Chiru Exposure: Main Characters

Chiru Karai

A kind and ordinary girl you can find anywhere.
By chance, she happened to walk down the street without panties and developed an interest in exhibitionism.

She's quite the clumsy girl.

Satoru Karai

Chriu's younger brother.
He seems to have some newfound interest in women's bodies.

Saki Mihar

Chiru's best friend.
She's well-liked for her candid and straightforward personality, but she's not very good at her studies.
She loves Chiru, but loves teasing her more.

Rumi Sasakura

Chiru's best friend.
She's generally quiet and kind to everyone, except when it comes to Saki. On the other hand, she's especially kind to Chiru.

No Panty Defenders

The main characters in this chapter. They'll protect Chiru from the eyes of those around her! That said... I didn't come up with a name for the characters yet, so I'll just use this name for them for now.

I'm...

Did you hear?
Apparently,
Karai is an
exhibitionist.

The quiet
Karai?
Are you
serious?

I'm not
a
pervert...

Well then,
just take a
look. See?
She's not
wearing any
panties.

Wow,
seriously?
She's
actually
quite a
pervert!

That's...
just...

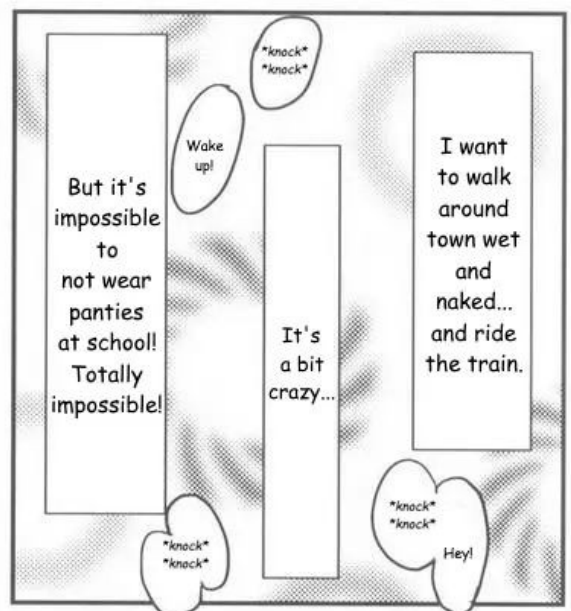

Then why
are you
so wet?

I'm...
not
excit-
ed...

What are you
saying? Aren't
you excited
being seen
with your pussy
this wet?

