These books
show women
sexually
coming...

It started
when I found
erotic books in
Daddy's room

Everybody here's
tied in a painful
way, almost
like they're
suffering...
But...

I don't know
why, but the
form of it
looked pretty
good!

Y-Yeah,
it's nothing
to worry
about...

Thanks for
worrying, but
I'll be fine.

Hey, have you
seen Takeuchi
and Hasegawa
anywhere?

Takahashi-san
and
Kirishima-san
are both off
sick with it.

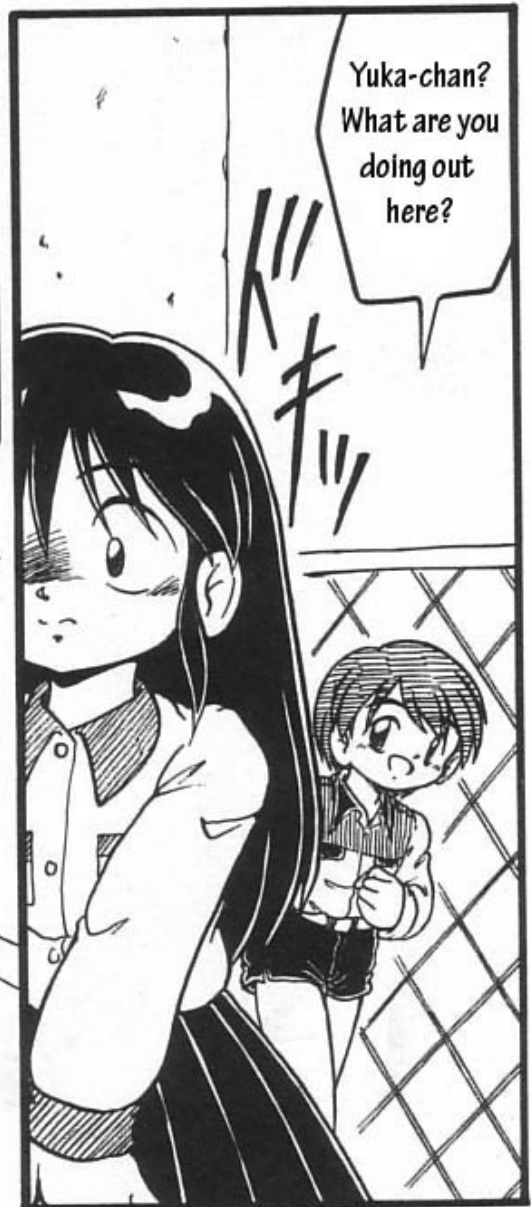

You should
be more careful
and not to
catch any
nasty colds.

They're
skipping
clean-up
duty again.

Wasn't
Yokoi with
them a little
ealier?

Wh-What are
you doing
pushing me like
that?! That's
dangerous!

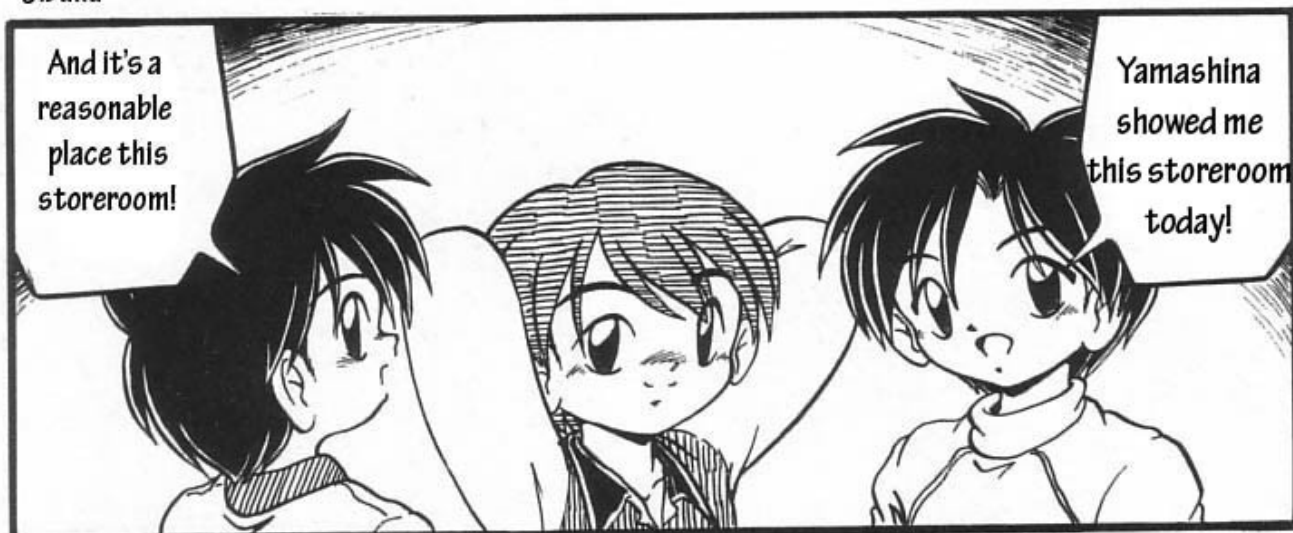

Everyone
should be in
here. Now,
in you go. Go
on, in, in!

What on earth
are we doing in
one of the
school's empty
storerooms?

