

Eh,
I'll pass

Once club
activities
are over,
do you want
to go for
karaoke?

Hey,
Kenji!

**More than Siblings,
Less than Lovers**

Ah, both your
parents are
working over-
seas, right?
That must be
pretty tough

For one
thing, I
don't have
the time.
I'm really
busy at
home

大守春雨 Omori Harusame Presents

Why not?
We need
to get
together
every once
and a while!

Sorry,
I'm on
cooking
duty
tonight

But the manager
said he'd bring
some girls this
time - this is your
chance to get a
girlfriend!

I've
always
wanted a
sister like
that

However!
You get to live
alone with
your hot
sister, just the
two of you.
I'm jealous!

Ah...

My classmates don't know the truth about my sister

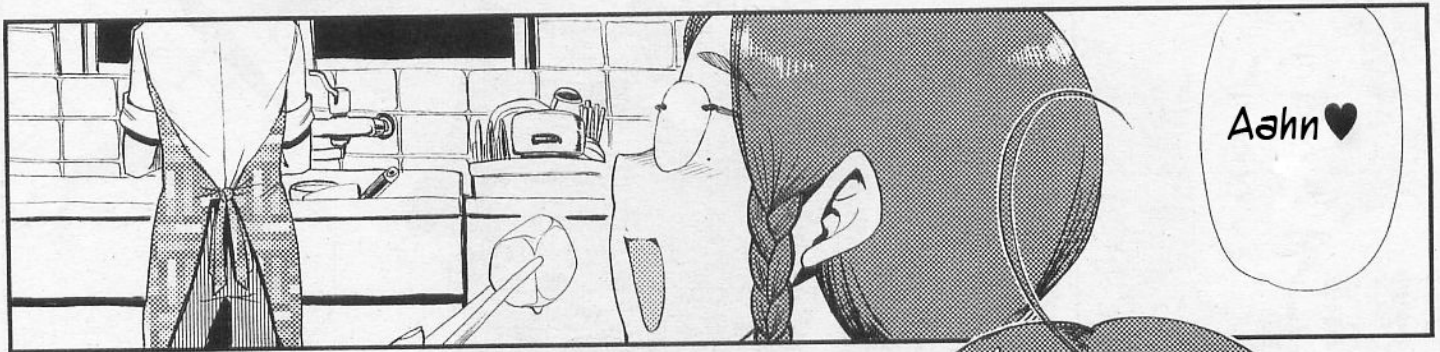

I'm home!

I was scolded by senpai...
Oh, senpai...

Ken-chan,

Delishus!

Your cooking is much better than mine!
From now on, you're doing the cooking!

No way

This is her true form

You'd better say "yes"

Ow ow ow!
The tea's spilling!
I said it's spilling!

You never listen to what your sister tells you to do!

At home, for some reason, she wants to have a "skinship"

Both our parents are rarely home

It's mom and dad!

Ringing

I think I understand her reasons

I've been elected student council president!

