I'm so happy to have a date with you, Momojo-san.  
I'm glad I worked up the courage to ask her out.

Swimsuit is so small!  
I mean, her nipples are showing...  
It's too erotic.

Did you really want to go on a  
date with me that badly?

Tojo-san is the  
perfect woman for me.

You're overreacting.  
But I'm glad you did ♪
