LOVE THE YOUNGER SISTER AND SMALL GIRL

『突然ですが義妹が出来ました』

■こんにちは。最近関節を痛めると治りが遅くて、若くねえなと感じるようになったOgataです。無理出来ない。

■今回は義妹が欲しいと言っていた主人公に、本当に義妹が出来ちゃったという話です。私も義妹欲しいと某所で呟いたりしていますが義妹良いよね！どっかに義妹居ないかな！おにいちゃんと呼んでくれるだけで幸せになります。

■そういえば珍しく金髪です。友人にOgataさんは茶髪とか黒髪のイメージ言われて、そういえばオリジナルはほぼ茶か黒だなーと。実際に居そうな娘を描きたくるので、どうしてもリアルな色になっちゃうんですね。今までの私の絵を観ている方はアレ？と思ったかもしれません。新鮮な気持ちで読めるかな？

■今回塗りを少し変えてみましたがどうでしょう。変えなければ作業は早いんですが、やっぱりどんだん絵が古くなってしまうので、色々取り入れていかないとね。おかげで塗るのに苦労しました…。

■次もまたカラー一本出したいですが、たまにはモノクロ本も良いのかしら。どっちになるか判りませんが、また次回！

…の前に本編をどうぞ！

What's happening?

Could I have a step sister somewhere?

Something like "Onii-chan"

In games it's nice to be called something that has nothing to do with the Main character

Maybe a cute girl! who makes me want to protect her?

Having a step sister really would be great

Onii-chan!

Eh!?

But I guess it would just be annoying in real life It's just nice in 2D

Alright, coming

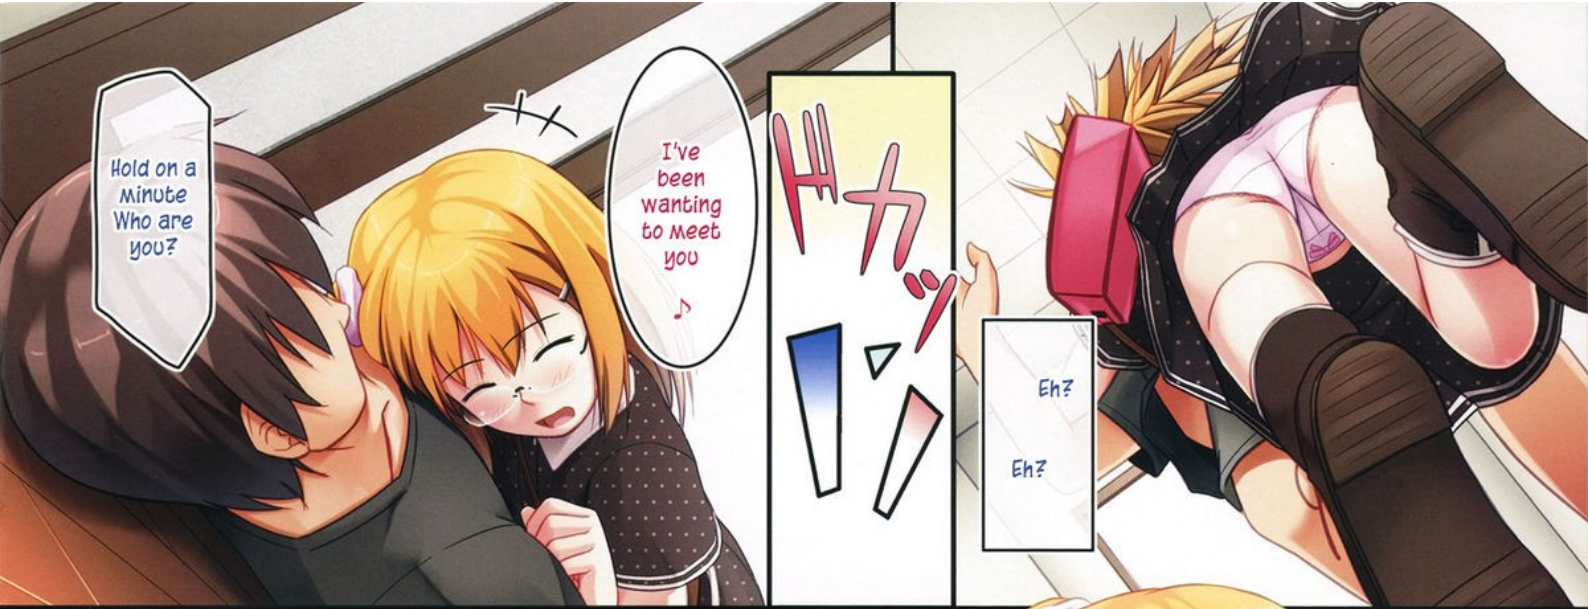

I wonder who it is

A child ...?

カッ

チッ

Yes?

Hold on a minute Who are you?

I've been wanting to meet you

Eh?
Eh?

There's proof on here

That's alright I didn't expect you to believe me right away

A camera?

Dad...

Sorry that this is so sudden but there's something I need to tell you

Nice to meet you

I'm your step sister, Lisa

Hah? What are you saying?

When your mother died I thought I didn't need to be with anyone but after a chance encounter I suddenly wasn't so sure. I've decided to start a new life for myself. I intend to hold the ceremony here sometime soon. Also we've gained a family member, your younger sister, Lisa. She's a lot younger than you are.

Now that you mention it, your Japanese is really good How long have you been living with my dad...?

I even studied Japanese ...

I'd only ever seen my Onii-chan in photographs so I always looked forward to finally meeting you

After my mother died 10 years ago, my father found himself a woman, despite thinking he'd be alone the rest of his life, and that woman's child is you... My step sister

So basically ...

Right

Dad... What were you doing overseas ...?

... Actually it doesn't matter

Sorry for the trouble

H- Hey!

Transfer student? Exchange student...? Whatever you call it, I'm starting school here

So, why are you here? Why are you in Japan?

Your Dad said to go live with my Onii-chan

No... well... OK, maybe so but... this is too sudden

It's alright isn't it? We are siblings

Eh? You're going to live here?

And that's how my life with Lisa began...

She might be my step sister but she's still a younger girl with no blood relation to me

I did say I wanted a step sister but...

I didn't think I'd really have one

...
She looks so vulnerable
...

She's so... cute

What are you doing in here without any clothes

!?

Since we've started living together I've gradually come to love my kind Onii-chan

You're all flustered Feeling self-conscious?

No I'm not Stop being stupid

That not what I meant...

We are together as brother and sister

No, not like that...

Is he strict...? I hope he's a kind person

You know... after I heard about you I was always wondering about what kind of person you were

Got it

Let's always be together, Onii-chan ♡

At some point we'll stop being siblings...

... Onii-chan will do, won't it?

Then what will I call you?
