON.

NOTE!

*Notes:*

In this chapter, for the first time in the manga, a character refers to an ADAM with a third-person pronoun ("he") in the Japanese text. As such, we will now be using male pronouns for all ADAMs unless a character explicitly says otherwise in the original.

I've finally made it this far...!!
