Sorry about

What was that purple powder you just put in thinking I'd overlook it if you acted casual!?

Just be obedient. I want to become your pal.

Shall we be friends?

Homo SM !!!

Even if you're not, I am.

Exposed and in pain

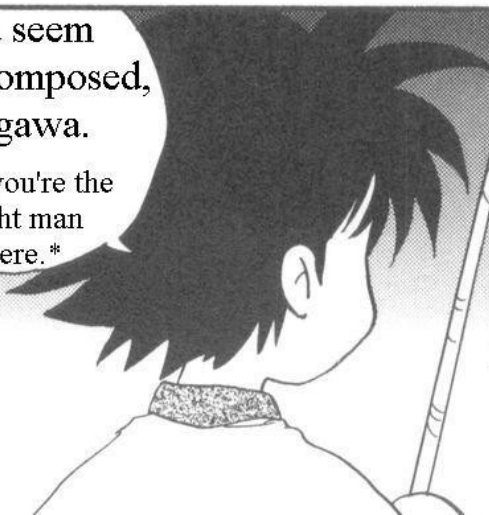

Wait a minute!

I'm not like that!

*Yoshi calls Masato a tsukkomi, the straight man in a manzai routine who corrects a wise guy's ridiculous statements.

You seem pretty composed, Tonegawa.

