A blurred photograph of an office space. In the foreground, there are several wooden desks with black metal frames. Black office chairs are positioned at the desks. In the background, there are large windows with black frames, letting in bright light. The floor is a light-colored, polished surface. The overall image is out of focus, creating a sense of depth and a modern, minimalist aesthetic.

Now your life is
as insignificant as
a bug♥

A woman with short black hair and glasses, wearing a white button-down shirt with a red tie, is shown from the waist up. She is holding a tiny, thin, stick-like figure between her fingers. She has a smug, slightly mischievous expression with her tongue sticking out a bit. The background is a blurred office or indoor setting with windows.

You are so insignificant

If I leave you outside,
you'll either be trampled
to death or ants will eat

Even if you get trampled

You tiny bug ♥

A pregnant woman with long black hair and glasses, wearing a white long-sleeved shirt and a black skirt, is shown from the waist up. She is smiling and looking down at a tiny man standing on her index finger. Her left hand is on her hip. The background is a blurred office setting.

Just 3 months ago,
you were my boss

But you're

A woman with short black hair and glasses is shown from the waist up, looking down at her chest. She has very large breasts and is wearing a white shirt with a red tie. A tiny man is crawling on her left breast. She has a speech bubble on the left and another on the right. The background is a blurred office setting.