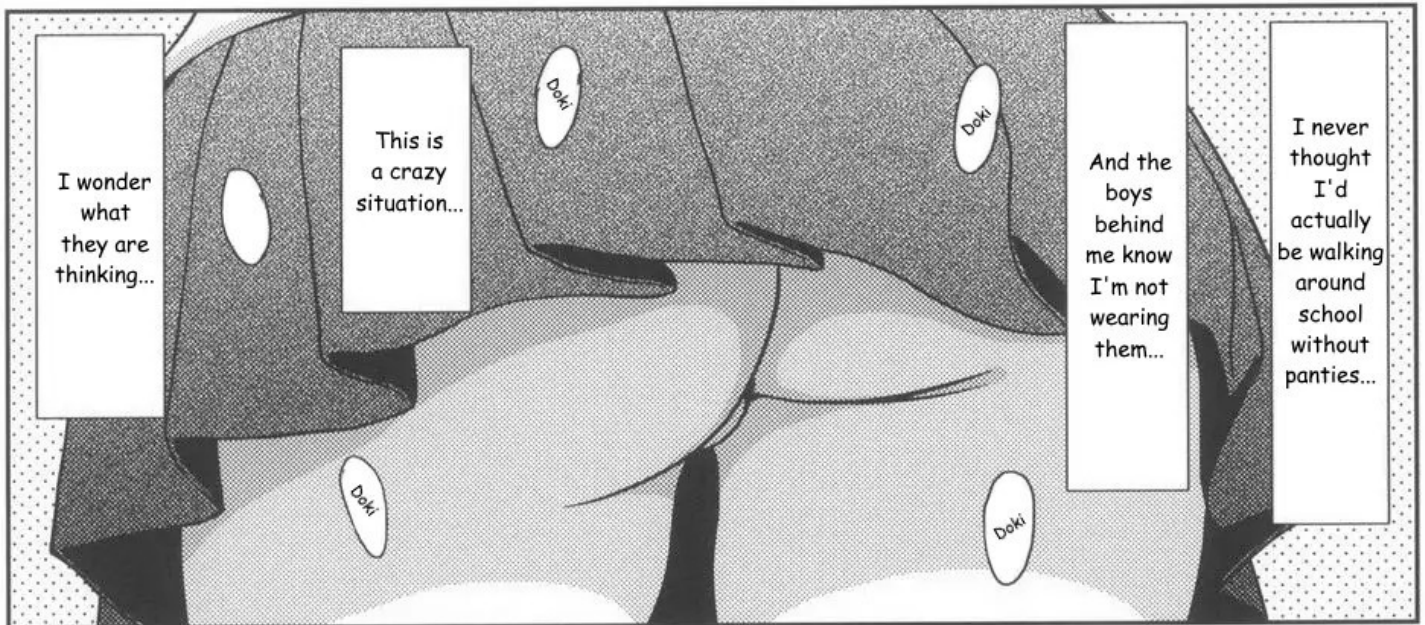

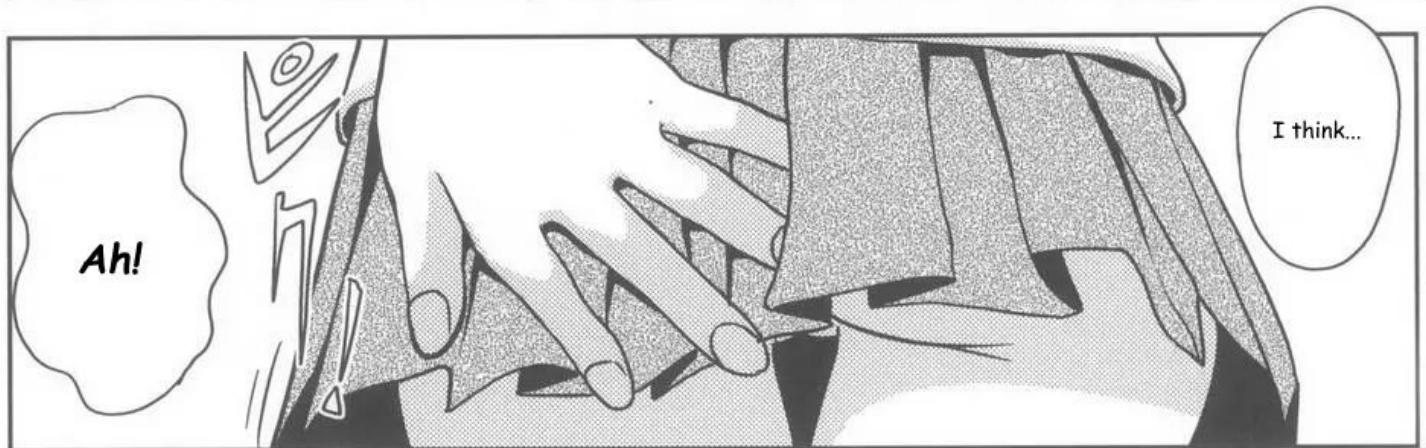

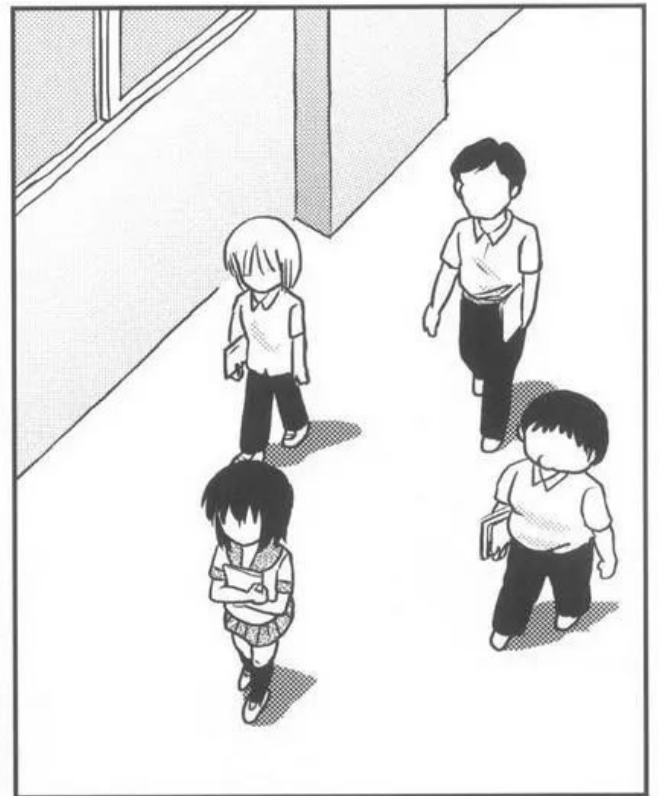

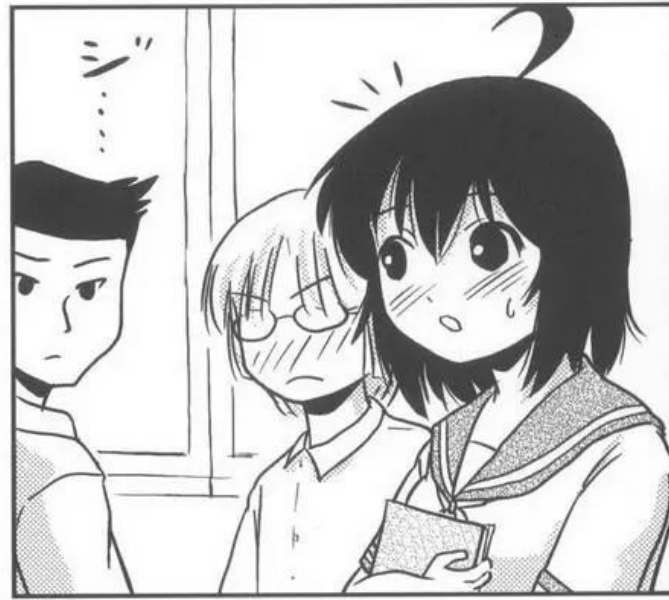

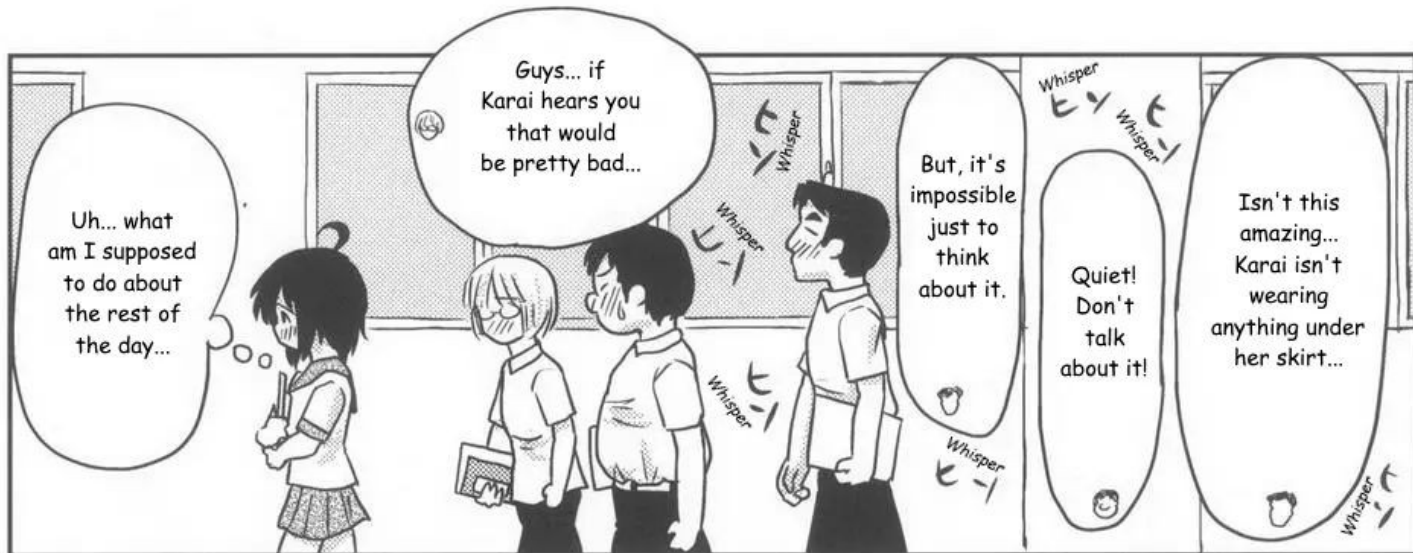

WHAT?!?!?!?

W...