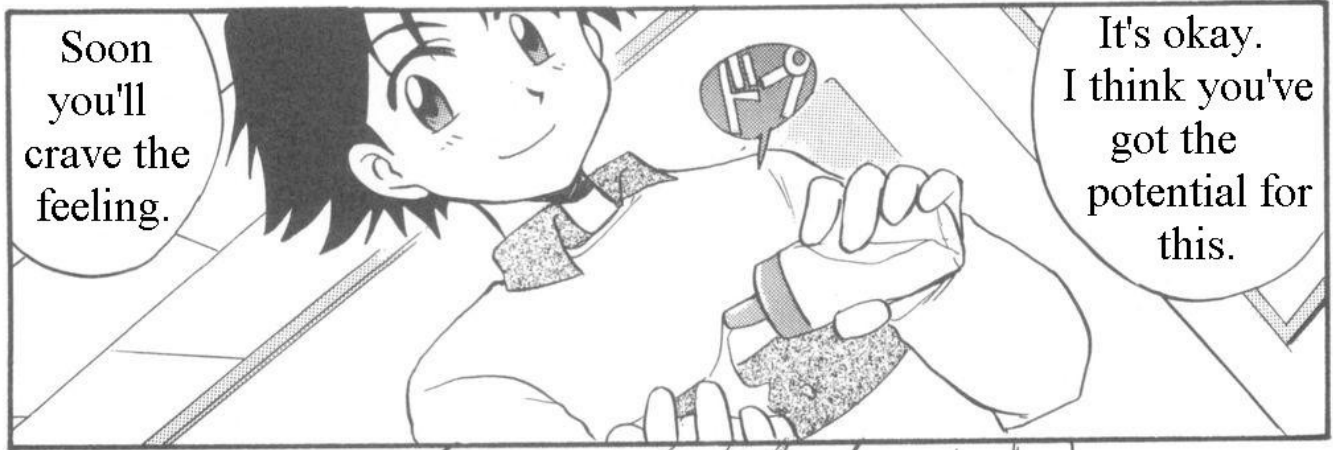

Guess you're the straight man here.*

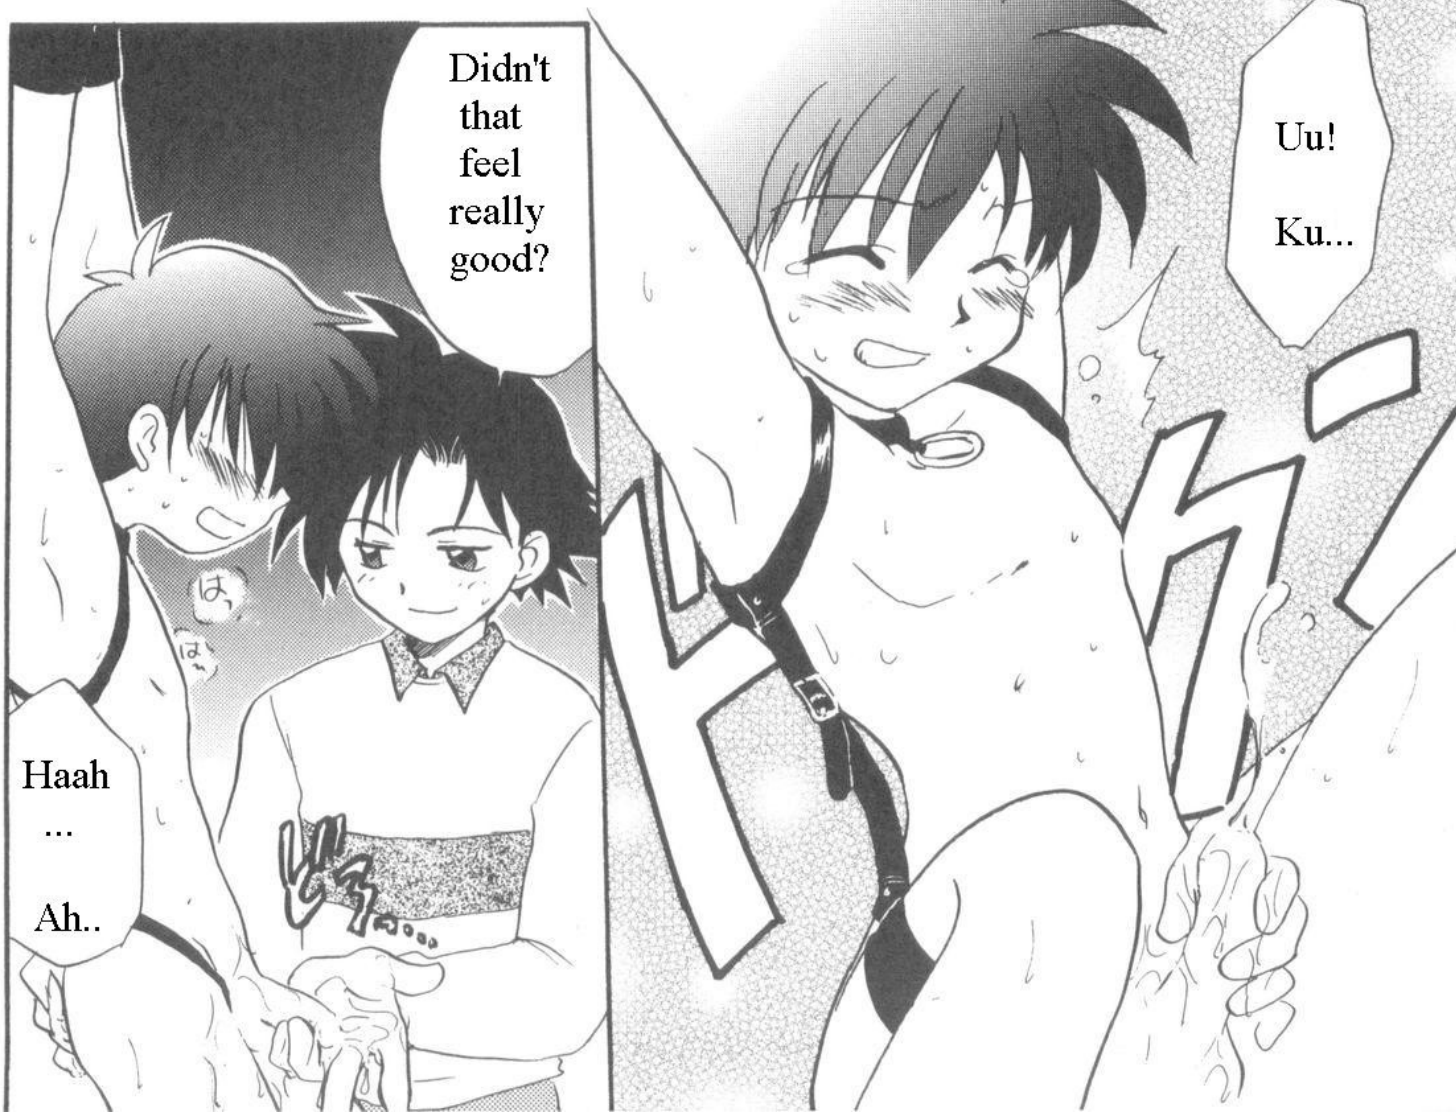

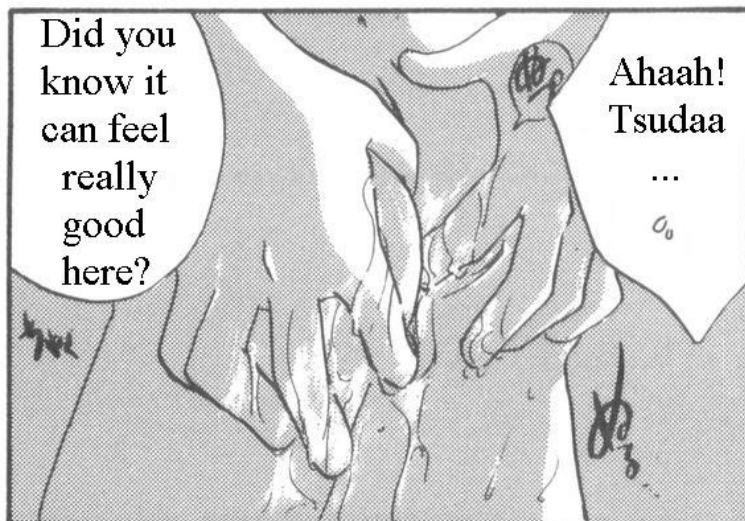

You've gotta be kidding!

The place in the world where hanging someone up in bondage gear is considered friendship doesn't exist.

Now then ...

Which

Big

Those

I later found
out that
Yoshimasa
was one of
the most

the school.

Then

As
promised,
we
became
"friends."

might
come

After that,
I started
doing

Last Chapter's Synopsis

(Humiliation short story)

The transfer student, Tonegawa Masato (figure 1), had barely arrived at his new school before losing his virginity in one fell swoop! His partners were the three people working at the adult shop Amigo, including one Tsuda Yoshimasa (figure 2). Into his room was Masato brought, and taken in quite well and thoroughly. However, eventually feelings of friendship, and masochistic pleasure, grew between them until (snip)

!!

And with
that let's
move right
along to
seeing some
examples in
action!

Everyone
watching can
play along at
home!

