Kou-su-ke
-kun!!

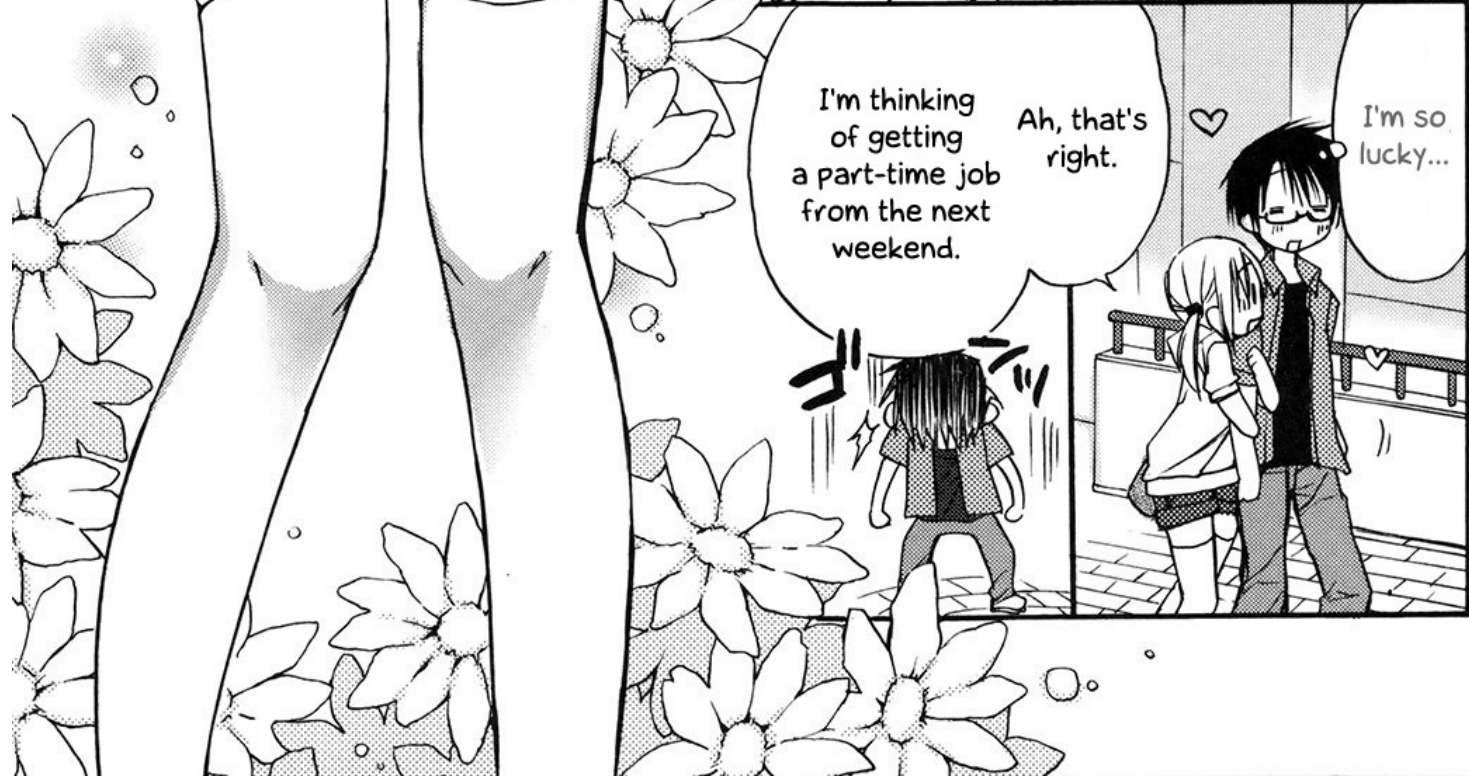

Ehehe.♡
Since I'm with
Kousuke-kun
anywhere
is fine~♡

Where
are we
going
today,
Akina?

Akina is
a younger
student
from my
college.
We've been
dating for
three
months
now.

We have
a similar
date on
every
week's
days off.

I'm thinking
of getting
a part-time job
from the next
weekend.

Ah, that's
right.

I'm so
lucky...

For the sake of my beloved you

大好きなキミのため

This is
...bad.

Ah...

I guess working here is fine then.

I'm different! I'm different!