But... they're doing it for me... I'm just being self conscious of it... right?

Ugh... I can really feel their eyes on me...

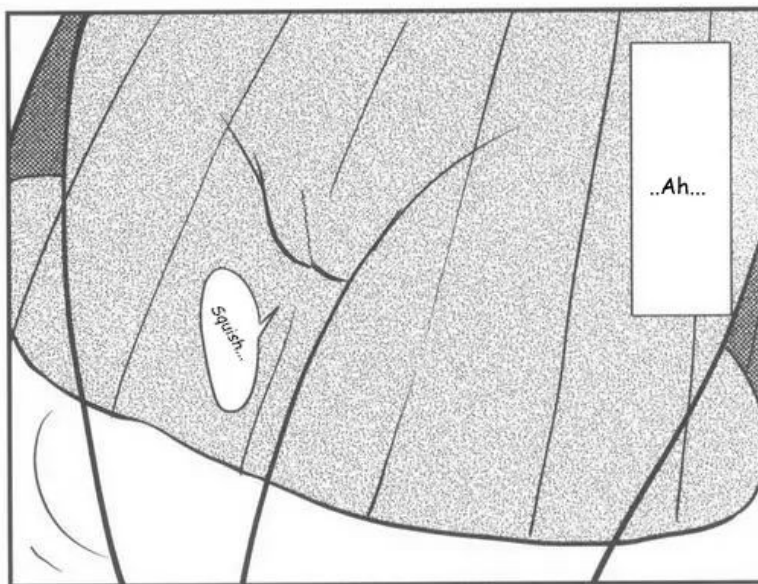

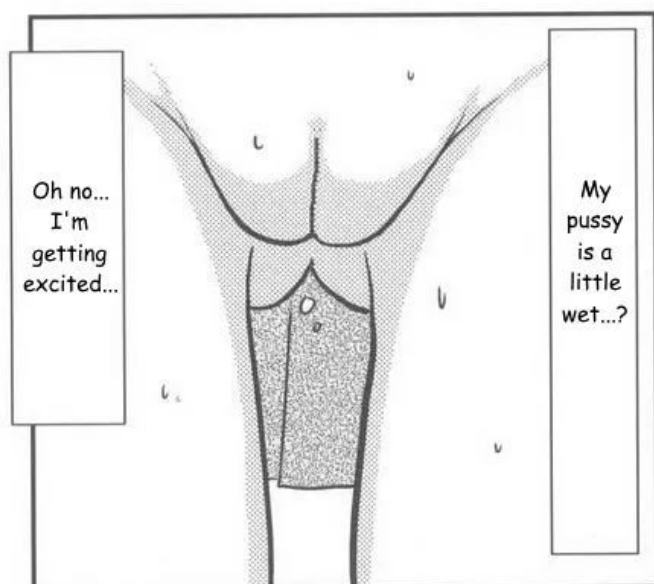

If we watch instead of guarding, we'll be putting the cart before the horse...