Forget it

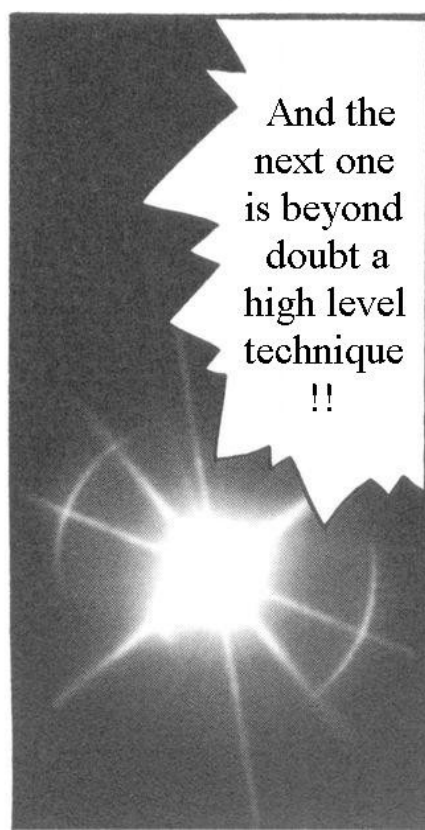

Being held so deep in
another like this is great

With this kind
of joining you
can certainly
see each other
well, so
that's a plus!

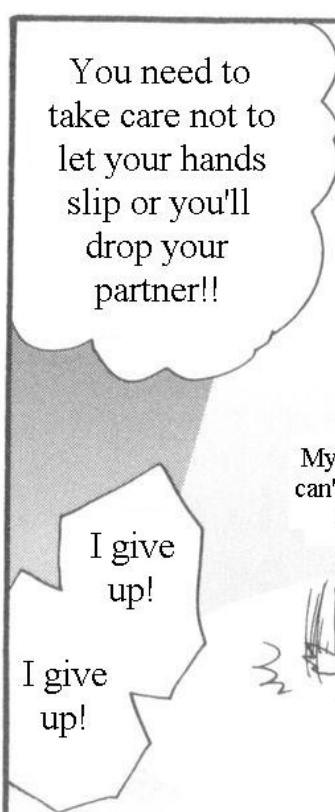

Ah

Ah

You each prop
yourselves up
with your
hands and
move your
hips.

And the
next one
is beyond
doubt a
high level
technique
!!

You need to
take care not to
let your hands
slip or you'll
drop your
partner!!

Male bonding
is a little
tricky, huh!

Next is
the
Standing
Pine!!

