A manga-style illustration featuring a central, glowing red orb with a textured, almost crystalline surface. From this orb, numerous grey lines radiate outwards, creating a starburst effect. The background is a vibrant red, filled with soft, out-of-focus white and pink circular bokeh lights. Scattered throughout the scene are many black, stylized sound effects that resemble the Japanese character 'カ' (ka), often used to represent lightning or powerful energy. In the upper right corner, there is a white, oval-shaped speech bubble containing text.

OUR LORD
SHALL
REIGN ONCE
AGAIN!

To be continued.
