And that's
what he said

.....

Even if the wedding was decided by our parents, it's too much

He probably hates me

We sleep in seprate bedrooms

It's been a half year too

He always acting so indiffrent

I don't think... you need to worry about him hating you

Since you two are young you don't have to rush

Well surely

But

Eh?

Yes, since he was small I've taken care of the young master

Really?

Rather...

I think the problem's something else

As I thought...

They're getting bigger...

Mother and father
rushed the ceremony

because I'm
like this

probably

.....

and the
other
half...

It can't be
helped huh

half of
me is
female

I....

Getsujin-

Senka, If
you knew

You'd
definitely
hate me

He probably
didn't want
to tell you

Senka-
sama, it's
up to you

Getsuju-sama
has been
counting the
day to his
marrage since
he was a child

Then I have
a plan

His feelings
won't
change so
quickly

As expected
Senka-sama

You don't
have a
problem
with it do
you

It was
hanmade
by Eirin

It tastes a
little weird

meet and
have tea
like this

We should
occasionally

Getsuju-
sama?

It would
to be a
start as a
freind

Ok!

Haa

Haa

Sorry I
don't
feel well

Haa

Umm...

Yeah just a
bit of
medicine

Did you do
something?

I

Can I leave it
up to you?

Now,
Senka-sama

It seems
young
master is
not feeling
well

I was scared so I didn't say anything

It seems like Eirin slipped me something

Mn

I didn't want you to hate me
