My pet won't talk normally! It said in the contract that you're not allowed to talk, right? . ..If you try to remove your ID again, you'll have to pay compensation, right?
Ouch, ouch, ouch! Stop it! ! ! ?
Is this what walking a pet is like...! ? Not the one pulling, but the one getting pulled! ! ?
This will extend the period again, right? If you don't do it properly, you'll never be able to go home.
You'll be staying at my place tonight... Oh, I'll treat you like a human animal while you're there, so I'll keep you tied up outside like this.
I didn't read the contract...! ! Why am I doing this, naked, on all fours, with my personal information hanging out...! ! ! ?
Well, if you don't like it, you can go home anytime after paying 5 million yen in compensation.
...Eh...uh ...hahaha... yes...
They always send love dolls, but this is the first time a human has come
Walk pet
If I had known this would happen I would never have come... Ugh... You know there's no way I have that kind of money...

...What are you saying...?
...You're kidding
...Could this be the part-time job with good pay the other day...?
Ah, is that a pet? So cute

Hello~ Do you know my pet?
Ah...Yes, but ...is there a job like this? ...Can't you at least give clothes...?
Huh? What? Sorry, are you Youno Yuka?
...That's such a mess. I mean, this part-time job is ...dangerous for me too ...I'm glad I skipped...
I'm sorry, that's not possible~If her doesn't do his job properly, I won't let him wear clothes or let her go home
Hey! ? ...What are you doing all of a sudden
Oh, right ...I guess so...?
What! I thought you wouldn't come on time, but I didn't expect to meet you here...Well, I'm running late, so I'll start here
This leftover food isn't worth that much!!
What!?
Huh! ...That's... impossible!
Anyway, it's late today so let's start tomorrow, and tonight we'll pretend to be pets, okay?
Don't be so cheeky, pet? What if I sell you to the barn? (lol)
What!? You have no right to do that...!
How much is that food for?
Well, go to work, and I'll sell all of your personal belongings here for you.
No, the cancellation fee is 5 million yen, but can you pay it...?
Stop it!? I'm quitting...! I'm quitting my part-time job after all
I don't need the money either, so I'm going home...