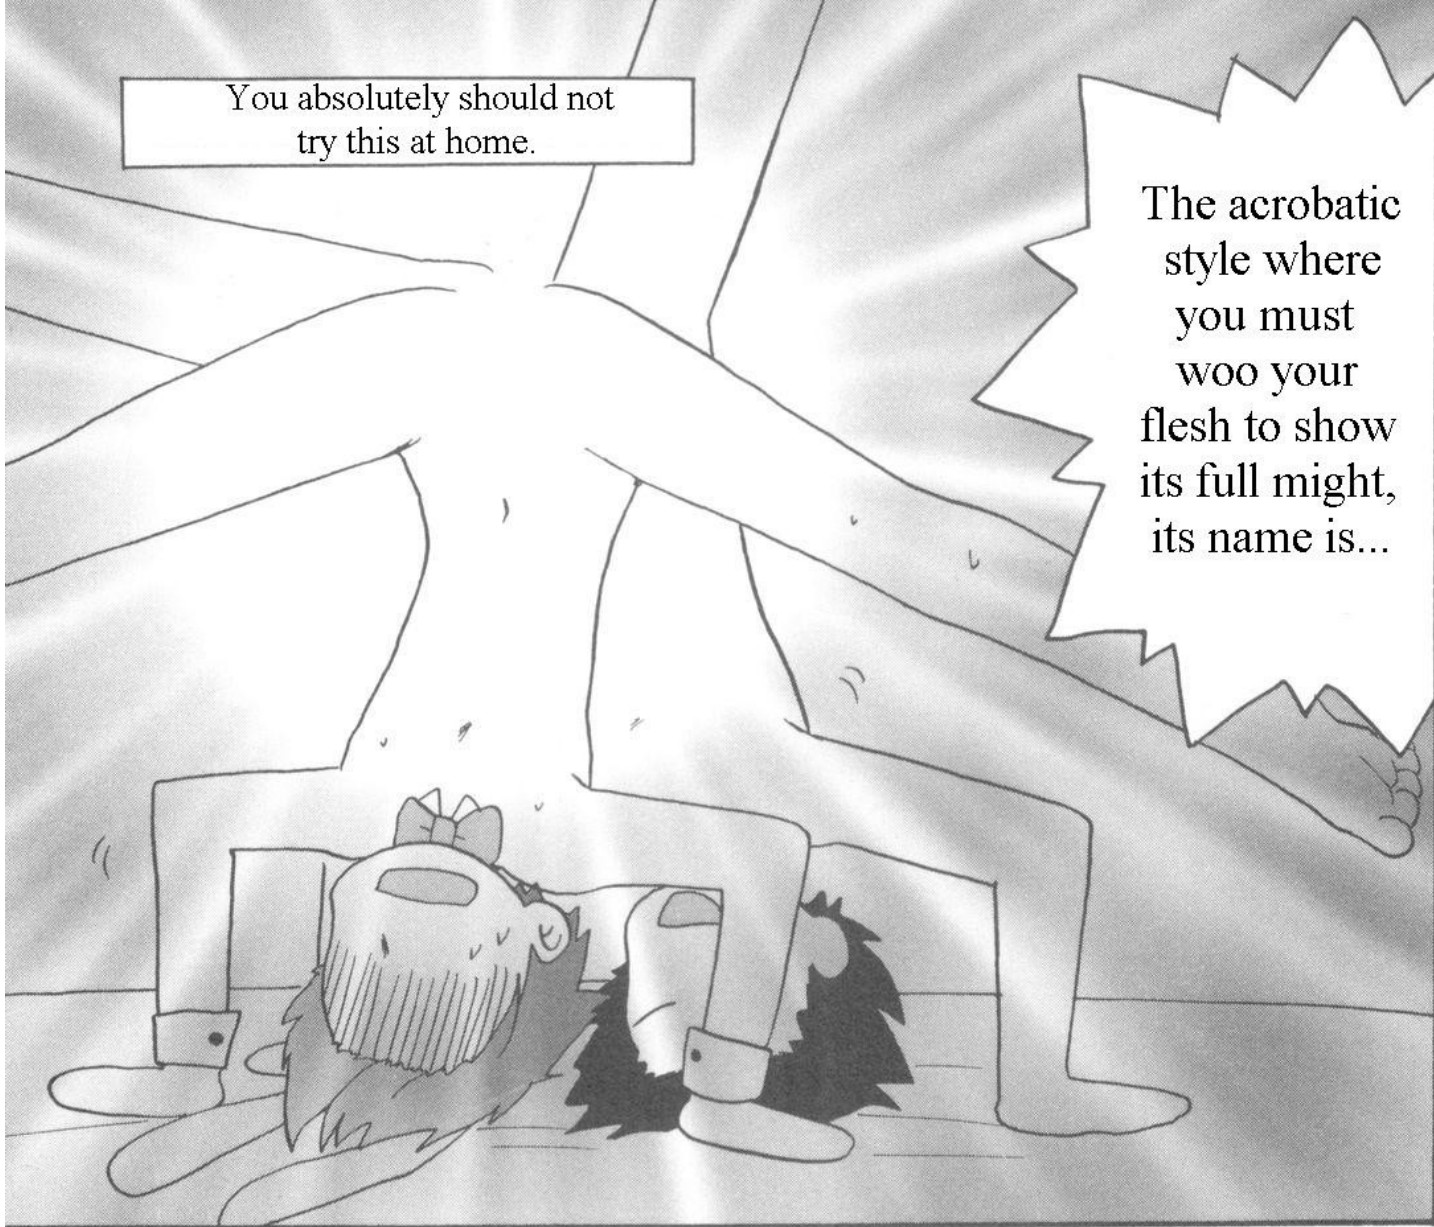

My back
can't take
it!!

I give
up!

I give
up!

You absolutely should not
try this at home.

The acrobatic
style where
you must
woo your
flesh to show
its full might,
its name is...

