

Are you really sure about this?

... Onee-san.

Once you've done it at a giant shop (read: my home), you'll never be satisfied with a human boyfriend again, you know.

So be prepared, okay?
♥

Onee-san, relax~

Make sure to let out the Semen that Flows back into your mouth too~

Onee-san, Is it really your first time with a giant? You look like you're really enjoying it.

I'm cumming again~
A giant cock's thick, heavy load of cum~
Take in lots of it, okay?~

Why don't you both just become my personal onaholes?

I'll make you both happy
