

Quite down, kids.
We have a transfer student today I'd like to introduce.

The name's Somie Lee. His family moved to our city recently, and so did he along with them.

Now, be nice to him. I'll check up on you all to make sure of it.

Also, his transfer document clearly says he's a man.

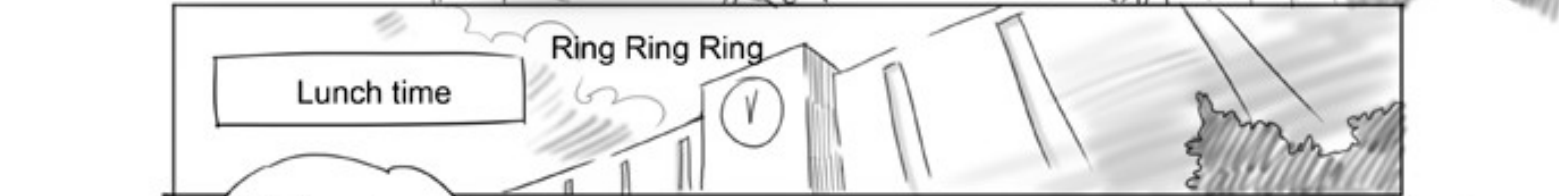

So I want no funny business while I'm gone. Is that clear?

Whaaaaaaaaaaaaaaaaaaaaaaaaat????!!!!!!

Lunch time

Ring Ring Ring

Truth or dare: You are a girl, right?

I'm a boy, really!

Unless you're a girl. Then you can't I suppose, right?

Alright. I will.

If it will prove me right... It's just a penis, isn't it?

Gasp!

Whooooaaa??!!

Follow me after school if you want.

I hope you
didn't wait
for too long,
Onii-chan!

...Somie..? Wh...
What are you
doing here?

What do you mean?
I'm obviously here
to take you home.

w..what?

Ang스토리 13 by CousinAnon

Shush- If you want out of this
place, just don't say anything
and I'll deal with them.

Mr. officer,
could you please
let my onii-chan
go?

(If we're not back
for dinner, our
parents will kill
us : :)

Mr Kim is not
available for
release today.

If you want to talk
to him, do it now
before we move him
to the holding cell.

Nyan~ Peweety
Pewleeze? I would
really like to go home
with Onii-chan~

Aaaah~

Y, yes. Please make
sure he be careful
next time.

I got released somehow..

Cute lady~

꾸벅

Thank you so much
Mr. officer! I'll make
sure that my Onii-chan
learns a lesson!

일
파출소

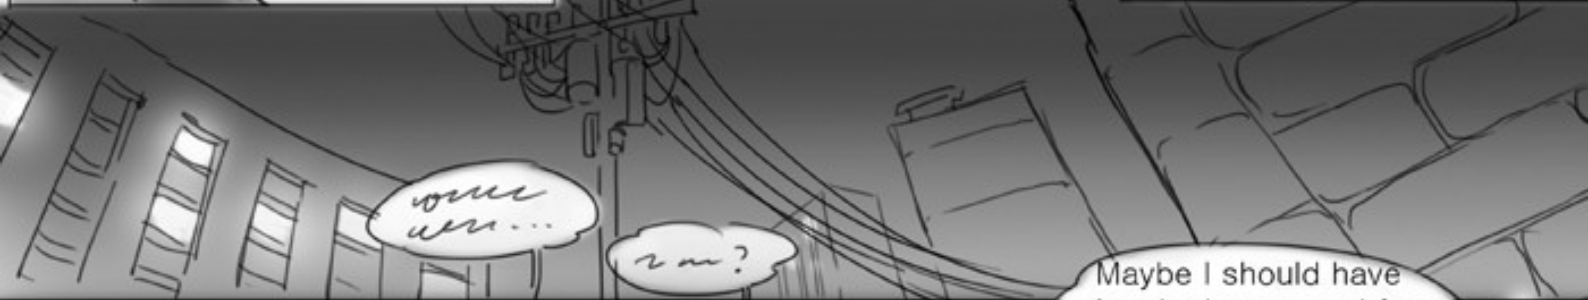

H, hey!
Stop latching
onto me!

Oh? Shouldn't you
be more courteous to the
person who saved you?

Uhhhg...

Hmp.. what-
ever. Have it
your way then.

우르
우르...

어?
어?

Maybe I should have
just let her go and forget
all about it... Maybe that
was for better.

But then 3 years we
spent should've meant
something...

None of it mattered to
her when some douche
with Bentley rolled in.

... And then something
she said really struck
my nerve and I slapped
her

Ah, so that's
what happened~

From this day forward anyone who plays around with Somie's desk, shoes or any of his belongings,

and anyone who pushes him around, throwing things at him or hitting him

I will personally see to it that the offenders are fucked for good.

Because he is my friend.
