# A Message From The Translator

---

This book has been a pleasure to work on. It took a while to do because of school and real-life issues, it's been a rough time for me to be honest. Not because of the content or work, just personally things have been rough. This book has been a saving grace of sorts, something to look forward to doing for a dear friend.

This anthology's content is something very special in and of itself. The main story and cover picture are a parody of the ever-so-popular 'Little Red Riding Hood' story, except it has a shota theme. The rest of the book has been a pleasure to work on too. I really hope you all like it! The amount of work put into this book was unbelievable! It actually took about two to three months because I had to edit the coloring of the pages, do the uncensoring, edit the SFX, clear and typeset all text and fix the blurry parts of the page by redrawing them based on the original warped lines. Lastly, it had to be translated.

I want to give a special thanks to my fellow teammates; Shadou-kun for doing the first paragraph of the afterword at the end when I was too busy, Boutoku for helping me with some names, Hany for his advice on some editing and, last but not least, thank you Rae-san for such a great job proofreading! Oh, and of course, thank you Azin for sharing such an awesome book to translate and for going back and doing rescans too! I couldn't have done it correctly without you all and I wanted to thank you guys for that. ♥

With lots of love,  
Dari-kun =^\_^=

Little Sister

[Bunny/うさぎ\*] - These character drawings are the first few sketches of him, and everyone else, that I drew when I was beginning this story.

In general, I thought that the bunny's age had looked a little young and because of that I didn't think it was too good...

(The younger sister is a now a completely different character, by the way)

\*TN: うさぎ = Usagi - The Japanese word for Rabbit/Bunny

Maybe the bunny ears made his girly appearance so prominent. Still, I gave him a little chinchin anyways. It was essential.

【Yoshida】

squeeze

Please.

My milk is  
yummy!

Lil' Bunny, not you too !?

I'M A POOL

Instantly licking it up, he's hopeless !!

Uh, ummm, everyone

We should release Lil' Wolf and send him on his way soon!

Ehhhhh? Despite the fact that he's such a bad boy

LICK LICK LICK

Lil' Wolf said that he promises to be my friend!  
MEOW!

Is that sooo!? If he made a promise, we'll all be safe, right?!

Then it's settled!  
Come on, let's play!

Together everyone must make friends with him!

Eh..... UMM.....

Is it yummy, Lil' Wolf?

Good boy, drink it all up!!

This is where Lil' wolf and everyone became friends through naughty playtime.

Lil' Wolf has become skillfully deviant, huh?

◇ I hope to be able to see more of your Shota and that it will continue for a long time. I'm sure it will. How have you come to like the new state on the mainland? 【Shiki】

◇ To tell you the truth, you're a man of talent with Shota (I've concluded), despite that this may be the first time that I'm being formal and really had a look at you're work. (Eventhough we've been aquainted a long time.) By the way, I recieved your manuscript that's in full color.

It's a sight for sore eyes. 【Yoshida】

◇ Your expert art will shake day to day. Afterall, specialists change! Still, it's an amazing piece, so let's rise! 【Shiki】

◇ Gradually, your close friends will see how good you truly are. Do it with confidence. [I love your Shota, and way of drawing it!] You have a cute literary stile while displaying an element of unpredictability. You're truly a professional. 【Yoshida】

## Afterword

◇ Whether I can relate to shota or not is hard to say but, I try to think about hugging Akubi-chan from old fashioned 'Akushon Daimaou'<sup>1</sup>. That image, her minature size, and her little voice! I mean, I want to grope and squeeze her, and make her cry... Though you might think that I hate Akubi-chan, the truth is that it's quite the opposite. I like her so much it feels like my heart feels like it's going to burst. When drawing this comic, that's the kind of stuff I tried to think about. Ah, also, this is my first doujinshi with an original shota character in it. I'm glad it can be enjoyed. 【Kashimada Shiki】

◇ This is my first original thing and therefore, I'm also starting to do original shota. What good luck to have done Mimi-kko<sup>2</sup>! I feel that I managed to grasp the theme of 'Semi-Aggressive Mimi-kko', and even then it's because I had reluctantly accepted it. However, I must say that I am extremely fond of the balance between the two items. That being the case, even the twin-tail<sup>3</sup> ears make the story tender/delicate. Come to think of it, Futch<sup>4</sup> and Astro Boy - just a little because his are hidden - both have animal-ears, huh? Mimi-kko is MOE! My focus material is the appearance of the pet as he is an enigmatic creature, there is no specific influence of drama. Yeah! During the opportunity this time, I increasingly wanted to discover my own style of Shota. Also, if we do this again, I want you to get it and see the results, I'm looking forward to it. 【Yoshida Chie】

TN<sup>1</sup>: Hakushon and his Daughter Akubi-chan are Genies from an older anime series Akushon Daimaou that first aired from 1969 thru 1970 with two spin offs featuring the Daughter Akubi chan. The latest spinoff being Akubi-girl aired in 2006.

TN<sup>2</sup>: Mimi-kko 「耳っ子」 is a Japanese term for animal eared boy/girl/kid, depending on the context.

TN<sup>3</sup>: Two-Tails/Twin-Tails 「ツータール」 is the japanese equivalent to Western word for "pigtails", it just sounds so much cuter in my humble opinion.

TN<sup>4</sup>: Futch is a character from Suikoden with dragon ears. In the 1st game Futch is 11 years old, in the 2nd game Futch is 14 and in the 3rd game he is 29 years old. (He's also super cute throughout all of them! XD)

TN<sup>5</sup>: MOE 「萌」 is a common Japanese expression used in anime and manga and it represents a type of inexplicable cuteness, usually with a helpless feeling within the character which makes them seem more cute. There are different variations of what the word means, but essentially, it means; "Super Cute!"