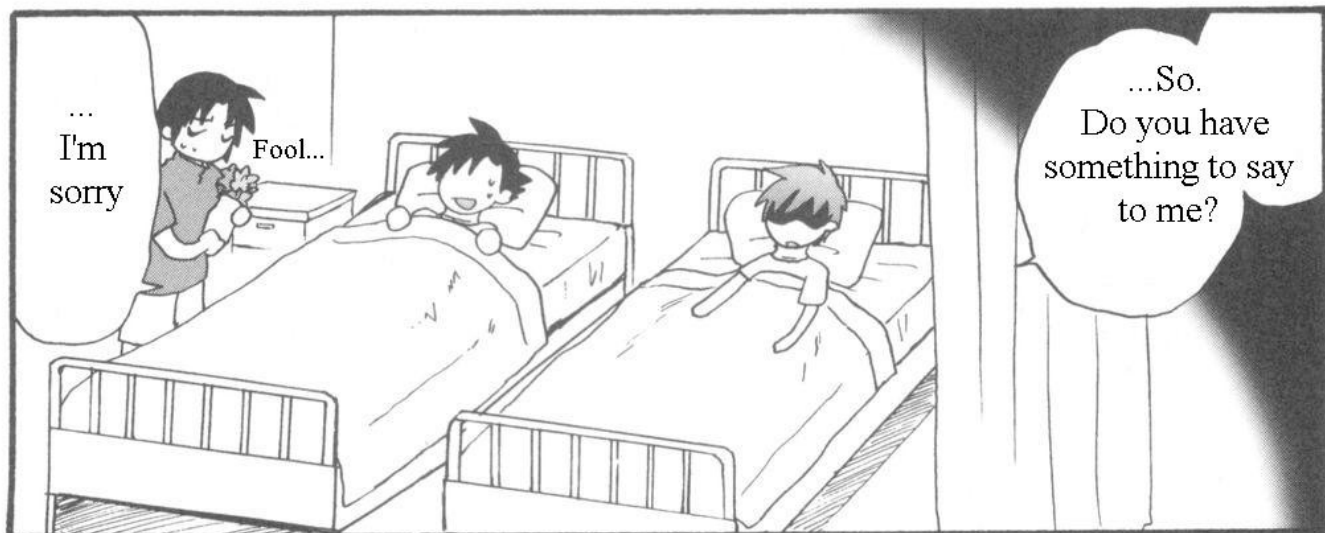

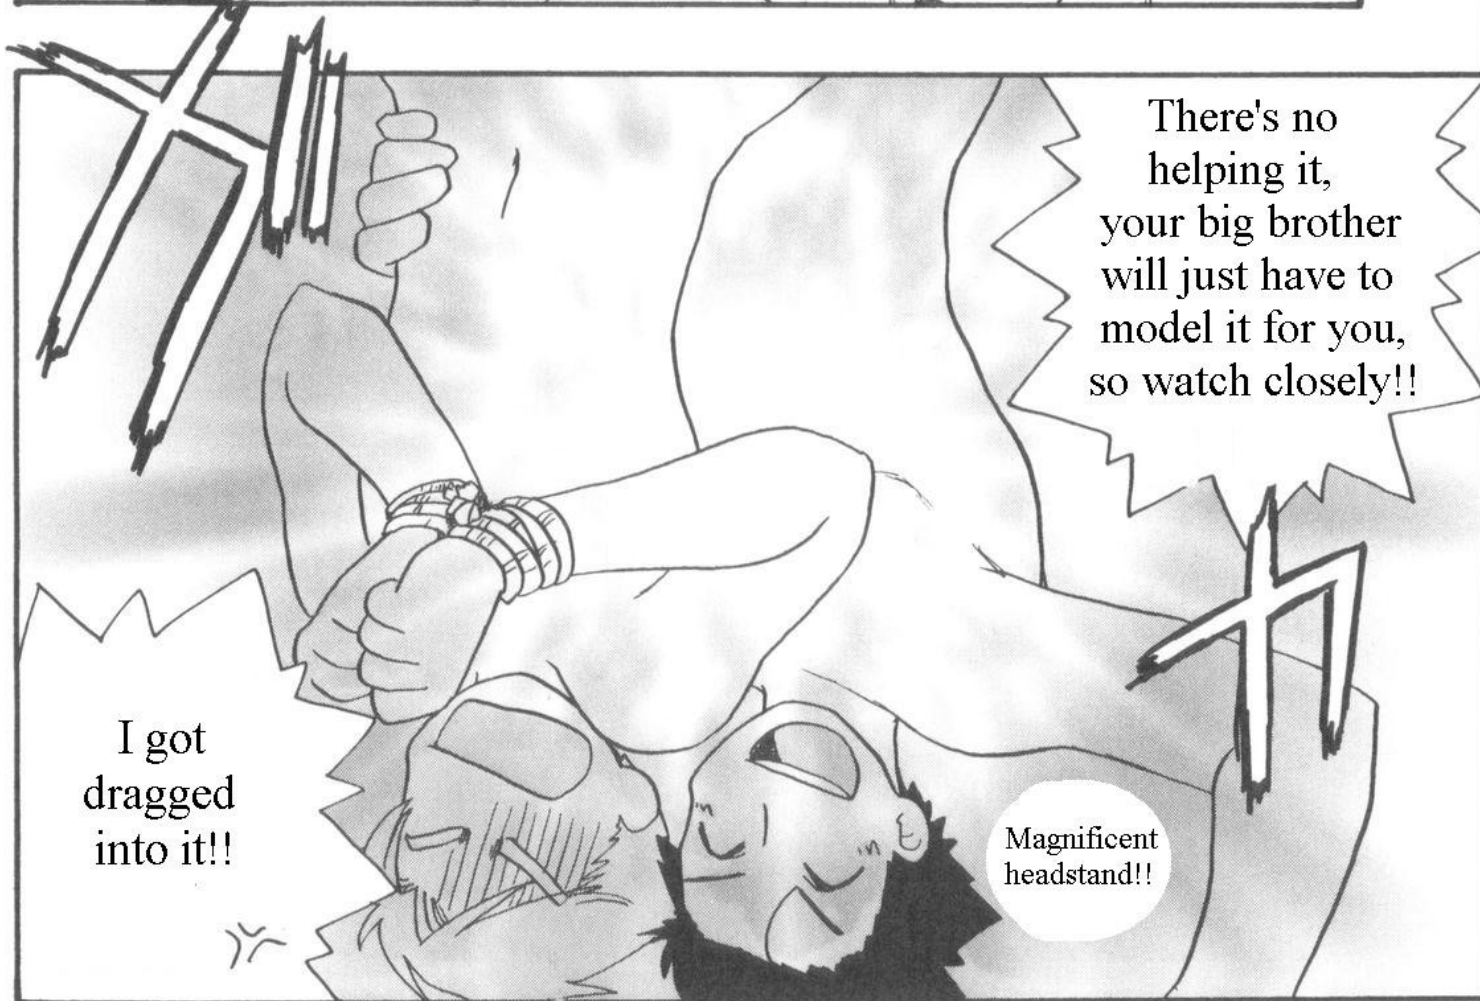

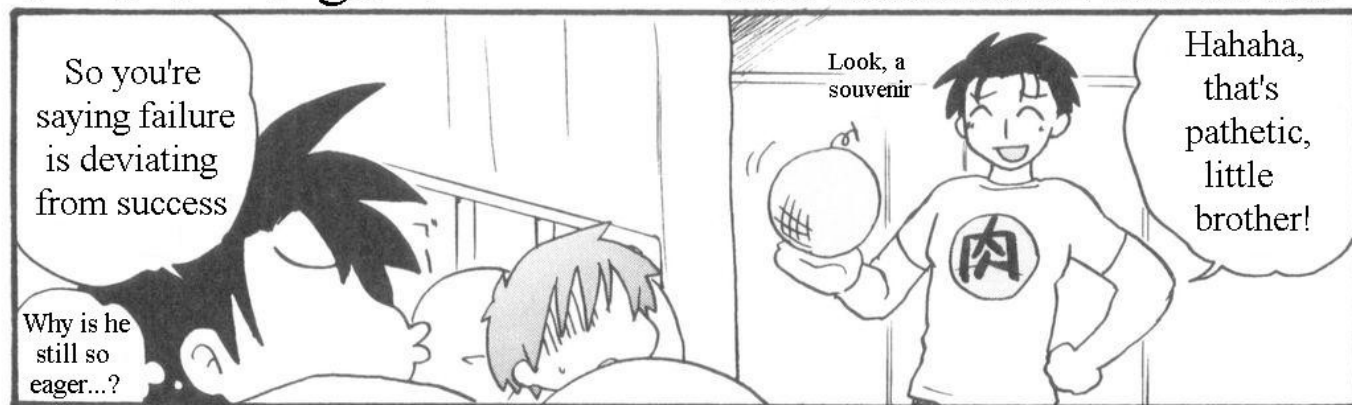

Crunch...

