本作を購入、購買いただき誠にありがとうございます！
みるくめろんと申します。

今作では前作より話の容量を増やし、より満足度を上げれるよう、イベントシーンの増加などを意識して制作させていただきました。
（女性1人1人の話がちょっと薄くなったのと、1P当たりのコマ数が多くなった箇所があるのでその辺は今後の課題）

今回は透明人間の話が続いたのですが、
 今後は催眠や時間停止など、そっち方面も描けばいいなあと思っています。

評価やレビューの言葉は作者の血となり肉となり、次回作へのモチベーションにも繋がるのでよろしければお願いします！！

**I became invisible,

I want at the school**

■summary

Satoshi Tanaka is using a potion given to him by Eroel to become invisible, and is attacking the beautiful girls at his school. Satoshi's malice spreads to the entire school, and his targets are not limited to the same grades.

One day, Satoshi meets Eloel and is warned,
"If you do too much, the angels will take notice of you."
Satoshi is warned that if the angel finds him, he will be annihilated with his soul. Satoshi decides to be careful.

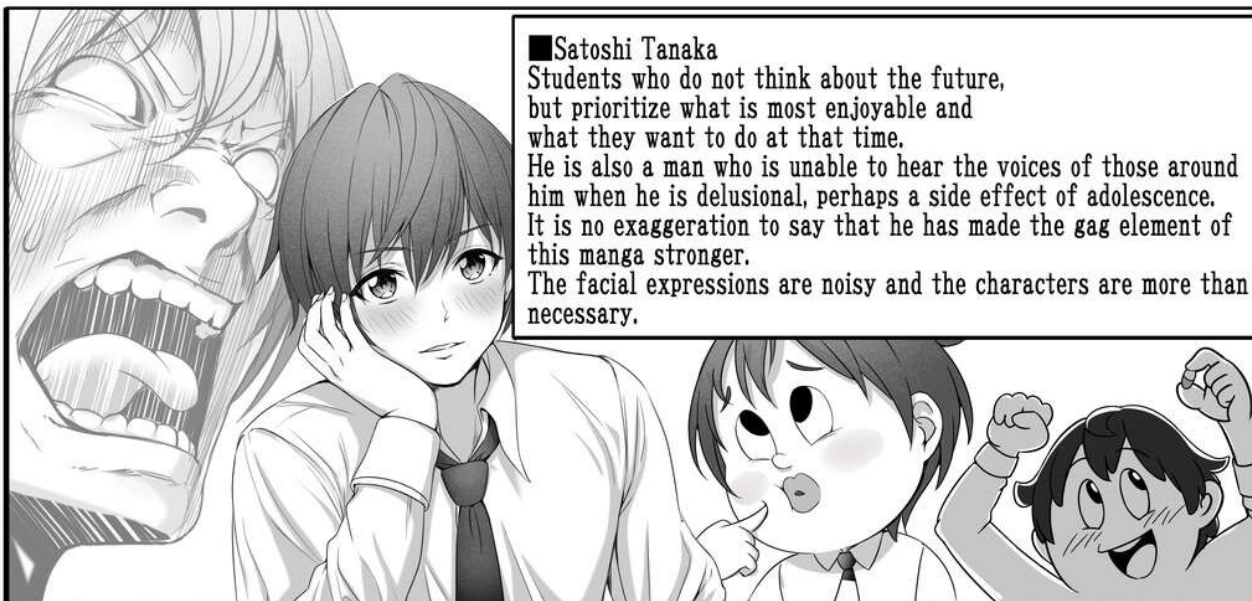

He hears that if he is discovered by an angel, in the worst case, his entire soul will be annihilated.

However, Satoshi, who was already addicted to the Invisible Man, had only one more chance to get his hands on a girl he had his eye on, and he started to get his hands on her from one side to the other, regardless of her grade.

Satoshi, who has been having all the sex he can handle, was thinking about who to fuck next when he heard a conversation between two boys walking in front of him. They told him that Yui Himemiya, a reader model who rarely comes to school due to work commitments, was coming to school for the first time in a while.