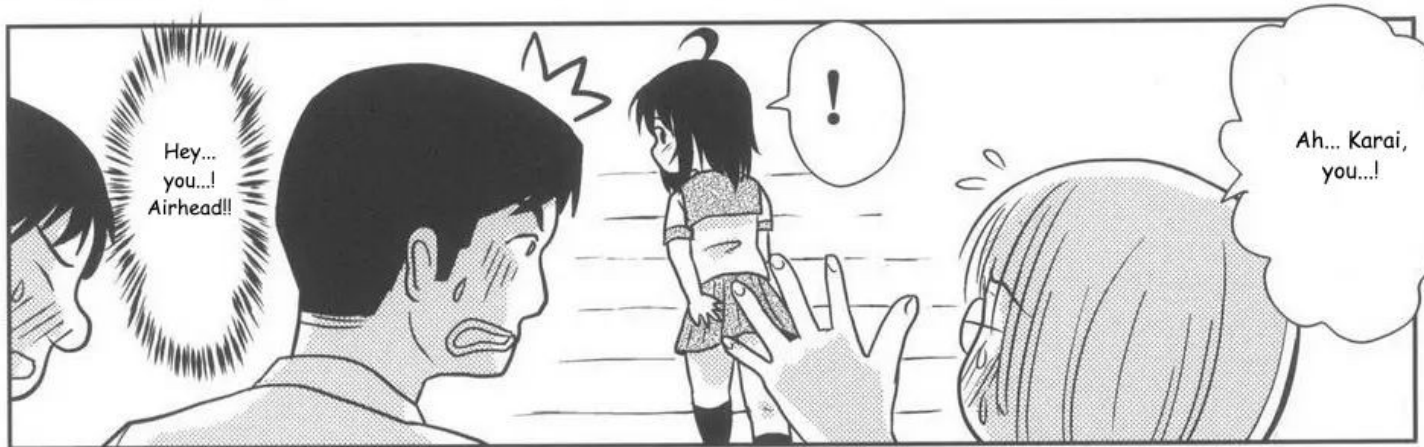

Are you a natural?