...
I'm
sorry

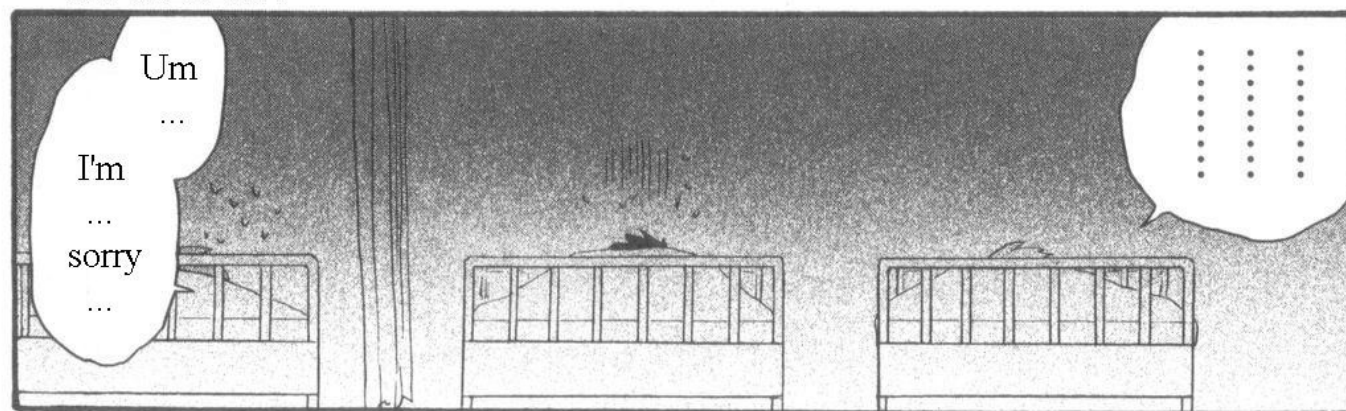

Fool...

...So.
Do you have
something to say
to me?

Crunch...

★ Takaya-san!
Congratulations on the
shota ♥ comic!

In order to be able to eat three square meals
you zealously pursued hentai from the boys
of the house of Kirigakure who went "You
must be making some mistake!" and so on.
In defiance of the likes of the straight men
please do your best to give us even more
intense and wonderful stories. That is what
we yearn for!

I'll always be there to assist you!
Best regards from here on out!

Iwasaki Tsubasa.

*) Note 1

Ha! By any chance is that ↑
supposed to be food for
thought (and masturbation)?