This was his chance! and Satoshi went to his next target, Yui Himemiya.

■Satoshi Tanaka

Students who do not think about the future, but prioritize what is most enjoyable and what they want to do at that time.

He is also a man who is unable to hear the voices of those around him when he is delusional, perhaps a side effect of adolescence. It is no exaggeration to say that he has made the gag element of this manga stronger.

The facial expressions are noisy and the characters are more than necessary.

■shouko takamiya

She is a beautiful girl with long black hair, neat and big breasts! When I walk down the street, 9 out of 10 men will turn their heads. (It is said that the only one who doesn't turn around is either a poor breasted lover or a B-major.)

He is in the same class as the main character and speaks with him occasionally.

■ELOEL

He was originally an angel, but he did something bad in the heavenly realm and was cast down to the lower realms because God was angry with him.

Half of his body is almost a demon,

He is trying to do something good and return to the heavens.

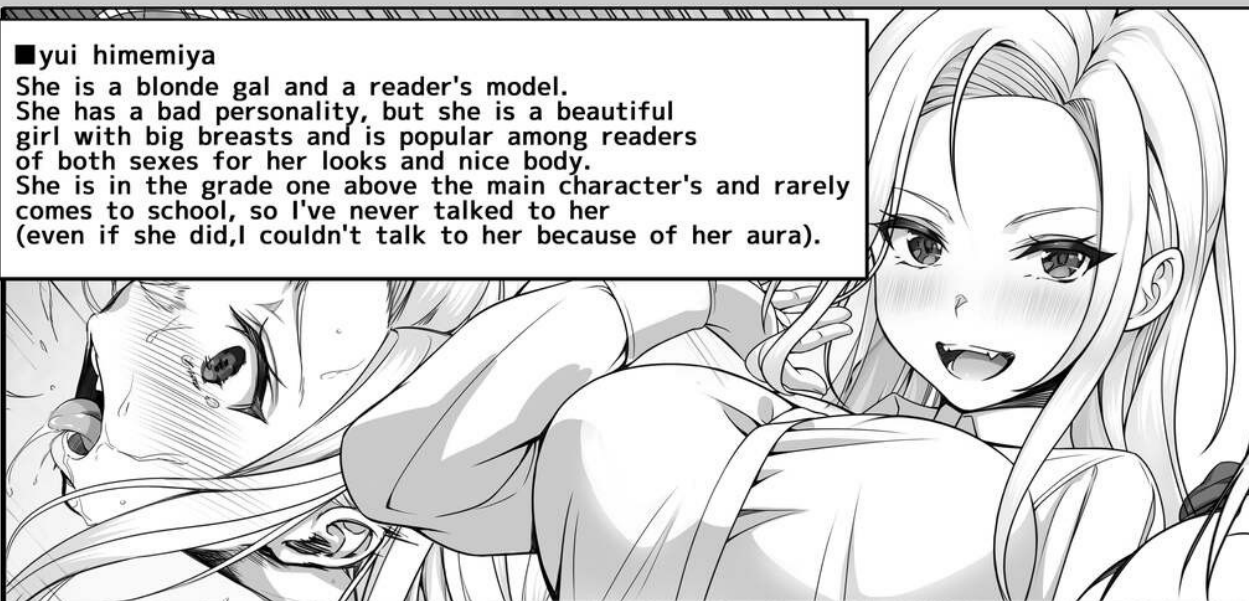

...to realize the desires of the protagonist and to fulfill the desires of the protagonist.

We act, but...

■yui himemiya

She is a blonde gal and a reader's model. She has a bad personality, but she is a beautiful girl with big breasts and is popular among readers of both sexes for her looks and nice body. She is in the grade one above the main character's and rarely comes to school, so I've never talked to her (even if she did, I couldn't talk to her because of her aura).

