LIFE SAVERS

Hey there, guys!
Never jump into the pool!
It's dangerous!

It is a nuisance
to other people!
Please don't do it!

Shut up!
Don't look at it!
It's gross!

Who else is there?
There's just a old hag.

This pool is really bad, isn't it?
There are no cute girls.
It's too boring and disappointing!

You're that kid from the neighborhood
who keeps sending me messages even
though I'm ignoring him on the app, right?
You even came to my part-time job...
Did you think I didn't notice?
Say something, man!

You are really hot and cool and
I really wanted to meet you...!
Yesterday, I saw you in person
for the first time...I went home
and jerked off...remembering
you naked or in a bathing suit...!

Hmm... that makes sense.
You were glancing at my crotch today,
too, weren't you?
I'm gonna cum now because the
time is running out, but I'm gonna cum
inside you, right? You love me, don't you?

Ov OOH
OOOH...
OHH!
T...Thank youv

Hey!
Is anyone in
he shower?
Where the hell
is that guy?

Huh?
Where did he go?
He's not in
the locker room.