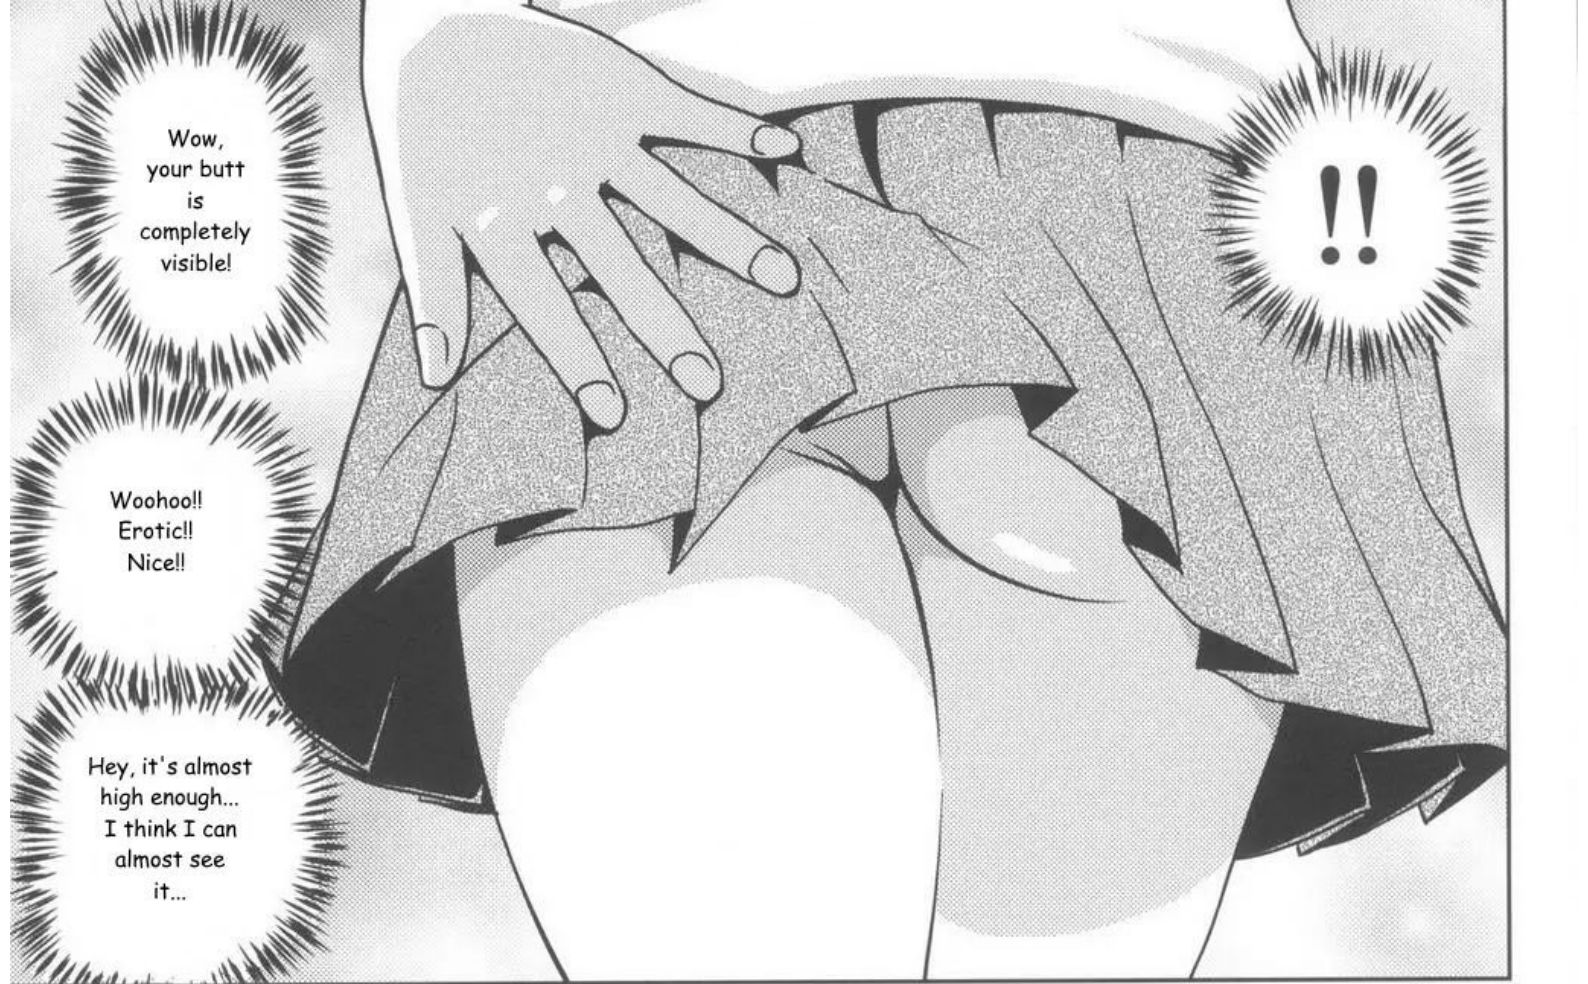

...This angle is amazing!

It's like looking at the moon...

Before you say it, I notice too.

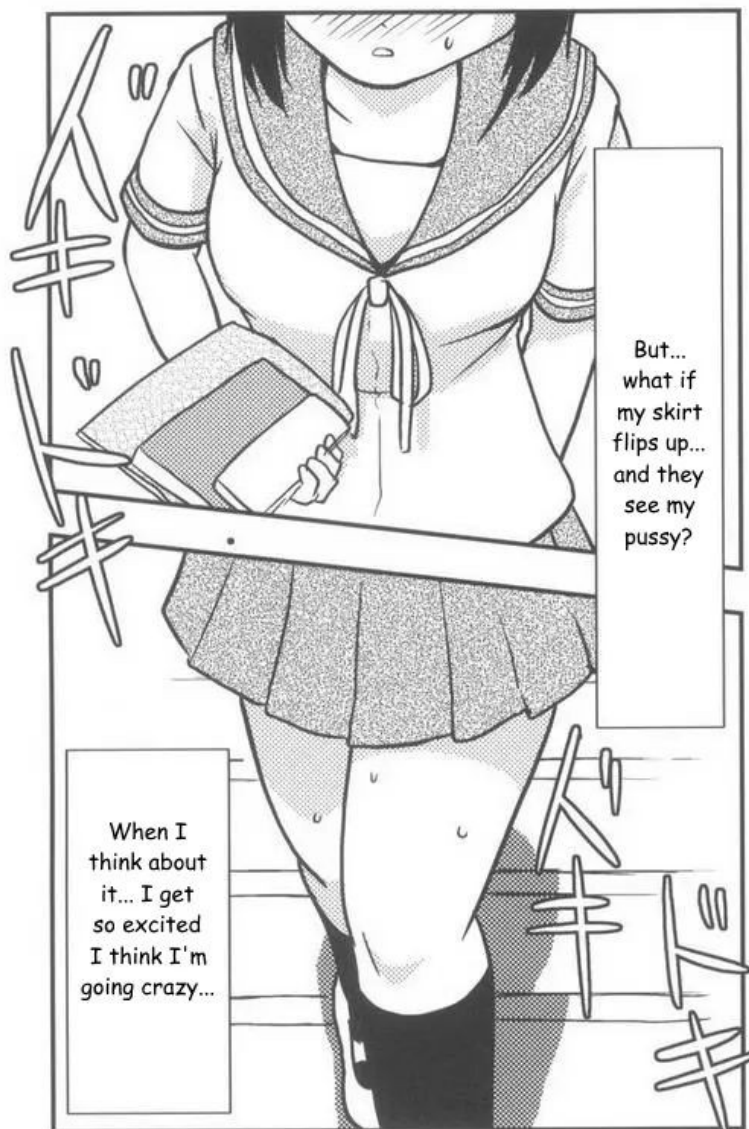

Wow,
your butt
is
completely
visible!

Wooahoo!!
Erotic!!
Nice!!

Hey, it's almost
high enough...
I think I can
almost see
it...

!!