■Fuuka Takanashi

She is a friendly pet-type beautiful girl with small height and small breasts. She is a friendly, pet-like beauty who can easily get along with anyone, and is often very close to both men and women. Many men secretly have feelings for her. She is easily open to everyone and is close to both men and women, and many men secretly have feelings for her.

?????

This time, the half beautiful girl at the end of the story has an aura like an angel and is looking for the main character. What on earth is she...

Satoshi Tanaka is walking around with his usual erotic fantasies when he meets Eroel, a self-proclaimed angel!

Tanaka received a medicine from Eroel that made him invisible,

A black and white manga-style illustration. It shows the back of a person's head and their right arm extended upwards. The person has dark, spiky hair. The background is a light gray grid pattern. The style is simple with bold black outlines and some gray shading on the hair and arm.

I'm here today to give you a piece of advice.

In some cases, angels can annihilate your entire soul, you know?

Essentially, that drug must not be used by humans unless they're qualified.

Advice?

Oh, he's not interested.

Is it a long story? That would be tedious...

!?

You do too much and the angels have their eyes on you.

Angels?

That's right.

What is it?
Something's
touching me when
no one's around!

..... Hey!
Kana,
what's going on
all of a sudden!

Ugh!!

Oh,
you have
an abundance of w

What?

What? Why?
There was
no wind.

Daisuke
Help!

Who?
There's
something here...

heave ho

What's wrong, Miki?
Your jaw is coming off.

Miki's mouth really feels good!
I feel like I'm going to be eaten with my dick wrapped around it!

When I shove it deep inside, the back of my throat jiggles. I can't get enough of this tightness! I can't get enough of it!

It's small, sloppy, and great!

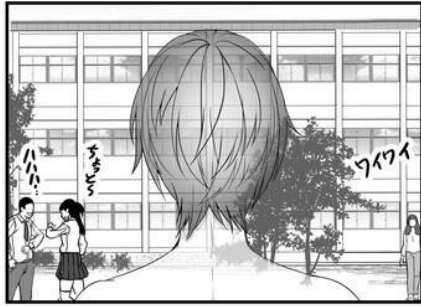

Huh?
Was there that much mayonnaise on Miki's lunch?

Whoa!
It's coming up! Here we go!

Oh, no...
Something's going in the back...?
What's this?
I'm in pain...
Help...

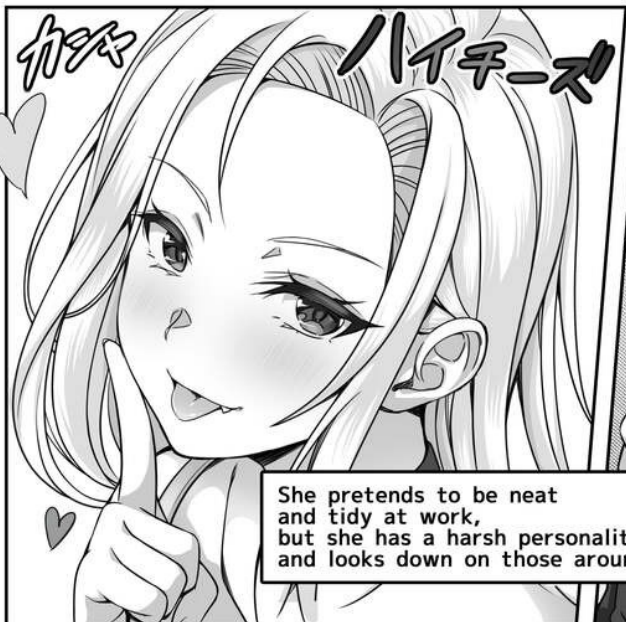

Not only does she have a great face,
she has a great style!
Not only at school,
but she's also a sex toy
for many men in the world!

Class 2A

Yui Himemiya

She is a reader's model while attending school.
Her looks make her popular with many readers,
and recently she has even been
offered a job as an actress.