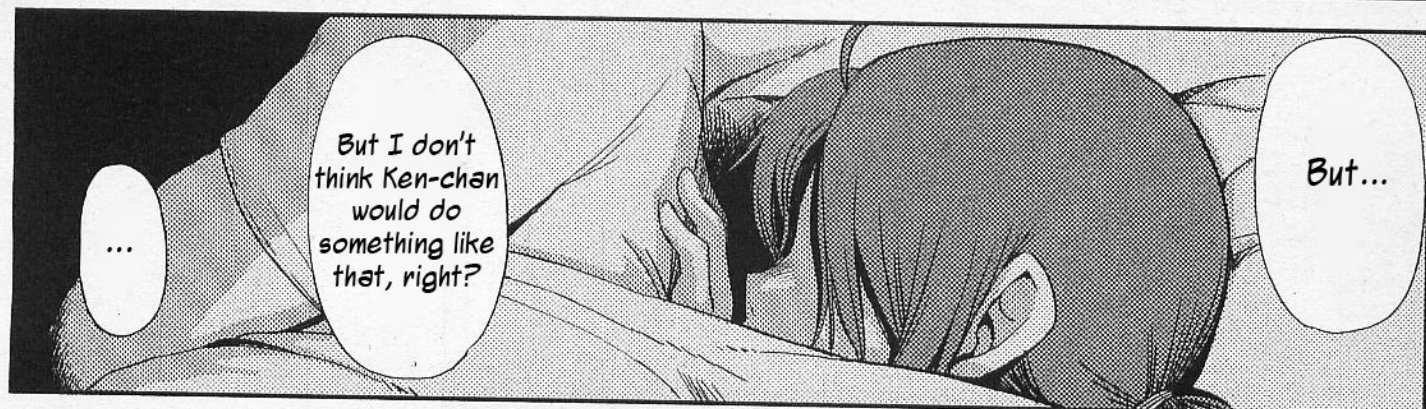

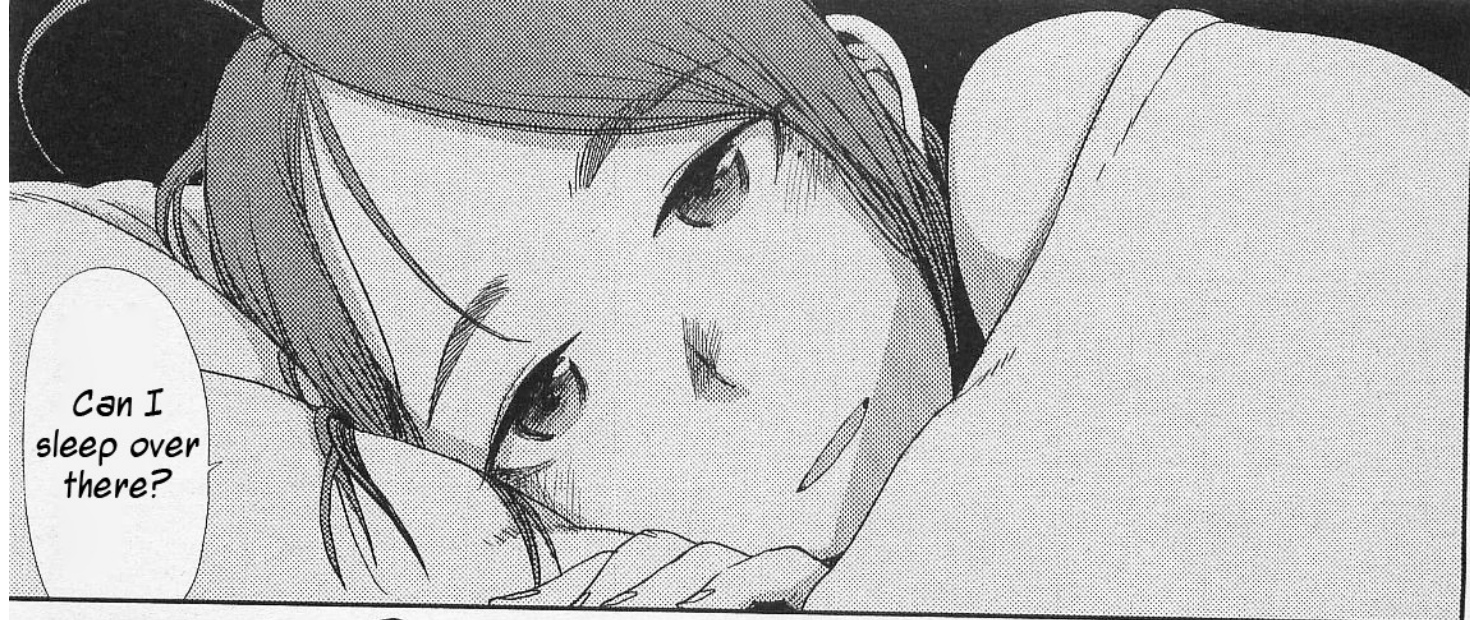

She doesn't make our parents worry and is an honors student

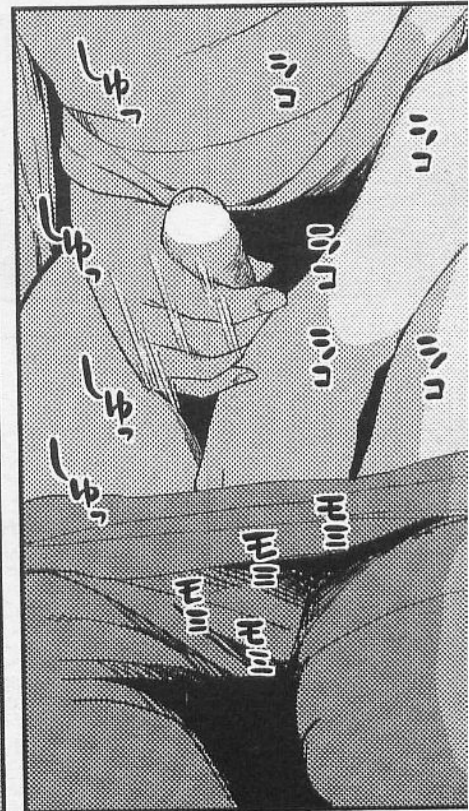

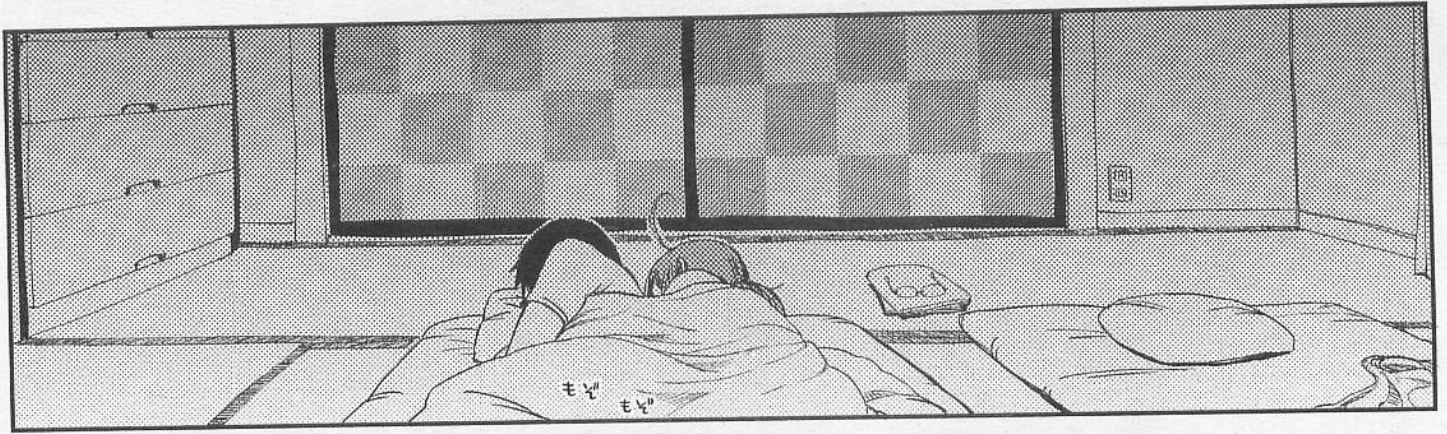

Yep, yep Kenji and I are doing well

She's always been self-dependent

Boing!

I'm
stroking
it so much
for you
♥

Ken-
chan, do
you like
it? ♥

AHN

HAA

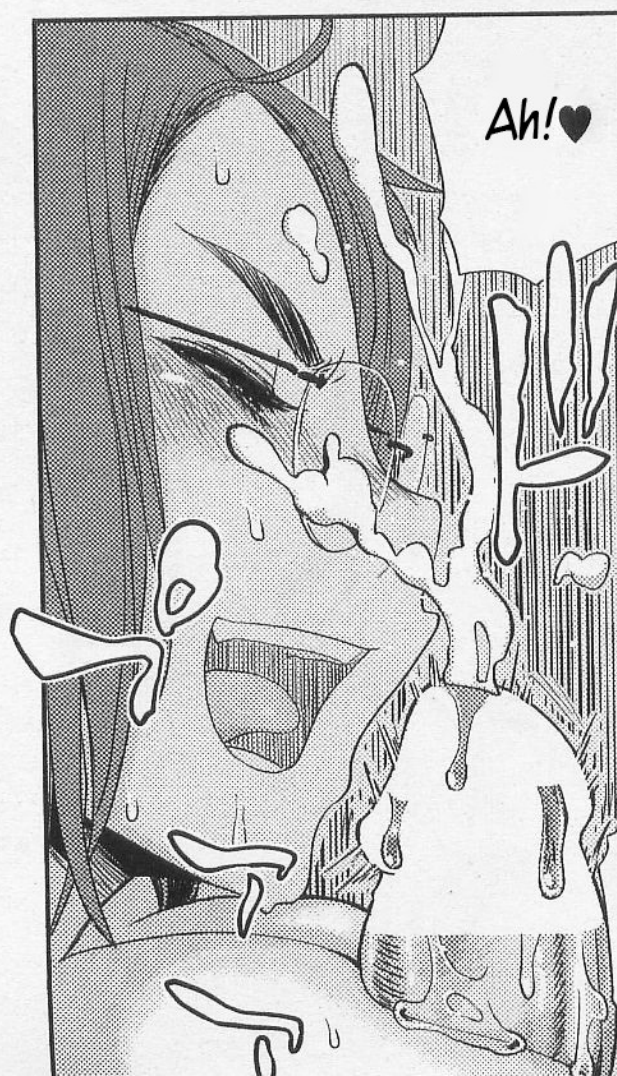

It's
become
so big

Even
though it
just was
so small

I might regret this, but I don't want to stop doing this with you!

I want to be with you forever! Forever...

Ah... Ah
It's entering

Yah! Ah!
Stop moving!

I want you
to talk with
me for a

Yeah

Are you
sure
about all
this?

I can't
speak for
the past,
but

Divorced

Shouldn't we
tell them
they aren't
really
brother and
sister?

Huh?
Didn't we
mention
it?

Divorced

From now
on, sis and
I are going
to be
together
