

# That Thing Called "Family"

What's up?

Hey Yuuki...

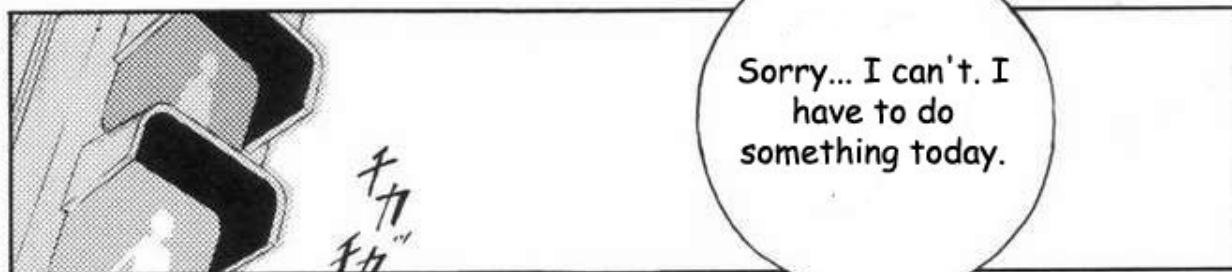

Edogawa Shundei

Oh, I'm coming too!

I bought that game we were talking about.

You wanna come over to my house?

Sorry... I can't. I have to do something today.

Oh!

What are you doing?

I came to pick you up.

Yuuki-  
chaaaan!

Misaki...  
"chan"?

Yuuki...  
"chan"?

Misaki-chan!  
You waited  
for me!

Uh... you  
too...

It was  
nice to  
meet you.

Misaki-  
chan,  
let's go!

Are  
these  
your  
friends?

Yeah! This  
is Acchan,  
and that's  
Ta-kun.

I'm his  
sister,  
Misaki.

Thank you for  
always looking  
after my  
little brother.

I haven't seen you in seven years, and compared to that, it won't be long at all!

My mom and dad got divorced right before I was born.

I didn't know until last year that I had a sibling.

Yeah, I guess you're right.

But after that, I had to go live with my dad.

And then ...

It had always just been me and my mom, living together.

My mom got in an accident and went to heaven...

Who cares?  
It's going  
to be true soon,  
anyway!

Misaki-chan,  
you're such a  
liar!

y-  
yea...

You know... I  
really like  
you how you  
are now...

Oh!

...  
Misaki  
-chan...

The first  
time I met  
my  
sibling...

I've already  
made up my  
mind.

So, today...

Before this goes away...

Let's do it... passionately.

I found out that my sister...

Wah...

Before I become a girl.

...was actually my "brother".

You're so  
perverted,  
Misaki-chan...

...really likes  
it when I  
watch her.

Nnf!

Misaki-  
chan...

Haa..

Ahh..!

アハハ

アハハ

Fff..  
ahh...

Hahh!  
...ahh

アハハ!

アハハ

Haaa...

Misaki-chan's penis...

Ah!

Let me help!

...  
flavor  
...

My precious  
Misaki-chan's  
...

I want to remember...  
Misaki-chan's  
flavor

I definitely  
won't ever  
forget...!

Right  
now...

Yu..!  
Yuuki-chan  
...I'm  
cumming!!!

I... I'm  
at my  
limit!

Ning... mm...

Ha...!

Haa...

Ah

Haaaa...

Heheh ...

I couldn't swallow it all...

Stupid ...

Hehe

Ahh...

Ah!

Sorry, Yuuki-chan... feeling good all by myself like that.

Fuhh.. ah!

But now I'll make you feel great, too.

Yes.

I really want to be able to support Dad...

What?

Hey, Misaki-chan ...

You're really going to get rid of... your penis...?

So, I am...

I became a replacement for Mom, but...

Ever since Mom and Dad got divorced...

No matter how hard I try...

... going to become a girl...!

I can't change the fact that I'm a boy...

And you will be even happier than you are now...!

And it'll make Dad happy.

Dad always does it with you, after all...

It's okay to do it.

Hey.

Yuuki-chan ...

Because... this is the last time... you'll be able to... as a boy!

I'll be fine!

It's too soon for you, Yuuki-chan!

But, at first, it really hurts!

But ...

It's okay.

Is it... really okay?

Put it... in my butt...

O-okay...

There, Yuuki-chan... my penis is inside you.

Ah!

Okay, I'm going in...

Hh...!

Ah...

ah!

I'm... okay. You can... move...

Does it hurt? Should I take it out?

I.. won't forget...

Yeah!

For my penis to feel your butt...

The first time... and the last, huh?

Misaki-chan's...

I won't... ahhh!!

~~~~~ aahhh!!

After that...
