Although one person was severely wounded, all other hostages were unharmed...

...Now, regarding the troubling armed burglary standoff that occurred yesterday...

...However, of the two criminals, only one was killed by gunfire in this gruesome event.....

AAH

Because the criminals were in possession of firearms, there were no alternatives for the police but to open fire...

Going forward, we imagine that the prefectural police force will be forced to answer questions regarding the decision-making that lead to the use of deadly force in dealing with this incident...

THAT'S TERRIBLE OF THE POLICE... IT'LL BE ANOTHER DEPLORABLE SCANDAL FOR SURE.

MY GOD THAT'S TERRIBLE... THEY DIDN'T REALLY NEED TO KILL THEM, DID THEY!?