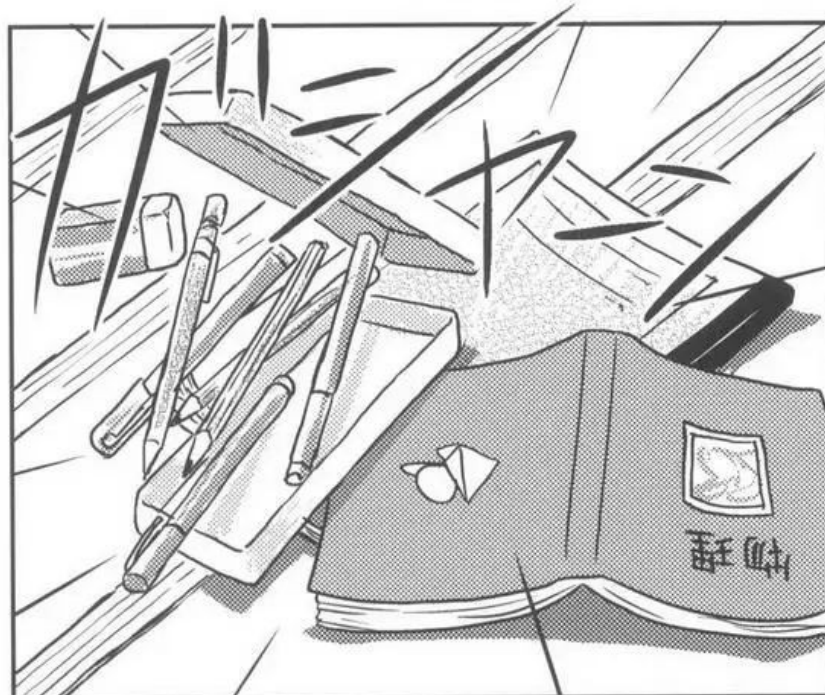

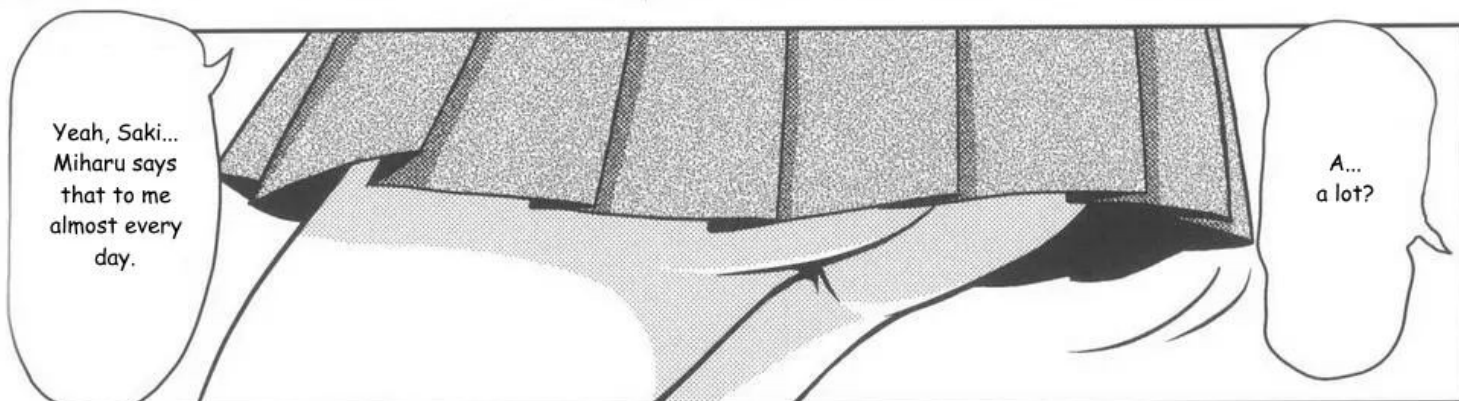

Or rather...
everyone is guarding
me, but why am I
feeling so weird...

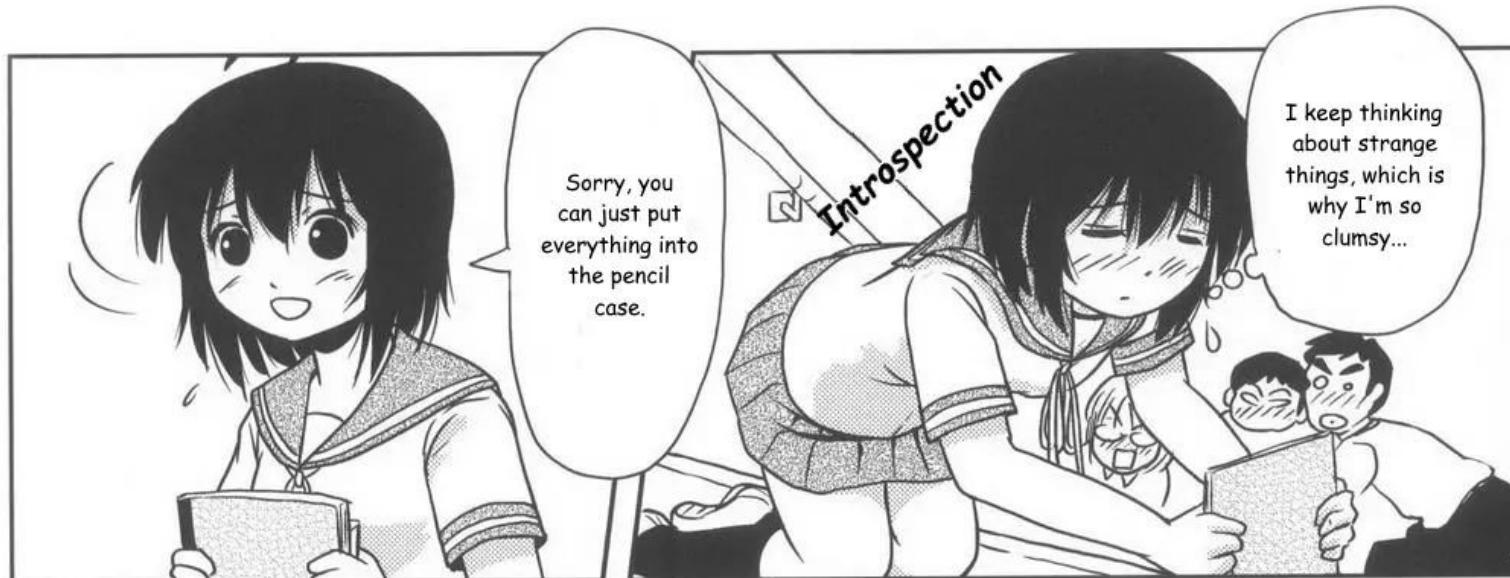

The gaze behind me
is amazing... my heart
is pounding... but
I'm holding it with
my hand so they can't
see anything.

