INITIAL
VERSION

ANNA'S INITIAL DESIGN

When she made her first appearance in the 2nd chapter of *Musunde Hiraite*, I had originally planned her to try to disrupt Yuuichi and Kanako's relationship. So I gave her this tough girl look, someone who has a grudge against any guy who gets close to her sister.

★ ANNA'S CHARACTER DESIGN ★

Like her older sister, she has inherited her mother's busty figure. She is quite mature for her age. On the other hand, she has a petite ass.

OKUNAGA ANNA

HEIGHT 155 CM
B 84(E) W 57 H 79

The youngest daughter of the Okunaga family. Kanako's little sister. She's also inherited her mother's curious personality and she's very much interested in perverted stuff. Her clear bright eyes are always wandering about. She loves Kanako dearly and she's always giving romance-tips to her hopeless-at-love sister.