*) Note 2

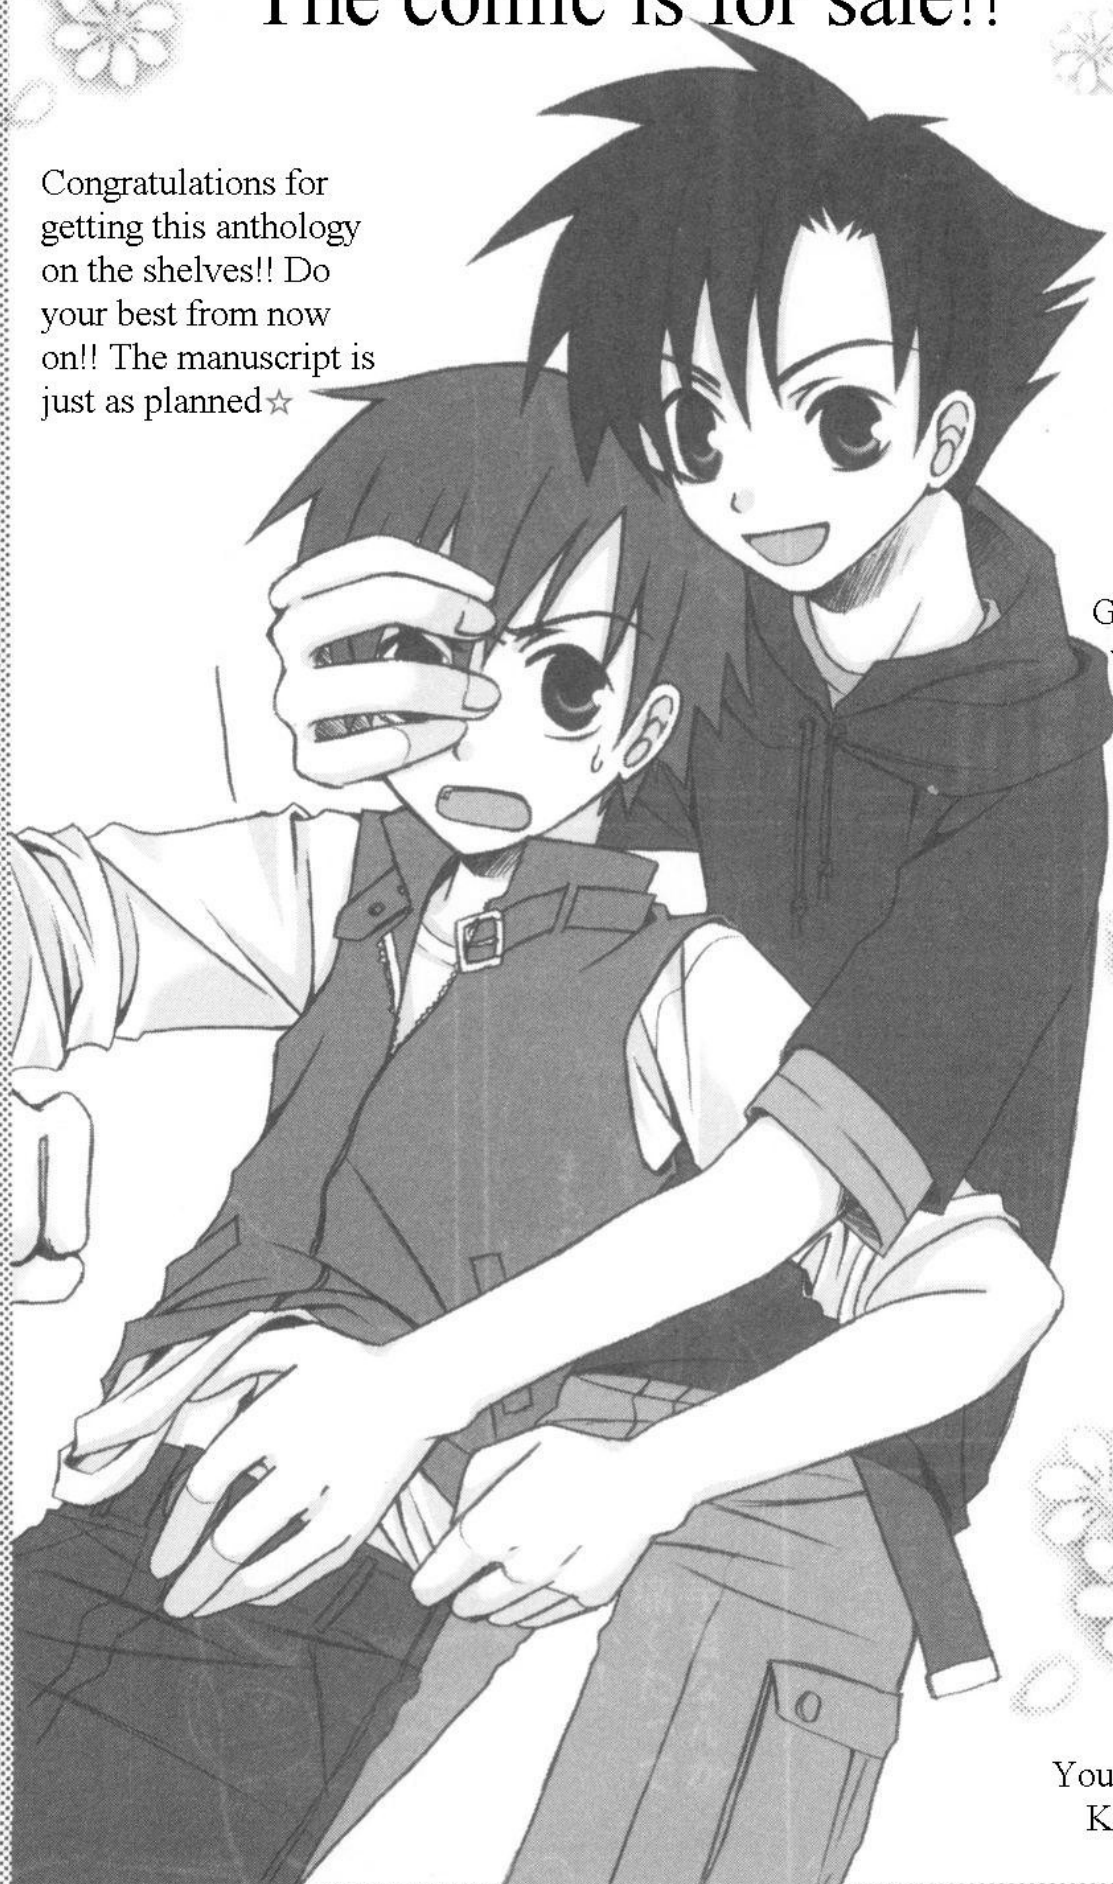

I didn't care too much about my
calligraphy when I did this (haha)

Congratulations!! The comic is for sale!!