Well did you come here while expecting such a thing?

If a pretty girl like Akina wears maid clothes and says 'Master' someone will stalk her!!

Stalk her!

She doesn't know... the horrors maids have to go through!!

It's dangerous!

Dangerous!!

With clothes that have such high degree of exposure...

I wanted to buy it quickly and so I chose that good paying shop...

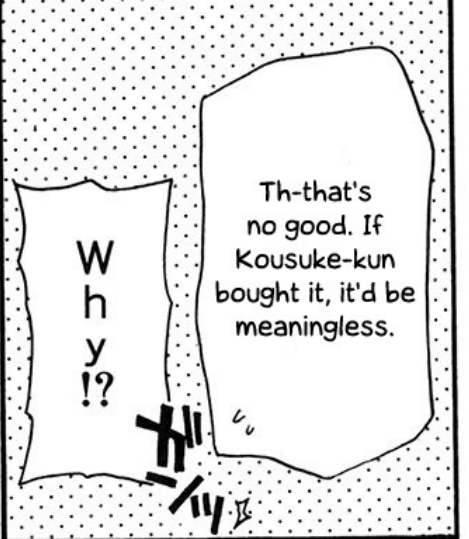

I'm sorry...

You became worried and I made you overdo it at your work.

Was that the case...

Eh?

Why!?

Th-that's no good. If Kousuke-kun bought it, it'd be meaningless.

Ah you see... though I'm late but I congratulate you on finding employment. I wanted to give you something...

Kousuke-kun... ♡

Akina... I... I was happy I could go out with you... Thus if we can date it is the best present.

Ah, that's it... the present...

しゅわ

...it's the present.
♡

Ehehe
♡

Kou...
ehm...
master.
♡

Eh...

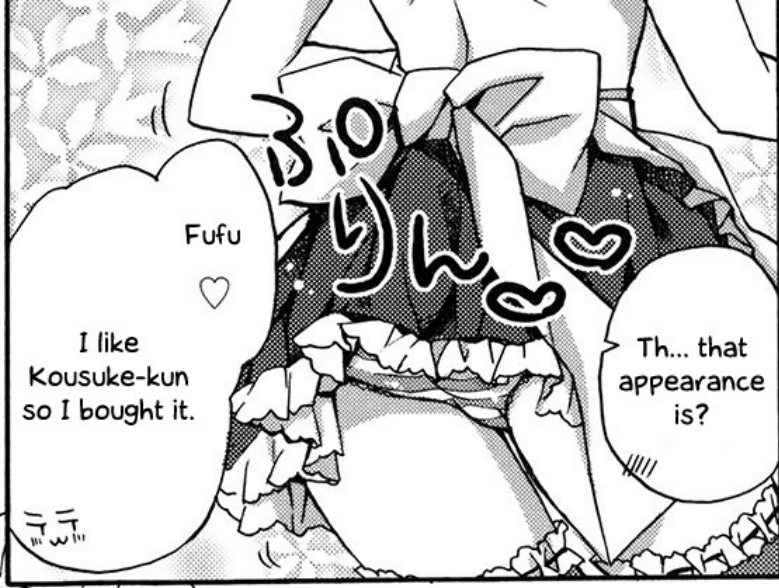

You asked me to do this before, didn't you? So...

Yeah
♡

Eh!? by present you mean yourself!?

As I thought. Akina's maid appearance is cute... It's surely popular in the shop...
...huh.

Yeah...
It's okay.
♡

Since
today is my
'Do everything'
present.
♡

Hwah,

I'm
sorry!!

That

Today's
Kousuke

pretty
active...

Till... doing
it till the end...
are you sure?

Yes...

You're going to quit working at Maid Cafe!?

Yeah because don't you want other people to not see me like that?

If the shop is alright even if I'm not there, will you look at other maids...?

Ah... y-yeah.

I'm only for Kousuke-kun. ♡

Hm? What's the matter?

I see... but...

Why is her underwear... Wait, it's not an incident or something. This heat...

Heck, was the AC cut? To say this...
Head-ache... It hurts.

...since they're not pants I'm not embarrassed. My underwear?

Huh, eh? Yuujirou-kun...? What's wrong?

Is she still half asleep?

You told me to come today and you were sleeping... y-your underwear is exposed...

Y-you too. What happened?