I say
It looks good
on you!
Makes you
look
masochistic!

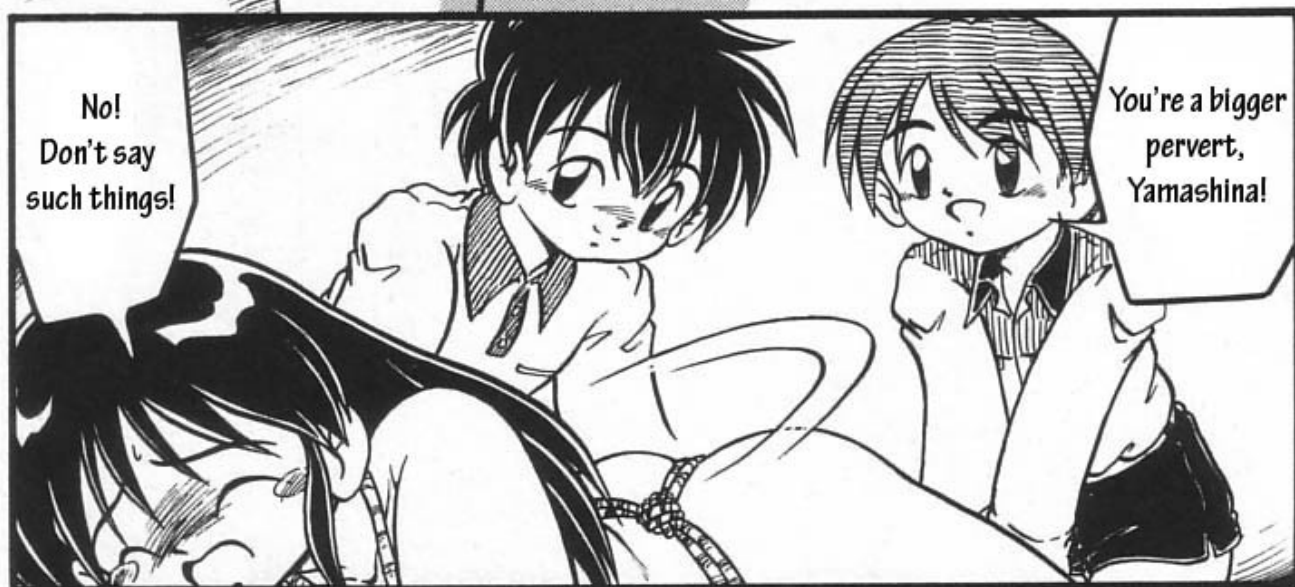

You must
be a big
pervert to
go around
with that!

Please
don't look
at me like
that!

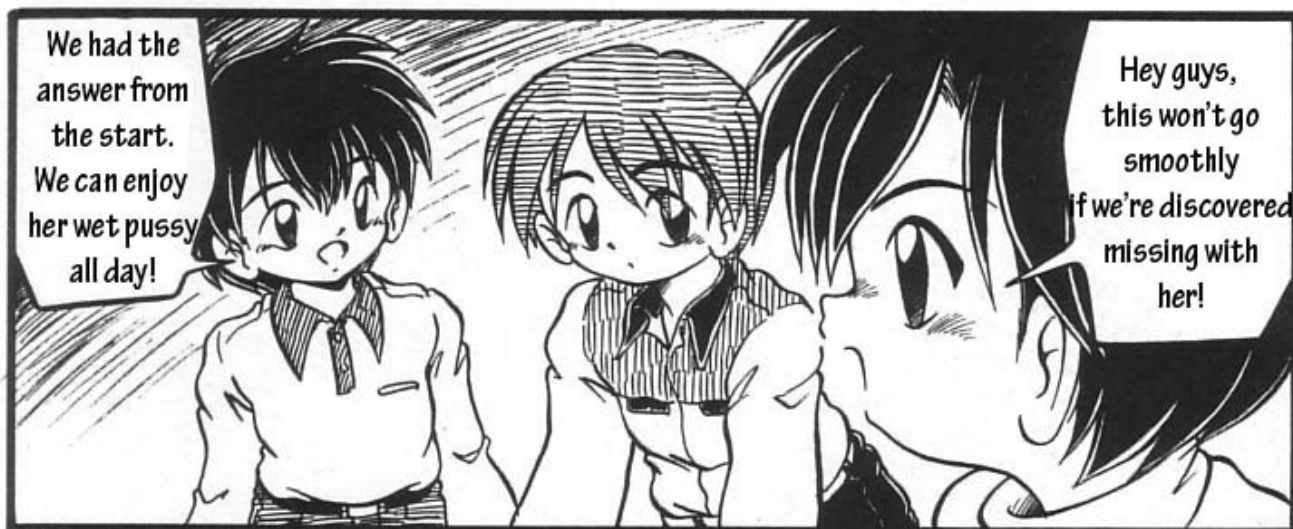

This girl's
all tied up!

Awesome!

No!
Don't say
such things!

You're a bigger
pervert,
Yamashina!

We had the answer from the start. We can enjoy her wet pussy all day!

Hey guys, this won't go smoothly if we're discovered missing with her!

No way...

Kirishima and Takahashi goes and tells the teacher we headed home with colds, and Yuka-chan went to go check on us.

We might as well tie her hands up, to stop her struggling.

Hey! Stop Wriggling!

STOP IT!!!