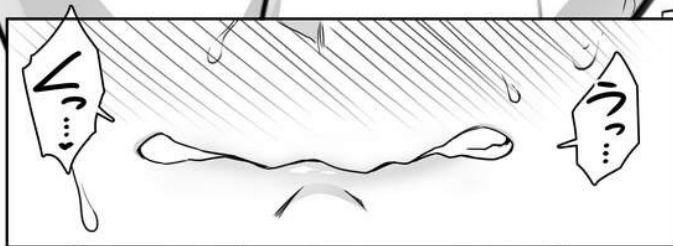

She is so busy with her work that
she often does not come to school, and even students
from other schools come to see her
on the days when she does come to school.

She pretends to be neat
and tidy at work,
but she has a harsh personality
and looks down on those around her.

Oh, my God!
Why is she naked!?
Is this some
kind of modeling job?

Ah!
Isn't that
Ms. Hinemiya?

Don't.
Don't look at me!
Get away
from me!

Oh, my God.
They're seeing
me naked.

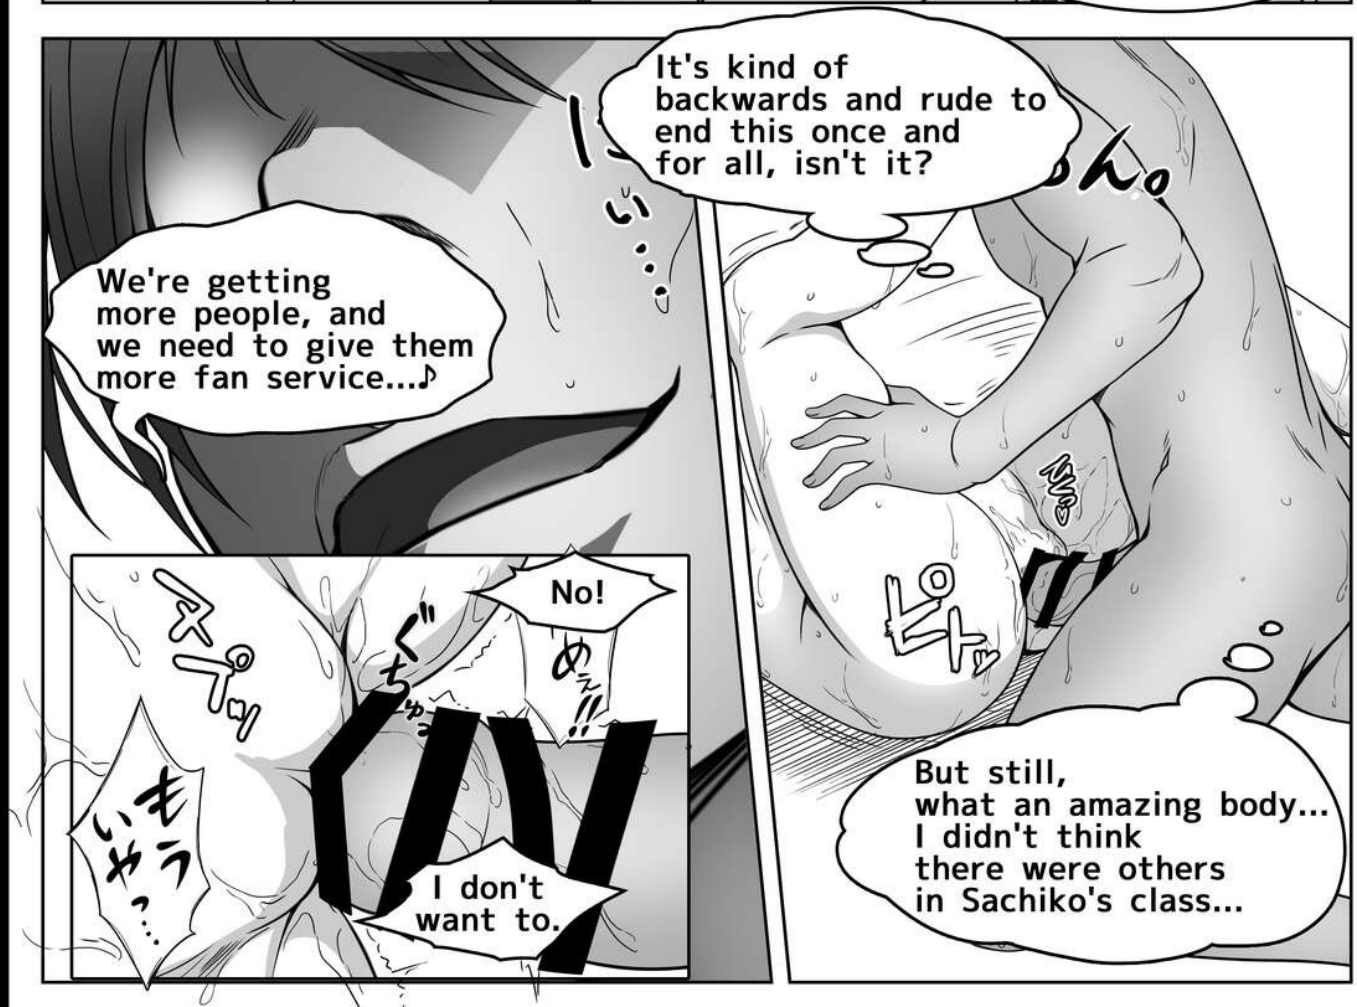

They're watching us
from the outside...

Shit!

ハァ...
イキマスカ...

You always look down on me, you lascivious bitch. I will spread the news.

I don't know about that, but Suck it up!

Whew! That's a great swell!!!! It's like a masterpiece all the way inside!

I won't let you... I'll kill you!

Remember me later!

You guys, stop filming!

Disgusting!!!!

No!

Come on, come on! Don't say that to your fans!

Not in the vagina!!

No!

I'm ready to come!

I don't want to come in here!

Impregnate!

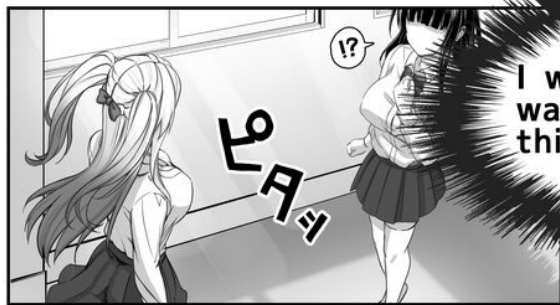

I'm gonna ejaculate in your vagina and we're gonna come together!

I wonder if there was a girl like this at our school.

She's so beautiful... I wonder if she's mixed blood...

Excuse me, may I ask you a few questions?

あはい

Do you know this male?

■Afterword

Thank you very much for purchasing this work,
"I Became Invisible 2: Now I Want to Get Fucked in School"!

The previous title, "I, who became invisible,
can do whatever I want to the school's black-haired idol
in the women's bath." was well received and received
many more reviews than we had imagined,
I was very excited and highly motivated to create this work!
We would also like to take this opportunity
to thank you for your purchase and review of our previous work.
Thank you very much!

This work has more content than the previous work,
and was produced with an eye to increasing
the number of H scenes and descriptions in order
to raise the level of satisfaction.

We have made this work with an eye to increasing
the amount of content and making it more satisfying.
We also paid special attention to the depiction of big breasts
being squeezed, so we hope you will pay attention to that as well!

This work was a sequel to Invisible Man,
but in the future, in addition to the Invisible Man series,
I would like to draw a variety of other works,
such as hypnosis and time-stopping, In the future,
I would like to draw a wide variety of works,
such as hypnosis and time-stopping, in addition to the
Invisible Man series.

Your comments and reviews will motivate me to come up with ideas
for the next work and to create more works.

We would be very grateful
if you could give us your feedback on this work as well!

In the course of producing this work, we also found many challenges.
For example, the story of each woman was too short,
and the number of frames per page was too large. In the next work,
we would like to improve the quality of both
the pictures and the story. Thank you for your continued support.