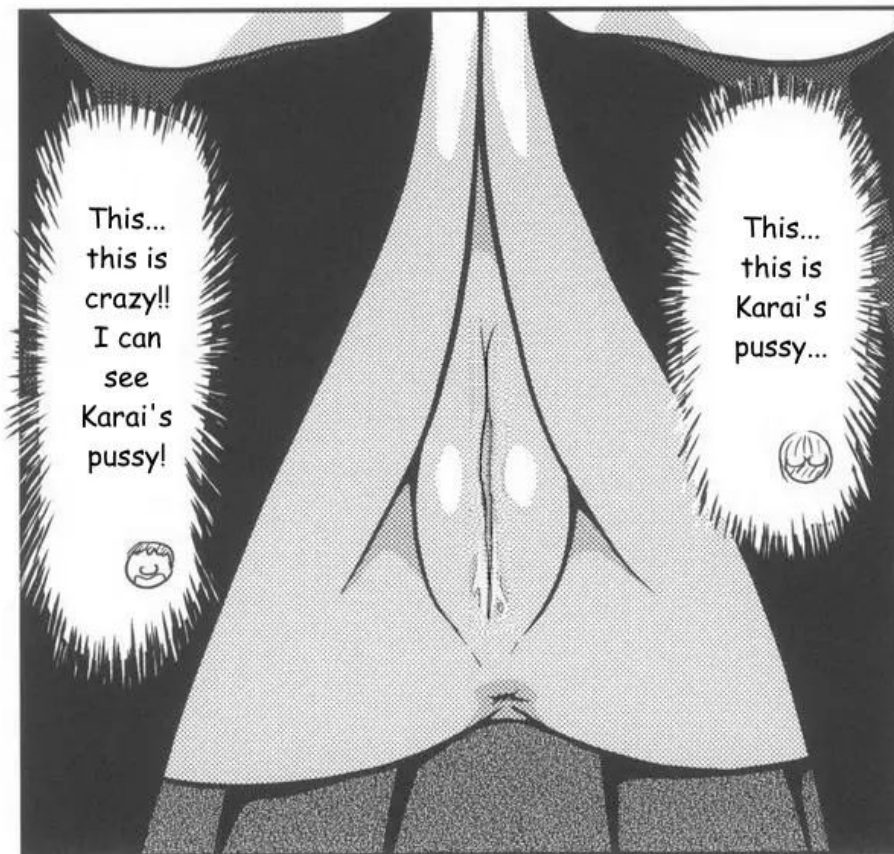

(or so she thinks)