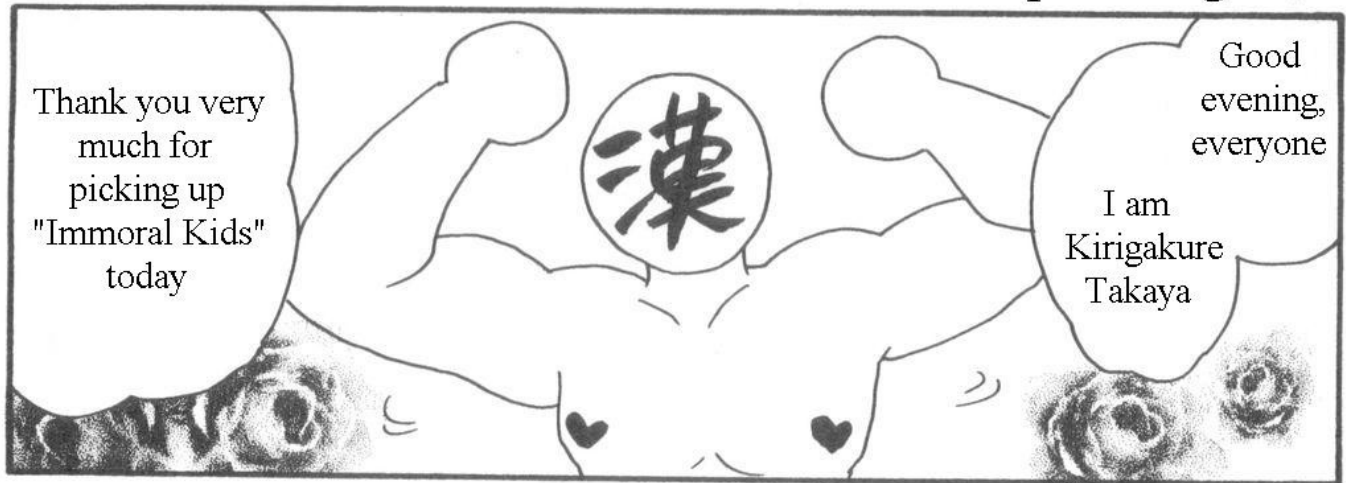

Congratulations for
getting this anthology
on the shelves!! Do
your best from now
on!! The manuscript is
just as planned☆

Postscript manga ♡

Face: Man

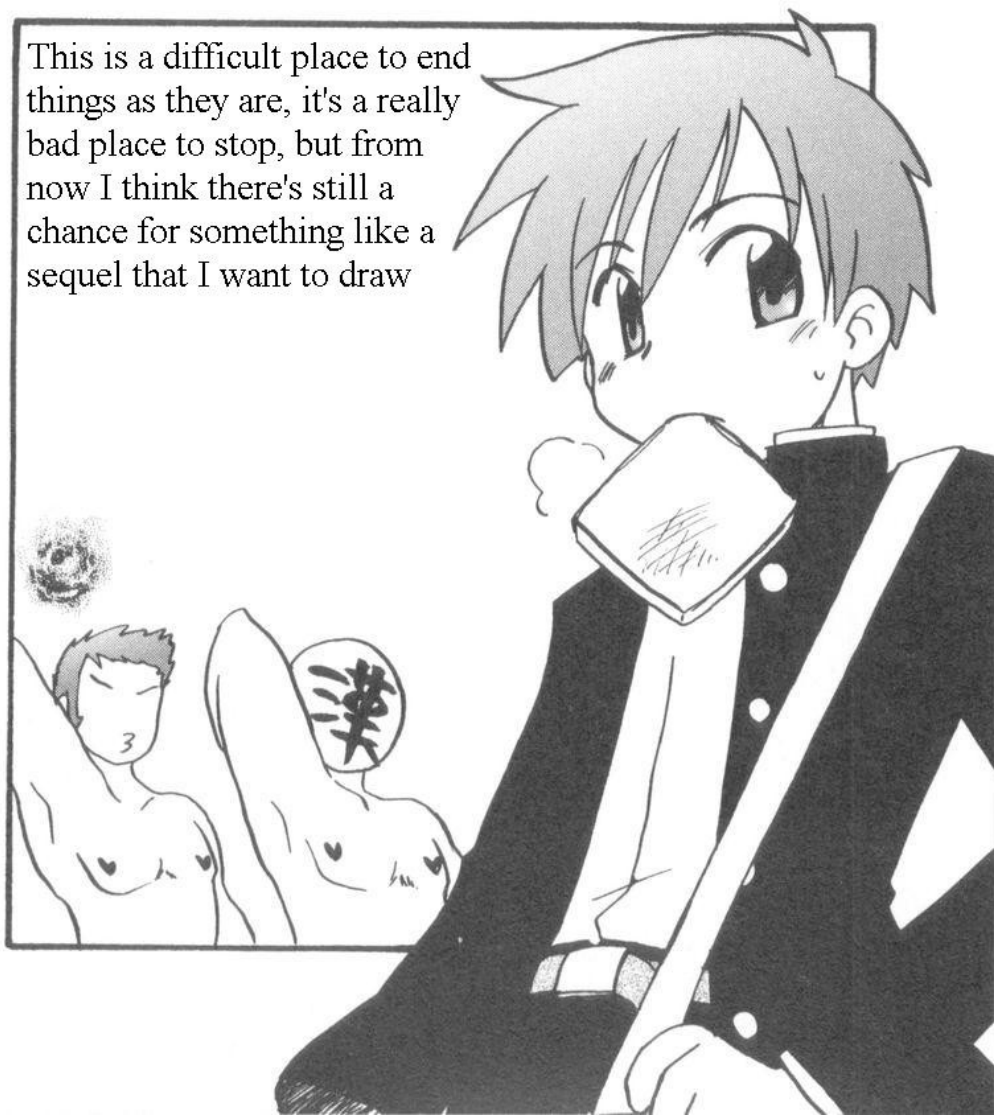

The truth is, these are male-oriented so far but the comics are still coming out and this one is drawn specifically so that Ikumi-chan can get fucked by the elder brother and sister Tsuda.

If you're a woman over the age of 18 in the core of an erotic book then thou must earnestly heed the advice in the above book.

This is a difficult place to end things as they are, it's a really bad place to stop, but from now I think there's still a chance for something like a sequel that I want to draw

Thank you to guest artists Iwasaki-san and Kimura-san! I will always be indebted to you... (dead silence) And finally, to all the various people who helped me out, thank you as well!
