For those who are new, nice to meet you. そうでない方は
For you others, hello again. I'm Shimaji.

I really wanted to draw something that was pervertedly different this time but, what do you think? I was quite happy with it when it was done. It's a little over the top, now that I look at it though.

The character this time is Inui Nozomu-kun. It's code for Gangbang (TL Note: the Kanji for his name can also be read as Kan Rin. Rinkan = gangbang). It's really has to be a code, since it's not much of a name, is it, when you really think about it?

It was tons of fun to draw a bullied kid. I couldn't draw much here that dealt with his character outside of the sex, but i'm thinking that i'd like to continue drawing this story. But that means ANOTHER story that needs sex! I'm trapped! かきたいな一と思ってるんです。

けどまた即エロの予感んっ!! フウ!!

If i want to draw it, I'll draw it! That's the kind of spirit I draw with. I'll do my best! I wanna rape something!!! 心がけて描きます。

がんばるぞー!! レイプしたいよー!!