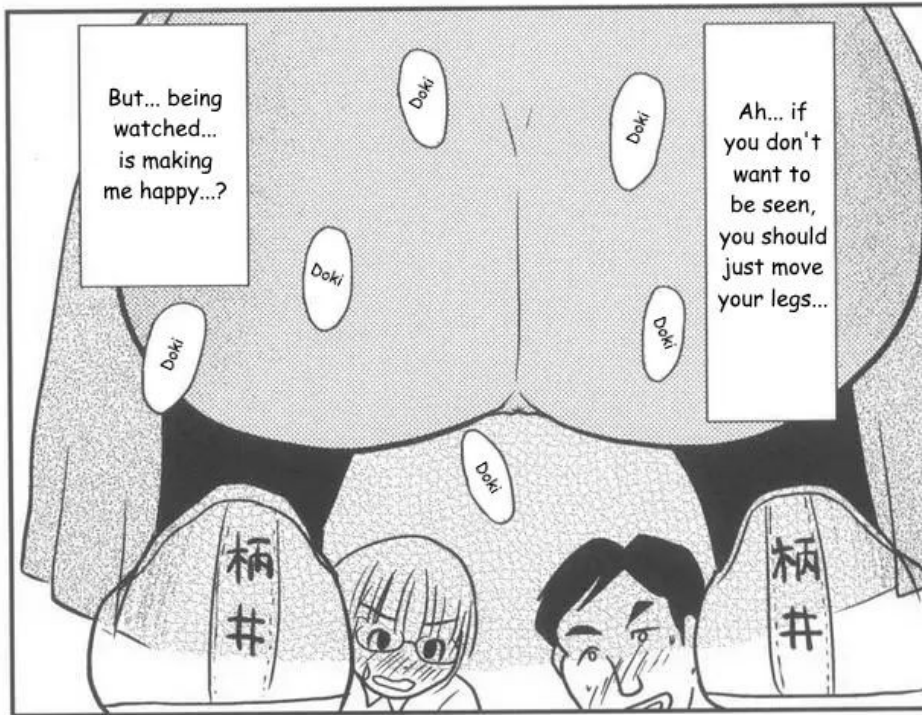

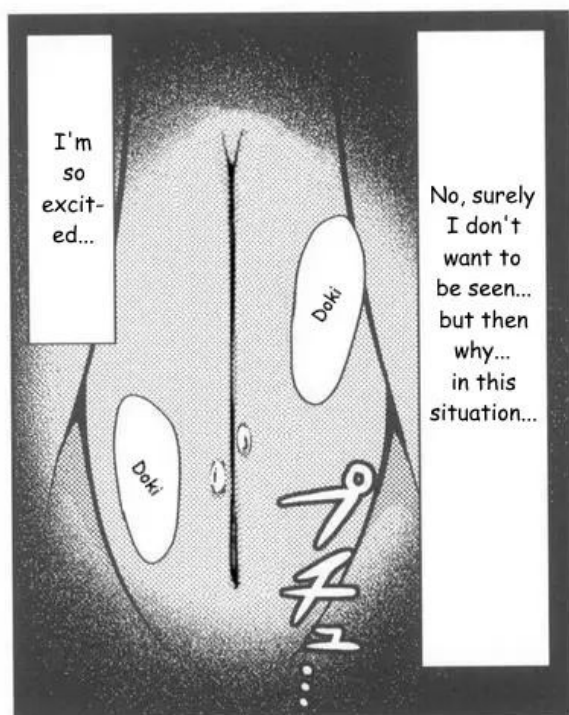

My classmate's
pussy... the first
time I've seen one...

And so close...

Embarrassing...
I'm so
embarrassed
I'm going to
die...

Ah... Ah...
They're
looking at you
so much...
they're looking
at you....

But look,
we don't
have much
time... this
is enough.

Amazing... this
is just amazing...

When I look at her face
and then her
crotch... I can't
stop...

Karai... is she really
this clumsy? I can
see everything but
she doesn't notice...

This is bad...
if this
continues...
it'll come
out...

Ah... this... I
can't... it's so
stimulating that
I can feel the
heat inside
my vagina...

Still...
Karai's pussy
is so cute....

Wait...?
Is Karai's
pussy wet?

No way...

Ah...
Ah...!

If they see me
like this... I won't
have any excuses
anymore...

I have to close
my legs. I have to
get up and go
to class!

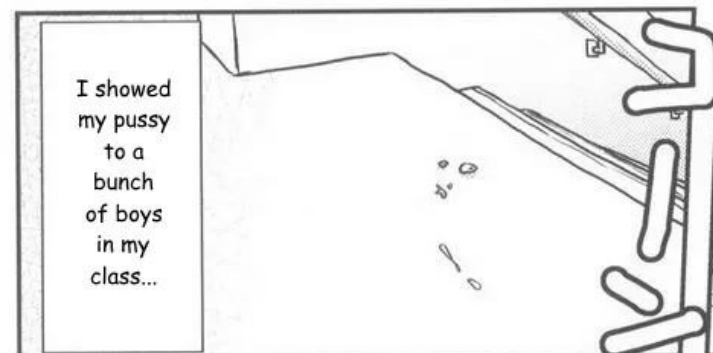

Ah!!!

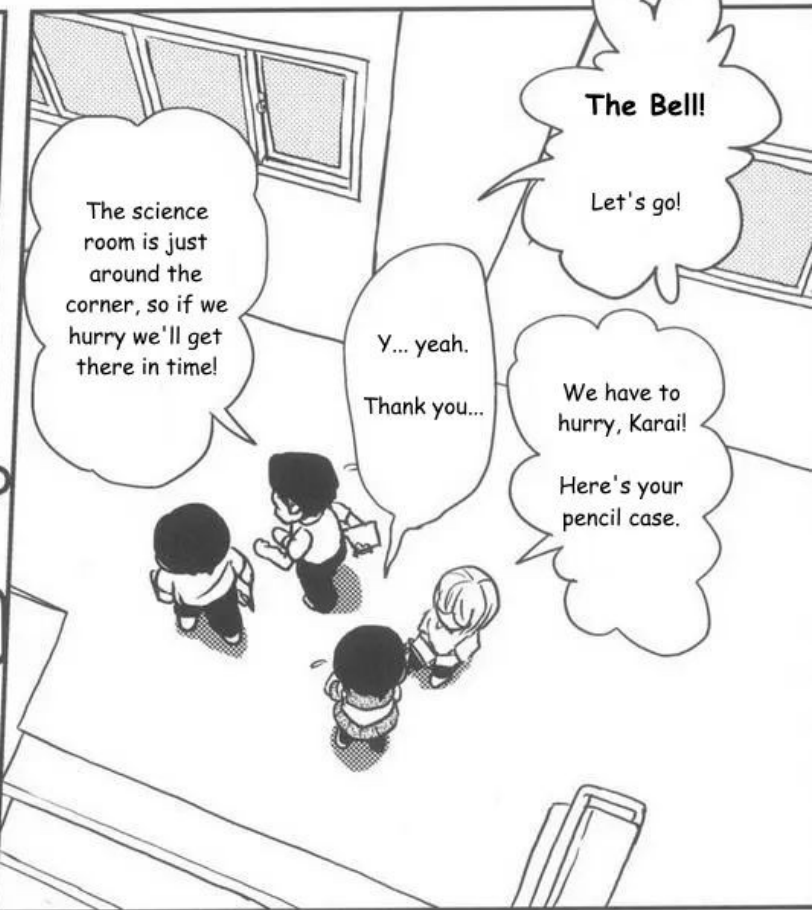

It's okay we'll keep guarding you.

What should I do...

I showed my pussy to a bunch of boys in my class...

The Bell!

Let's go!

The science room is just around the corner, so if we hurry we'll get there in time!

Y... yeah.

Thank you...

We have to hurry, Karai!

Here's your pencil case.
