Time Stopper Watch
When you press the switch,
the hands of the watch
start moving...
As long as they keep moving,
the watch stops the time
around the user.
All the actions done by the
user during the frozen time,
will instantly show their
effect once the time
starts to move again.
Don't use this for H stuff!

LET'S SEE
WHAT IT
SAYS
...

ALRIGHT
.....
NOW
LET'S TRY
MOVING
THE TIME
AGAIN...
